"Do you want a Band Aid?"

THE AMERICAN ACADEMY OF PEDIATRICS AND THE CENTERS FOR DISEASE CONTROL ARE RECOMMENDING VACCINE CHANGES -- STARTING WITH A MENINGITIS BOOSTER SHOT FOR 16 YEAR OLDS.

"I didn't even know what meningitis was."

MENINGITIS IS A POTENTIALLY DEADLY BACTERIAL INFECTION. DOCTORS SAY CHILDREN SHOULD GET VACCINATED AT AGE 11. BUT THE VACCINE WEAKENS OVER TIME - LEAVING AS MANY AS HALF OF THOSE KIDS BY AGE 16.

TEXAS HAS ALREADY MADE THE SHOT MANDATORY TO ATTEND COLLEGE...

"A transcript, your i.d. and then your vaccination."

ANOTHER CHANGE -- DOCTORS NOW SAY BOYS AS WELL AS GIRLS CAN GET THE H-P-V SHOT AS EARLY AS AGE 9. HUMAN PAPILOMA VIRUS IS TRANSMITTED SEXUALLY AND LINKED TO CERVICAL CANCER IN WOMEN. BUT CERTAIN H-P-V STRAINS ARE ALSO THE CAUSE OF MANY HEAD AND NECK CANCERS -- PARTICULARLY IN MEN.

DOCTORS SAY THE VACCINE IS MOST EFFECTIVE AT CREATING H-P-V ANTIBODIES WHEN KIDS REACH AGE 11 OR 12 -- OFTEN BEFORE THEY REACH SEXUAL MATURITY.

(SOUND - Dr. Michael Brady - Nationwide Children's Hospital)

"If you wait until you think you they're sexually active, you may miss the opportunity to protect them."

"I use the cruise control for example. Things like that just become more aware. I

www.gasbuddy.com 1:05-1:16

IN AN ODD TWIST THAT BEHAVIOR MAY BE CAUSING THE INCREASE AT THE
PUMP.

AT LEAST THREE FACTORS SEEM TO BE CONTRIBUTING TO THE GAS PRICE
HIKE. CONSISTENT HIGH PRICES KEEP DEMAND DOWN. THE ECONOMY'S
STILL STRUGGLING SO FEWER PEOPLE ARE DRIVING AND THE CRUDE OIL
SUPPLY IS DOWN.

BUT IN ANOTHER ODD TWIST, THE LOW CRUDE SUPPLY APPEARS TO BE A
DIRECT RESULT OF WEAK DEMAND HERE AND INSATIABLE DEMAND
ELSEWHERE OUTSIDE THE U.S.

THAT'S THE THEORY OF GASBUDDY.COM'S SENIOR PETROLEUM ANALYST
PATRICK DEHAAN WHO STUDIES REFINERY PRODUCTION, PIPELINE FLOW
AND PUMP PRICES FOR A LIVING.

(SOT: PATRICK DEHAAN, GASBUDDY.COM)

"There's not one simple factor that I can say, this is why. It's a culmination of factors.
Improving economy, rising Chinese demand, Middle East tensions... all partially to
blame."

TOUCH A LUMP IN THE BODY AND ALMOST

"The advantage of this system is that
it's non invasive and it's much more
convenient and it's not harmful in
any way."

DR. CHANG-HEE WONG SAYS THIS VIRTUAL
TOUCH SENSOR COULD BE A BIG BOOST FOR

WOMEN WORRIED ABOUT A SUSPICIOUS LUMP... EITHER QUICKLY PUTTING THEM AT EASE OR LETTING THEM KNOW RIGHT AWAY IF THEY NEED A BIOPSY. A DOCTOR SIMPLY PRESSES THE CUBE-LIKE SENSOR AGAINST A LUMP, LIKE THE ONE IN THIS PRACTICE BREAST USED TO TRAIN DOCTORS. THE SENSOR CALCULATES THE LIKELIHOOD OF CANCER BASED ON SIZE, FIRMNESS, TEMPERATURE AND HOW THE LUMP MOVES.

(SOT: CHANG-HEE WON, TEMPLE UNIVERSITY)

"The malignant tumors are stiffer, are bigger and it's immobile. So if you can detect those characteristics than you can classify, identify a tumor earlier."

THIS IS WHAT A CANCEROUS TUMOR LOOKS LIKE TO THE SENSOR. THE INITIAL RESEARCH WAS DONE ON BREAST TUMORS BUT SCIENTISTS ARE LOOKING AT IT'S ABILITY TO DISTINGUISH THYROID AND

SKIN CANCERS. THE SENSOR ASSIGNS THE TUMOR A NUMBER BETWEEN 1 AND 5... THE SIMULATED TUMOR SCORED A 4 POINT ONE MEANING IT'S LIKELY TO BE CANCER.

(SOT: CHANG-HEE WON, TEMPLE UNIVERSITY)

"The higher the number represents more cancerous tumor, the lower the number is, it's benign tumor."

PILOT STUDIES HAVE BEGUN AT TEMPLE UNIVERSITY HOSPITAL... COMPARING MAMMOGRAM RESULTS TO THE SENSOR. HOWEVER, RESEARCHERS WARN THAT THE SENSOR IS *NOT* A REPLACEMENT FOR SCREENING TESTS LIKE MAMMOGRAMS...

DOCTORS HAVE DIAGNOSED SOME OF THEM WITH "CONVERSION DISORDER"-- A STRESS-BASED CONDITION.

BUT MANY IN THE COMMUNITY FEAR THERE MAY BE AN ENVIRONMENT CAUSE.

"The teachers have been wonderful you know, they've been great. And the school nurse has been great. I haven't been in contact with anybody else, like the principal."

(Reporter): "The principal or the school superintendent, they didn't get in touch with you?"

"No."

SO WE DECIDED TO TRY TO GET IN TOUCH WITH SCHOOL OFFICIALS OURSELVES.

BUT THE SCHOOL DISTRICT HAS HIRED AN ATTORNEY WHO

REPORTERS ARE ALSO BARRED FROM ENTERING SCHOOL

(Reporter): "To do the testing you've seen so far, does that meet your level of
satisfaction for testing in a school?"

"Absolutely not. It doesn't even skim the surface."

AND THERE'S THIS-- THE LE ROY SCHOOL DISTRICT HAS ITS OWN
NATURAL GAS WELLS THAT SUPPLY THE SCHOOLS WITH FUEL FOR
HEATING AND OTHER PURPOSES.

THE WELLS USE A CONTROVERSIAL TECHNIQUE CALLED FRACKING
THAT SHOOTS A CHEMICAL MIXTURE INTO THE EARTH TO FORCE
OUT THE GAS.

"Never, we never heard of it. We were absolutely shocked when we found out
about it last week. So, it raises new questions."

QUESTIONS ABOUT WHETHER GAS FROM THE WELLS MIGHT BE
CONTAMINATING THE WATER, SOIL OR AIR.

BRAINMEN SAYS SHE WONT BE SATISFIED THAT THE SCHOOL IS

ARCHBISHOP TIMOTHY DOLAN

All across the country the voices on both sides are getting louder...
From the pulpit and on the internet, outraged Catholic clergy have been
preaching against the White House decision requiring catholic hospitals,
charities and other institutions to include birth control in their health
insurance plans:

LAURA MURPHY
ACLU (:41 - :51)

"NEVER BEFORE HAS THE FEDERAL GOVT FORCED INDIVIDUALS
AND ORGANIZATIONS TO GO OUT INTO THE MARKETPLACE AND
BUY A PRODUCT THAT VIOLATES THEIR CONSCIENCE."

JAY CARNEY
White House Press Secretary (1:03 - 1:08)

The administration says religiously owned providers should not be allowed
to impose their faith on non-catholic employees. The rule does not apply
to churches themselves - and supporters say the constitution mandates a
separation of church and state:

MICHAEL GERSON
Former Bush Speechwriter (1:46 - 1:52)

"PEOPLE ARE NOT BEING FORCED TO ADOPT A NEW SET OF
RELIGIOUS BELIEFS BY THIS RULE. THEY CAN PRACTICE THEIR
RELIGION AS THEY SEE FIT, THEY CAN CHOOSE NOT TO USE
BIRTH CONTROL."

PBS
"The Newshour" (1:53 - 1:58)

And 28-states already requiring contraceptive services to be included in
health benefits...

"WE ARE GOING TO WORK WITH INSTITUTIONS THAT HAVE
CONCERNS HERE. BUT I THINK IT'S IMPORTANT TO NOTE THAT WE
BELIEVE//EDIT//THAT AMERICAN WOMEN DESERVE TO HAVE
ACCESS TO -- TO THAT KIND OF INSURANCE COVERAGE
REGARDLESS OF WHERE THEY WORK."

and - in this volatile campaign, Republican candidates are calling it a war

on religion:

"THIS IS A DECISION SO TOTALLY OUTRAGEOUS AND AN ILLUSTRATION OF SUCH RADICAL SECULAR IDEOLOGY THAT I BELIEVE THE ENTIRE HIERARCHY WILL OPPOSE IT EVERY INCH OF THE WAY.."

The Romney campaign is trying to organize opponents to sign an online petition against the new rule.

"WE MUST HAVE A PRESIDENT WHO IS WILLING TO PROTECT AMERICA'S FIRST RIGHT, OUR RIGHT TO WORSHIP GOD ACCORDING TO THE DICTATES OF OUR OWN CONSCIENCE."

While the candidates focus on the politics - other republicans say it's a fundamental moral question:

We put a lock on the trailer itself so that way it just couldn't be
hooked up and taken the whole trailer away and we're in and out
and we just thought it looked like it was pretty safe.

Sgt. Matt Ronstadt @ :59

Tucson, AZ Police Dept.

BUT IT WASN'T. THIEVES USED BOLT CUTTERS TO SNAP
THROUGH PADLOCKS ON THIS UNMARKED TRAILER,
STEALING 9-HUNDRED THOUSAND DOLLARS WORTH OF
WHOLESALE MERCHANDISE ... THAT'S MORE THAN 2
THOUSAND FACETED STONES, 100 PENDANTS, 100
EARRINGS AND RINGS. MOREAU DISCOVERED AN
EMPTY TRAILER WHEN SHE PACKED UP READY TO
LEAVE TUCSON.

This is devastating um I don't know what we're going to do because
I have shows lined up and I have no merchandise to sell.
POLICE SAY THE STONES - LIKE THESE RED AND GREEN
ONES - ARE UNIQUE WITH ONLY SEVERAL MINERS AND

DISTRIBUTORS IN THE WORLD WITH ACCESS TO THEM.

We're also hoping that because the stones are so exclusive and some of them are one of a kind items that getting those pictures out to the media and up on the website will help identify these stones.

AND TRACK DOWN THE THIEVES - WHOM MOREAU SAYS, STOLE HER LIVELIHOOD.

(reporter: Obviously you're still in shock. How is this going to affect you. Are you thinking about what's going to happen down the line?)

I don't know what we're going to do. This is our sole income, this is how we make our living.

