\* As specified in Children’s Television Obligations Of Digital Television Broadcasters, FCC 04-221 (¶24), “digital broadcasters [are permitted] to air all of their additional [3 hours of] digital [children’s] core programming, beyond the 3 hour baseline on the main digital program stream, on one free digital video channel or distribute it across multiple free digital video channels, at their discretion, as long as the stream/s on which the core programming is aired has comparable carriage on multichannel video programming distributors (“MVPDs”).” Accordingly, the combined JUCE and SMILE (formerly known as Smile of a Child (SOAC)) program service has a Saturday core block of children’s programming of twelve (12) hours (7 a.m. to 7 p.m.). Three (3) hours of that block provide compliance with FCC Rule 73.671 for the TBN Enlace service, three (3) hours provide compliance for TBN Salsa service, and three (3) additional hours provide compliance for The Hillsong Channel service (formerly known as The Church Channel service). Similarly, the TBN service provides a Saturday core block of children’s programming of five (5) hours (7 a.m. to 1 p.m.).
