
Annual EEO Public File Report Form
WEAR/WFGX – PENSACOLA/FT WALTON BEACH
Annual EEO Public File Report

The purpose of the EEO Public File Report (396) is to comply with Section 73.2080(c)(6) of the FCC's 2002 EEO Rule. This Report has been prepared on behalf of the Station Employment Unit that is comprised of the following stations: WEAR Pensacola, FL/WFGX Ft Walton Beach, FL and is required to be placed in the public inspection files of these stations, and posted on their web sites, if they have web sites.

The information contained in this Report covers the time period beginning October 1, 2007, to and including September 30, 2008 (the "Applicable Period").

The FCC's 2002 EEO Rule requires that this Report contain the following information:

1. A list of all full-time vacancies filled by the Stations comprising the Station Employment Unit during the Applicable Period;
2. For each such vacancy, the recruitment source(s) utilized to fill the vacancy (including, if applicable, organizations entitled to notification pursuant to Section 73.2080(c)(1)(ii) of the new EEO Rule, which should be separately identified by name, address, contact person and telephone number;
3. The recruitment source that referred the hiree for each full-time vacancy during the Applicable Period;
4. Data reflecting the total number of persons interviewed for full-time vacancies during the Applicable Period and the total number of interviewees referred by each recruitment source utilized in connection with such vacancies; and
5. A list and brief description of the initiatives undertaken pursuant to Sections 73.2080(c)(2) of the FCC rules.

Appendices 1, 2, and 3, which follow, have been designed, in the aggregate, to provide the required information. Please note that the numbers listed on Appendix 2 under the column entitle "Full-time Positions for Which This Source Was Utilized" refer to the number of the full-time job positions listed on Appendix 1.

For the purposes of this Report, a vacancy was deemed "filled" not when the offer was extended but when the hiree accepted the job offer and started in the position. A person was deemed "interviewed" when he or she was interviewed in person or on the phone.

The station employment unit includes notices to the contact list asking organizations that want to be notified of job vacancies to contact us. During this time from October 1, 2006 to September 30, 2007, two organizations requested to be added, La Costa Latina, and Digital Media Education. These organizations were added so as to receive notifications of all vacancies.

SCHOLARSHIP PROGRAM:

THE SUE STRAUGHN ENDOWED SCHOLARSHIP AT THE PENSACOLA JUNIOR COLLEGE:

In the Fall, 2003, WEAR TV and the Pensacola Junior College Foundation announced the establishment of the Sue Straughn Endowed Scholarship in the celebration and appreciation of her 30 years of service. Established with a lead gift from WEAR, and supported by community partners, the Sue Straughn Endowed Scholarship's balance at the close of the 2006-2007 fiscal year was \$124,006.10.

The Friends of Sue Straughn having established a named endowment with Pensacola Junior College Foundation, Inc., designates that the income will provide scholarships for eligible students at Pensacola Junior College. The endowment and any subsequent contributions are to be held and invested by Pensacola Junior College Foundation, Inc. and administered according to specific guidelines.

Criteria: Student must demonstrate a financial need for supplemental funding. Student must have a minimum grade point average of 2.0. Student must be a United States citizen or resident alien. Student may be enrolled on a full-time or half-time basis. Scholarship will cover tuition, fees and/or books. Scholarship will be for two years, first right of renewal for second year. Preference given to African American students.

From October 1, 2007 through Spring/Summer 2008, 26 scholarships were awarded.

Internship Program

The Station Employment Unit has an internship program as defined below:

Program Goal:

The goal of our internship program is to recruit candidates, primarily juniors and seniors, from colleges and prepare them for entry-level jobs within the broadcast industry.

Program Objectives:

- Develop links with universities and colleges to promote the Station Employment Unit as prospective employers.
- Create a symbiotic relationship between interns and the Station Employment Unit's employees.
- Provide interns with opportunities for translating classroom theories into industry applications. Interns will have the chance to develop practical skills that will improve their chances for success within the broadcast industry.

Eligibility Requirements:

- The applicant must be attending an accredited institution. Graduate students also are eligible. Preferably, applicants should be communication majors, though other majors may be considered.
- The applicant must be at least 18 years of age.
- The applicant must be in good academic standing, as defined by his or her academic institution.
- The applicant must receive academic credit for the internship experience. He or she must be registered for college credit at his or her institution during the quarter or semester in which the internship is performed. Interns are not paid.
- In addition to meeting the institution's eligibility requirements, the applicant must meet the Station Employment Unit's eligibility requirements.

Any person interested in internship opportunities should contact the Station Employment Unit for more details.

During the time period 10/01/07 – 09/30/08 the Station Employment Unit had 4 interns. Three interns were from the University of West Florida. One intern was from the University of South Alabama.

Training

SBG, Inc and its stations WEAR/WFGX is an equal opportunity employer. Equal employment opportunity has been and continues to be both the Company's policy and practice. In order to provide equal employment and advancement opportunities to all individuals, employment decisions at SBG and its stations will be based on merit, qualifications, and abilities.
