DO YOU OFTEN WONDER WHILE PASSING

GREG BOKINSKY
Project Researcher :31 - :34

THROUGH ANY ONE OF THE HIGH-TECH HOT SPOTS, JUST WHAT AMAZING

GARVIN THOMAS
Reporting 1:41 - 2:02

THINGS ARE BEING WORKED ON BEHIND THOSE, SHINY GLASS WALLS?

WELL THIS IS A STORY OF ONE SUCH BUILDING. AND ONE SUCH DISCOVERY.

HERE RESEARCHERS WITH THE JOINT

BIO-ENERGY INSTITUTE HAVE MADE A

BREAKTHROUGH IN THE DEVELOPMENT OF

BIO-FUELS.

(SOT GREG BOKINSKY, PROJECT RESEARCHER)

"Something that you could put directly into a car engine, diesel engine, maybe a jet engine."

GREG BOKINSKY IS THE PROJECT'S LEAD RESEARCHER.

HE, AND HIS COLLEAGUES, HAVE ENGINEERED BACTERIA IN SUCH A WAY THAT YOU GIVE IT PLANTS TO EAT AND IT WILL GIVE YOU FUEL.

BASICALLY, STREAMLINING INTO A SINGLE STEP WHAT IS NOW A MULTI-STEP PROCESS.

(SOT GREG BOKINSKY, PROJECT RESEARCHER)

"You can cut costs in half or maybe down to a quarter of what the traditional methods would cost you."

WHAT'S MORE, BOKINKSY FOUND HIS BACTERIA WORKED WITH ANY NUMBER OF

PLANTS. RIGHT NOW, MOST OF THE
BIOFUEL IN THIS COUNTRY IS
PRODUCED USING CORN.

BUT USING A FOOD CROP FOR FUEL IS
FAR FROM IDEAL. ANYTIME THE NEED
FOR EITHER ONE GOES UP, SO DOES
THE PRICE FOR BOTH.

BUT BOKINSKY FOUND HIS PROGRAMMED
BACTERIA WORKED ON SOMETHING
CALLED SWITCHGRASS...A PLANT
COMMON IN MUCH OF THE COUNTRY.

BUT IT DIDN'T STOP THERE.

IT ALSO WORKED ON EUCALYPTUS. AND
PERHAPS, MOST IMPORTANTLY, YARD
WASTE.

(SOT GREG BOKINSKY, PROJECT
RESEARCHER)

"Right now we're diverting all
this kind of stuff like paper and
cardboard waste into landfills
where that could really be turned
into biofuels perhaps in the
future."

(REPORTER STAND UP: GARVIN THOMAS)

"So, what is the miracle bacteria, that is showing so much potential? Well, it's one you have heard of before, but rarely in a positive light. It's e-coli. That's right, the same bacteria that, if it gets into our food supply has the power to sicken, even kill us may one day have the power to power us."

NATS

STILL, RESEARCHERS SAY THEIR STRAIN IS SO DIFFERENT, SO TAME, IT'S USE POSES NO RISK. AND E-COLI MIGHT NOT END UP BEING THE BEST BACTERIA FOR THE JOB.

FIGURING THAT OUT, AS WELL AS A WAY TO MAKE THE PROCESS MORE EFFICIENT AND ABLE TO BE DONE A LARGE SCALE ALL LIES AHEAD.

KEEPING SOME VERY SMART PEOPLE BUSY FOR SOME TIME TO COME

WALMART IS COMING TO EUREKA SOON...

SOT - STEVE OLSON

"I imagine they bring in long-term jobs but not long-term quality jobs."

DID YOU KNOW EMPLOYERS IN MOST STATES ARE PERMITTED TO LOOK AT THE CREDIT REPORTS OF PROSPECTIVE EMPLOYEES AS PART OF THEIR HIRING PRACTICES?

IN JUST A HANDFUL OF STATES LIKE RIGHT HERE IN CALIFORNIA, RULES ARE BEGINNING TO RESTRICT ACCESS TO CREDIT REPORTS.

OUR CREDIT HISTORY CAN BE A DIFFERENT AS PEOPLE ON THE STREET. BUT ONE THING IS FOR SURE. THAT CREDIT REPORT CAN KEEP US FROM GETTING A JOB.

(SOT: AMBER YOO, PRIVACY RIGHTS CLEARINGHOUSE)

"Some companies review credit reports as a way to predict who is going to be responsible and trustworthy employees."

CREDIT REPORTS OFFER A SNAPSHOT OF OUR FINANCIAL HISTORY. THE GOOD AND THE BAD. SO WHEN YOU APPLY FOR A JOB DO POTENTIAL EMPLOYERS LOOK IT OVER?

(SOT: AMBER YOO, PRIVACY RIGHTS CLEARINGHOUSE)

"It's very common. 60% of employers on some of all perspective applicants."

