**RE: Station WQMP(FM), Daytona Beach, FL (Facility ID No. 73137)**

Dear Ms. Goldin:

Audacy License, LLC<sup>1</sup> (formerly Entercom License, LLC) (“Audacy” or “Licensee”), licensee of Station WQMP(FM), Daytona Beach, FL (Facility ID No. 73137) (the “Selected Station”) hereby submits the information and materials concerning the Selected Station’s EEO program requested by the Federal Communications Commission (“Commission”) described in the letter dated October 30, 2023 from the Enforcement Bureau to the Selected Station (“EEO Audit Letter”).

Audacy provides information as requested in the EEO Audit Letter for its Station Employment Unit (“Employment Unit”) that in addition to the Selected Station includes the following stations (each a “Station,” and collectively, the “Stations”):

<u><b>CALLS</b></u>	<u><b>TYPE</b></u>	<u><b>FAC. ID.</b></u>	<u><b>CITY OF LIC.</b></u>	<u><b>STATE OF LIC.</b></u>
WOCL	FM	10138	Deland	FL
WOMX-FM	FM	47746	Orlando	FL

In compiling the requested information and materials, the Licensee relied upon an examination of its files and records and due inquiry of current employees who are knowledgeable of employment related issues at the Employment Unit.

The responses below refer to question numbers as they are set out in the EEO Audit Letter.

---

<sup>1</sup> On March 30, 2021, Entercom License, LLC changed its name to Audacy License, LLC.

## **Question 2: Audit Data Requested**

### **Question 2(b)(i): EEO Public File Reports**

The Employment Unit's two most recent EEO Public File Reports, which include the reports from the 2021-2022 ("Year 1 EEO Report") and 2022-2023 ("Year 2 EEO Report") reporting periods are attached at Exhibit A.

### **Question 2(b)(ii): Station Websites**

The Employment Unit's most recent EEO public file report is linked to each Station's website pursuant to Section 73.2080(c)(6). The Stations' websites are as follows:

<b><u>Station</u></b>	<b><u>URL</u></b>
WOCL-FM	<a href="https://www.audacy.com/1059sunnyfm">https://www.audacy.com/1059sunnyfm</a>
WOMX-FM	<a href="https://www.audacy.com/mix1051">https://www.audacy.com/mix1051</a>
WQMP-FM	<a href="https://www.audacy.com/fm1019">https://www.audacy.com/fm1019</a>

### **Question 2(b)(iii): Hire Dates and Vacancy Notices**

Each full-time hire for the Employment Unit is listed on the Employment Unit's EEO public file reports, pursuant to Section 73.2080(c)(5)(vi). The dates of hire for those vacancies are included at Exhibit B.

It is the Employment Unit's policy to send out a notice to its list of recruitment sources each time a new vacancy is created. A list of sources is included with the EEO public file reports attached at Exhibit A. As noted in those reports, the list of recruitment sources includes Direct Employers Association. When a job requisition is approved by the appropriate manager, the Employment Unit's job tracking database automatically sends the vacancy notice to Indeed, Glassdoor, Monster, Recruit.net, LinkedIn, and Direct Employers. Direct Employers then further distributes those notices to its Job Syndication Alliance, which includes over 150 outreach organizations. Copies of job vacancy announcements are included at Exhibit C. It is the Employment Unit's practice to retain copies of all notices sent to all sources used.

No organizations contacted the Employment Unit directly to request job openings, pursuant to Section 73.2080 (c)(1)(ii).

### **Question 2(b)(iv): Interviewees**

The total number of interviewees for each vacancy and the referral source for each interviewee for all full-time Unit vacancies filled during the period covered by the above noted EEO public files and in accordance with Section 73.2080(c)(5)(v) are included at Exhibit B. If

multiple hire dates are listed for a vacancy, then there were multiple vacancies filled using the same vacancy notice and pool of interviewees.

#### **Question 2(b)(v): Supplemental Recruitment Initiatives**

The number of initiatives performed by the Employment Unit during the reporting period exceeds the requirement pursuant to Sections 73.2080(c)(2) and (e)(3).

Documentation demonstrating performance of the completed initiatives pursuant to Section 73.2080(c)(2) including specified Unit personnel involved in the recruitment initiatives is included at Exhibit D. In preparing this audit response, Licensee discovered that the recruitment announcements originally listed as a supplemental recruitment initiative in the Year 1 EEO Report may not have aired. The Year 1 EEO Report included at Exhibit A is an updated version of the report to remove the reference to that initiative.

The Employment Unit has 24 full-time employees. The population of the market in which the Employment Unit operates is greater than 250,000. The Employment Unit is required to perform four recruitment initiatives within each two-year period.

#### **Question 2(b)(vi): Discrimination Complaints**

Licensee is not aware of any pending or resolved complaints alleging unlawful discrimination in the employment practices of the Employment Unit that have been filed before any federal, state or local governmental body during the Stations' current license term.

#### **Question 2(b)(vii): General EEO Program Requirements**

The management of the Employment Unit actively works to ensure effective implementation and enforcement of its equal opportunity and nondiscrimination practices and policy. The SVP/Market Manager for the Employment Unit is ultimately responsible for ensuring that the Employment Unit is implementing its EEO program. The SVP/Market Manager works with the Licensee's corporate parent's Human Resources ("HR") and Talent Acquisition ("TA") teams to ensure that vacancies notices are widely disseminated. The Employment Unit's TA associate, in consultation with HR, is responsible for preparing the Unit's annual EEO public file report. In addition, all managers are required to follow Licensee's EEO program.

