## WMCA RADIO

### ISSUE / PROGRAM LIST

WMCA radio on a continuing basis seeks to stay informed regarding the issues, problems and needs of its service area. This is accomplished in part through meetings with prominent and informed leaders in the community. WMCA also utilizes informal contacts with community leaders and general media sources outside of our organization (i.e. TV, radio and print media), WMCA management, through membership in civic and charitable organizations maintains active involvement dealing with problems and issues confronting our community. Information is also obtained through general issue-oriented material sent to the station and to station personnel. In this report, WMCA will list the issues it has determined to be of major local concern and will list some of the programming avenues taken to address those issues.

**Station Management Editorials**

**Various Times**

The station airs editorials dealing with relevant issues. Information detailing topics, specific dates and times aired is attached.

Thursday	07/13/23	4:56:49 AM	Child sex trafficking is real and it is growing, both outside and inside the US, as the Department of Justice declared two months ago. "Sound of Freedom" is a powerful, well-made film that shines a bright light on this scourge. One has to wonder why American media have rushed to block the light, especially after cheering the sexual exploitation of pre-adolescents three years ago.

Thursday	07/20/23	12:00:00 AM	President Biden has been working to remake the US economy, all in the name of climate change. The price of energy—and everything else—has skyrocketed. The US is no longer energy independent. Gas stoves are under siege. We're being pushed toward expensive and inconvenient electric cars. New regulations aimed at air conditioners are on the way.

Thursday	08/10/23	6:53:45 AM	For any country's justice system to survive, people must believe in its fairness. The Trump prosecutions are destroying that. The New York and January 6 cases depend on legally shaky, novel applications of the law. In the documents case, only Trump is being prosecuted for activity that other officials allegedly engaged in without penalty.

Friday	08/11/23	2:29:01 PM	Flash back a few decades and divorce was a big deal ... a very big deal. Pass through the next few decades and society renegotiated divorce and made it a matter of routine. But conservatives must see this for what it is ... a subversion of society itself. No civilization can survive the breakdown of its most basic unit, which is marriage as the lifelong union of a man and a woman.

Thursday	08/17/23	1:00:46 PM	From domestic terrorism and abuse of human rights, to hostage taking, to the building of more and more nuclear technology, not only can we not ignore Iran, Congress should hold immediate hearings as to how we are enriching our enemies—from China to Afghanistan to Iran. It is one thing to oppose notions of "American Greatness," a but it's entirely another to strengthen and enrich those who have made it very clear: They want to see our nation's destruction and, yes, our death.