(SOT: PHIL BLAIR, MANPOWER)

"Well, you get one back and it's a really negative one and you have two or three candidates to pick from, your tendency is not to pick the one with the negative credit check."

PHIL BLAIR WITH MANPOWER SAYS CREDIT CHECKS ARE

ROUTINELY PULLED, ALONG WITH OTHER BACKGROUND CHECKS TO DETERMINE THE CHARACTER OF A CANDIDATE.

BUT AMBER YOO WITH PRIVACY RIGHTS CLEARING HOUSE SAYS THAT'S NOT RIGHT.

(SOT: AMBER YOO, PRIVACY RIGHTS CLEARINGHOUSE)

"There are plenty of reasons why someone would have bad credit that are totally unrelated to character such as a medical emergency, a lengthy divorce or another family problem that was just unanticipated."

(REPORTER STANDUP: BOB HANSEN)

"One of the problems for using your credit report to determine whether you get a job or not is the fact that some of those reports aren't very accurate."

(SOT: AMBER YOO, PRIVACY RIGHTS CLEARINGHOUSE)

"Credit reports have been known to be rife with errors. In fact a survey once said that 37% of americans reported errors on their credit reports."

AS OF JANUARY 1ST, CALIFORNIA IS JOINING SIX OTHER STATES IN RESTRICTING THE USE OF CREDIT REPORTS IN MAKING HIRING AND OTHER PERSONNEL DECISIONS. PHIL BLAIR AGREES WITH THE CHANGE.

(SOT: PHIL BLAIR, MANPOWER)

"It is not indicative of the person's ability or trustworthiness to do the job they are applying for so I don't want to know it."

NOW, CERTAIN JOB APPLICATIONS WILL STILL REQUIRE CREDIT CHECKS SUCH AS MANAGERIAL POSITIONS, LAW ENFORCEMENT AND FINANCIAL JOBS. BUT FOR OTHERS, A BAD CREDIT REPORT WON'T KEEP THEM FROM GETTING HIRED.

(SOT: AMBER YOO, PRIVACY RIGHTS CLEARINGHOUSE)

"Credit history does not predict job performance. And so it's really unfair."

It was amazing good luck and quick response by firefighters that kept car

thousands lived and slept...from leading to multiple tragedies.

male, ponytail, receding hairline...and the police released the video

Reserve Deputy

ZEV YAROSLAVSKY

L.A. County Supervisor (2:04 - 2:07)

Sunday night.

A member of the public quickly called and said he knew who the suspect was...Harry Burkhardt. He was a German national driving a Canadian-registered van. That information was circulated immediately to the huge task force working the case.

"LITERALLY THOUSANDS OF LAW ENFORCEMENT PEOPLE HAD THE INFORMATION THEY NEEDED, AND THAT'S WHAT LED TO THIS ARREST..."

And who made the traffic stop near Sunset Blvd. that ended with Burkhardt under arrest? A volunteer deputy sheriff working for a dollar a year named Shervin Lalezary.

Applause at a press conference for a so-called citizen hero.

"I JUST WANT TO SAY THANK YOU TO EVERYBODY, AND THANKS TO THE 2 OFFICERS WHO BACKED ME UP...AN LAPD VEHICLE WAS RIGHT BEHIND ME, READY TO GO..."

The siege of car fires had continued right up to the time Burkhardt was arrested...one of the last fires waking Eric Jones of North Hollywood.

"I SMELLED SMOKE. I'M LIKE HOLY MOSES, MY PLACE IS ON FIRE!"

When the last of the fires was extinguished...with no deaths and no injuries from any of them...the man allegedly responsible...was off the streets.

"OUR 4-DAY NIGHTMARE IS OVER//I HAVEN'T HAD A GOOD NIGHT'S SLEEP SINCE LAST WEEK, I'M LOOKING FORWARD TO ONE TONIGHT..."

(-- ANCHOR TAG --)

NOTHING OFFICIAL YET ABOUT THE MOTIVE BEHIND THESE FIRES, BUT THERE HAVE BEEN PUBLISHED REPORTS THAT BURKHARDT WAS IN AN ESCALATING DISPUTE WITH IMMIGRATION OFFICIALS...A DISPUTE THAT CAME TO A HEAD LAST WEEK JUST BEFORE THE FIRES STARTED.

IT'S A UNIVERSAL EXPERIENCE, ESPECIALLY AT THIS TIME OF YEAR... CATCHING A COLD. IT'S THE MOST COMMON RESPIRATORY INFECTION AND YET SCIENCE HAS SO FAR BEEN UNABLE TO COME UP WITH AN EFFECTIVE WAY TO PREVENT OR TREAT IT. NOW RESEARCHERS AT THE UNIVERSITY OF CALGARY ARE DELIBERATELY INFECTING VOLUNTEERS IN THE SEARCH FOR THAT ELUSIVE CURE FOR THE COMMON COLD. THE CBC'S PAULINE DAKIN (DAY kin) HAS MORE.