You go in you meet the customer, you greet the customer, he does the work and that's it. You're there probably an hour at the most. THAT DAY'S JOB DIDN'T GO AS PLANNED. IN THE MIDDLE OF IT ALL. DUFFY'S YOUNGER DAUGHTER, BABY SARAH, WAS IN SERIOUS TROUBLE.

HEARING THAT, REID JUMPED INTO ACTION.

I put the baby in a position that I was taught in training, put the

baby in my palm, flipped her over and gave her a light trust to her back and that's when everything came up and the baby actually started laughing and smiling at me.

URNS OUT REID IS CPR-CERTIFIED AS PART OF HIS JOB TRAINING...

We're in people's homes all day. Sometimes it's just us and the customer, stuff happens and we're the only ones there.

THEY USE VERTICAL PLANTERS

(S/ Melissa Kanaris - Gardener :28 - :32)

"That in one square foot of space...just how much can be done. this would take about 20 times the size because there are 20 separate plants in containers here."

THEY CREATE THEIR OWN NUTRIENT RICH

(NATS)

"ALSO WHEN THEY RETURN BACK TO EARTH WE HAVE NO IDEA WHERE THEY'RE GONNA LAND AND WE CERTAINLY HOPE IT'S NOT IN OUR POWER LINES."

THE PRIMARY CONCERN IS THE HIGH-VOLTAGE POWER LINES.

"PROBLEM WITH MYLAR BALLOONS IS THAT THEY ARE VERY CONDUCTIVE TO ELECTRICITY BY NATURE OF THEIR DESIGN.THE MYRLAR WILL TRANSMITT ELECTRICITY SO WHEN THE BALLONS DO GET TANGLED UP IN OUR LINES, THEY HAVE A TENDENCY TO SHORT CIRCUIT THE LINES AND THEY CREATE ALOT OF PROBLEMS FOR US."

PG&E SAYS: METALLIC BALLOONS THAT COME INTO CONTACT WITH OVERHEAD POWER LINES CAN DISRUPT ELECTRIC SERVICE TO AN ENTIRE NEIGHBORHOOD.

"I'M VERY, VERY SUPRISED. BECAUSE I LET EM GO ALL OF THE TIME. IT'S FUN AND I HAD NO IDEA. SO I GUESS I WON'T DO THAT"

"OUR RECOMMENDAIONS ARE TO KEEP THE BALLOONS INSIDE WHEN POSSIBLE. ALSO KEEP THE WEIGHT FULL ATTACHED TO THE BALLOON SO THEY DON'T DRIFT OFF. "

LAST YEAR ALONE, BALLOONS THAT DRIFTED INTO POWER LINES CAUSED NEARLY THREE HUNDRED OUTAGES WHICH AFFECTED MORE THAN 150,000 CUSTOMERS. THEY ALSO WARN TO NEVER GO NEAR DOWN LINES.

"AH IF YOU DO SEE SPARKS AND STUFF DEFINITELY STAY AWAY FROM THE POWER LINES. EVEN IF THERE IS A POWER LINE ON THE GROUND STAY AWAY FROM IT. KEEP OTHERS AWAY FROM IT."

WE'VE GOTTEN NO REPRIEVE THIS YEAR AT ALL FROM THE ALLERGY SYMPTOMS..

leading to triple digit pollen counts in atlanta this month.

RIGHT AFTER GROUNDHOG DAY, WE STARTED SEEING PATIENTS WHO WERE HAVING SYMPTOMS OF SPRINGTIME ALLERGIES. WHICH IS VERY UNUSUAL BECAUSE USUALLY WE DON'T START SEEING PATIENTS HAVING SYMPTOMS UNTIL THE LATER PART OF FEBRUARY.
the cause of those symptoms... the earlier bloomers like these evergreen azaleas in georgia's callaway gardens. patricia collins, director of gardens, says these plants are a month ahead of schedule.
A: SO EARLY BLOOMING, IS THAT GOING TO HURT THESE PLANTS?
P: IT WON'T HURT THE PLANTS NO, IT JUST MEANS THIS PARTICULAR ONE WON'T BE IN FULL BLOOM A MONTH FROM NOW.

AND HERE IS PART OF WHAT HE WROTE.

S/Joe Corlett / Suspended from Oakland University :15-:20

"Tall, blonde, stacked, skirt, heels fingernails, smart, articulate, smile. I'm toast but I stay."

THE PROFESSOR COMPLAINED.

CORLETT WAS SUSPENDED AFTER A DISCIPLINARY COMMITTEE AT THE SCHOOL DETERMINED HE HAD INTIMIDATED HER.

S/Joe Corlett / Suspended from Oakland University :29-:32

(What would happen if you go back to campus now?) "I'd be arrested."

CORLETT IS A BUILDER WITH A GORGEOUS VIEW OF SQUARE LAKE.

BUT HE HAD BEEN INSPIRED TO WRITE SEVERAL PREVIOUS ESSAYS ABOUT SEX, IN MORE GENERAL TERMS.

S/Joe Corlett / Suspended from Oakland University :43-:48

"I kept asking. Is this okay. Am I good here and I kept getting A's. And I wasn't going to get off the A train."

BUT HIS COLLEGE CAREER WAS DERAILED AFTER WRITING SPECIFICALLY ABOUT THE PROFESSOR.

"They've spent the past five years looking at what are the levels of lead in lipstick, but they haven't done any kind of health impact study to look at what are the exposures women are getting from lipstick."

OF THE FOUR HUNDRED LIPSTICKS TESTED, L'OREAL HAD FIVE OF THE TOP TEN HIGHEST LEVELS, ALONG WITH THE PRICEY BRAND NARS.

ONE OF THE CHEAPEST BRANDS ON THE MARKET, WET-N-WILD, HAD A LEVEL SO LOW IT WASN'T DETECTABLE, WHICH MEANS COST IS NOT A FACTOR.

(SOT: Dr. Bruce Hensel, Medical Reporter)

"These studies that found lead in lipstick didn't look at lead levels in the blood or the brain at the same time, so we don't have a cause and effect or a correlation."

WITNESSES SAY ABOUT A DOZEN SKIERS WERE SEEN HEADING TO AN OUT OF BOUNDS AREA CALLED "SEVENTH HEAVEN"

JOEL HAMMOND WAS PART OF THE GROUP AND DESCRIBED WHAT HE AND A FELLOW SKIER SAW JUST BEFORE THE SNOW CUT LOOSE...

HAMMOND SAYS HE WATCHED AS THE SKIERS, INCLUDING PRO ELYSE SAUGSTAD WERE SWALLOWED UP BY THE SLIDE AND CARRIED NEARLY TWO-THOUSAND FEET.

sot: "this is approximate where the slide started and it would have carried the victims down to here."

sot: "at one point after the avalanche they're all buried under the snow. they managed to dig themselves out of the snow they realized that three of them were in distress and they begin cpr."

BUT IT WAS TOO LATE FOR THE SKIERS...THREE MEN, AGES 30, 35 AND 45 WERE PRONOUNCED DEAD ON THE MOUNTAINSIDE.

BUT THE THREE MEN WERE REPORTEDLY WELL-KNOWN TO THE

CONVENTIONAL WISDOM SAYS A TEENAGER WHO GETS MORE
 SLEEP WOULD PROBABLY GET BETTER GRADES AND DO WELL IN
 SCHOOL.

SO WE DECIDED TO ASK THE EXPERTS:

"I'm really tired a lot so I need a lot of sleep."

"I probably get like 10 hours of sleep, like 9 or ten."

THESE HIGH SCHOOL STUDENTS WE TALKED TO SAID THEY'D
 PREFER MORE SLEEP BUT ONLY AVERAGE ABOUT...

"Probably 6 or 7"

"I probably sleep like 6 or 7 hours."

"I get about 6, 7 hours of sleep."

AND THAT'S ACTUALLY THE *OPTIMUM* AMOUNT OF SLEEP A
 TEENAGER NEEDS, ACCORDING TO STUDY AUTHOR ERIC EIDE.

(SOT: ERIC EIDE, BRIGHAM YOUNG UNIVERSITY)

"So when they read our study and find out that 7 hours is really fine then
 that makes them feel better about their teenagers sleep patterns."

"Really? That's kind of shocking to me."

(SOT: REBECCA RICHARDSON, HIGH SCHOOL TEACHER)

"I think that my experience is more often than not is seeing sleep deprived
 students with their heads on desks who look as though they need a little

THIS STUDY IS THE FIRST TO ANALYZE THE SCHOOL PERFORMANCE OF TEENS, AND IT LOOKED AT OVER 17-HUNDRED STUDENTS.

(SOT: DANIEL PONCE, HIGH SCHOOL STUDENT)

"I feel like I perform less when I get more sleep because I become like lazy and I don't want to do anything and I got all my rest. But when I'm tired I feel like doing something else and not get tired at all."

BUT THERE ARE STILL SOME SKEPTICS:

CIERA WASHINGTON, HIGH SCHOOL STUDENT

"I definitely perform better if I get more sleep, like if I get less sleep, I'm dead in the morning and I'm dreading the entire day. I definitely do better with more sleep"

"Oh my God, it's uh, one of the most important drugs that we have. We have people that need it and people that are on it and people that well maybe this is their last hope. So how do you make those decisions?"

ON TUESDAY -- THE FOOD AND DRUG ADMINISTRATION ANNOUNCED MUCH-NEEDED RELIEF FOR THE DOXIL SHORTAGE. THE U-S WILL BEGIN IMPORTING A REPLACEMENT DRUG FROM A COMPANY IN INDIA.

IN THE COURSE OF THE DISCUSSION...BROWN SPOKE THE WORD OUT LOUD.

HE SAYS, AS PART OF THE LARGER DISCUSSION OF HOW ABUSIVE AND HARMFUL IT COULD BE.

HE SAYS HE EXPLORED THE FACT THAT THE WORD IS USED IN GREAT LITERATURE LIKE HUCKLEBERRY FINN AND TO KILL A MOCKINGBIRD...WHICH IRONICALLY WAS THE FIRST SELECTION IN CHICAGO'S GREAT BOOKS SERIES.

BUT DURING THE COURSE OF THE DISCUSSION, HIS PRINCIPAL,

LINCOLN BROWN
Murray Academy Teacher :07 - :11

GREGORY MASON ENTERED THE ROOM...AND IN SUSPENDING BROWN, HE CALLED WHAT HE HEARD, VERBALLY ABUSIVE LANGUAGE.

S/ Lincoln Brwn/ Murray Academy Teacher 1:03 - 1:09

THE TEACHER HAS RECEIVED DUE PROCESS...SAID SPOKESMAN ROBYN ZIEGLER...IN OUR OPINION...HIS FEDERAL LAWSUIT IS WITHOUT MERIT.

FOR AIR QUALITY ADVOCATE AND DOCTOR BRIAN MOENCH, THE

(SOT: DR. BRIAN MOENCH, PHYSICIANS FOR A HEALTHY

"We can't think of pollution at any level as safe. Even down to the very
lowest background levels, there are studies that clearly indicate that
background pollution even has health effects."

THE STUDIES SAY AIR POLLUTION IS MOST TROUBLESOME TO
CHILDREN, AND THE ELDERLY.

