WMCA RADIO

ISSUE / PROGRAM LIST

WMCA radio on a continuing basis seeks to stay informed regarding the issues, problems and needs of its service area. This is accomplished in part through meetings with prominent and informed leaders in the community. WMCA also utilizes informal contacts with community leaders and general media sources outside of our organization (i.e. TV, radio and print media), WMCA management, through membership in civic and charitable organizations maintains active involvement dealing with problems and issues confronting our community. Information is also obtained through general issue-oriented material sent to the station and to station personnel. In this report, WMCA will list the issues it has determined to be of major local concern and will list some of the programming avenues taken to address those issues.
