

**NBA TV
CERTIFICATE OF COMPLIANCE
WITH COMMERCIAL LIMITS
FOR CHILDREN'S PROGRAMMING**

I, Toni Millner hereby certify to the best of my information, knowledge, and belief, that the following information is accurate for the period from January 1, 2022, to December 31, 2022:

- 1) I am familiar with the statutory limits of the Children's Television Act of 1990 (the "Act") and the Federal Communications Commission's regulations ("FCC Rules") implementing those limits for "children's programming"¹ (no more than 12 minutes per hour of commercial on weekdays, and no more than 10 ½ minutes per hour on weekends during "children's programming").
- 2) The FCC Rules require cable operators to maintain certain records regarding their compliance with the advertising limits imposed on children's television programming. These advertising limits and compliance reporting obligations do not apply to cable networks that do not carry "children's programming" as defined under the Act.
- 4) To the best of my information, knowledge, and belief, no "children's programming" has been telecast on NBA TV in the past year, nor is scheduled to be shown in the foreseeable future.

Certified by me this 9th day of January, 2022.

Toni Millner
Senior Vice President, Legal and Business Affairs

¹ "Children's programming" is defined under the Act as a program "originally produced and broadcast primarily for an audience of children 12 years old and younger."
