

4th Quarter 2020 Issues and Programs for WCBZ-CD

WCBZ-CD channel 22.6 is a simulcast of the City of Columbus CTV public affairs channel which originates on local cable channels. Columbus City Council meetings are broadcast live. Franklin County Commissioners General Sessions are broadcast live. Columbus Metropolitan Club and Columbus Rotary Club's **weekly programs are broadcast** in addition to other public-service related programs.

A spreadsheet of broadcast times and the topics covered is attached. Following that is a program listing of all programs broadcast on CTV channel 22.6. Many of these programs have additional public service content that is not detailed in this report.

Following the CTV schedule is a listing of Public Service Announcements that were aired on our local weather channel (22.7) in the fourth quarter of 2020 at no charge to their respective organizations.

We do not detail them in this report, but WCBZ-CD also airs announcements on behalf of the Ohio Association of Broadcasters NCSA/PEP campaigns.

None of WCBZ-**CD's channels were available on cable or satellite in the** fourth quarter of 2020.

11/20/2020	Columbus Metropolitan Club- Vaccines: Curbing COVID, Optimal Health Series	60	10:00 PM	22.6	The Optimal Health Series is presented by CMC, OSU Wexner Medical Center, and Nationwide Children’s Hospital. According to the CDC website, “In the United States, there is currently no authorized or approved vaccine to prevent coronavirus disease 2019 (COVID-19). Operation Warp Speed has been working since the pandemic started to make a COVID-19 vaccine(s) available as soon as possible. CDC is focused on vaccine planning, working closely with health departments and partners to get ready for when a vaccine is available. CDC does not have a role in developing COVID-19 vaccines.” Many minds are employed to create a vaccine to conquer the continued spread of COVID 19. In just the past few days, Pfizer announced that it is getting close to releasing a vaccine that has tested to be 90% effective and can be made available rapidly to a large swath of the country. Our panel will discuss the process of developing a vaccine, the trials, like those at OSU Wexner Medical Center, that began in September, and how the research is progressing. Featuring Susan L.
