LAST WEEK, RACHEL GOT SOME WONDERFUL
 NEWS.

OUT CUE: DOING IS WRONG

(-- SOT --)

Kathleen Sampson

"I was nominated for freshman
 homecoming princess and that was such
 a surprise for me."

Rachel's Mom :16 - :21

Rachel Sampson

IT WAS ALSO A SURPRISE FOR RACHEL'S
 MOM KATHLEEN, WHO IMMEDIATELY BECAME
 SUSPICIOUS.

Student 1:27 - 1:32

(-- SOT --)

(SOT Kathleen Sampson / Rachel's Mom
 :16 - :21)

"Rachel has a lot of friends, but she doesn't socialize outside of school, that's a little too difficult for her right now."

DIFFICULT, BECAUSE RACHEL SUFFERS FROM A FORM OF AUTISM CALLED ASPERGERS SYNDROME.

(-- SOT --)

"They sometimes have difficulty being social, they don't make eye contact, they don't always have a lot of friends."

KATHLEEN SAYS IT TURNS OUT, SOME BULLIES PUT RACHEL'S NAME ON THE HOMECOMING BALLOT, AS A JOKE.

(-- SOT --)

"This is not OK, we need to treat people with dignity and respect."

(-- SOT --)

"I decided that if it was a mean joke, it would drive those kids really nuts if I actually won and had a lot of fun with it."

RACHEL'S MOM GOT ON FACEBOOK AND SPREAD THE WORD ABOUT WHAT HAPPENED,

AND IT WENT VIRAL.

(-- SOT --)

"The community of Poway, and the students at poway high school do not tolerate bullying, and they made that very clear with their voting."

"It was announced over the speakers after everyone had voted.

"I was so surprised and so happy about it!"

AND IF RACHEL THOUGHT SHE HAD A LOT OF FRIENDS BEFORE, SHE'S CERTAINLY GOT A LOT MORE NOW.

(-- SOT --)

(SOT Rachel Sampson / Student 1:27 - 1:32)

"I'm just hoping that other kids who have been bullied are going to get a message from this and other kids who are bullies realize what they're doing is wrong."

THE SYSTEM COSTS 905,000 DOLLARS. BUT COOK COUNTY CLERK DOROTHY BROWN ESTIMATES THE COST OF CLERKS ENTERING DATA EACH YEAR IS 430 THOUSAND DOLLARS. AND THE COST TO PRINT TICKET BOOKS IS \$195,000. THAT'S A TOTAL OF \$672- THOUSAND A YEAR... MEANING THE SYSTEM WILL PAY ITSELF OFF IN ONE AND A HALF YEARS TIME.

"The letter that's been handed to you by my attorney's

spells out the possibility of a lawsuit. We feel like we're being handed very little options here. We've shown good will at this and tried to adopt this ordinance at every turn...seems like your due diligence should have come prior to accepting applicants for these dispensaries."

THE CITY SAID IT WAS LOOKING INTO CHANGING IT'S ORDINANCE AFTER RECEIVING A LETTER FROM THE US DEPARTMENT OF JUSTICE; BUT COUNCILWOMAN LINDA ATKINS THOUGHT THE DOJ SHOULD KEEP TAKE UP IT'S CONCERNS WITH THE STATE.

(SOT: LINDA ATKINS, Eureka Councilwoman)

"Since ab1300 was passed i would believe that if the federal government wanted to go after anybody it'd be the state of california."

THE PUBLIC OFFERED A SIMILAR STANCE:

(SOT: WILLIAM BURNS, Eureka Resident)

"Face it, we have it all over this county, and i think we'd have more control over it if we had a dispensary, something we could watch."

SINCE COUNCILMAN LANCE MADSEN WAS ABSENT, THE 4/5THS NEEDED TO PASS THE MORATORIUM WOULD HAVE TO BE A

UNANIMOUS VOTE; SO AFTER A MOTION BY
MELINDA CIRABELLINI FAILED TO GET A
SECOND, THE COUNCIL LOOKED AT TWO
MAIN CONCERNS, A POSSIBLE TAX FOR
REGULATION, AND A SIZE LIMIT

(SOT: MIKE NEWMAN, Eureka City Councilman)

"What i'd like to do is just institute a size limit on the
cultivation and go forward with this."

