

**POST-FILING ANNOUNCEMENT FOR K48AI**

*The following notice must be published at least once in a newspaper that has general circulation in Joplin, Montana. The notice must be published “immediately” following the filing of the renewal application, such as the following day.*

On December 1, 2005, KRTV Communications, Inc. filed an application to renew the license for TV translator station K48AI. K48AI is licensed to serve Joplin, Montana on Channel 48 with 8.36 kilowatts of power from a transmitter site located at coordinates 48-51-17 North, 111-8-27 West (NAD 27). K48AI rebroadcasts the signal of KRTV(TV), Channel 3, Great Falls, Montana. Individuals who wish to advise the FCC of facts relating to our renewal application and to whether this station has operated in the public interest should file comments and petitions with the FCC by March 1, 2006. Further information concerning the FCC’s broadcast license renewal process is available at **[insert location of public inspection file]** or may be obtained from the Federal Communications Commission, Washington, D.C. 20554.