FOR STUDENT CHASE POPE, CLEAN AIR FOR HIS GENERATION AND BEYOND WILL COME DOWN TO CHANGING DRIVING HABITS, HE SAYS, SINCE POLLUTION HERE IS TIED TO VEHICLE EXHAUST. POPE IS LOBBYING LAWMAKERS FOR A RESOLUTION TO ENCOURAGE AN 'ANTI-IDLING' ETHIC BE BUILT INTO DRIVER'S TRAINING.

(SOT: CHASE POPE, STUDENT)

"You can smell it you can taste it, it's everywhere. So I'm very much aware of the problem, and within it, trying to fix it."

(--- ANCHOR TAG ---)

UNDER THE CLEAN AIR ACT... AIR QUALITY STANDARDS FOR POLLUTANTS ARE SUPPOSED TO BE REVIEWED EVERY FIVE YEARS... BUT THAT DEADLINE CAME AND WENT IN OCTOBER.

THAT PROMPTED ELEVEN STATES* TO SUE THE E-P-A EARLIER THIS MONTH TO COMPEL IT TO REVIEW CLEAN AIR STANDARDS FOR SOOT POLLUTION NATIONWIDE.

BECAUSE AGING COMES WITH LEGITIMATE ACHES AND PAINS, THERE IS A GREATER AVAILABILITY OF POTENTIALLY ADDICTIVE PAIN AND ANXIETY MEDS.

(SOT: STAN GALPERSON, TARZANA TREATMENT CENTER)

"Doctors are quick to prescribe them pain, people find comfort in them. And they're off and running, they abuse them, they develop a dependency, they wind up at our front door."

STAN GALPERSON RUNS THE RESIDENTIAL AND OUT-PATIENT PROGRAMS AT TARZANA TREATMENT CENTER.

HE SAYS PART OF THE CHALLENGE FOR THE OVER-50 CROWD IS SIMPLY LIFESTYLE. AT THIS POINT, IF THEY ARE NEARING RETIREMENT THEY HAVE SOME MONEY, MORE TIME AND LESS STRUCTURE.

(SOT: STAN GALPERSON, TARZANA TREATMENT CENTER)

"You don't have the consequences anymore that the boss may notice that you are under the influence, your work performance is suffering. If you don't have those anymore it is quite easy to let your addiction progress."

AND WHEN KIDS ARE GOWN AND LEAVE HOME, MANY MOMS AND DADS SIMPLY FEEL LOST.

(SOT: STAN GALPERSON, TARZANA TREATMENT CENTER)

THE STAKES ARE HIGH... BUT THERE IS HOPE.

KNOWN AS THE LITTLE BLUE PILL, VIAGRA IS MARKETED TO SPICE THINGS UP IN THE BEDROOM BY TREATING ERECTILE DYSFUNCTION. SO IT'S HARD TO BELIEVE A DRUG WITH BIG PAYOFFS FOR ADULTS, CAN HAVE EVEN BIGGER PAYOFFS FOR KIDS. DOCTORS AT LUCILE PACKARD CHILDREN'S HOSPITAL FIRST USED VIAGRA ON AN INFANT GIRL WHO HAD SEVERE LYMPHATIC MALFORMATION WITH GROWTHS THAT WRAPPED AROUND HER HEART. THE PRESSURE CAUSED HIGH BLOOD PRESSURE INVOLVING LUNGS... A CONDITION VIAGRA... KNOWN GENERICALLY AS SILDENAFIL... IS KNOWN TO TREAT.

BUT IF YOU LOOK AT THE MRI OF THE CHILD, YOU SEE ANOTHER BENEFIT.

(SOT: DR. AL LANE/ PACKARD CHILDREN'S HOSPITAL DERMATOLOGIST)

"Over about 12, 13 months, it looked like the lymphatic malformation totally went away. You could not see it on an MRI."

DERMATOLOGIST DOCTOR AL LANE WENT ON TO THREE MORE PATIENTS UNDER AGE 4 WITH VIAGRA. THESE PICTURES SHOW A DRAMATIC REDUCTION OF ONE CHILD'S GROWTH ON HER BACK.

(SOT: DR. AL LANE/ PACKARD CHILDREN'S HOSPITAL DERMATOLOGIST)

"One of the thoughts, it's possible the viagra allows these vessels to open up and start to flow the fluid out and therefore the lesions will start to shrink over time."

DOCTOR LANE REPORTED HIS FINDINGS IN THE NEW ENGLAND JOURNAL OF MEDICINE

AND IS NOW BEGINNING CLINICAL TRIALS TO SEE IF OTHER CHILDREN MAY BENEFIT.

HE SAYS THE DOSE OF VIAGRA GIVEN TO KIDS IS A FRACTION OF WHAT ADULTS TAKE AND SO FAR THE DRUG HAS SHOWN FEW SIDE EFFECTS, BUT MORE TESTING IS NEEDED.

A DISCUSSION AT THE CAPITOL ON WEDNESDAY MAY START TURNING HEADS TOWARD THE EFFECTS OF LARGE SCALE MARIJUANA GROWS ON THE ENVIRONMENT. OUR REPORT ON THIS TONIGHT FROM NEWS CHANNEL 3'S KELLY MAY.

FISHERIES FORUM. ON THE DOCKET: FISH POPULATIONS AND WHAT HAPPENS TO THEM AS THE MARIJUANA BUSINESS CONTINUES TO GROW."

-SOT CHESBRO-

"THIS IS NOT ABOUT MARIJUANA. THIS IS ABOUT DESTRUCTIVE PRACTICES THAT HURT THE ENVIRONMENT."

ASSEMBLYMAN WES CHESBRO IS CHAIR OF THE FISHERIES COMMITTEE. IN SACRAMENTO WEDNESDAY HE MET WITH FRIENDS OF THE EEL RIVER'S SCOTT

GREACEN... THEY TALKED ABOUT GROWING MARIJUANA- AND HOW IT AFFECTS THE NORTH COAST'S ENVIRONMENT.

-SOT CHESBRO-

"WE NEED TO TRY TO FIGURE OUT WHAT WE CAN DO TO TRY TO REDUCE THESE IMPACTS."

GREACEN ARGUED FOR MORE TRANSPARENCY FROM GROWERS...

A PRACTICE THAT WOULD INVOLVE A SERIOUS AMOUNT OF ATTENTION FROM LAW ENFORCEMENT.

-SOT CHESBRO-

"ITS NOT LIKE THERE'S SOME HUGE CORPORATION THAT'S DOING SOMETHING THAT CAN BE POINTED OUT."

BUT WHAT GRAECEN POINTED OUT IS THAT ALREADY STRUGGLING FISH POPULATIONS AND WATERSHEDS WILL NOT RECOVER UNLESS SOMETHING IS DONE TO REDUCE THE IMPACT LARGE POT GROWS HAVE...

FOR THREE MAIN REASONS.

HE SAYS SEDIMENT FROM OVER USED AND POORLY MADE LOGGING ROADS IS FILLING IN SOME DELICATE SALMON SPOTS.

... THAT TOXIC WASTE LIKE PESTICIDES IN USED SOIL AND DIESEL FROM GENERATORS IS EITHER DRAINED OR DUMPED IN RIVERS.

... AND THAT BACKWOODS GENERATOR GROWS CREATE HIGH FIRE RISKS... THREATENING THE LARGER SCALE OF THE ECO SYSTEM.

-SOT CHESBRO-

"THERE'S MANY MANY THREATS TO TIMBERLANDS AND THIS IS CLEARLY ONE OF THEM THAT COMPETES WITH THE OTHER THREATS."

BUT THREATS TO THE FISH AND RIVERS- AS GRAECEN AND CHESBRO AGREE- CAN ONLY BE FIXED... IF THE SMOKE IS CLEARED BETWEEN THE RESPONSIBLE GROWERS AND AS CHESBRO PUTS IT-

-SOT CHESBRO-

"SO ITS EASIER TO FIGURE OUT WHO THE
BAD GUYS ARE."

-SOT CHESBRO-

"ESPECIALLY BECAUSE ONE THE REASONS
THAT WE HAVE THE DEGREE OF THE
PROBLEM IS THAT ITS LIKE THE
PROHIBITION OF ALCOHOL ITS NOT A
WIDELY SUPPORTED PROHIBITION AND
THEREFORE YOU HAVE THE COMBINATION OF
ILLEGALITY AND POPULARITY OF THE
PRODUCT."

-KELLY AS LIVE TAG-

"SO NORTH COAST ACTIVISTS WERE ABLE
TO SPEAK DIRECTLY TO LEGISLATORS
ABOUT THEIR CONCERNS... AND IT SEEMED
OUR LAWMAKERS AGREED... WHETHER OR
NOT THEY WORK ON ANY TRANSPARENCY FOR
GROWERS... NO PLANS AS OF YET."

HUMBOLDT COUNTY HAS HIRED A "TEAM BUILDER" SPECIALIST TO WORK WITH EMPLOYEES AT THE ARCATA EUREKA AIRPORT. THE NEW WORKER STARTED AROUND THE SAME TIME, AIRPORT MANAGER JACQUELINE HULSEY RETURNED FROM 2 AND A HALF MONTHS OF PAID LEAVE.

"SOME PEOPLE HAVE SAID THIS IS JACQUE'S SHADOW AND THAT SHE CAN'T COMMUNICATE WITH OTHER EMPLOYEES.

TOM: UH NO THIS ISN'T MRS. HULSEY'S SHADOW, OTHERWISE IT WOULDN'T BE A TEAM BUILDER, IT WOULD BE AN INDIVIDUAL COACH.

WE'VE EVEN REACHED OUT TO HULSEY FOR

(NATS: TELEPHONE)

ONLY REFERRING US BACK TO MATTSON.
WITH SPECULATION COMING FROM SOURCES
WITHIN THE AIRPORT ABOUT WHETHER OR
NOT, HULSEY COULD PERFORM HER FULL

HIMSELF:

"MRS. HULSEY IS THE AIRPORT MANAGER
AND SHE IS IN CHARGE OF THE AIRPORT.
MANY OF THE DUTIES ARE DONE BY THE
MNGR OR THEY'RE DELEGATED OUT TO DO
BUT SHE IS IN FULL CHARGE OF HER
DUTIES. REPORTER: AND SHE DOESN'T
NEED THIS TEAM BUILDER TO DO ANY OF
THESE DUTIES? TOM: NO THE TEAM
BUILDER COMES IN A COUPLE OF TIMES A
WEEK. WORKS WITH A FEW INDIVIDUALS,

THEN MONITORS FOR A BIT. BUT THEY'RE NOT THERE FULL TIME."

THE AIRPORT IS THE ONLY DEPARTMENT IN THE COUNTY TO HAVE SUCH A TEAM BUILDER, ACCORDING TO MATTSON. AND IT COMES AT A PRICES: MATTSON SAYS IT'S COSTING THE COUNTY ROUGHLY 3 THOUSAND DOLLARS.

"THEIR JOB IS TO OBSERVE AND PROVIDE TOOLS FOR PEOPLE TO IMPROVE THEIR WORK CAPABILITIES."

