

SOS Animal Rescue
2014 Public File

This is a community reminder from WMPX and WMRX. SOS Animal Rescue's mission is to reduce the number of unwanted pets in the Midland area thru placement, public education, spay neuter assistance programs and support for the efforts of local animal welfare groups. We raise funds to help fixed income and low income families to spay or neuter their pets. Our group is always in need of volunteers, foster families and donations to complete our mission. We can help you find a new pet as well by coming to our website at sosanimalrescue.org. Our website has resources for pet owners, applications for spay-neuter vouchers and links to our foster pets and other pets looking for forever homes. If you have questions please call 988-492-0042. If you know someone who is interested in adopting a pet, send them to our website. Or if you know someone that may need assistance with a spay neuter voucher, we are happy to help.
