

**COMMERCIAL TIME – CHILDREN’S PROGRAMMING  
VIACOM MEDIA NETWORKS CERTIFICATION: 4<sup>th</sup> Quarter 2014**

The following certification is provided regarding compliance during the period of October 1, 2014 to December 31, 2014 (the “Current Quarter”) with the commercial time limitations set forth in the FCC’s April 12, 1991 Report and Order Implementing the Children’s Television Act of 1990 (the “Act”) and the rules adopted therein.

NICKELODEON aired children’s programming during the Current Quarter to the extent indicated by the attached program schedules. The children’s programming NICKELODEON aired during the Current Quarter contained commercial matter in an amount that was not more than 12 minutes per hour on weekdays and 10.5 minutes per hour on weekends. NICKELODEON accordingly certifies that it is in compliance for the Current Quarter with the limitations set forth in the Act and FCC rules. However, NICKELODEON inadvertently aired on two occasions within the Current Quarter (i.e., on 10/1) a 30-second promotional announcement for its online video series which featured clips of children’s programming containing cartoon characters and which was sponsored by McDonald’s (the “Spot”). The Spot appeared adjacent to children’s programming containing some of the same characters. As soon as the adjacency was discovered, the Spot was pulled from its placement and subsequently restricted to non-clip related programming.

NICK JR., TEENNICK, NICKTOONS and NICK AT NITE aired children’s programming during the Current Quarter as indicated by the attached program schedules for those services, but to the extent these services carried commercials, the amount of commercial matter was within the time limitations set forth in the Act. Program services MTV, MTV2, MTVU, MTV HITS, MTV JAMS, PALLADIA, VH1, VH1 CLASSIC, VH1 SOUL, LOGO, TV LAND, CMT, CMT PURE COUNTRY, COMEDY CENTRAL, TR3S AND SPIKE TV did not air any children’s programming subject to the requirements of the Act during the Current Quarter.

Viacom Media Networks,