(-- PKG --)

Jonathan Pelikan is feeling what millions of other Canadians will experience this winter...the effects of a cold.

"I definitely have the sniffles."

He's in for a miserable seven days.

But unlike the rest of us, Pelikan volunteered for this.

Two days ago, he was still a perfectly healthy research volunteer.

Before this:

(natsot- "I'm just going to put a couple of drops of virus down in there and I'll ask you just sniff it back."

David Proud's lab at the University of Calgary is the only one in the country approved to intentionally infect people with cold viruses.

Proud's team is beginning a study to analyze how the volunteers' immune systems respond once they've been infected.

The scientists are hoping to identify defense molecules their bodies makes to fight the cold, and then find a way to boost or supplement that anti-viral effect.

(sot/ David Proud/ Researcher :49-:58)

"I still think we're many years away from being able to do that, but I think there's a potential that approach could be a way of boosting the patient's immune system that

seems to have no downsides as far as I can see."

Proud says it would mean the next best thing to a cure.... a symptom-free cold infection that still allows the body to mount an immune response, so it's protected the next time.

Right now cold sufferers like Pelikan often turn to herbal remedies such as zinc, echinacea or vitamin C.

Dr. Shelly McNeil is an infectious disease specialist who's studying the effectiveness of Cold FX in children.

(so/ Dr. Shelly MacNeil/ Infectious Disease Specialist 1:22-1:31)

"All of these things have modest effects. Most colds are five to seven days. Most of these products, if they show any benefit, reduce cold duration by two or three days at the most."

McNeil says Proud's search for ways to boost the body's own immune response to a cold virus is likely the best approach to better controlling, if not curing, the common cold.

WHY? THEY ALL HAD THE SAME THOUGHT.

THE WOMEN WE SPOKE WITH SAY, ASIDE FROM THEIR NEWLY SPRAY-

THERE IS A RANGE OF POSITIONS AT HUMBOLDT STATE UNIVERSITY AND A RANGE OF SALARIES...

kiemkayr@gmail.com

OUT OF THE HUNDREDS OF STAFF MEMBERS THAT WORK AT THE UNIVERSITY... ALMOST 40 STAFF MEMGBERS MAKE MORE THAN 100-GRAND A YEAR...

ACCORDING TO THE SACRAMENTO BEE'S WEBSITE, THE PRESIDENT OF HSU, ROLLIN CHARLES RICHMOND MADE THE MOST AT 345-THOUSAND-445-DOLLARS AND 63 CENTS IN 2010.

COMPARE THAT FIGURE TO THE 352-THOUSAND HE MADE THE YEAR BEFORE... THAT'S MORE THAN 7-THOUSAND-DOLLARS LESS THAN WHAT HE MADE IN 2008...

BUT SOME BELIEVE THAT HE'S STILL MAKING TOO MUCH MONEY DESPITE THE MODEST SALARY SLASH...

ESPECIALLY IN THIS ECONOMIC CLIMATE WHERE IN THE PAST 2 YEARS CAL STATE TUITION HAS JUMPED BY ALMOST 23 PERCENT...

BUT RICHMOND IS NOT THE ONLY PERSON MAKING MORE THAN 100-THOUSAND A YEAR...

CHECK OUT ROBERT ALAN SNYDER, HE'S HUMBOLDT STATE'S PROVOST AND VICE PRESIDENT OF ACADEMIC AFFAIRS...

ACCORDING TO THE WEBSITE, SNYDER MADE

ALMOST 200-THOUSAND DOLLARS IN 2010...
AND HIS SALARY IN 2009... JUST SHY OF
194-THOUSAND DOLLARS...

EXECUTIVES AREN'T THE ONLY ONES
EARNING A LARGE AMOUNT OF MONEY...

THE CAMPUS LIBRARIANS, MARTHA
JOHANSEN, AND SHARON CHADWICK...
BOTH MADE ABOUT 95-THOUSAND DOLLARS
IN 2010...

THAT'S MORE THAN SOME NON-PROFIT
LAWYERS IN CALIFORNIA WHO WERE
SALARIED AT THE MID-70-THOUSAND
DOLLAR RANGE FOR THAT YEAR...

ALL OF THESE SALARIES MAY SEEM HIGH...
BUT SOME FACULTY MEMBERS DID NOT EVEN
BREAK THE 90-THOUSAND-DOLLAR-SALARY
MARK SUCH AS BETH WILSON, PH.D, THE
ECONOMICS DEPARTMENT CHAIR AND
PROFESSOR WHO MADE 65-THOUSAND
DOLLARS IN 2010...

IT'S IMPORTANT TO NOTE THAT THESE
NUMBERS ONLY REFLECT THE GROSS AND
NOT THEIR NET SALARIES...

