KSL 5 TV IN THE COMMUNITY

*******DUE TO COVID-19 and the community being shut down nothing to report*******

KSL's Quarters for Christmas – Ongoing thru the year

Imagine a child without a coat in the Utah winter. Or kids without adequate clothing to keep warm at recess or walking to school. With your donation KSL distributes the funds to Utah organizations that make sure these kids are taken care of.

The following charitable Utah organizations received funds from KSL's Quarters for Christmas this year: Utah's education foundations (administered by Salt Lake Education Foundation), Crossroads Urban Center, Catholic Community Services and The Road Home. Agencies receiving Quarters for Christmas funding are reviewed yearly by the Bonneville Charitable Foundation and KSL.

As always, 100% of donations made to KSL's Quarters for Christmas Campaign return back into our community for children's shoes, clothing and coats.

Road to Zero Fatalities – Airs every two weeks in various newscasts

Seat belt use isn't just a personal decision; it affects everyone in the vehicle and others on the road. The best thing you can do to keep from becoming a statistic on Utah's fatality chart is to wear a seat belt.

Your Life Your Health – Airs once a week during the 5PM News (unless noted below)

We're brought together by our desire to preserve and restore health, and to help our patients live their lives to the fullest potential. We're transforming healthcare by continually improving quality and keeping costs sustainable.

KSL JUNIOR WEATHER SPECIALISTS PROGRAM & TOURS

*******DUE to school CLOSURE we didn't attend any schools*******

KSL Junior Weather Specialists is a weather/science program for elementary school students (primarily fourth graders). They are conducted at Utah schools and at KSL 5 TV by appointment. Schools participating come from the public, private, charter, web-based and home school sectors. During each session school children, their teachers, administrators, and parents meet with KSL meteorologist Dan Guthrie or Kevin Eubank to learn about meteorology and broadcasting.

Station tours are also offered by appointment.
