Family, Money & Politics - The Bible has to do with every aspect of life. Even those areas you wouldn't dream, that God even has an opinion on poorly done. Fathers of the United States of America recognize when they were setting up the system of government, right? Let me read to you from the book of Isaiah. And it says, as follows for the Lord is our judge, the Lord is our lawgiver and the Lord is our King, right? The Lord is our law. Our judge that is the Judiciary. The law of the Lord is our lawgiver, that is Congress. And the Lord is our King.

Bishop Andrae Maze, Pastor Nick Lindsay, Pastor David Gray, Pastor Charles Redmond Junior, Pastor Tim Neal. Another question came in from Tony. How do we take back our nation? You should pray for the leaders, you know, one of the things the scripture plainly says, we ought to pray for Kings, for Presidents, for Governors.

Join William Federer as he guides you through the faith in our history. In 1862 president Lincoln met with his cabinet to draft the emancipation proclamation. June 19th States received proclamation to free slaves. Congress did not let Lincoln use his proclamation of the emancipation as a law-deemed unconstitutional. He went another route and made it an amendment. And it was passed.

Eugene Norris, Nancy Galambos, Stephen Owens, Rich Hall, Elisha Wells, Ronald Turner. Why is our nation ignoring the Ten Commandments? Our nation is not a theocracy. Our nation is a republic, right? So, everyone who is a part of the United States with a citizen United States, everyone does not believe in the Bible. Everyone does not believe in Jesus. All right, my concern more so is not so much. Is the nation following the Ten Commandments is, why aren't Christians? Following the Bible. Why aren't Christians the ones leading the way to say? This is what righteousness looks like? This is what Holiness looks like this is what loving your neighbor and your country looks like and I would encourage us as Christians to live out the word of God and therefore prayerfully people will come to know Christ and then they will desire to want to follow the word of God and live to take advantage, man. Good word on that path towards.

Dr. Faron Cole, Timothy Roeser, Nick Lindsay, Joseph Colini, Eddie Harris. Do our Supreme Court Justices, do they deserve to have security protection provided for them? In First Timothy, I'm not quite sure could be first Timothy and second Timothy and it says something like this. First of all, I would therefore that prayer and supplication be made for all men for those that are four kings and rulers and those that authority that we may lead a quiet and peaceable life. And so, I think and then there's a passage of scripture in Romans chapter 13 where Paul even says that the government is of God. And that the those who are officers and policemen are ministers of God. And they are not the sword in vain

and those who do evil shall be punished for evil. So, in the light of that, I think that these men who serve our nation and serve, the government needs to have protection as all of us do. And we have to pray for them. We have to pray that the angel of the Lord encamps around because we have an unseen evil in the world.

This question comes all the way from Texas and wants to know what does the Bible say about helping a family in need? I thought of a scripture in Matthew 7:12 and we might know it. As you know, what, we call the golden rule it says therefore all things whatsoever that men should do to you do even so to them for this is the law and the prophets. That's loving your neighbor as we love ourselves and Jesus said, plainly a number of times to love our others as ourselves and in so many cases that means our enemies too.

Pastor John Collins, Pastor Nancy Galambos, Pastor Luvirt Parker, Bishops Samuel Hampton, Dr. Kathleen Wuopio. Should a Pastor be active in the community outside of the church programs? In my opinion, yes, Pastors should be extremely active in the community. We have to do God's Will and he has given us the Holy Spirit to quicken us and we have to be able to hear his voice. And if there if there's anything that's out there where we are serving the lord Jesus Christ, then I don't care, whether you're a pastor and evangelist and Apostle. I don't care what title you have. We are to serve one another.

You want to talk to more people about Christ? Pray to God, father. I want to talk. Talk to somebody about you today because you're the most interesting subject in the world. You tell him that every day and you'll find more and more people that want to talk to you about Christ. You can bug people about what they don't think they want to talk about. But if you will talk to God about them, he'll allow you to talk to them about him. If you want an audience, you can find one.

I'm waiting on God to lead me where I need to go. Is that wrong in the eyes of God? Should I go where he goes? You know, it's ideal for a husband or wife to go to the same church. I mean, I would, I'm sure that you want even want that yourself. However, you know, a lot of couples, you know, go to different churches, you know, it's not uncommon. I feel like you know, the Bible says, you know, how can two walk together except they agree? So, I think you should, you know, try to seek, you know, to go together a place that you guys both are comfortable with a blessed place where you can big challenge to grow spiritually where you can grow spiritually and, you know, you'll be able to serve as well. Those things are important for sure, but yeah, I don't think it's wrong in the eyes of God.

Matthew 2nd chapter discusses how nations will fight nations and it will lead to famines and pestilence but we know this is the old Earth and God is preparing a new Earth for us. And that is what we should be concerned about, being there for the new Earth. But God did give us a responsibility to take care of the Earth and we should take care of everything that is His.