ALONG WITH LIMITING RAISES, THIS BILL
WOULD GIVE PRIORITY TO "HOME-GROWN

PAY HIKE DECISIONS TO BE MADE IN OPEN

TO HELP PREVENT THESE ACCIDENTS THE GROUP WANTS REARVIEW CAMERAS TO BE REQUIRED IN ALL NEW AMERICAN MADE CARS. SOME IN THE AUTO INDUSTRY SAY IT WILL COST TOO MUCH. THE NATIONAL HIGHWAY TRAFFIC SAFETY ASSOCIATION HAS BEEN CONSIDERING A MANDATE SINCE DECEMBER 2010. MOMS SAY IT'S A GOOD IDEA.

was released earlier than we were

**NO SECRET IS POLITICALLY CORRECT,
ESPECIALLY WHEN YOU HAVE DOCUMENTS
THAT ARE ACCIDENTIALLY LEAKED TO THE

THAT'S WHAT HAPPENED TO GOVERNOR
JERRY BROWN YESTERDAY WHEN THE
DEPARTMENT OF FINANCE RELEASED HIS
2012-2013 BUDGET ONLINE. FORCING HIM
TO CALL AN EMERGENCY PRESS CONFERENCE
TO CLEAR UP A FEW CONCERNS

"we will eliminate the budget
deficit finally, after years of
kicking the can down the road. and
we'll begin to pay back the wallet
debt. and that's one thing I'm really
committed to."

SO WHY THE BIG FUSS...?

"we've done alot of cutting. that's
the big take away from this"

HERE'S HOW THE NUMBER'S STACK UP:

*THE GOVERNOR'S BUDGET CALLS FOR A
1.4 BILLION DOLLAR CUT FROM WELFARE
AND CHILD CARE AID, FOR THE POOR.

*A 4.8 BILLION DOLLAR CUT IN PUBLIC
SCHOOL FUNDING

* A 1 BILLION DECREASE IN MEDI-CAL

*AND A 64 MILLION DOLLAR PROPOSAL TO
MOVE POOR KIDS OUT OF THE HEALTHY

FAMILIES PROGRAM, WHICH GIVES MEDICAL AID TO POOR FAMILIES' CHILDREN.

"we're in the ball park and the ball park is that we've cut the structural deficit substantially and we now have the possibility of eliminating over the next several years the deficits that have plagued ca."

BUT IN ORDER TO DO THIS, BROWN MUST FIRST PERSUADE VOTERS TO APPROVE THE STATEWIDE TAX HIKE... SOMETHING THIS STATE HASN'T SEEN SINCE 2004. IF VOTERS OPT OUT HOWEVER, IT WILL COME WITH A 5 BILLION DOLLAR CUT IN PUBLIC EDUCATION.

WITH A COMBINATION OF CUTS AND TEMPORARY TAX INCREASES, THE PROPOSAL AIMS TO SEE AN END TO THE MASSIVE DEFICIT CA HAS SEEN IN THE PREVIOUS YEARS

"the good news is ah california is recovering."

"ah... as you know there are no

GOV. JERRY BROWN:
(D) California

**NO SECRET IS POLITICALLY CORRECT,
ESPECIALLY WHEN YOU HAVE DOCUMENTS
THAT ARE ACCIDENTALLY LEAKED TO THE
PUBLIC A WEEK BEFORE THEY'RE SUPPOSE
TO.
THAT'S WHAT HAPPENED TO GOVERNOR**

**JERRY BROWN YESTERDAY WHEN THE
DEPARTMENT OF FINANCE RELEASED HIS
2012-2013 BUDGET ONLINE. FORCING HIM
TO CALL AN EMERGENCY PRESS CONFERENCE
TO CLEAR UP A FEW CONCERNS**

"we will eliminate the budget deficit finally, after years of kicking the can down the road. and we'll begin to pay back the wallet debt. and that's one thing I'm really committed to."

SO WHY THE BIG FUSS...?

"we've done alot of cutting. that's the big take away from this"

HERE'S HOW THE NUMBER'S STACK UP:

***THE GOVERNOR'S BUDGET CALLS FOR A
1.4 BILLION DOLLAR CUT FROM WELFARE
AND CHILD CARE AID, FOR THE POOR.**

***A 4.8 BILLION DOLLAR CUT IN PUBLIC
SCHOOL FUNDING**

*** A 1 BILLION DECREASE IN MEDI-CAL**

***AND A 64 MILLION DOLLAR PROPOSAL TO
MOVE POOR KIDS OUT OF THE HEALTHY
FAMILIES PROGRAM, WHICH GIVES MEDICAL
AID TO POOR FAMILIES' CHILDREN.**

"we're in the ball park and the ball park is that we've cut the structural deficit substantially and we now have the possibility of eliminating over the next several years the deficits that have plagued ca."