WHILE MATTSON HOPES THIS WILL BOOST THE TEAM WORK AT THE AIRPORT, HULSEY'S FUTURE WITH THE AIRPORT REMAINS QUESTIONABLE.

NATALIE POSS @ :24

DISTRACTING HERSELF FROM WHAT HAPPENED IN HER THIRD GRADE CLASSROOM?.

Teacher

This is never supposed to happen. You know? It's a teacher's worst nightmare.

IT ALL STARTED WITH A LOUD BANG.

I knew I didn't have any balloons in the room, so it was a really loud sound, the kids were stirred and then I saw Amina just slump over.

So I knew something had happened but I couldn't figure it out, it was very puzzling.

POSS IMMEDIATELY TOLD THE STUDENTS TO LEAVE THE CLASS AND GET HELP.

I said I think she's been shot. I lifted up her shirt and saw there was a large hole. And I couldn't figure out where the bullet had come from. I didn't have any intruders in the room.

SHE HELD 8 YEAR OLD AMINA BOWMAN, APPLYING PRESSURE ON HER WOUND UNTIL MEDICAL CREWS ARRIVED.

Stay with me, don't fall asleep, Amina stay with me.

WITH HER PRINCIPAL POSS FRANTICALLY BEGAN

SEARCHING FOR THE WEAPON.

I lifted up the front and I was like this is a gun!

IN THE BACKPACK OF ONE OF AMINA'S CLASSMATES.

ONCE THAT GUN WAS LOCATED, MRS. POSS, ONCE

AGAIN RUSHED TO AMINA'S SIDE.

Went in the ambulance with her. Which, instinctively I just thought

I need to stay with her.

POSS SAYS AMINA IS STRONG AND IS PULLING

THROUGH BUT TELLS US THE REASON SHE SAT DOWN

WITH US IS FOR HER OTHER STUDENT THAT'S INVOLVED

IN THIS TRAGEDY.

He has a lot of good in his heart. I know he didn't intend this to

happen. And I know he's hurting tonight.

TO ONCE AGAIN FEEL SAFE IN HER CLASSROOM.

TENS OF THOUSANDS OF COLLEGE STUDENTS WILL BE TAKING OFF FOR SPRING BREAK, SOON. AND ONE OF THE MOST POPULAR DESTINATIONS IS MEXICO. BUT WITH DRUG-RELATED VIOLENCE ON THE RISE, THERE.. THE STATE DEPARTMENT HAS AGAIN ISSUED A TRAVEL WARNING. NBC'S JANET SHAMLIAN HAS THE STORY FROM CANCUN.

SPRING BREAK CONCERNS
Cancun, Mexico:02

ZEKE RUCKER
Victim:20-:25

JANET SHAMLIAN
NBC News, Cancun, Mexico:1:16

(-- PKG --)

Cancun is the gold standard for American college students each year. Tens of thousands will party here over the next six weeks. Two years ago, Zeke Rucker was among them.. joining friends for a final fling before starting law school.

(YOU HAD NO CONCERNS WHATSOEVER THAT IT WASN'T SAFE?)

(sot Zeke Rucker/Victim:05)

"NO, NOT AT ALL. I MEAN, EVERYONE DOES THIS RIGHT? HOW COULD IT POSSIBLY HURT SOMEONE."

And yet what happened hours after Zeke arrived would do just that. After a night at the clubs, Zeke says he fell asleep on a lounge near his hotel pool.

He remembers nothing of what happened next.. but his parents can't forget the phone call. Zeke was found near the pool, a doctor told them, bloody.. with multiple skull fractures and unconscious.

He was on a ventilator.. and near death.

For weeks Zeke was in a coma, for months he couldn't walk or talk.

Law school was put on hold for re-learning the basics.

The area around Cancun has not been immune to the terrible drug-related violence now consuming Mexico -- but the director of the Cancun tourist

police says the city's "hotel zone" is heavily patrolled and safe.

As for Zeke, the left side of his face is paralyzed, no hearing in his left ear

-- but he's come a long way.

He's now in law school.

(standup Janet Shamlian/NBC News:22)

"Mexican authorities say cases like Zeke's are unusual in Cancun as the tourist heavy beaches here are excluded from the State Department's travel warning. But 14 Mexican states are included, among them Porta Vallarta where just last week 22 American cruise passengers were robbed at gunpoint. Janet Shamlian, NBC News, Cancun."

MULTIPLE MAJOR MARIJUANA GROW OPERATIONS HAVE BEEN TAKEN DOWN OVER THE PAST FEW DAYS... NEWS CHANNEL 3'S DANA GRIFFIN HAS MORE ABOUT ALL THESE BUSTS FROM THE NEWSROOM. HEY DANA...

HEY BETSY, ITS BEEN A BUSY FEW DAYS FOR THE DRUG TASK FORCE... JUST YESTERDAY A MULTI-AGENCY STING OPERATION RECOVERED \$387,000.00 IN CASH, \$10,000.00 IN MONEY ORDERS, AND GET THIS.... OVER 38 HUNDRED MARIJUANA PLANTS.

"its'S NO SECRET THE COUNTY HAS ALOT OF COMMERCIAL MARIJUANA GROWS IN IT."

IT MAY BE NO SECRET HUMBOLDT COUNTY HAS AN ISSUE WITH ILLEGAL MARIJUANA, BUT IN THE LAST WEEK THE HUMBOLDT COUNTY DRUG TASK FORCE AND COMMUNITY RESPONSE UNIT HAVE BEEN IN FULL OPERATION.

"AND IT JUST SO HAPPENS THAT CALIFORNIA DEPARTMENT OF JUSTICE CAME IN TO HUMBOLDT COUNTY YESTERDAY AND HAD A SEARCH WARRANT AND WE ASSISTED THEM IN THE GREENWHICH HEIGHTS AREA."

LT. STEVE NIGHT FROM THE HUMBOLDT COUNTY SHERIFFS OFFICE SAYS WE SEEM TO BE ATTRACTINFG PEOPLE NOT ONLY IN OR AREA BUT PEOPLE FROM OTHER PARTS OF THE UNITED STATES AND EVEN OVERSEAS.

"THE MOST RECENT ONE WITH 400,000

WAS A SIGNIFICANT AMOUNT OF MONEY. IT'S NOT UNSUAL TO FIND 50, 10,000 DOLLARS AT THESE LAREG COMMERCIAL GROW OPERATIONS."

SO WHAT HAPPENS TO THOSE PLANTS?

"THE MARIJUANA'S BASICALLY BURIED BACK INTO THE EARTH, ANT IT TURN TO MUSH IN NO TIME FLAT AND IT'S WORTHLESS."

SOME LOCAL RESIDENTS THINK THEY KNOW THE SOLUTIONS TO MAKE ALL OF THIS GO AWAY.

"WE NEED TO DECRIMINALIZE MARIJUANA SO THAT WE CAN REGULATE IT SO WE CAN PREVENT THE ENVIRONMENTAL DESTRUCTION.

THERE WAS A SITUATION THIS WEEK WHERE A GROW HOUSE GENERATOR WAS LEAKING FUEL INTO THE KLAMATH RIVER.

"AND ANYBODY WHO KEEPS THEY'RE MARIJUANA AND THEIR MONEY TOGETHER IS AN IDIOT. THEY SHOULD BE CHARGED WITH FELONY STUPID. "

OFFICERS SAY THIS IS JUST THE BEGINNING... THEY WILL CONTINUE TO SEEK THOSE THAT BREAK THE LAW AND WE WILL HEAR ABOUT MANY MORE BUSTS IN THE NEAR FUTURE...

"AND JUST AS I WAS DOING THAT INTERVIEW, THE TASK FORCE WAS ABOUT THIRTY MINUTES OUT FROM BUSTING YET ANOTHER GROW OPERATION. IN EUREKA, D.G NC3."

HOPE YOU REMEMBER WHATEVER IT WAS YOU DID TO SAVE GAS WHEN IT WAS OVER FOUR DOLLARS A GALLON ABOUT FOUR YEARS AGO.. BECAUSE IT LOOKS LIKE THOSE PRICES ARE BACK AGAIN.. AND THIS TIME, POSSIBLY, FOR AN EXTENDED STAY. SO, HERE'S NBC'S CHRIS CLACKUM WITH A FEW REMINDERS ON HOW TO SAVE BETWEEN FILL-UPS.

EXPERTS SAY THE MOST RELIABLE WAY TO CHANGE HOW MUCH GAS YOU'RE GUZZLING... IS TO CHANGE THE WAY YOU DRIVE.

(Sot/ Philip Reed / Edmunds.com :13 - :20)

"Aggressive driving is a terrible gas waster. It constitutes a 30% drop in your fuel economy"

DRIVING EFFICIENTLY, THEY SAY, PAYS OFF IN MILEAGE EFFICIENCY.

(Sot/ Philip Reed / Edmunds.com :24 - :32)

"Stop rapid acceleration, aggressive breaking, particularly high speed lane changes are very destructive to your fuel economy"

PHILIP REED AT EDMUNDS.COM... ALSO SAYS MOST CARS RUN JUST FINE ON LOWER GRADE GASOLINE... THAT'S OFTEN A DIMÉ OR MORE PER GALLON CHEAPER.

(Natsound/Air in tires)

PLUS, HE'S BIG ON PROPER TIRE PRESSURE.

(Sot/ Philip Reed / Edmunds.com :45 - :53)

"We find that people are driving around with way underinflated tires. And this is a quick, easy, free way to boost your fuel economy"

AND, LIKE OTHER AUTOMOTIVE EXPERTS...NOT A FAN OF GADGETS THAT SUPPOSEDLY SAVE GAS..

..OR MYTHS.. LIKE TIME OF DAY MAKING A DIFFERENCE WHEN YOU FILL UP.. IT DOESN'T

..OR THE ONE ABOUT AIR CONDITIONING USE AFFECTING MILEAGE..

WHILE TRIPLE-A'S JEFFREY SPRING IS A STRONG BELIEVER IN AVOIDING GAS STATIONS AT FREEWAY INTERCHANGES.

(SOT: JEFFREY SPRING, AAA 1:15 - 1:18)

"Just go down a couple blocks and you'll probably see cheaper gasoline."

BOTH SAY A LOT OF GAS IS SAVED BY BETTER PLANNING AND COMBINING ERRANDS THAT REQUIRE A CAR.

ON MONDAY MORNING PRISCILLA MASSEO GOT
THE GOOD NEWS...

SOT - PRISCILLA MASSEO

"I'm so happy that she's getting a
liver."

HER 3 YEAR OLD DAUGHTER DESTANY BARKER
WILL LIVE THANKS TO THAT LIVER...

SOT - PRISCILLA MASSEO

"we got a liver offer and it's a teenage

NOT MUCH IS KNOWN ABOUT THE "OFFER"
EXCEPT THE DONOR IS DECEASED...

(NAT)

BUT THANKS TO THE TEENAGER AND THEIR
FAMILY... DESTANY WILL BE ABLE TO LIVE
AFTER MONTHS OF STRUGGLING WITH HER ALPHA
1 ANTITRYPSIN DISEASE...