IN THE END, IT WAS DECIDED, BY A 3-2 SPLIT,
TO SIMPLY ASK THE PLANNING COMMISSION
TO LOOK AT A 5 TO 10 THOUSAND SQUARE
FOOT SIZE LIMIT, AND POTENTIAL TAX FOR
REGULATION...

"And the size of that potential dispensary was 66
hundred feet, with four thousand of those feet being
cultivation space."

FIREBRAND FOUNDER STEVE JOBS HAD PASSED AWAY.
THIS NATIVE SON OF THE SILICON VALLEY WAS THE ARCHETYPAL

(MOS)

"He made beautiful machines. Made it fun to work."

SUCCESS PROMPTED JOBS TO HIRE AN OUTSIDE CEO TO RUN
THE COMPANY. BUT FREQUENT CLASHES LEAD TO THE OUSTER
OF THE APPLE VISIONARY IN 1985.

BY 1996, THE MAN IN THE BLACK TURTLENECK WAS BACK IN THE

(nats)

"I have one right here in my pocket."

THE COMPANY CHANGED THE WAY WE LISTEN TO MUSIC WITH THE RELEASE OF THE IPOD IN 2001, AND THE ITUNES ONLINE STORE IN 2003.

THE IPHONE FOLLOWED FOUR YEARS LATER, WITH THE IPAD AFTER THAT.

BUT WITH SEEMINGLY EVERY NEW PRODUCT UNVEILING, STEVE JOBS LOOKED MORE FRAIL. HE UNDERWENT SURGERY FOR PANCREATIC CANCER IN 2004, LEADING TO FREQUENT MEDICAL LEAVES, AND AN EVENTUAL LIVER TRANSPLANT.

HE LEAVES BEHIND THE WORLD'S LARGEST TECHNOLOGY COMPANY, AN ARRAY OF ELECTRONICS BREAKTHROUGHS, AND A LEGACY OF SCIENCE AND MAGIC THAT RIVALS ALL OTHER AMERICAN INDUSTRIAL GIANTS.

"Anybody that has hunted and knows
the area that can go out there and

QUEN LEFT FORTUNA LAST MONDAY TO GO
HUNTING WITH HIS 2-YEAR OLD BLUE
HEALER DOG, LUCKY.

"We're not really sure exactly what
kind of food and water he had."

"We're not really sure the

ONE THING.

"My dad's a very strong guy."

THEY GET LESS EXERCISE, THEY DON'T SLEEP AS MUCH -- AND THEY ARE LESS LIKELY TO TAKE CARE OF THEMSELVES WHEN THEY ARE SICK.

WHALE WATCHING... A YEAR-ROUND ENDEAVOR IN SOME PLACES, BUT EXPERIENCED CAPTAINS ARE SAYING THERE'S A HUGE SPIKE IN THE NUMBER OF WHALES THEY'RE SEEING. ONE EVEN SAYS... IT'S THE MOST HE'S EVER SEEN IN 20 PLUS YEARS. JAMES KOH TAKES A LOOK:

COMING ABOARD THE WHALE-WATCHING VESSEL THE PRIVATEER, IT'S CAPTAIN, RICK PODOLAK HAS BEEN NAVIGATING THE SAN DIEGO WATERS FOR ABOUT A QUARTER CENTURY.

My dad made the mistake of taking me fishing when I was about 8... a lot of these captains, it gets in our blood and we never look back.

AND EVEN WITH HIS VAST EXPERIENCE IN THESE WATERS... PODOLAK HAS BEEN SURPRISED BY WHAT HE'S SEEING. AN UNSEASONABLY LARGE NUMBER OF WHALES JUST OFF THE COAST OF SAN DIEGO.

AS RECENTLY AS LAST WEEK, HIS WHALE-WATCHING TOUR SAW MORE THAN 20 BLUE WHALES IN A SHORT THREE-HOUR SPAN.