BUT IN ORDER TO DO THIS, BROWN MUST FIRST PERSUADE VOTERS TO APPROVE THE STATEWIDE TAX HIKE... SOMETHING THIS STATE HASN'T SEEN SINCE 2004. IF VOTERS OPT OUT HOWEVER, IT WILL COME WITH A 5 BILLION DOLLAR CUT IN PUBLIC EDUCATION.

WITH A COMBINATION OF CUTS AND TEMPORARY TAX INCREASES, THE PROPOSAL AIMS TO SEE AN END TO THE MASSIVE DEFICIT CA HAS SEEN IN THE PREVIOUS YEARS

THE SIX FIGURES YOU SEE AT THE 49er's

TAKE PKG

(-- PKG --)

TRT: 1:44

THESE ARE GOING TO BE THE BEST SEATS IN THE HOUSE AT THE
9er's (49er's) NEW SANTA CLARA STADIUM.

NEW 49ERS STADIUM SEAT PRICES
\$20,000-\$80,000

"I would say it's the most premium product in our building. No different
than court-side seats for basketball... or glass seats for hockey... or
behind home plate for baseball..."

AL GUIDO
V.P.New Stadium Sales and Services

IF YOU WANT ONE... IT'S GOING TO COST YOU.

"So the closed seats are only nine-thousand of the 68,500 seats in the
building... and they go between goal line to goal line for the most part in
the first two levels of the new building."

THE SEATS CARRY A STADIUM BUILDERS LICENSE. FOR SEASON
TICKET HOLDERS... THIS MEANS TO GET A SEAT... YOU ACTUALLY
HAVE TO BUY THE SEAT. FOR THE PREMIER LEVELS... THERE ARE
THREE PRICE POINTS. SEATS IN BLUE COST EIGHTY-THOUSAND
DOLLARS. RED SEATS COST THIRTY-THOUSAND. AND THOSE IN
YELLOW... TWENTY-THOUSAND.

"It's a good sign that they're doing well... I think that will probably help out
getting some of those prices."

PRICES THAT DON'T INCLUDE THE ACTUAL SEASON TICKETS...
WHICH IN THESE SEATS... RUNS BETWEEN 3,250 AND 3,750
DOLLARS PER SEASON. COMPARABLE SEATS AT CANDLESTICK
COST BETWEEN 1,300 AND 1,800 PER SEASON.

"This is a product that Candlestick's season ticket holders have just never
seen. You buy the seat... you own the seat. You have the ability to
transfer it down to your family... you have the ability to transfer it down to
friends... colleagues... you have the ability to sell it on the open market. I
think that's just a huge benefit."

BUT IF THESE SEATS AREN'T IN YOUR PRICE POINT... YOU AREN'T ALONE.

"For club seats, ten-thousand. I think it's way too much."

"Because I don't think it's fair... because I think it prices out regular people... and it basically just makes the seat license available to rich people and to businesses. And you're not going to get sort of a nice diversity of a crowd coming to the 9er's (49er's) games."

THE 49er's SAY THEY HAVE NOT YET SET THE PRICES FOR THE CHEAPER SEATS.

AMERICANS' STRESS LEVELS HAVE FALLEN
IN RECENT YEARS....

BUT AS ERIKA EDWARDS REPORTS -- THAT
DOESN'T MEAN WE'RE ANY LESS STRESSED
OUT. WE'RE JUST GETTING USED TO IT.

TAKE PKG

(--- PKG ---)

TRT: 1:30

SEE THIS? CHANCES ARE .. YOU DON'T SEE ENOUGH OF IT...
MONEY IS THE NUMBER ONE SOURCE OF STRESS IN AMERICA --
NO SURPRISE THERE. THE ECONOMY HAS IMPROVED LITTLE
SINCE 2007 -- WHEN THE AMERICAN PSYCHOLOGICAL
ASSOCIATION FIRST STARTED ANALYZING STRESS LEVELS IN THE
U-S.

HEALTH FOR HUMBOLDT
Stress In America

(SOUND - Susan Dentzer - Editor-in-chief, Health Affairs)

SUSAN DENTZER
Editor-in-chief, Health Affairs:18-:23

"75% say it's money... 70% say it's work..."

NORMAN ANDERSON, PH.D.
American Psychological Association:36-:40

BUT YOU MAY BE SURPRISED TO LEARN THAT SINCE THEN --
DESPITE THE SAGGING ECONOMY -- AMERICA'S OVERALL STRESS
LEVELS HAVE IMPROVED. THAT'S ACCORDING TO THE GROUP'S
LATEST REPORT, RELEASED AT A PUBLIC FORUM IN
WASHINGTON ON WEDNESDAY.

(SOUND - Norman Anderson, Ph.D. - American Psychological
Association)

SUZANNE BENNETT JOHNSON, PH.D.
American Psychological Association1:10-1:20

"The decline that you see is really from that extreme high back in 2007."

