WLFL-TV 4th Quarter Public Service Report

Prepared by: Kim Rivenbark

Date Prepared: January 10, 2007

To Whom It May Concern:

The attached is a compiled list of program descriptions of public affairs shows, which WLFL produced to serve the community's interest during the 4th quarter (October 1st through December 31st, 2007) of the broadcast calendar year.

Community Calendar:

WB 22 Community Calendar

Local non-profit organizations utilize this community service project to promote local community events and activities. The events and activities included support group meetings to talk about important issues, and charity events that help raise money for important causes. The Community Calendar airs daily at 10am. It is 60 seconds in length and is comprised of 3 announcements at 20 seconds each.

In the 4th quarter, WLFL aired approximately 55 announcements for a total of 55 minutes of community announcements.

Public Service Announcements:

In addition to the attached, WLFL aired public service announcements covering a number of topics which include the following subject matter: **Crime, Drugs/Alcohol, Education, Employment/Economy, Environment, Health, Youth/Teens, Volunteering, Fitness, Family and Government.** During the 4th quarter of 2007, WLFL aired approximately 7 hours of public service announcements. These public service announcements range from 10 seconds to 60 seconds in length. The public service announcements aired daily between sign on to sign off seven days a week.

Locally produced Public Service Announcements:

None aired this quarter.

Network produced Public Service Announcements:

We aired no Network produced Public Service Announcements during the 4th quarter.

Public Service Programs:

The following programs air on WLFL with the goal of educating all sectors of the community as to the issues that affect them regionally, as well as nationally. These shows highlight topics of interest and organizations that provide necessary information and/or services for the betterment of those who are in need of mental, emotional or physical assistance in the Triangle and surrounding communities.

Program Title: ABC 11 eyewitness news on CW 22

Date/Time: Monday-Friday 10-10:30 PM
Saturday-Sunday 10-10:30 PM
Issue: Various
Type: Locally Produced

Program Topic and Description:

CW 22 and ABC 11 have joined together for a news share, which started on June 26, 2006. This partnership allows CW22 to serve the community by airing a public service Program that we would not be able to run on our own. The newscast is produced by ABC 11 eyewitness news, but it airs on our station. The nightly newscast will cover major issues that and effect and interest the public. See attached report.

Better Life- twice a quarter (each show as a different theme)

Better Life is a locally produced show that airs at least twice a quarter. Better Life takes you on a journey of many of the Triangle's own businesses that can help you achieve your goals. Whether it's a treatment to help you look or feel better, a new career, a fitness program that REALLY works, or making a spiritual comeback, we'll give you the information you need to make "A Better Life".

Air times this quarter:

None aired this quarter

Topics discussed were:

MDTV- Twice a quarter

MDTV is a locally produced show that airs at least twice a quarter. MDTV takes you on a journey of many of the Triangle's medical services that can help you achieve a long healthy life. Whether it's a new medical treatment, or a new machine, that helps scan for cancer, we'll give you the information you need to find the cure for you or information that will point you in the right direction.

Air times this quarter

December 26th at 10:35pm

December 29th at 7:30p

Topics discussed were:

A new technology called Non-surgical spinal decompression, for people suffering from sciatica, herniated discs, degenerative disc disease, and chronic severe lower back and neck pain. It was discussed how it works, and the patent results. Another segment talks about cataracts, what causes them, whose at risk, and what are the best cataracts operations out there.

Other events

Halloween Safe Night- October 31st- 6-9

State Fair- October 13th-21st

The CW Television Network programs

There were no CW Television Network programs that aired during the 4th quarter

Community Outreach –Schools

WLFL outreaches to schools through job shadowing day, where students from area schools spend the day at the station and learn what employees at a television do day to day.

WLFL does station tours for schools and scout troops.