Pursuant to Section 73.2080(b), the Employment Unit uses a variety of methods to inform both current employees and job applicants of its EEO policies. Employees are notified of all job vacancies and are encouraged to refer candidates. The Employment Unit informs applicants of the EEO policy immediately by including a description of its nondiscrimination policy on the cover of each application for employment. All of the Employment Unit's printed advertisements and on-air announcements regarding job vacancies state that it is an Equal Opportunity Employer. The EEO policy is also posted at the Employment Unit's office for applicants and employees to read. Additionally, through the Company's Anti-Harassment – Matter of Respect Training which is conducted online every other year, employees are reminded of the EEO policy.

### **Questions 2(b)(viii): Employment Unit Self-Assessment**

The Employment Unit conducts evaluations of its EEO recruitment program, pursuant to Section 73.2080(c)(3), to ensure its outreach efforts are reaching all segments of the communities served by the Employment Unit. The Employment Unit conducts these evaluations annually at the time its EEO Public File Report is placed in the public file. Representatives of the Employment Unit work with staff from Licensee's corporate parent to review and analyze recruitment data and the recruitment source list to assess the effectiveness of the Employment Unit's recruitment sources.

In 2020, Audacy engaged Broadcast1Source, a third-party vendor that created a software service to help broadcasters comply with their EEO obligations. The use of this software not only helps to ensure timely distribution of all job notices, the recording of these notices and relevant outreach efforts, but it also assists Licensee's stations, including those in the Employment Unit, with the assessment of its EEO recruitment program.

If Licensee's assessment ever indicates that modifications would be necessary to ensure broad outreach, the Employment Unit will add new recruitment sources and delete ineffective recruitment sources. The Employment Unit will also increase its efforts to advise community organizations involved in assisting job applicants of its job vacancies and EEO policy and the Commission's outreach requirements.

### **Questions 2(b)(ix): Employment Unit Self-Assessment**

In addition to regularly assessing its outreach efforts, the Employment Unit also annually analyzes the effectiveness of its EEO practices and policies to ensure that they do not have a discriminatory effect, pursuant to Section 73.2080(c)(4). Licensee, in conjunction with its corporate parent, reviews, examines and monitors employee compensation and employment practices. Through this examination, the salaries of all Audacy employees are compared to determine whether all employees were treated equally. If any salaries appear to be unusually high or low, an investigation will be initiated to determine the cause.

Licensee's corporate parent has also established procedures regarding the payment of benefits and the awarding of promotions to ensure that all employees are treated equally. All of the Employment Unit's non-union full-time employees are offered identical benefits, and the Employment Unit makes all selection and promotion decisions based solely on the skills, ability and experience of the applicant – race, color, religion or religious creed, sex/gender (including pregnancy, childbirth, breastfeeding, or related medical conditions), sexual orientation, gender identity, gender expression, national origin, ancestry, age (over 40), physical or mental disability, medical condition, genetic information, marital status, military or veteran status, or other classification protected by applicable federal, state, or local law – are not considered.

There are no union agreements applicable to employees of the Employment Unit.

**Question 2(b)(x): Religious Broadcaster**

Not applicable. Licensee is not a religious broadcaster.

**Questions 3 & 4: Time Brokerages**

Not applicable. No Station in the Employment Unit is subject to a time brokerage agreement.

Forgot to mentioned this to you last week. I signed up for a free virtual career fair with Full Sail University on 10/20/21. Sahily already knows and I sent her the info for the managers in Miami. Free career fairs are hard to come by, so I jumped at the opportunity when this one came up.

Dear Audacy Managers,

As you are aware, Audacy is an Equal Opportunity Employer, and we are committed to providing equal employment opportunities in all our employment programs and decisions.

Each year, individuals responsible for making employment-related decisions must attend mandatory training on our FCC and OFCCP Equal Employment Opportunity requirements. This training covers the rules we must follow as a radio broadcasting company and federal contractor with respect to recruitment, hiring, promotions, demotions, terminations and more, to ensure we uphold our EEO policy and procedures. The training will also walk you through how to understand and utilize your Affirmative Action Plan.

This training will take less than 20 minutes to complete and is accessible through our LMS, Brainshark.

**Follow these instructions to complete the training:**

1. Click on this link to access the training in Brainshark: <https://www.brainshark.com/audacy/vu?pi=zIPzrgERszb6xLz0>
2. Enter your first name, last name, and email address.

The deadline to complete this training is August 1, 2022.

Thank you for your attention to this important training requirement.

105.9 SUNNY FM believes that the men and women who continually put others before themselves, serving on the Frontline, deserve our gratitude, and what better way to show thanks than with food and essential energy?

With the support of Celsius Essential Energy Drink, 105.9 SUNNY FM will deliver [Firehouse Subs](#), and cases of Celsius Essential Energy Drinks to [dorming frontline workers](#).

I was at the RecruitPhiladelphia event this morning and received a lot of valuable information on the state of recruitment, the developments with AI and the candidate experience. Honestly, I was not expecting an event and definitely am glad that we went.

There were several panels, and each one had a specific topic, like how generative AI is impacting the TA world, or another one was focused on a "skills first recruiting process" which allows organizations to create a more inclusive workforce.

I started off with a keynote speaker from [Integrate for Good](#), an organization that brings hands-on volunteer activities to corporate environments. This is a group that I think would be excellent for us to partner with to boost employee engagement, and they also provide training opportunities for hiring managers/recruiters to hire neurodiverse talent or those with disabilities. Which I know is something we value very much upon ourselves!

I had a rewarding morning and just wanted to say thank you for allowing me the opportunity to go!