Given the fact that there are between 4 and 5 thousand blue whales left... Seeing 20 to 25 of them, it is very surprising.

PODOLAK TOOK TO THE HELM AND BROUGHT HIS PASSENGERS TO AN AREA HE FIGURED WOULD HAVE SOME OF HIS LARGE, SPOUTING FRIENDS.

This is what I call the sweet spot...

AND SURE ENOUGH, TWO WHALES WERE RIGHT OFF THE BOW OF THE SHIP.

As for the why... The cold summer may have had something to do with it... As the water temperature drops the amount of krill may have increased... More food for the whales means more whales to watch.

Krill are the small shrimp like animals... that these large whales are feeding on.

With that krill the whales seem to be happy.

That guy's whale watching, too.

PASSENGERS, MANY OF THEM LIKE ALICIA CRANDELL, WERE ON BOARD AND VISITING FROM OTHER AREAS OUTSIDE OF SAN DIEGO. AND IT'S BEEN THE PASSENGERS THAT HAVE BEEN THE BIG BENEFICIARIES OF THIS UNSEASONABLE SPIKE IN THE NUMBER OF VISIBLE WHALES.

Pretty exciting, not everyday do you get to see a blue whale up close.

THE BIGGEST CONCERN, ASIDE FROM THE REPORTED 20-THOUSAND TONS OF CO2 PRODUCED BY THE GROWS; IS THAT SOME OF THOSE DOING THE BIGGEST AMOUNT OF GROWING AREN'T PAYING FOR THE MAJORITY OF THE ELECTRICITY THEY CONSUME

A lot of indoor marijuana growers take advantage of pg&e's care program, the purpose of which is to help low income people keep the lights on.

 FEW OF THEM KNEW THEN EXACTLY WHEAT IT WOULD COST TO
 GO TO SCHOOL. NOW THE NET PRICE CALCULATOR WILL HELP
 NEW AND CURRENT STUDENTS ADD UP THE FINAL NUMBERS.
 PATTY WILLIAMS IS DIRECTOR OF THE SCHOOL'S FINANCIAL AID
 OFFICE. SHE SAYS THIS NEW TOO WILL TAKE SOME OF THE
 GUESS WORK OUT OF FILLING OUT COLLEGE COSTS.

(SOT Patty Williams, Financial Aid Director)

"What ours does is it takes all of the financial information that we're going
 to ask a parent or s student when they apply for financial aid. Ask for it up
 front, run it through a calculator. give them as estimate of what they're
 going to pay to come to McDaniel."

ALREADY SOME MCDANIEL COLLEGE STUDENTS ARE GIVING THE
 CALCULATORS HIGH MARKS.

(SOT Amy Baumgardner, Student)

"I think it's a very helpful tool considering I depend on financial aid greatly with college and stuff, so I mean it's a great tool for any college student no matter grad or undergrad."

(SOT Student)

"I mean it's definitely a good idea to do because you know you can just go on it and then know exactly how much everything costs."

THE ONLINE CALCULATORS REQUIRE STUDENTS AND PARENTS TO PASS ALONG TAX INFORMATION, EARNINGS, AND BANK STATEMENTS. IT ALSO TAKES INTO ACCOUNT STUDENT GRADE POINT AVERAGES, CLASS RANKING, AND SAT SCORES.

(SOT Patty Williams, Financial Aid Director)

"So now they can sit down and go well, let's see and it's an estimate. The information's only as good as they put in as what comes out. So they have to be pretty careful about what they put in but it will give them an idea."

SCHOOL OFFICIALS SAY THIS COMPUTER PROGRAM CAN SERVE AS A GOOD FIRST STEP IN HELPING FAMILIES TO AT LEAST ESTIMATE HOW MUCH THEY'LL HAVE TO PAY FOR SCHOOL.

"I was drawn to Emory, did some research, did some research on Georgia, and came here in July."

(Jaye Watson Reporting :30-:35)

"Emory offered Lindenberg a nursing job. She hoped to pursue her master's degree. She accepted the job, packed her belongings, and moved here, getting her daughter settled into her new school before she was to begin her job September 12th. She applied for her Georgia nursing license before she left California, assuming it wasn't an issue, she was already licensed in three states."