SOT - PRISCILLA MASSEO

"She was a little unresponsive to me
driving down here on Wednesday. I tried
asking her questions and she just
wouldn't answer me."

PRISCILLA SAYS DESTANY HAS BEEN ON A LOW
SODIUM DIET BECAUSE OF HER CONDITION..
LATELY, DESTANY'S SODIUM LEVEL HAS BEEN
SO LOW SHE'S BEEN HALLUCINATING...

SOT - PRISCILLA MASSEO

"She thought people was there and they really weren't there... it was awful."

THAT AWFULNESS WAS JUST DAYS AGO... AND WITH THE SURGERY TAKING PLACE WITHIN 24 HOURS... DESTANY IS JUST HOURS AWAY FROM THE LIFE SHE USED TO LIVE.

SOT - PRISCILLA MASSEO

"She loves going to Disneyland and she loves Mickey Mouse and I can't wait til she can be herself."

SOT - KAY RECEDE, TAG

SOT - JENNIFER BUDWIG

VP of Redwood Capital Bank

"Gross revenue is generated from the marijuana industry in Humboldt County, I would say are over a billion dollars."

MARK LOVELACE

Humboldt County Supervisor, District 3

AND THAT AMOUNT... JENNIFER BUDWIG SAYS... IS A CONSERVATIVE FIGURE...

KAY RECEDE

kiemkayr@gmail.com

BUDWIG BREAKS IT DOWN FURTHER...

SOT - JENNIFER BUDWIG

"The amount of money spent in Humboldt County on an annual basis is about 26 percent of our economy."

WHICH SHE ESTIMATES AT 416 MILLION DOLLARS.

THE FACTS THAT SHE'S PRESENTING ARE

ALL FROM A THESIS SHE WROTE WHILE
ATTENDING PACIFIC COAST BANKING
SCHOOL.

SOT -JENNIFER BUDWIG

"Humboldt County has had a long and
established relationship with the
marijuana industry stretching back to
the late 1960s."

AND THIS RELATIONSHIP HAS CREATED
DEEP ROOTS...

SOT - JENNIFER BUDWIG

"the marijuana industry has become
deeply intertwined with both our
economy and our culture."

BUDWIG SAYS SINCE THE TIMBER AND
FISHING INDUSTRIES HAVE BEEN
DECLINING, PRODUCING AND EXPORTING
MARIJUANA HAS HELPED CREATE A LARGE
REVENUE FOR THIS SMALL COUNTY...

SOT - JENNIFER BUDWIG

"Marijuana is our most valuable
export, in the event of legalization
there will be far reaching
implications on our community and our
economy"

EVEN IN THE BLACK MARKET.

SOT - JENNIFER BUDWIG

"I have no doubt that a bulk, probably in the 90 percentile of our marijuana is exported out of this county."

BUT BUDWIG CLAIMS THAT SOME OF THE REVENUE FROM MARIJUANA CULTIVATION LEAVES THE COUNTY BECAUSE OF INTERNATIONAL DRUG CARTELS AND OTHER FACTORS.

ONE SOLUTION? DIVERSIFY BUSINESS OPTIONS...

SOT - JENNIFER BUDWIG

"support folks who have businesses or want to start businesses that are going to export and bring those dollars back into this county to create jobs."

WHETHER OR NOT COMMERCIAL MARIJUANA IS LEGALIZED..

DISCUSSING THE "GREEN" TOPIC WILL CONTINUE ON...

SOT - MARK LOVELACE

"our ability to just have an open discussion on the merits and on the facts is just so critical."

SOT - KAY TAG

"It's important to note that this was just a presentation. No resolution has been adopted. Marijuana is still illegal on the federal level. At the Humboldt County Courthouse, Kay Recede, News Channel 3."

people died.

IAN WILLIAMS 1:13

Minamisanriku, Japan

RANDOLPH MARTIN :1:52

A year later the scene is very
different a massive clean-up has
transformed the coast

The fishing town of Otsuchi was
largely obliterated as the tsunami
rolled in.

Today it looks almost serene.

In place of the twisted wreckage, a
barren wasteland.

"NOW WE HAVE DEBRIS MOUNTAINS ..."

The remains of towns all along the coast have been piled into vast mountains of trash, some of it toxic - 19 year's worth in the worst affected area. More than half a million buildings destroyed or damaged.

And still there's no real plan for how to get rid of it all, and no blueprint for rebuilding.

Two thousand of Otsuchi's survivors still live in tiny temporary homes. That's where we met seventy-nine year old Junko Takashi, who lost everything in the tsunami. She may never get her wish to go home, but told me: "I always try to be positive about what lies ahead."

"THE AUTHORITIES HERE HAVE PLEDGED TO BUILD A NEW FIFTY FOOT HIGH SEA WALL - THAT'S MORE THAN TWICE THE HEIGHT OF THE ONE TOSSED ASIDE BY THE TSUNAMI LAST YEAR. BUT EVEN THAT MIGHT NOT BE ENOUGH TO MAKE THIS PLACE LIVABLE AGAIN."

Further down the coast, few towns were hit harder than Minamisanriku - where the surging water funneled up the narrow valley.

The debris's also been cleared here, and for the first time since the disaster boats are back at sea, farming seaweed, something this town was famous for.

That's been made possible by new equipment - a project supported by the US charity Mercy Corps, which has created jobs for two hundred people here.

"ITS GOING TO TAKE TIME, A LONG TIME, TO REALLY RE-BUILD, BUT I THINK WHAT WE SEE A YEAR AFTER IS A REALLY RESILIENT COMMUNITY THAT'S GETTING BACK TOGETHER AGAIN."

There's no shortage of spirit here, and that may be the most important asset as these devastated communities look to the future.

IN NORTHERN CALIFORNIA THERE ARE ABOUT TWO THOUSAND TICKETS WRITTEN EACH MONTH.

"BUT THROUGHOUT THE STATE THERE ARE TENS OF THOUSANDS OF CITATIONS WRITTEN."

HERE'S HOW THE NUMBERS STACK UP: SINCE 2006, TEXTING TICKETS HAVE NEARLY QUADRUPLED. PEOPLE TALKING ON THEIR CELL PHONE DROPPED SLIGHTLY IN 2010, BUT ROSE OVER FOURTEEN THOUSAND IN 2011. AND FOR THOSE UNDER THE AGE OF 18... THE NUMBERS TOOK A BIG DIP IN 20-10, AND ONLY ROSE BY ELEVEN TICKETS.

IN 2008 A LAW WAS IMPLEMENTED TO HELP KEEP DOWN THE TRAFFIC COLLISIONS DISTRACTED DRIVERS WERE CAUSING.

"YOU SEE PEOPLE GOING DOWN THE ROAD AND THEY'RE ...PAUSE... THEY'RE LOOKING DOWN INSTEAD OF AT THE ROAD WHICH THEY SHOULD BE."

"IF YOU'RE HOLDING IT THEN YOU'RE IN VIOLATION."

"AND OFFICERS SAY HANDS-FREE MEANS HANDS FREE...JUST BECAUSE YOU'RE ON YOUR SPEAKER PHONE... IT'S TILL A DISTRACTION IF YOU HAND IS NOT BEING IN USE FOR THE WHEEL"

"AS LONG AS YOUR HANDS ARE FREE TO UTILIZE THAT VEHICLE YOU'RE FREE IF YOU'RE OVER EIGHTEEN."

"I THINK IT'S DANGEROUS, IT ENDANGERS LIVES AND YOU SHOULDN'T DO IT."

DRIVERS ARE ALLOWED TO USE THEIR CELL PHONE ONLY IF THEY ARE CALLING EMERGENCY PERSONNEL.

"MOST PEOPLE SAY THAT IT WAS AN EMERGENCY WHEN THEY WERE CALLING TO SAY THEY'RE GOING TO BE LATE OR HAD TO TALK TO THEIR FAMILY AND THAT'S NOT THE EMERGENCY THEY'RE EXEMPT FROM."

"PUT YOUR CELL PHONE IN YOUR TRUNK OR IDK BURY IT SOMEWHERE. PEOLPE CAN DIE AND THEY HAVE."

"THE WHOLE PURPOSE OF THE LAW IS TO NOT GENERATE REVENUE. IT'S REALLY ABOUT KEEPING THE ROAD WAY SAFE."

SO IF YOU'RE DRIVING WHILE HOLDING ONE OF THESE... YOU CAN BE SURE TO GET ONE OF THESE

DANA GRIFFIN

"WE HOPE TO START SERVICE TO THE ARCATA AIRPORT AS SOON AS THIS SUMMER

kiemdana@gmail.com

THESE MEETINGS OVER THE LAST COUPLE OF DAYS HAVE BEEN KIND OF DISCUSSING THE DYNAMICS OF THAT."

IN TODAY'S MEETING WITH THE BOARD OF SUPERVISORS, AMERICAN AIRLINES PRESENTED NOT ONLY THE BENEFITS OF THIS NEW CARRIER, BUT ALSO THE COST ASSOCIATED WITH THE START UP."

NATS: FROM MTG

TO BEGIN SERVICE, AMERICAN AIRLINES WOULD NEED A ONE-MILION DOLLAR INSURANCE TO GUARANTEE THEY LOOSE NO MONEY IN THEIR PARTNERSHIP WITH ARCATA AIRPORT.

"THE COUNTY WOULD NOT JUST GIVE AMERICAN AIRLINES THAT MONEY, SO IT WOULDN'T BE ONE BIG CHECK TO AMERICAN AIRLINES, IT WOULD BE RECONCILED MONTHLY SO THAT THEY COULD MEET THEIR OPERATING COSTS."

AND THE GOAL OF THE AIRPORT IS TO NOT HAVE TO TAP INTO THAT INSURANCE MONEY.

...IF THAT HAPPENS, WE'LL SEE DIRECT

SERVICE TO LA BY JUNE. SO UH WE'RE DOING EVERYTHING IN OUR POWER TO UH MAKE THAT HAPPEN.

DUE TO THE TIME CRUNCH NEEDED FOR ACV TO AGREE TO THE REVENUE GUARANTEE, AND THE SIMPLE FACT THAT THEY DO NOT HAVE ALL OF THE MONEY TO CONTINUE WITH BRINGING IN AMERICAN EAGLE, THE HEDGEWATER FUND AS WELL AS THE BOARD OF SUPERVISORS WILL NEED MORE TIME TO ASSES THE RISK FACTORS.

THE BOARD UNANIMOUSLY AGREED TO CONTINUE THE DISCUSSIONS, CREATE A PROS AND CONS LIST OF HAVING THE NEW CARRIER, AND TO INVOLVE TWO SUPERVIRORS WITH THE FINAL PLANNING TO ENSURE THE AGREEMENT WILL BE A FINANCIALLY SOUND DECISION.

"IT HELPS BUSINESSES OF COURSE, IT HELPS THE UNIVERSITY. IT ALSO HELPS THE AIRPORT IN PARKING... RENTAL CARS, AND IT REALLY WILL HELP THE TOURISM INDUSTRY HERE DEVELOP"

THE BOARD WILL MAKE THE FINAL APPROVAL ONCE ALL NEEDED REQUIREMENTS ARE FULFILLED.

