On Aug 1, 2004 (date of the last renewal grant),
WIOK (station's call letters) was granted a license by the Federal Communications Commission to serve the public interest as a public trustee until Aug 1, 2012 (license expiration date). Our license will expire on July 31, 2012 (date). We must file an application for license renewal with the FCC on April 1, 2012 (date, four months prior to the expiration date). When filed, a copy of this application will be available for inspection during regular business hours. It contains information concerning the station's performance over the last 8 years (period of time covered by the application, e.g. 8 years).

Individuals who wish to advise the FCC of facts relating to our renewal application, and to whether this station has operated in the public interest, should file comments and petitions with the FCC by July 1 (date, first day of the full calendar month prior to the month of license expiration). Further information concerning the FCC's broadcast license renewal process is available at 4942 US Hwy 27N Butler, KY 41006 (address of the location of the station's public inspection file) or may be obtained from the FCC, Washington, D.C. 20554, or at www.fcc.gov.
