

ALTERNATIVE BROADCAST INSPECTION PROGRAM

Certificate of Compliance

The Indiana Broadcasters Association (The "Association") hereby certifies that

WSSRC-FM Crawfordsville, Indiana

recently participated in the IBA Alternative Broadcast Inspection Program, which is maintained by the Association pursuant to an agreement between the IBA and the Enforcement Bureau of the Federal Communications Commission (the "ABIP Agreement"), and has successfully completed that program. IBA issues this valid Certificate of Compliance to the station on October 26, 2020. Subject to the station's compliance with the ABIP Agreement, this Certificate of Compliance will remain in full force and effect for three years, until October 25, 2023. That agreement was previously provided to the station and another copy thereof will be provided to the station upon request.

The station is solely responsible for ensuring that it has fully complied with the requirements of the ABIP Agreement in all respects, including but not limited to, the requirement that the station promptly publicly display this Certificate of Compliance. The failure of the station to so comply will undermine the validity of the Certificate of Compliance.
