WMCA-AM	01/05/24	Friday	6:56:13 AM	This election year is looking a lot like 1980. In that campaign, Ronald Reagan said: "We know only too well that war comes not when the forces of freedom are strong, but when they are weak. It is then that tyrants are tempted. WMCA-AM	01/10/24	Wednesday	3:40:36 PM	Biden was disparaging his likely opponent, Donald Trump. But there's never been a more autocratic administration than his own. It sought to censor Americans' lawful speech on the internet. It sicced the FBI both on parents who complained at school board meetings and on traditional Catholic churches, in a hunt for supposed domestic radicals.

WMCA-AM	01/24/24	Wednesday	11:57:01 AM	Is the United States still a "global superpower"? Or, simply, any kind of power? Iran has been pushing us around and—with its proxies—continues to launch rockets at US forces. Two US Navy Seals were just killed trying to prevent illegal Iranian arm shipments. A U.S. base in Iraq was just attacked by Iran. Russia invades an ally of ours in Ukraine. Israel—a major ally—was subjected to an unfathomable act of bloodlust terrorism redolent of Caligula. Taiwan is increasingly threatened by China. And our southern border has been obliterated.

WMCA-AM	02/20/24	Tuesday	3:15:23 PM	When Biden took office the basket of goods included in CPI cost \$262. Today, that same basket costs \$309. That's a 19% increase. We see it when we shop for groceries, that relentless creep upwards in prices from month to month. We see it at the gas station when filling up our tanks empties out our wallets.
