Re: Must-Carry Election for WVBK-CA, Brattleboro Zone
Manchester, Londonderry, VT, South Charlestown, NH

Dear General Manager:

Pursuant to the provisions of Section 325(b)(3) of the Communications Act of 1934 and Section 76.64 (f)(2) of the rules and regulations of the Federal Communications Commission, this will inform you that Class A Television Station WVBK-CA, Manchester and Londonderry, VT, and South Charlestown, NH, hereby elects to continue **must-carry status** on your cable television system(s) for the three-year carriage election period beginning on January 1, 2009, and ending December 31, 2011.

This election is made for your systems serving the following communities: [See Attached List]

WVBK-CA is a Qualified Class A Television station under Section 614(h)(2) of the Communications Act. Therefore, the Communications Act and the FCC's rules require your cable system to carry WVBK-CA unless the station elects retransmission status. The station does not elect retransmission status.

We expect that you will continue to afford WVBK-CA all mandatory carriage rights as provided in Section 614 of the Communications Act and Sections 76.56, 76.57, and 76.62 of the FCC's Rule and Regulations. With regard to Section 76.57 (Channel Positioning), we expect that you will keep WVBK-CA on its present Cable Channel 20, and we waive the right to carriage on Channel 2 only if carriage on Channel 20 continues.

Very truly yours,

Dan Carbonara
President and General Manager