STRESS IS A MORE CONSISTENT PART OF LIFE NOW... AND
EXPERTS THINK .. WE'RE SIMPLY GETTING USED TO IT.
WHILE A MAJORITY OF SURVEYED AMERICANS SAY THE
ECONOMY AND WORK ARE MAJOR STRESSORS... MORE THAN
HALF ALSO POINTED THE FINGER AT RELATIONSHIPS AND FAMILY
RESPONSIBILITIES.

BUT IT'S POSSIBLE ONE GROUP COULD CAUSE STRESS LEVELS
TO RISE ONCE MORE. CAREGIVERS ARE ONE OF THE COUNTRY'S
MOST STRESSED OUT GROUPS -- FACING THE PRESSURE OF
CARING FOR SICK LOVED ONES... OFTEN AS WELL AS THEIR OWN
FINANCIAL AND PHYSICAL CONCERNS.

FINANCIAL AND PHYSICAL CONCERNS.

(SOUND - Suzanne Bennett Johnson, Ph.D. - American Psychological Association)

"When you go into the healthcare system, the focus is always on the person on the person with the illness. Of course that's important. But it's as if no one bothers to ask the caregiver anything."

THE NUMBER OF THOSE HAVING TO TAKE CARE OF EXTENDED FAMILY MEMBERS IS EXPECTED TO RISE DRAMATICALLY IN THE COMING YEARS AS THE BABY BOOMER POPULATION AGES.

ERIKA EDWARDS, NBC NEWS.

TAKE BETSY

(-- ANCHOR TAG --)

CHRONIC ILLNESSES LIKE DEPRESSION AND OBESITY ARE ALSO SIZABLE STRESSORS... OFTEN CONTRIBUTING TO A VICIOUS CYCLE. STRESS ITSELF AFFECTS US PHYSICALLY -- EVEN MAKING US MORE PRONE TO ILLNESSES.

"Everybody thinks it's funny, everybody."

SHE SAYS EVEN THOUGH THEY'RE LIVING SEPARATELY...THEY ARE STILL LEGALLY MARRIED, BECAUSE SHE CAN'T AFFORD A DIVORCE. SHE ADMITS TO HAVING TWO AFFAIRS.

"It's been over. Did I feel bad or guilty? No."

January is Radon Awareness month. And although many people may have heard of radon, a lot of home owners think it can't affect them. But any house can be susceptible to this dangerous gas. Here's Michael Jones...

RADON AWARENESS MONTH :02

MICHAEL JONES, REPORTING :10

--REPORTER PKG-AS FOLLOWS --

IT'S ODORLESS, COLORLESS AND IT'S RADIOACTIVE.

RADON IS THE SECOND LEADING CAUSE OF LUNG CANCER IN THE UNITED STATES, RESPONSIBLE FOR MORE THAN 20,000 LUNG CANCER DEATHS EACH YEAR.

BECAUSE YOU CAN'T SEE IT, IMMEDIATE HEALTH PROBLEMS CAUSED BY RADON MAY TAKE YEARS TO SHOW UP.

THAT'S WHY IT'S IMPORTANT TO HAVE YOUR HOME TESTED.

ACCORDING TO THE CENTERS FOR DISEASE CONTROL AND PREVENTION, THERE ARE SIMPLE STEPS TO REDUCE RADON LEVELS.

FIRST PURCHASE A RADON TEST KIT.

THEN USE IT TO TEST YOUR HOME.
IF THE RADON LEVELS ARE HIGH, GET
HELP LOOKING FOR THE PROBLEMS AND
FIXING THEM.
RADON CAN ENTER YOUR BODY IN THE
LIQUIDS YOU DRINK OR THE AIR YOU
BREATHE.
RADON GAS CAN SEEP THROUGH CRACKS
IN BUILDINGS AND EXPOSE PEOPLE TO
THE RADIATION, WHICH CAN LEAD TO
SEVERE HEALTH PROBLEMS.
BEING A SMOKER INCREASES THE RISK OF
CANCER FROM RADON, BECAUSE SMOKER
LUNGS ARE ALREADY COMPROMISED.
RADON IS EVERYWHERE.
SO MAKE SURE YOU ARE PROTECTED.
FOR TODAY'S HEALTH MINUTE, I'M
MICHAEL JONES.

THERE'S NO INDICATION OF THE REASONS BEHIND THOSE INCREASES... BUT CHANGING AMERICA'S MENTALITY OF "BIGGER IS BETTER" COULD GET US MOVING IN THE RIGHT DIRECTION.

SOT - DOUGLAS STREHL
"There's all kinds of things going on in Fortuna."

(NAT SPEAKER)

DOUGLAS STREHL

Fortuna City Manager

BUT MOST SPEAKERS LOOKED BACK AT 2011 BEFORE DELVING INTO THE ISSUES LOOMING OVER 2012.