Pastor Dr. Faron Cole, Pastor Timothy A. Roeser, Pastor Stephanie Harper, Pastor Joseph Colini, Pastor Tim Neal, Pastor Nick Lindsey. Why is education or school important, according to the Bible? First of all, it's important to learn how to read. God wants you to be able to read his word and you have to be trained to read. Many people that are illiterate cannot think into the deeper things of God. How can you study if you can't read? Education brings a person to a place where he can evaluate and do critical thinking of the doctrines and truths of the scripture.

The reality is that we need to train up our children the way that they should go. Teaching them about God, and not only teaching them but modeling every word that you say, so that they never see a difference between what comes out of your mouth and what comes out of your life.

Dr. Faron Cole, Timothy Roeser, Nick Lindsay, Joseph Colini, Eddie Harris. Are public schools being taken over by Atheist? Well, I don't necessarily think it's by atheists as much as it's by ungodly people. They may profess to know God, but in works they deny him and the scripture trying to teach us to beware of false teaching and wrong teaching. In Colossians chapter 2, we find that God is trying to tell us that there you got to beware of false teaching and false things that will take away and spoil you. As it says, in Colossians 2:8, beware lest any man spoil you through philosophy and vain deceit, right? After the traditions of men after the rudiments of the world and not after Christ. So, we have to understand that Christ is the embodiment of truth. The public-school long time ago, back in 1962, kicked the Bible and prayer out of it and now they're reaping much of what they've sown over these years.

Medical Problems	Len & Cathy	RLM Program Files	MPEG file	4/8/22	779	28:00	28:00

Len and Cathy continue their discussion on the war on sickness. And we're talking about many of the ways the Lord has to get you healed whole. And well, he doesn't just have one way, he has many ways. That's how much he loves us and how much he wants to make you well. So, the first one was believing the word and act on it that simple. The second one is taking authority over the symptoms because you have power over the devil, put them under your feet. Don't let him come up any higher than that. And we went through the scriptures about the authority of the believer.

Pastor Eugene Norris, Apostle Toni Pugh, Pastor David Gray, Pastor Nancy Galambos, Pastor Ronald Turner, Sr. Darrell wants to know what Bible verse can be applied to covid-19. Well, Matthew 24 talks about the end days and the pestilences and the things that that are going to happen in the last days. Personally, I don't think that there's any Bible verse that is affiliated with covid-19. But the Bible does talk about diseases. The Bible does talk about sickness. So, there's a lot of verses on sickness and diseases and like I said if we live by the word and we do what the word tells us to do and that's to take care of our temples and to do what we can to be healthy to receive Jesus Christ as our Lord and Savior. So that if something is so that if it is our time, the Bible talks about our days as being numbered, if it is our time to go home and be with the Lord, that we're ready to go.

Dr. Faron Cole, Pastor Nick Lindsay, Pastor Tim Neil, Pastor Stephanie Harper, Pastor Joseph Colini, Pastor Timothy A. Roeser. What Annie wants to know is can I use medical marijuana if I'm a Christian? So, first scripture I want to read is Ephesians 5:18 it says and be not drunk with wine wherein in excess but be filled with the spirit, right? Proverbs 21, wine is a mocker, strong. Drink is raging and whosoever is deceived. Thereby is not wise. So, comparing this to marijuana and thank God for forgiveness because way back, I have partaken in marijuana and even though now it's starting to be legalized and so on and so forth. That doesn't mean that it's right for us Christians, still have standards and boundaries, you know, any type of medicine, not just marijuana, any type of drink, anything that's going to alter your thoughts where you're no longer in control you shouldn't partake in. So unfortunately, I have to say, no, I don't believe it's alright for you to use, if you're a Christian.

Dr. Faron Cole, Pastor Nick Lindsay, Pastor Tim Neal, Pastor Timothy A. Roeser, Pastor David Gray. Is Jesus still healing the blind? Well, he most certainly is somewhere Hebrews 13:8 would be my scripture to go to on this. And that is that Jesus Christ is the same yesterday today and forever. And we actually have that physically posted on the wall of our church. It's actually something that we have had there for years and years and years. And the reality of that scripture is that Jesus always was is and always will be a healer and he will heal every part of our lives.

Brandon Hollis, Pastor Michael Gamal, Pastor Nick Lindsay, Bishop Samuel Hampton, Pastor Mark Galambos, Dr. Kathaleen Wuopio. If Jesus heals, why are so many Christians not healed faster? God has a plan and as the pastors were saying to, you know, sometimes it is your time. But you know, I just want to encourage you with one other scripture here. And it's in Corinthians. This is for the body of Christ, it just came to me. As you were all ministering and First Corinthians, the Lord has given us the gifts, chapter 12, verse 9, unto another. It says, here by faith, The same spirit, another gift of healing. And of course, the same spirit working of miracles. All of this God has given to the church. And so, guess what sometimes, healing is a process. Sometimes it's instant, so don't give up.
