<b>Re:</b> NON BROADCAST EFFORTS
<b>Date:</b> 3 <sup>rd</sup> QUARTER - 2014

July 1, 2014 through September 30, 2014

**WUPL's NON-BROADCAST COMMUNITY EFFORTS**

WUPL sponsored and aired promotional announcements for the following non-broadcast community projects during this quarter:

- **Weather Watch:** WWL-TV's exhibit in the Kenner Rivertown district consisting of an array of weather instruments and charts featured as an interactive program enabling school children various ways to track a hurricane and learn about the weather.
- **Weather Link 4:** A worldwide weather system that connects over 1500 schools by providing a unique and useful combination of information, technology and education. During this quarter WWL-TV added four additional local schools to the *Weather Link 4* system. This system comes with curriculum used by teachers in elementary, middle and high schools. *Weather Link 4* provides an interactive window to math and science education.

## OTHER NON-BROADCAST EFFORTS

WWL/WUPL-TV on-air reporters, anchors and other employees volunteer their time to interact with the local community by addressing groups, organizations and students at various schools. Employees also participate in school and community activities such as coaching, mentoring, and tutoring. The following are the community activities by various employees during this quarter.