"NOW I'M TOLD BY ARCATA OFFICIALS THAT IF THIS REVENUE GUARANTEE PLAN IS NOT APPROVED, WHETHER THEY GET A LOAN FROM THE COUNTY, OR GRANT MONEY FROM THE HEDGEWATER FUND, THEN THIS PROJECT-TO GET AMERICAN AIRLINES TO THIS AIRPORT WILL DEFINITELY BE PUT ON THE BACKBURNER AND MAY NEVER COME UP AGAIN. THE LATEST AND LARGEST RESEARCH TO DATE ON METAL-ON-METAL HIP REPLACEMENTS CONFIRMS THEIR HIGH FAILURE RATE... LEADING MANY ORTHOPAEDIC SPECIALISTS TO SAY THERE'S NO REASON TO USE THEM AT ALL. ERIKA EDWARDS REPORTS.

Metal on Metal Hip Replacement Problems

DAVID MAUERHAN, MD
Orthopaedic Surgeon :19-:24

HIP REPLACEMENT SURGERIES HAVE HELPED THOUSANDS RESUME AN ACTIVE LIFESTYLE. BUT NEW RESEARCH SHOWS THEIR ENERGY LEVELS ARE LIKELY TO OUTLAST THEIR BRAND NEW, ARTIFICIAL HIPS -- IF THEY'RE METAL-ON-METAL IMPLANTS. THAT MEANS BOTH THE BALL AND SOCKET OF THE DEVICE ARE MADE OF METAL.

(SOUND - David Mauerhan, MD - Orthopaedic Surgeon, Carolinas Healthcare System)

"I would not have a metal on metal hip replacement if i was going to have to have a hip replacement myself."

STRONG WORDS FROM DR. DAVID MAUERHAN -- AN ORTHOPAEDIC SURGEON WITH CAROLINAS HEALTHCARE SYSTEM.

HE AND MANY OF HIS COLLEAGUES AROUND THE COUNTRY HAVE STOPPED USING THE ALL-METAL HIP IMPLANTS. THAT'S BECAUSE THEY'RE MORE LIKELY TO WEAR OUT IN AS FEW AS 5 YEARS. IN SOME CASES, TINY METAL FRAGMENTS CAN SLOUGH OFF.

(SOUND - David Mauerhan, MD - Orthopaedic Surgeon, Carolinas Healthcare System)

"That can lead to loosening of the implant, destruction of soft tissues around the hip replacement and pain and decreasing function on the part of the patient."

NOW A NEW ANALYSIS OF MORE THAN 400-THOUSAND HIP

REPLACEMENTS CONFIRMS THE METAL-ON-METAL VARIETY IS FAILING AT MUCH HIGHER RATES THAN OTHER TYPES, LIKE CERAMIC AND POLYETHYLENE -- ESPECIALLY IN WOMEN. THE STUDY AUTHORS EVEN SUGGEST A BAN.

(SOUND - David Mauerhan, MD - Orthopaedic Surgeon, Carolinas Healthcare System)

"There is no advantage whatsoever of using a metal on metal hip in today's environment."

"THE TOBACCO COMPANIES DENY THAT THEY MARKET THEIR PRODUCTS TO YOUTH, BUT THERE ARE MANY DIFFERENT KINDS OF STUDIES THAT SHOW THAT YOUNG PEOPLE CHOOSE THE MORE EXPENSIVE, MOST HEAVILY ADVERTISED BRANDS OF CIGARETTES TO START SMOKING"

NOW SMOKING'S ESPECIALLY DANGEROUS FOR TEENAGERS. YOU SEE, WHEN CHILDREN AND ADOLESCENTS BEGIN SMOKING SO YOUNG, IT ACTUALLY STUNTS THE GROWTH OF THEIR LUNGS, AND ALSO LEADS TO A HIGHER RISK OF PULMONARY DISEASE LATER IN LIFE

HIGH ENERGY DRINKS HAVE BECOME VERY POPULAR AMONG TEENAGERS AND YOUNG ADULTS IN RECENT YEARS AS A WAY TO GET A QUICK CAFFEINE-JOLT ANY TIME, DAY OR NIGHT.

BUT, LISTEN UP PARENTS, THEY COULD ALSO POSE A SERIOUS RISK...

NBCS TOM COSTELLO BRINGS US MORE.

HEALTH FOR HUMBOLDT "Energy Drink" Risks (:02-:14)

WENDY CROSSLAND Anais' Mother (:44 - :51)

VIDEO FROM:

TV Commercial (2:20 - 2:24)

NO ONE WHO KNEW HER EVER THOUGHT THIS IS WHERE 14-YEAR OLD ANAIS ("aneese") FOURNIER WOULD BE TODAY.

...THE VICTIM OF TOO MUCH CAFFEINE?

"she was my girlfriend, I loved her with all my heart."

AT THE CEMETERY IN HAGERSTOWN, MARYLAND, HER BOYFRIEND, ETHAN, COMES NEARLY EVERY DAY.

"She was just beautiful. In personality, in mind, in just physical features, she was amazing."

IT WAS LAST DECEMBER WHEN ANAIS SUDDENLY WENT INTO CARDIAC ARREST WHILE AT HOME.

PARAMEDICS, THEN DOCTORS WORKED FOR A WEEK TO SAVE HER, AS SHE SLIPPED INTO A COMA...HER FAMILY AT HER BEDSIDE:

(Wendy Crossland/Anais' Mother)

"We stayed up all night. I laid in bed next to her all night long. (cut) we talked to her and stayed with her."

SIX DAYS LATER, ANAIS DIED, LEAVING BEHIND A TWIN BROTHER AND SISTER.

THE OFFICIAL CAUSE OF DEATH:

CARDIAC ARRHYTHMIA DUE TO CAFFEINE TOXICITY.

ANAIS AND HER FAMILY KNEW SHE HAD A COMMON HEART DEFECT KNOWN AS A MITRAL VALUE PROLAPSE...

BUT HER DOCTOR FELT IT POSED LITTLE RISK TO HER LIFE.

IN THE 23-HOURS BEFORE SHE WENT INTO CARDIAC ARREST, ANAIS HAD CONSUMED TWO 24-ounce HIGH CAFFEINE "MONSTER" ENERGY DRINKS.

EACH MONSTER CAN CONTAINS 240-miligrams OF CAFFEINE, ENOUGH FOR

THREE SERVINGS!

and **TWO CANS**, IS EQUAL TO FOURTEEN 12-ounce SODAS!

THAT'S 480-milligrams OF CAFFEINE!

...**NEARLY 5-times** WHAT'S RECCOMENDED IN A RECENT PEDIATRIC STUDY FOR TEENS AND YOUNGER.

MONSTER TELLS NBC NEWS "we vehemently deny that drinking two cans of Monster Energy by itself can cause a death from caffeine toxicity."

AND MONSTER INSISTS ITS DRINKS CONTAIN LESS CAFFEINE THAN SOME COFFEE.

DR. ALLEN TAYLOR IS THE CHIEF OF CARDIOLOGY AT GEORGETOWN UNIVERSITY HOSPITAL:

(Dr. Allen Taylor/Georgetown Univ. Hospital Chief of Cardiology)

"Between the caffeine, the sugar, its effects on blood pressure, potential adverse effects, I think it's really difficult to justify a case for children, young adults to be using these substances right now."

...AND E.R.s ACROSS THE COUNTRY HAVE SEEN A **DRAMATIC INCREASE** IN CAFFEINE OVERDOSES:

FROM 1,128 E.R. VISITS IN 2005 LINKED TO HIGH ENERGY DRINKS.

TO 16,055 in 2008 and MORE THAN 13,000 (13,114) IN 2009.

(source: Substance Abuse and Mental Health Svs Admin)

(NATS/TV commercial)

HIGH ENERGY DRINKS HAVE BECOME **BIG BUSINESS**, WITH MARKETING THAT APPEALS TO TEENS WITH NAMES LIKE MONSTER, FULL THROTTLE and ROCK STAR:

Tom: "Clearly this is designed for a particular audience."

Amelia: "yes, high schoolers, college students..."

UNIVERSITY OF MARYLAND RESEARCHER AMELIA ARRIA HAS STUDIED THE EFFECTS OF THE DRINKS ON TEENS AND YOUNG ADULTS:

(Amelia Arria PhD/Univ of Maryland)

"Individuals don't really know how much caffeine they're consuming because the label does not require disclosure of caffeine content."

DESPITE YEARS OF STUDIES CALLING FOR THE FDA TO REGULATE THE DRINKS, THAT HASN'T HAPPENED.

THE AMERICAN BEVERAGE ASSOCIATION TELLS NBC NEWS IT HAS ADOPTED *voluntary policies pertaining to energy drink labels and marketing to children.*

SOME DO OFFER WARNINGS, SOME DON'T.

BUT DOCTORS HAVE THEIR OWN WARNING:

(Dr. Allen Taylor/Georgetown Univ. Hospital Chief of Cardiology)

"Is your child the one who has a predisposing condition where these could be truly dangerous? is it worth the call from the emergency room?"

FOR ANAIS' MOM, THERE'S ONLY HEARTBREAK....

(Wendy Crossland/Anaie's Mother)

(Wendy Crossland/Anais' Mother)

"She never ever regained consciousness and we never got to say goodbye."

INSTEAD OF HAVING TOO LITTLE TO EAT, CATTLE ARE OVER-GRAZING. JERRY BAGLEY IS A RANCHER IN DENTON COUNTY. HE SAYS RECENT RAINFALL HAS CREATED A PLENTIFUL WINTER WHEAT SUPPLY... BUT WITH THAT COMES PLENTY OF WEEDS.

S/Jerry Bagley, Denton County Rancher

WHICH IS EXACTLY WHY SO MANY PEOPLE PREFER TO DO THIS
INSTEAD!

SO WHAT IF YOU COULD PLOP IN FRONT OF THE T-V AND STILL
GET THE BENEFIT OF GOING TO THE GYM?

"Well it sounds good doesn't it?"

GOOD? HOW ABOUT FANTASTIC!

SO IS IT POSSIBLE? WELL POSSIBLY ACCORDING TO RECENT
RESEARCH DONE AT HARVARD MEDICAL SCHOOL.

SCIENTISTS SAY THEY PINPOINTED THE HORMONE IN MUSCLE
CELLS THAT TRIGGERS THE BENEFITS OF EXERCISE... A KIND OF
CHEMICAL MESSENGER.

SOUNDS PROMISING SO FAR SAYS TEMPLE UNIVERSITY
RESEARCHER DR. KEVIN JON WILLIAMS.

(SOT: DR. KEVIN JON WILLIAMS, TEMPLE MEDICAL RESEARCHER)

"The discovery of this hormone, irisin that's released from muscle during
exercise is a major scientific breakthrough."

NAMED IRISIN AFTER THE GREEK MESSENGER GODDESS,

RESEARCHERS SAY THE HORMONE HAS A POWERFUL EFFECT ON WHITE FAT. THAT'S THE FAT THAT GETS STORED AS CALORIES.

