Dear General Manager:

Attached is the CBS Television Network Certification of Compliance with the Children's Television Commercial Limits for the Fourth Quarter of 2016. Please give the certificate to the individual at your station responsible for the public file.

As you know, the Children's Television Act of 1990 requires every television station to place in its public file, no later than the tenth day after each quarter, documents certifying that all children's programming broadcast by the station during the quarter was in compliance with the Act and Federal Communications Commission regulations.

The attached document, which is suitable for placement in your public file, certifies that all regularly scheduled children's programming distributed by the CBS Television Network during the Fourth Quarter of 2016 was originally produced and broadcast primarily for an audience of children aged 13 to 16, and therefore was not required to comply with the commercial time limits required for programming originally produced and broadcast primarily for an audience of children 12 years of age and younger.

In addition to your responsibilities with respect to network programming, you must place in your public file certification of commercial compliance for any other children's programs subject to the commercial limits (i.e., programs designed and broadcast primarily for an audience of children aged 12 and under) broadcast by your station within the quarter. You may wish to speak with your broadcast counsel about such reports.

Information pertaining to network programming to assist in your preparation of the Fourth Quarter, 2016 Children's Television Programming Report on FCC Form 398 was emailed to you on December 30, 2016.

If you have any questions, please contact your CBS Affiliate Relations representative.

Best regards,

Diane Kuri
Vice President, Communications & Operations
CBS Affiliate Relations

CERTIFICATION OF COMPLIANCE

HENRY FORD'S INNOVATION NATION
THE INSPECTORS
CHICKEN SOUP FOR THE SOUL'S HIDDEN HEROES
THE OPEN ROAD WITH DR. CHRIS

All of these programs were disseminated for weekend broadcast by CBS affiliates and owned stations.

I hereby certify that the children's programming disseminated by CBS during the period October 1, 2016 through December 31, 2016 was not required to conform to the commercial time limits prescribed in the Communications Act, as amended, 47 U.S.C. §303a, and 47 C.F.R. §73.670(a)-(d) because the programming was all originally produced and broadcast primarily for an audience of children older than 12.
