WXIZ QUARTERLY ISSUES/PROGRAM REPORT
2ND QUARTER 2020
THIS REPORT COVERS THE PERIOD APR 1, 2020 THROUGH JUNE 30, 2020

Section I
LOCAL PROGRAMMING

Section I lists regularly-scheduled and special programs that represent the station's issue-responsive programming providing the most significant treatment of the issues listed above for the calendar quarter.

Program: Community Focus

Issues: Crime/Drugs

Air date: 06 APR 20

Time: 12:15 PM

Length: 47 Minutes

Guest: Rob Junk-Pike County Prosecutor

Topic: Rob Explains his 25 Years of Service and then went straight on to drugs, and that most crimes are drug related. He talked about the idea that federal law is considering letting drug dealers out of jail early. Rob stated that in one way or another, drug dealers kill people. He spoke about and discussed the history behind opium, heroin, fentanyl etc., and what we are doing our country and youth. Rob brought up the importance of Pike count needing their own jail. He also talked about the Cartels and that the Border wall was a good idea.

Program: Community Focus

Issues: Health/Safety/Corona Virus)

Air date: 10 APR 20

Time : 12:15 PM

Length: 25 Minutes

Guest: Dave Zanni-Senior Operations Executive Officer-Adena/Pike Medical Center

Topic: Dave highlights the procedures that Adena Health has taken to prepare for the influx of the Covid 19 pandemic. Patients including extra hospital beds and a designated area for those patients. He also talked about the need for N-95 Masks, Surgical Masks, Procedural Masks with or without Face shields, Eye wear, Medical-grade protective and isolation gowns, exam gloves, surgical gloves, hand sanitizer, and sanitizer wipes. He also talked about available resources, including the Covid 19 Hotline and Website, as well as information on how organizations and individuals can donate any of the previously mentioned items. Dave also credits the Pike County CTC with donating hospital beds to the Adena Pike Medical Center. He also provided information on the screening clinic, Ohio Department of Health testing, as well as how they are handling Virtual Visits.

Program: Community Focus

Issues: Employment

Air date: 15 APR 20

Time : 12:16 PM

Length: 25 Minutes

Guest: Bobbi Hartman-Employment Specialist-Business Manager-Caldo Concrete

Topic: Employment case study during Corona 19 Virus. Bobbi deals with the measures taken when employees come to work in order to maintain a safe working environment for all. He stated that upon arrival for work, temperatures are taken. If it is high, further steps are administered. His own son has tested positive for the virus, along with other journeymen, carpenters, masons etc., all high quality employees.