DIANNA CROW

Executive Director, Fortuna Business

SOT - DOUGLAS STREHL

"First of all I'd like to recap all the stuff that's happened in the last year. The city had been very busy. Early on last year with some grant money we revitalized Roehner Park."

THEY ALSO INSTALLED CROSSWALKS THAT LIGHT UP THE WAY FOR PEDESTRIANS INCLUDING THIS ONE AT ROEHNERVILLE AND FORTUNA BOULEVARD...

SOT - DOUGLAS STREHL

"a real interesting intersection so pedestrians took their lives in their hands to cross the street."

GOOD NEWS ALSO SHINED ON FORTUNA'S LOCAL BUSINESSES...

SOT - DIANNE

"The Fortuna Improvement District held a Shop Local campaign from Nov. 25th - Dec. 19th. And during that campaign we were able to track over

50-thousand-dollars spent in Fortuna."

AS WELL AS THE INTEGRATION OF THE ROEHNERVILLE AND FORTUNA SCHOOL DISTRICTS... WHICH IS NOW NAMED THE FORTUNA UNION ELEMENTARY SCHOOL DISTRICTS... THE DISTRICTS WILL OFFICIALLY COMBINE IN JULY...

SOT - GARY EAGLES, Ph.D.

DESPITE SOME OF THE SUCCESSES OF 2011... CITY OFFICIALS ALSO DISCUSSED SOME OF THE MAJOR CHALLENGES LOOMING AHEAD...

SOT - DUANE RIGGE

"As of 1 February there will not be one redevelopment agency existing in the state of California. They'll all go away, including ours."

"If you're asking me what the bottom line's going to look like we haven't gotten there yet, but it looks daunting."

SOT - DIANNA CROW

"As you all know, Fortuna has lost some iconic businesses that have been here for 20, 30, 40, 50 years."

AFTER SHARING THESE CHALLENGES WITH THE CROWD..

OFFICIALS ALSO SHARED HOW THEY WOULD TACKLE THESE ISSUES.

SUCH AS A WALKING TOUR QUARTERLY

WHICH THE FORTUNA BUSINESS

IMPROVEMENT DISTRICT PLANS TO

IMPLEMENT THIS YEAR..

SOT - DIANNA CROW

"ask businesses what are your needs, what are your concerns and give them an opportunity to understand what it is and why we're here and how we can help."

WHATEVER THE NEWS... BE IT SUCCESS OR
CHALLENGE... ALL OF THE OFFICIALS TOOK
A STEP FORWARD WITH A SPIRIT THAT IS
AS UNIQUE AS THE FRIENDLY CITY
ITSELF...

SOT - DUANE RIGGE

ELIZABETH RUCH IS A FINANCIAL PLANNER. SHE SAYS THE
CHANGING ROLES OF WOMEN MEANS THEY NEED TO CHANGE
THE WAY THEY PLAN FOR RETIREMENT, WHETHER THEY WORK
FULL-TIME OR ARE STAY AT HOME MOMS.

(SOT: ELIZABETH RUCH, FINANCIAL PLANNER)

"Even if you're not working full time and you're working part time, you
should have some sort of an account set up for your future."

(REPORTER STANDUP: BOB HANSEN)

"One reason women need to look at their retirement a little different than
men, is frankly, they tend to live longer.

(SOT: ELIZABETH RUCH, FINANCIAL PLANNER)

"And it's not just the outliving. In today's world many marriages don't make
it that 50 or 60 years. So you need to always take care of yourself and
plan for yourself first."

THAT MEANS WOMEN NEED TO UNDERSTAND THEIR WORKING
AND RETIREMENT FUTURE. THEY SHOULD LOOK AT THEIR
OPTIONS FOR LONG TERM CARE INSURANCE AND BE REALISTIC
ABOUT WHAT MONEY IS COMING IN AND WHAT'S GOING OUT.
AND WHEN SHOULD WOMEN START IN ON ALL THIS FINANCIAL
PLANNING? ELIZABETH RUCH SAYS, WHEN THEY ARE

(SOT: ELIZABETH RUCH, FINANCIAL PLANNER)

"Set some dollars aside for yourself whether it be in a roth account, a traditional IRA account or just a pocket, this is my dollars for when I grow older."

THE TOTAL COST OF A TICKET MUST NOW BE POSTED.. NO MORE
 FINE PRINT OR HIDDEN FEES.. INCLUDING THE COST OF

AIRLINES ARE NOW REQUIRED TO LET PASSENGERS KNOW WHEN
 A FLIGHT IS CANCELED, DIVERTED, OR DELAYED MORE THAN 30-

AND TRAVELERS HAVE A 24-HOUR WINDOW TO HOLD OR CANCEL
 A RESERVATION AT NO COST.

