Camp Twin Lakes

Connected with Camp Twin Lakes which opened in 1993, special needs groups in Georgia lacked adequate facilities to support camp programs for children with serious illnesses, disabilities, and other life challenges. Camp Twin Lakes founder Doug Hertz saw this need ,and had the courage and the vision to create a solution. Almost 30 years later, Camp Twin Lakes powers a vital network of over 60 closely aligned partner organizations. We bring our proven expertise in therapeutic, adaptable programming, state-of-the-art camp sites, healthy and kid-friendly food services customized to each camper’s dietary needs, highly trained staff, and devoted volunteers. We spoke with a variety of staff members and volunteers

Meals on Wheels

Meals On Wheels Atlanta (MOWA) was founded in 1965 to support seniors struggling with poverty, food insecurity, and social isolation. Over more than 50 years, they have grown from a small soup kitchen to an organization serving 347,000 meals each year throughout the Atlanta area.

They have also expanded their program offerings to respond to other critical needs in our community. They now offer multiple services to support both older adults and veterans, including home-delivered and congregate meals, home repair services, and an emergency food pantry.

We spoke with the CEO and Hillary Baker about the benefits of meals on wheels and how they benefit our community. They do amazing things for senior citizens; they repair homes and make some delicious pecans. Those proceeds go right back to helping feed the community.

Department of Behavioral Health

The Division of Behavioral Health manages programs and services delivered by DBHDD's community-based behavioral health providers, which are divided into three tiers:

TIER 1: Comprehensive Community Providers are DBHDD's community service boards, which serve as the public safety net and offer a core benefit package, as well as additional specialty services.

TIER 2: Community Medicaid Providers ensure choice for individuals receiving Medicaid and offer a core benefit package.

TIER 3: Specialty Providers offer an array of specialty treatment and support needed in the continuum of care.

The division's goal is to build a recovery-oriented, community-based system of care, with the capacity to provide timely access to high-quality behavioral health treatment and support services. Recovery accepts that severe and persistent mental illness, substance use, and co-occurring disorders are long-term conditions that a person will be managing for life. This model signifies a shift from crisis-driven services to a prevention-focused continuum of care that provides sustained support, and is based on the strengths, wellness, and goals of the person in recovery.

SafeRide America

Their mission is to pro-actively prevent all types of impaired driving and to assist children that have been orphaned or injured by impaired driving crashes. By offering to drive people AND their cars for them for about the same price as a taxi addresses goal #1 and their “pay us later” policy for SafeRide Service addresses goal #2.

Yes, they do charge a fee for their designated driver services, but will provide a service, no questions asked, if someone does not have the money to pay for our designated driver services. All they ask anyone to do if they do not have money for the fee is to simply “pay us later”.

You can repay them with your time as a volunteer, paying for your fare later, and/or tell others about their services.

We had Michael Ryne in the studio to discuss this safe alternative to get you home. Even with the rise of ride-share services like Uber and Lyft, some people want the convenience of having their vehicle with them during a night out. The mission of SafeRide is for people to have that convenience with an option to them home safely.

Sandy Springs Police Department

We spoke with Deputy Chief Craig Chandler about Neighborhood Watch, also known as Block Watch, Town Watch and Crime Watch, is one of the most effective and least costly ways to prevent crime and reduce fear in your neighborhood. It is the cornerstone of the of the Sandy Springs Police Department’s crime prevention strategy.

Wholesome Wave Georgia

Founded in 2009, Wholesome Wave Georgia (WWG) believes that all Georgians should have access to healthy, wholesome, and locally grown food. In Georgia, more than 1.7 million people are considered food-insecure and receive federal nutrition assistance (SNAP/Food Stamp) benefits. The excessive cost and low accessibility of fresh foods leave these 1.7 million with limited options to feed their families. Food insecurity is linked to poverty, obesity, and other diet-related illnesses.

Habitat for Humanity

Habitat for Humanity works in more than 70 countries — we have helped more than 46 million people improve their living conditions since 1976.

Habitat works together with families, local communities, volunteers and partners from around the world so that more people are able to live in affordable and safe homes. Our advocacy efforts focus on policy reform to remove systemic barriers preventing low-income and historically underserved families from accessing adequate, affordable shelter.

Urban Clinic of Atlanta

The Urban Clinic of Atlanta (formerly Urban Health and Wellness) is a free, primary care clinic located in Fulton County. Our vision and hope are the most medically underserved adults in Metro Atlanta have improved health and wellness and are treated with dignity and respect as we seek to be examples of God's love for all humankind. Rachel Barber spoke about the program.

Sandy Springs Fire Department

Sandy Springs Fire Department has a state-of-the-art first response system for medical emergencies. Below are links to learn more about the services provided to the community. The Sandy Springs Fire Department offers several programs to share fire prevention strategies and provide safety education through enjoyable interactive activities.

They love to celebrate children's birthdays, too! We spoke with Chris Campbell, Community Affairs office for the Sandy Springs Fire Department about safety tips for preventing fire and staying safe. Most people think they will not be a victim of a fire. We use so many products, especially around the holiday time, that make us more susceptible to this danger.

Whether it be trees with numerous lights, fireplaces, wood-burning stoves, heaters, etc., we must take the necessary precautions of having all these inspected before use.

June 25 2023

Atlanta Regional Food Bank

Spoke about their primary function of collecting and distributing donated food and goods and managing all of the logistics and partner relationships that go with it. But we also offer some social services directly to those in need. And they even have some supplemental food pantries and mobile markets of our own to get food to underserved areas our partner agencies can't reach. One of our stations also tied in a concert and had an artist donate money to the Atlanta Food Bank
