During the period of time covered by this certification, TBN did not air more than 10.5 minutes of commercial matter per hour during children's programming on weekends, or more than 12 minutes of commercial matter per hour on weekdays.

* As specified in Children's Television Obligations Of Digital Television Broadcasters, FCC 04-221 (¶24), "digital broadcasters [are permitted] to air all of their additional [three (3) hours of] digital [children's] core programming, beyond the three (3) hour baseline on the main digital program stream, on one free digital video channel or distribute it across multiple free digital video channels, at their discretion, as long as the stream/s on which the core programming is aired has comparable carriage on multichannel video programming distributors ("MVPDs")." Accordingly, the combined JUCE and SMILE program service has a core block of children's programming of a minimum of ten (10) hours per week. Three (3) hours of that block provide compliance with FCC Rule 73.671 for the TBN Enlace service and three (3) additional hours provide compliance for the Hillsong Channel service. In addition, the TBN service provides a Saturday core block of a minimum of five (5) hours children's programming and the TBN Salsa service provides a Saturday core block of a minimum of six (6) hours children's programming.