DECISIONS THAT WILL BE BASED ON FARES THAT ARE -

(S/ Gabe Saglie - Senior Editor for TravelZoo.com :51 - 1:04)

"We could see another year where these airfare hikes are attempted on a regular basis, and it's not just the air fare hikes, it's the implementation of surcharges, where they start to look out for high travel dates."

BUT WITH THE NEW REGULATIONS IN PLACE.. THE INCREASES SHOULDN'T COME AS A SURPRISE..

"We'll get a better gauge of how to budget for vacation planning by knowing exactly what our out the door pricing is going to be.."

((DOGS BARKING))

DANA GRIFFIN
kiemdana@gmail.com

"We haven't had to euthanized just because we didnt have a kennel in order for a dog to come in, but we're getting closer and closer to that."

THIS ANIMAL SHELTER HAS BARELY ANY ROOM FOR NEW COMMERS AND IT'S CAUSING A BIG PROBLEM... FORCING MANAGEMENT TO MAKE TOUGH DECISIONS.

"It causes stress quite a bit of stress on some of the kennel staff here."

STRAY DOGS, LOST DOGS, AND DOGS BROUGHT INTO THE SHELTER BECAUSE OWENER'S CANNOT KEEP THEM IS CAUSING AN INCREASE IN THE NUMBER OF OCCUPIED SPACE... SPACE THEY JUST DON'T HAVE.

"that's what we do. We house animals and we hold them for owners until they can be located or contacted and if we cant then we hold them for a period of time and then they go up for adoption"

"because of that if we continue to get dogs in at a rate that's HIGHER thAn them leaving...then we'll be forced to euthanize in order to make space."

"if we get adoptions then that means we have that space for the new incoming dogs"

"You find a dog or cat or a chicken...we have some chickens here i think"

**ADOPTING CAN BE AS SIMPLE AS COMING
IN, INTERACTING WITH THE ANIMAL AND
PAYING AN ADOPTION FEE.**

"and then they get to take the animal
home"

AND TAKING AN ANIMAL HOME MAY MEAN
ONE LIFE SPARRED AND ONE HOME A
LITTLE HAPPIER.

"again if you're interested contact

It's the final push to the biggest sporting event in the world.

The main venues are finished on budget and on time.

Among the highlights of the 11 billion dollar project... A sleek velodrome for cycling.

An aquatic center christened with a dive from one of Britain's gold medal hopefuls Tom Daley... and the centerpiece, the main stadium that will hold 80,000 cheering fans.

This summer more than 200 countries will compete with 15,000 athletes, nine million tickets are up for sale.

Expectations are high after Beijing... that city's opening ceremony in 2008 captivated the world.

London is hoping to do even better giving Oscar award winning director Danny Boyle everything he needs for the performance...including lots of money.

(S/ Sebastian Coe/London Organizing Committee:09)

"This is a once in a lifetime opportunity to showcase the United kingdom as I said billions of people will be watching. I think it is a very appropriate investment."

The London games will also have a secret weapon... some very familiar and much loved royal faces acting as Olympic Ambassadors.

THE CEREMONY IS DUE, IN PART, TO HIS EXTRAORDINARY SERVICE IN KOREA -- AND PERHAPS EVEN MORE SO, TO HIS LEGENDARY SERVICE AT HOME, AS A VOLUNTEER INSTRUCTOR.

"Seventeen straight years, not getting paid -- he's teaching tactics, patrolling, different combat techniques."

"It was my honor and privilege to do that and it took away from me a lot of the stigma and hurt of having to be retired at the age of 23."

THIS DEDICATED MARINE ALSO SERVED THREE TERMS AS MAYOR OF MILPITAS AND HAS BEEN MARRIED TO THE SAME WOMAN FOR 63 YEARS. SHE'LL BE BY HIS SIDE WHEN HE ACCEPTS HIS HONORARY PROMOTION SATURDAY.

IF THERE'S STILL A BATTLE OF THE BULGE, AMERICANS MAY BE LOSING IT OVERNIGHT TO THE ALLURE OF FAST FOOD. MCDONALD'S SAYS ITS SALES INCREASED THE MOST BETWEEN MIDNIGHT AND 5 A.M. LAST QUARTER, AND THEY'RE NOT ALONE. MORE AND MORE FAST FOOD CHAINS ARE GOING AFTER NIGHT OWLS.

"This is probably one of the only times that I'm doing this during the day. Fast food is something that's kind of nocturnal."

IN FACT, MANY OF THESE FAST FOOD RESTAURANTS ARE NOW ALWAYS OPEN. THEY'RE NOW COUNTING ON THOSE LATE-NIGHT CRAVINGS TO HELP GROW THEIR REVENUES.

"At night, I'd say probably a couple of times a month you just get that craving and the little itch. You're like 'I need a really gross meal right now.' Not gross in a bad way, just like sloppy. Some good Mexican food."