BUT IN THE LETTER FROM THE GEORGIA BOARD FOR LICENSED PRACTICAL NURSES REJECTING HER APPLICATION, LINDENBORG WAS TOLD...

"I was not eligible, that the program that I went through was not recognized regionally by the state of Georgia."

LINDENBORG'S TRAINING CAME FROM THE U.S. ARMY-AMEDD- OF THE MOST RESPECTED NURSING PROGRAMS IN THE COUNTRY. BUT THE STATE OF GEORGIA DOESN'T RECOGNIZE IT.

"I think it's ridiculous."

SHE CONTACTED SENATOR JASON CARTER-WHO LEARNED A LEGISLATIVE GLITCH MADE ARMY TRAINED NURSES INELIGIBLE FOR LICENSES IN GEORGIA.

(Sen. Jason Carter 1:24-1:29)

"I think we have this situation right now is a veteran who served our country, who's done everything she was asked of and we have one of the greatest hospitals in the world who wants to hire her and the state of Georgia says you're not good enough to get licensed."

SIX WEEKS INTO HER ORDEAL, SGT. LINDENBORG IS GROWING DESPERATE, EMOTIONALLY AND FINANCIALLY.

All the sudden I saw a two-foot fin coming out of the water and it lifted up my friend in the air.

BOBBY WAS THANKFUL THAT HE WAS ABLE TO SWIM TO SHORE AFTER THAT ENCOURTER? AS WERE HIS FRIENDS ALONGSIDE HIM IN THE WAVES.

(SOUND - Joe Braun, Ph.D. - Harvard School of Public Health)

"This is the first human study to show that it's the gestational exposures and not the childhood exposures."

DR. JOE BRAUN FROM THE HARVARD SCHOOL OF PUBLIC HEALTH LED A STUDY OF MORE THAN 200 MOTHERS AND THEIR YOUNG CHILDREN -- COMPARING THEIR LEVELS OF B-P-A WITH URINE SAMPLES FROM PREGNANCY UP UNTIL THE KIDS WERE 3 YEARS OLD.

PREGNANT WOMEN WHO HAD HIGHER LEVELS OF B-P-A WERE MORE LIKELY TO HAVE DAUGHTERS WITH SLIGHTLY ELEVATED BEHAVIOR PROBLEMS.

(SOUND - Joe Braun, Ph.D. - Harvard School of Public Health)

"The girls with the higher exposure to BPA during gestation had more depression, anxiety, hyperactivity and aggression."

THERE WAS NO LINK FOUND FOR BOYS... AND NO LINK BETWEEN KIDS' B-P-A LEVELS AFTER THEY WERE BORN AND BEHAVIOR ISSUES.

VIRTUALLY EVERY ONE OF US HAS SOME DETECTABLE LEVEL OF B-P-A IN OUR SYSTEM. THE CHEMICAL IS EVERYWHERE... IN MANY

PLASTIC PRODUCTS.. IN THE LINING OF CANNED FOOD... EVEN ON SHINY THERMAL RECEIPTS -- LIKE THE ONES YOU GET AT GAS STATIONS.

BUT B-P-A MIMICS HUMAN HORMONES, AND HAS BEEN LINKED TO CANCER AND DEVELOPMENTAL PROBLEMS IN ANIMAL STUDIES. IN RESPONSE TO THE NEW STUDY -- THE AMERICAN CHEMISTRY COUNCIL STATES: "Because of the way BPA is processed in the body, it is very unlikely that BPA could cause health effects at any realistic exposure level."

(SOUND - Joe Braun, Ph.D. - Harvard School of Public Health)

"The exposures we observed in the women in this study are typical of pregnant women in the United States."

EVEN DR. BRAUN AGREES HIS STUDY NEEDS TO BE CONFIRMED WITH FUTURE RESEARCH... AND HE PLANS TO FOLLOW THESE CHILDREN THROUGH AGE 9.

