WISH	Consumer	11a	03-26-2018	2:00	Midday	How often do you eat your left overs? Some of us are guilty of letting it go to waste. But that contributes to an estimated 38 million tons of food each year that's wasted in the u-s. That adds up to about 218 billion dollars.. also in the trash. Sierra hignite reports some ways you can reverse the waste.