(REPORTER STANDUP: DAWN TIMMENEY)

"According to the researchers, when irisin is injected into mice it turns on the genes that change white fat into so called brown fat. Brown fat is known to burn more calories... it's what happens naturally when we work out."

(SOT: DR. KEVIN JON WILLIAMS, TEMPLE MEDICAL RESEARCHER)

"When animals or people exercise the muscle releases this hormone and it tells the fat to burn more calories."

SO IS IT TIME TO TOSS OUT THE GYM MEMBERSHIP AND HEAD FOR THE BARC-A-LOUNGER? NOT JUST YET. FOR ONE THING, IRISIN WON'T MAKE MUSCLES STRONGER. AND IT WON'T BE TESTED ON HUMANS FOR AT LEAST A COUPLE OF YEARS... SO DOCTORS DON'T KNOW WHAT THE SIDE EFFECTS COULD BE.

PLUS DOCTOR WILLIAMS STRESSES IT'S NOT EASY TO TURN RESEARCH INTO REALITY.

(SOT: DR. KEVIN JON WILLIAMS, TEMPLE MEDICAL RESEARCHER)

"That's very difficult, it's difficult to translate scientific discoveries, even important ones, into actual useful stuff that people can use on a day to day basis."

BUT IF GETTING FIT AND DROPPING SOME POUNDS IS YOUR GOAL... HERE IS WHAT THE DOCTOR SAYS ARE TWO SURE FIRE WAYS TO GET STARTED...

(SOT: DR. KEVIN JON WILLIAMS, TEMPLE MEDICAL RESEARCHER)

"One is get rid of sugary beverages, get rid of sugary soft drinks, get rid of fruit juice. And the second thing is walk. If you can, walk."

SUPERVALU WHICH RUNS ALBERTSONS IS DOING THE SAME CITING CONSUMER CONCERNS.

(SOT: DR. MICHAEL HIRT, NUTRITIONIST)

"Nobody wants to be stampeded over by American citizens running away from their stores."

THAT'S THE MAIN REASON NUTRITIONIST DR. MICHAEL HIRT SAYS AFTER NEARLY 20 YEARS OF PINK SLIME USE IT IS NOW RAISING CONCERNS. THE FILLER IS MADE OF MEAT EXCESS LIKE MUSCLES AND TENDONS THAT IS HEATED TO REMOVE THE FAT AND THEN TREATED WITH AMMONIUM HYDROXIDE GAS TO KILL BACTERIA.

THE USDA TELLS NBC THE PROCESS AND FINAL PRODUCT IS GENERALLY RECOGNIZED AS SAFE AND DOES NOT POSE A HEALTH RISK TO CONSUMERS. DR. HIRT ACKNOWLEDGES THERE HAS BEEN NO DIRECT HEALTH HAZARD BUT...

(SOT: DR. MICHAEL HIRT, NUTRITIONIST)

"Americans can't track nor can the government track who is getting sick from what because nobody knows what is in the particular ground beef

that their eating."

SO, WHY NOT LABEL EACH PACKAGE AND LET CUSTOMERS KNOW WHAT'S INSIDE? THE USDA DOES NOT PLAN ON DOING SO INSISTING THAT IT STARTS WITH BEEF AND ENDS WITH BEEF. LAST WEEK HOWEVER IT ALLOWED SCHOOL DISTRICTS UNDER THE NATIONAL LUNCH PROGRAM TO OPT OUT OF USING MEAT WITH THE FILLER STARTING NEXT YEAR.

THE MEAT WILL BE LESS LEAN. CUSTOMERS SAY, THEY TOO, WILL BE OPTING OUT.

IT'S BEEN A WEEK SINCE 15-YEAR-OLD SIERRA LAMAR DISAPPEARED FROM HER NORTHERN CALIFORNIA NEIGHBORHOOD... AND NOW, THE F-B-I IS DEEPLY INVOLVED IN THE SEARCH FOR THE MISSING TEEN. KARINA RUSK REPORTS.

TAKE PKG

((PKG))

TRT: 1:45

MARC KLOSS WHOSE DAUGHTER POLLY WAS KIDNAPPED AND KILLED IN 1994 DROVE OFF WITH SIERRA LAMAR'S MOM TO HELP SET UP A SEARCH CENTER IN MORGAN HILL. THE 15 YEAR OLD HAS BEEN MISSING SINCE FRIDAY AND THE ONE WEEK ANNIVERSARY IS HITTING FAMILY AND FRIENDS HARD. It's been so long, everyday we just wonder if she is okay and stuff. Everyday it gets harder.

OC: CARE ABOUT HER

:17-:26

1:37-1:44

SHANICE WASHINGTON

Sierra's Friend

THIS MORNING THE FBI DESCENDED ON THE INTERSECTION WHERE SIERRA USUALLY BOARDED THE BUS TO SCHOOL. THEY SET UP A ROADBLOCK LOOKING FOR ANY NEW INFORMATION.

:52-1:03

LUIS GAYTAN

Field Worker

Do you come through here everyday? AGENTS INTERVIEWED WORKERS NEAR WHERE SIERRA'S PURSE AND CLOTHING WERE FOUND ON SUNDAY. LUIS GAYTON NEVER SAW SIERRA BEFORE HER PICTURE BECAME A MISSING PERSON'S POSTER AND A NATIONAL STORY. HE ANSWERED QUESTIONS FOR ABOUT TEN MINUTES.

1:19-1:25

SIDNEY FLORES

Neighbor

We always start at seven AM but that day we were not work on that field, we were working on a field in Baily so maybe pretty sad for us because we would hope to see something.

THE FBI EVIDENCE RESPONSE TEAM BROUGHT IT'S
MOBILE UNIT TO SIERRA'S HOME AND WITH EVIDENCE
MARKERS IN HAND, AGENTS DID A GRID PATTERN
SEARCH OF THE PROPERTY. THEY ALSO DID A THROUGH
SEARCH OF ALL EIGHT HOMES ON THE CUL-DE-SAC.

Another four, five six guys walked in and walked though the house
and I said, go ahead, help yourself. Go for it.

SHAWNICE WASHINGTON IS ALSO DOING WHAT SHE
CAN TO HELP. THERE'S A TEE SHIRT CAMPAIGN TO
RAISE AWARENESS AND A FUNDRAISING CAMPAIGN TO
RAISE REWARD MONEY FOR SIERRA'S SAFE RETURN.

Just doing this makes me feel better because something for her and
letting her know I care about her.

NOW TO THE FORMAL CHARGES FILED IN THE SHOOTING SPREE THAT LEFT 17 AFGHAN VILLAGERS DEAD--MOST OF THEM WOMEN AND CHILDREN--AND SIX MORE WOUNDED.

TRT: 2:07

THE FORMAL CHARGES AGAINST STAFF SERGEANT ROBERT BALES ARE AS BLUNT AND AS BRUTAL AS THE CRIMES HE'S ACCUSED OF: THAT HE "DID WITH PREMEDITATION MURDER SEVENTEEN AFGHAN CIVILIANS" AND ATTEMPTED TO MURDER SIX OTHERS ... IN A SEPARATE CHARGE SHEET, THE GRISLY DETAILS, SAYING BALES TRIED TO MURDER ONE AFGHAN GIRL WITH A "GUNSHOT WOUND TO THE HEAD."

BALES WAS READ THE CHARGES INSIDE THE FACILITY AT FORT LEAVENWORTH WHERE HE'S BEING HELD IN SOLITARY

CONFINEMENT.

HE'S TOLD HIS ATTORNEY HE HAS ONLY SPOTTY MEMORY OF THE NIGHT OF THE SHOOTINGS.

(-- SOT --)

(John Henry Browne / Bales' Attorney)

"He's kind of in shock about the whole thing. He's emotional, very emotional. (Edit) He's holding up okay. He's kind of like a deer in the headlights."

MILITARY OFFICIALS ALLEGE BALES WAS DRINKING THE NIGHT OF THE MASSACRE. DEFENSE ATTORNEY JOHN HENRY BROWNE HAS SUGGESTED AN UNTREATED HEAD INJURY HE SAYS BALES SUFFERED IN IRAQ MAY EXPLAIN THE SHOOTING RAMPAGE. BUT THERE ARE INDICATIONS OF QUESTIONABLE BEHAVIOR EVEN BEFORE HE SAW COMBAT: FOR EXAMPLE, A 2002 TACOMA, WASHINGTON, POLICE REPORT SAYS BALES WAS "INTOXICATED" WHEN HE ATTACKED A CASINO SECURITY GUARD. CHARGES WERE

DROPPED AFTER BALES COMPLETED 20
HOURS OF ANGER MANAGEMENT TRAINING.

HIS LAWYER ALSO QUESTIONS HOW MUCH
EVIDENCE THE GOVERNMENT HAS.

(-- SOT --)

(John Henry Browne / Bales' Attorney)

"It's really going to be an
interesting case from a defense
lawyer's standpoint. There's no crime
scene, there's no DNA, there's no
ballistics."

MILITARY OFFICIALS SAY THERE'S PLENTY
OF EVIDENCE--SHELL CASINGS GATHERED
AT THE SCENE, SURVEILLANCE VIDEO OF
BALES OUTSIDE HIS BASE, HIS BLOODY
UNIFORM AND THE SIX WOUNDED VICTIMS
WHO SURVIVED--POTENTIAL WITNESSES AT
HIS TRIAL.

WITH COURT PROCEEDINGS SET FOR BALES'
HOME BASE NEAR SEATTLE, MILITARY LAW
EXPERTS SAY GETTING AFGHANS TO

TESTIFY COULD BE A CHALLENGE.

(-- SOT --)

(Eugene Fidell / Yale Law School)

"We don't have the power to dictate the presence of non-resident aliens to come to the United States."

MILITARY COURTS ARE DIFFERENT FROM THE CIVILIAN JUSTICE SYSTEM, AND ANALYSTS SAY BALES' ROAD TO TRIAL MAY NOT BE SPEEDY.

(-- SOT --)

(Victor Hansen / Retired Army Lawyer)

"This is a long process and it'll be many, many months if not more before we see a case like this go to trial."

(SOT: WALT WAGGENER, INSURANCE AGENT)

"The fewer miles you drive, the less you pay."

STATE FARM INSURANCE AGENT WALT WAGGENER SAYS MORE OF HIS CUSTOMERS ARE CHANGING THEIR CAR INSURANCE PLAN AND LINKING IT DIRECTLY TO THE NUMBER OF MILES THEY DRIVE. THE PLAN IS BASED ON DRIVING 19,000 MILES A YEAR. YOUR INSURANCE RATE THEN GOES DOWN FOR EVERY 500 MILES YOU DRIVE UNDER THAT.

(SOT: WALT WAGGENER, INSURANCE AGENT)

"It varies depending on exactly which mileage, but I've seen savings averaging 15, 20 percent sometimes with my clients."

