Programs

Channel	Issue	Time	Date	Duration (seconds)	Title of Program	Narrative Description
3.1	Consumer Issues	5pm	1/11/2021	111 sec	KSN News at 5pm	Loans made available by federal funding in COVID relief acts, are potentially used inappropriately and fraudulently. Kansas woman learns that aid was awarded to her business even though she didn't apply for it, and didn't receive the money. She's concerned she'll have to pay back a loan she never got. Better Business Bureau urges her to report it to authorities.
3.1	Community	Noon	1/13/2021	105 sec	KSN News at Noon	After a Wichita woman got sick with Covid and wanted to give back to hospital workers, she decided the best way to do so was to provide them with thank you meals. She worked to create "Feed the Healthcare Heroes" to help serve meals to frontline workers across the state, helping to raise money to give these signs of appreciation to many first responders.
3.1	Health/Healthcare	6pm	1/29/2021	100 sec	KSN News at 6pm	A look inside the Covid-19 therapy lab in a Wichita hospital. 150 patients received monoclonal antibody treatment to have less severe cases of Covid. Doctors spoke about the process and Sen. Jerry Moran discussed how the process works and how the federal government can support.

Quarterly Issues and Program List

Channel	Issue	Time	Date	Duration (seconds)	Title of Program	Narrative Description
3.1	Employment	7am	1/30/2021	75 sec	Kansas Today Weekend	Unemployment numbers in Kansas are going down, but experts warn its because people have stopped looking for work. The Wichita Workforce Alliance speaks about the people coming in for help to find new employment. They say some who found temporary holiday employment are now searching again. They say widespread access to COVID vaccines will be needed to help stabilize the economy and employment.
3.1	Minority Issues	10pm	1/30/2021	145 sec	KSN News at 10	A look at how minority businesses have fared during the pandemic, finding 22 percent of business owners of color may lay off employees permanently. A Wichita local business describes their struggles, including trying to get federal relief funds.
3.1	Consumer Issues	6am	02/01/2021	120 sec	Kansas Today	Warning for Kansans, as some scammers are using interest in COVID information to get teir personal information. Warning signs to be aware that you might be scammed, and tips to protect yourself, guidance from MeriTrust Fruad manager.
3.1	Minority Issues	6pm	2/4/2021	120 sec	KSN News at 6	Southwest Kansas nurses decide to translate information on COVID vaccine into 10+ languages, to reach the minority and refugee population in the community. They created the youtube pages to help share information to those who don't speak/understand English fluently but need important safety COVID info.

Quarterly Issues and Program List

Channel	Issue	Time	Date	Duration (seconds)	Title of Program	Narrative Description
3.1	Health/Healthcare	Noon	2/23/2021	105 sec	KSN News at Noon	25 year old man describes the long-standing effects of COVID19, including shortness of breath, weakness and fatigue two months after his diagnosis. Cardiologist explains the continuing efforts to make sure that the impact on the heart isn't adversely affect them in the long run. Doctors acknowledge there are still unknowns to the longterm effects and continue to study.
3.1	Community	6am	2/24/2021	100 sec	Kansas Today	During one of the coldest stretches in Wichita's history, local volunteers went out to search for those in need, homeless individuals, who needed help to find shelter, warmth and food. They handed out gift cards to anyone in need they saw, and helped to get shelter for those when there was an extreme cold snap.
3.1	Employment	6am	2/25/2021	85 sec	Kansas Today	State Auditors reveal initial numbers on how many unemployment claims have been fraudulent, estimating \$600M in fraudulent unemployment claims have been paid out. Kansas Dept. of Labor demands a retraction, saying \$290M of claims were fraudulent. State lawmakers discuss the old computer system that hasn't been able to keep up with the demand or the new rules from the federal government and the concern over other issues that would have allowed fraudulent unemployment claims.

Quarterly Issues and Program List

Channel	Issue	Time	Date	Duration (seconds)	Title of Program	Narrative Description
3.1	Minority Issues	5pm	3/17/2021	75 sec	KSN News at 5pm	Seward Co., Kansas which has the largest population of Spanish speakers in the state, with a majority minority population, launches the first in Kansas and 5 th in the Nation Ice House entrepreneurship class in Spanish. The 8-week course hopes to encourage participants in business endeavours.
3.1	Employment	10pm	3/18/2021	185 sec	KSN News at 10	KSN Talks to Wichita man who has been trying for months to get his unemployment benefits. Initially flagged for fraud, he has provided multiple forms of proof to determine that he is allowed the unemployment, as confirmed by the KS Dept. of Labor. However the money still hasn't come and he can't get through to talk to someone at KDOL. The KDOL says they are working to add 500 people to the contact center to answer phones and also blamed the very old computer system that handles unemployment.
3.1	Community	6pm	3/25/2021	95 sec	KSN News at 6pm	A Kansas mother works to teach the spirit of volunteering to her two kids, but when COVID prevented their normal volunteer opportunities, they decided to start giving meals to those in need. It started with one meal to one family a week, and then became dozens of homecooked meals every week to those who are sick, elderly, or struggling financially. They call themselves the Breaking Bread Crew with their focus to help their community.

Quarterly Issues and Program List

Channel	Issue	Time	Date	Duration (seconds)	Title of Program	Narrative Description
3.1	Consumer Issues	10pm	3/25/2021	105 sec	KSN News at 10	Wichita company falls victim to a ransomware hack, all their computer files are stolen, and replaced with a message demanding cash to get them back. FBI now investigating, and cautions to never pay, urging businesses or consumers to increase security on their computer system.
3.1	Health/Healthcare	5pm	3/29/2021	95 sec	KSN News at 5pm	Teen suicides and attempted suicides continue to increase. KVC Hospitals in Kansas saw a 24 percent increase from April - Oct 2020 in 5-11 year olds coming in to the ER after attempts, and a 31 percent increase in 12-17 year olds. Hospital officials talk about the concerns for kids in crisis, how to help get them help, and the long-term impacts that the COVID isolation is having on teens.
