Re: Temporary Retransmission Consent Authorization

Dear Pat:

This letter is being furnished on behalf of Television Stations WEWS and WXYZ (the "Stations") owned and operated by Scripps Media, Inc. ("Scripps") and which are carried by the multichannel video programming distribution systems of Buckeye Cablevision, Inc. and Erie County Cablevision, Inc. or one or more of their affiliates ("Operators") as of the date hereof pursuant to a Retransmission Consent Agreement, dated April 1, 2010 (the "Agreement").

This letter hereby serves as notice that Scripps hereby grants Operators the temporary right to retransmit the signals of the Stations for a period of temporary authorization commencing on April 1, 2013, and terminating at 11:59 p.m. local time on April 15, 2013. The carriage of the Stations during such period of temporary authorization shall be pursuant to the terms of the Agreement. Specifically, each Operator system that carries a Station as of the date hereof shall have the right to carry, and shall continue to carry, the Station's digital signals during such period of temporary authorization on the same level of service and on the same channel position as the Station's digital signals are carried as of the date hereof.

The parties agree that each will continue to negotiate in good faith during the period of this temporary authorization to finalize a formal agreement for retransmission consent and carriage. This letter is furnished by Scripps to Operators on the condition that any economic consideration agreed to by the parties shall be retroactive to April 1, 2013.

Please indicate your acknowledgement of and agreement to the foregoing by signing in the space indicated below and returning the counter-executed letter to me.

Yours truly,

William Appleton