SOME OF THOSE CLIENTS ARE CUTTING BACK ON THEIR DRIVING BECAUSE OF HIGH PRICES AT THE PUMP. MAYBE THEY'RE CARPOOLING OR TAKING THE BUS... BUT WHAT IF THEY'RE DRIVING MORE THAN THE 19,000 MILES?

(SOT: WALT WAGGENER, INSURANCE AGENT)

"The reality is people that drive their cars a lot of miles don't go on this

program."

(REPORTER STANDUP: BOB HANSEN)

"So how do you keep track of the miles you're driving? Well with State Farm if you have the on star system, it will keep track of your actual miles, or you simply keep track of it yourself."

(SOT: WALT WAGGENER, INSURANCE AGENT)

"We use the honor system, we ask you how many miles are on the car, once you're on the program, one time per year."

(SOT: Tim Ferree, Study Participant)

TIM WAS ONE OF ONE HUNDRED FIFTY OVERWEIGHT ADULTS WHO PARTICIPATED IN A CLINICAL TRIAL AT THE CLEVELAND CLINIC TESTING WHETHER STOMACH-REDUCING SURGERY COULD MANAGE TYPE TWO DIABETES BETTER THAN MEDICATION, DIET AND EXERCISE.

(SOT: Philip Schauer, M.D., Professor of Surgery, Cleveland Clinic)

"Just a little bit less than half of those who had gastric bypass achieved a complete remission."

THAT'S COMPARED TO ABOUT TEN PERCENT OF THOSE ON MEDICATION ALONE.

PATIENTS WHO HAD SURGERY WERE ALSO ABLE TO CUT THE NUMBER OF CHOLESTEROL AND BLOOD PRESSURE DRUGS THEY WERE TAKING ... AND LOST SIGNIFICANTLY MORE WEIGHT. DOCTORS SAY A HORMONE IN THE STOMACH RELEASED IMMEDIATELY AFTER SURGERY APPEARS TO STIMULATE THE PANCREAS TO MAKE MORE INSULIN.

DANA GRIFFIN

"WE'RE GONNA PUT THE CASE TOGETHER
AND IT'S GONNA BE REFERRED TO THE

ABOUT TWENTY INVESTIGATORS HAVE BEEN
ON THIS CASE FOR 11 DAYS STRAIGHT.
A CASE THAT ALL STARTED IN THE EARLY
MORNING HOURS OF MARCH 16TH...

"we got a call at 6:05 in the morning of a man that
was banging on the door.

THAT MAN, POLICE SAY, WAS 26 YEAR
OLD- JACOB ROBERT NEWMAKER... THE
WOMAN WHO MADE THE CALL TOLD POLICE
SHE DID NOT KNOW WHO NEWMAKER WAS.

"IT WAS COLD, IT WAS RAINY, IT AS
DARK."

OFFICERS ARRIVE ON SCENE AND THAT'S
WHEN THEY SAY NEWMAKER FLED ON THIS
BIKE...

"HE THEN RAN FROM OFFICERS AND THEN
OFFICERS PURSUED, HE THEN STOPPED."

ONE OFFICER WAS ABLE TO GET ONE OF

NEWMAKERS HANDS CUFFED... PEPPER SPRAY
AND A TAZER GUN WAS USED... THAT DIDN'T
STOP THE STRUGGLE.

SO, A BATON WAS THEN PULLED OUT BUT
NEWMAKER WAS ABLE TO TAKE HOLD OF THE
WEAPON.

"AND WAS ABOUT TO USE THAT BATON ON
THE OTHER OFFICER WHEN THE OFFICER
THEN FIRED THE SHOTS."

THE QUESTION OF WHY NEWMAKER CAUSED A
DISTURBANCE AND WHY HE FOUGHT WITH
OFFICERS STILL REMAINS A MYSTERY.

AND WE MAY NEVER KNOW WHY...

THE TOXICOLOGY REPORT HAS NOT BEEN
COMPLETED...

"SO ONCE WE GET THAT BACK WE'LL
RELEASE THAT INFORMATION, AND WE'LL

THE CHIEF SAYS THE OFFICERS WERE PUT
IN A LIFE THREATENING SITUATION AND

THAT LAST WEEK WENT THROUGH A
DEBRIFING WITH A PSYCHOLOGIST IN
SANTA ROSA, ALONG WITH THE DISPATCHER
INVOLVED....THIS IS STANDARD
PROTOCOL.

WHEN THE INVESTIGATION WRAPS, THE
NAMES OF THE OFFICERS WILL BE
RELEASED.

AND THE CHIEF HAS BEEN IN CONTACT
WITH NEWMAKERS FAMILY.

" I FEEL VERY BADLY FOR WHAT
HAPPENED."

" NOW BETSY I ALSO WANT TO MENTION
THAT THE D.A. DETECTIVE ASSIGNED TO
THIS CASE WAS ACTUALLY HERE TODAY.
NOW HE DID NOT WANT TO SPEAK ON CAMER
BUT WE'RE TOLD THAT THIS CASE IS
LIKELY TO WRAP BY HE END OF THIS WEEK

"These UV lights predominantly emit radiation in the UVA range the ultraviolet A range and this is the same range, the same light source that's predominantly used in tanning beds and it's known to be carcinogenic and cumulative exposure over time will cause an increased risk or association of skin cancers of all kinds including melanoma."

WE'RE LEARNING MORE ABOUT THE INVESTIGATION INTO THE DISAPPEARANCE AND PRESUMED MURDER OF SUSAN POWELL. SHE'S THE MOTHER OF TWO WHO WENT MISSING IN UTAH SEVERAL YEARS AGO. HER HUSBAND, JOSH, KILLED HIMSELF AND THEIR CHILDREN IN WASHINGTON STATE LAST MONTH.

HE WAS THE ONLY SUSPECT.

JOHN HUMBERT HAS MORE.

TRT: 1:30

IN LATE 2009, POLICE IN WEST VALLEY, UTAH FOUND A TROVE OF EVIDENCE THAT COULD HAVE LINKED JOSH POWELL TO THE MURDER AND DISAPPEARANCE OF HIS WIFE SUSAN, IN SEARCH WARRANTS FINALLY UNSEALED.

OC: SO HIGH PROFILE

SUSAN POWELL DISSAPEARENCE
New Information

WE'VE LEARNED THAT POLICE FOUND "TWO FANS WERE SET UP AND BLOWING ON THE LIVING ROOM SOFA THAT APPEARED TO HAVE JUST BEEN CLEANED."

:05--:14

2009

West Valley, UT

A DAY LATER THEY FOUND "BLOOD EVIDENCE ON THE TILE FLOOR NEXT TO THE CARPET. TESTS ON THIS BLOOD INDICATED IT WAS SUSAN POWELL'S."

POLICE ALSO DISCOVERED A CHILLING SET OF PAPERS IN A SALT LAKE CITY SAFE DEPOSIT BOX OWNED BY SUSAN, EVEN THOUGH SHE HAD ONLY USED THE BOX TWICE, THE WARRANTS SAY AT THE TIME SHE WROTE "HOW SHE DOES NOT TRUST HER HUSBAND AND THAT HE HAS THREATENED TO DESTROY HER IF THEY GET DIVORCED."

IT ENDS WITH AN OMINOUS WARNING "IF SUSAN POWELL DIES IT MAY NOT BE AN ACCIDENT EVEN IF IT LOOKS LIKE ONE."

THE WARRANTS REVEAL JOSH POWELL CHANGED HIS STORY MULTIPLE TIMES, DID NOT HELP MUCH IN THE INVESTIGATION, AND THAT HE HID SIM CARDS WITH CELL PHONES THAT COULD HAVE BEEN USED AS EVIDENCE.

THE SEARCHES ALSO CAUGHT POWELL'S FATHER STEVEN IN AN ALLEGED WEB OF CHILD PORN AND VOYEURISM, SOME OF IT FOCUSING ON SUSAN.

THEY FOUND MULTIPLE TAPES AND DIGITAL MEDIA SAID TO CONTAIN PORNOGRAPHIC IMAGES OF CHILDREN AT THE FAMILY'S PUYALLUP HOME.

THEY SET UP A NEW ANGLE ON THE
ALREADY DIFFICULT CASE.

DETECTIVES HAD WARNED THAT REVEALING
THE INFORMATION COULD JEOPARDIZE THE
--INVESTIGATION BECAUSE THE POWELL'S
ARE SO HIGH PROFILE.

((TAG))

THE SEARCH WARRANT ALSO REVEALED JOSH
CANCELED OF HIS WIFE'S CHIROPRACTOR
APPOINTMENTS 11 DAYS AFTER SHE WENT
MISSING AND THEN LIQUIDATED HER IRA.

SIGNS OF CHANGE ARE ALREADY EMERGING
AS THE STATE PREPARES TO RELEASE A
NEW HIGH SPEED RAIL PLAN ON MONDAY:

TAKE VO

((VO))

TRT: 24

SEN. MARK DESAULNIER [D]
Transportation and Housing Committee
@:24

THIS WEEK THE RAIL AUTHORITY AGREED
TO HELP UPGRADE A STRETCH OF COMMUTER
TRACKS BETWEEN SAN FRANCISCO AND SAN
JOSE THAT WOULD BE USE FOR HIGH SPEED
TRAINS BY 2019.

OC: YEARS TO COME

VO CONTD TRT: 35

SIMILAR UPDGRADES IN SOUTHERN
CALIFORNIA WOULD LAY THE FOUNDATION
FOR BULLET TRAINS THERE.
THE NEW BUSINESS PLAN IS EXPECTED TO
FOCUS MOE ON TRANSPORATION HUBS LIKE
THOSE.
STATE LAWMAKERS SAY CALIFORNIA HAS TO
LEARN FROM THE LESSONS OF OTHER
COUNTRIES:

((SOT))

SAYS:"Most of them built a passenger
rail system from the bottom up and
put the infrastructure where the need
was. That's what we need to do in my
view. We can't spend it where there
isn't ridership, where people are

never going to access it or use it
for years to come."

((VO))

DAN RICHARD, THE NEW HEAD OF THE
AUTHORITY, SAYS THE FIRST STRETCH OF
TRACK IN THE CENTRAL VALLEY WILL BE
TWEAKED TO OFFER MORE IMMEDIATE
BENEFITS.

SOME HAVE CALLED IT THE 6-BILLION
DOLLAR TRAIN TO NOWHERE BECAUSE IT
WILL LIKELY BE YEARS BEFORE IT SEES
HEAVY USE.

THE REVISED BUSINESS PLAN WILL BE
RELEASED ON MONDAY WITH A VOTE
EXPECTED AT A THURSDAY MEETING.

IN JUNE THE STATE LEGISLATURE WILL
VOTE ON WETHER TO SPEND 2-POINT-7-
BILLION DOLLARS THAT WOULD MATCH 3-
POINT-3-BILLION DOLLARS IN FEDERAL
FUNDS TO START BUILDING IN THE
CENTRAL VALLEY NEXT YEAR.

LAWMAKERS WOULD HAVE TO APPROVE
SPENDING ON THE UPGRADES IN THE BAY
AREA AND SOUTHERN CALIFONRIA IN
FUTURE YEARS.
