

**QUARTERLY CERTIFICATION OF COMPLIANCE  
WITH COMMERCIAL LIMITS IN CHILDREN'S PROGRAMMING  
FOURTH QUARTER 2015**

---

During the 4th quarter of 2015, WFFF-TV complied with the commercial limits and website rules in Children's Programming as set forth in FCC 47 C.F.R. section 73.670.

During the period of October 1, 2015 through December 31, 2015, WFFF aired five weekly syndicated children's programs originally produced and broadcast primarily for an audience of children 13 to 16 years of age. These programs were not required to conform to the above referenced rules because the programs were all originally produced and broadcast primarily for an audience of children older than 12.

In addition, WFFF-TV aired the syndicated weekly program, WHERE ON EARTH IS CARMEN SANDIEGO, originally produced and broadcast primarily for an audience of children 10 to 12 years of age. As a standard practice, this program was formatted and broadcast to conform to the above referenced rules.

I hereby certify that WFFF complied fully with the FCC's commercial limits and website rules with respect to all children's programs broadcast during the fourth quarter of 2015 that were subject to the requirements as set forth in FCC 47 C.F.R. section 73.670.