LAST WEEK, AN OHIO MAN RELEASED
 DOZENS OF TIGERS, BEARS AND OTHER
 EXOTIC ANIMALS FROM HIS PRIVATE
 COMPOUND BEFORE KILLING HIMSELF.
 FORTY-NINE ANIMALS HAD TO BE KILLED.
 THE SIX THAT WERE RECOVERED WERE
 GOING TO BE RETURNED TO MARIAN
 THOMPSON, THE OWNER'S WIFE...
 BUT ON THURSDAY, THE STATE OF OHIO
 HALTED THE RELEASE.

MIKE BOWERSOCK EXPLAINS WHY.

(--PKG--)

AT ALMOST THE EXACT MOMENT MARIAN THOMPSON WAS ARRIVING
 AT THE COLUMBUS ZOO, THE DEPARTMENT OF AGRICULTURE WAS
 ORDERING THE ANIMALS TO STAY PUT.

EVENTUALLY THE TRAILER WOULD LEAVE AS EMPTY AS WHEN IT
 ARRIVED BUT THE DAY WAS FULL OF TWISTS.

EARLY THIS MORNING, ZOO DIRECTOR EMERITAS JACK HANNA
 CLAIMED HE WOULD RISK BEING JAILED BEFORE GIVING UP THE
 ANIMALS.

(Voice of Jack Hanna) :21- 41

"If I have to go..you know if the attorneys want to take me to jail. Whatever they
 want to do to me they can do...because I'm not going to allow the animals, and
 I hope the zoo...I'm talking to the zoo right now, I've talked to the governors
 office. You know they might be her animals but they're not going back in those
 conditions...of course if I'm overruled by everybody then it's fine...but my stance
 is they don't go back to where they came from...obviously."

BUT AT THAT POINT ZOO THOUGHT IT WOULD HAVE TO GIVE UP THE
 ANIMALS.

THE GOVERNOR'S OFFICE WAS INVOLVED AND BY LATE AFTERNOON A
 SOLUTION WAS REACHED.

(Dale Schmidt) :50- 1:14

"Simply out the Ohio Department of Agriculture ordered us to hold these

animals until they tell us to release them. Mr. Schmidt is there actually something wrong with these animals or is this just a way to keep hold of them? This...anytime we bring our animals on property an accredited zoo brings an animal on property it places it in quarantine part of that quarantine is observation of its behavior, observation of its physical outlines."

AND IT WAS APPARENT THAT THE ZOO HAS NO INTENTION OF GIVING THESE ANIMALS BACK TO THEIR OWNER. CLAIMING THEIR LIVING CONDITIONS WERE DEPLORABLE.

FOR EXAMPLE THE GRIZZLY BEAR, THEY CLAIM, STAYED IN A CAGE THE SIZE OF A PARROT CAGE.

(Tom Staff) 1:28- 1:36

"If you care for something you do your best to give them the best care and this wasn't the best care."

IN THE END, THE TRAILER LEFT EMPTY. MARIAN THOMPSON HAS 30 DAYS TO APPEAL THE INDEFINITE QUARANTINE.

(--ANCHOR TAG--)

THE ZOO HAS URGED THE GOVERNOR'S OFFICE TO ENACT LEGISLATION THAT PUTS MORE RESTRICTIONS ON PRIVATE OWNERSHIP OF EXOTIC ANIMALS.

ACCORDING TO A LAWSUIT JUST FILED... THE DESK CLERK TOLD THE FAMILY THEY WERE GETTING A SPECIAL ROOM AND RATE.

(STANDUP)

The lawsuit mentions the room number so we rented it to check it out.

The document says the next morning after the family took their showers they started hearing strange sounds coming from the bathroom.

So the dad went to the bathroom to investigate, that's when he saw a hole right under the faucet -- and an eye looking right back at him.

HE STARTED YELLING AND HEARD A PERSON IN THE WALLS TRYING TO ESCAPE.

BUT HOW WERE THEY GETTING IN?

THE LAWSUIT SAYS MOTEL STAFF WAS USING A MAINTENANCE CORRIDOR TO GET IN BETWEEN THE ROOMS AND HAD SET UP A PEEP HOLE LOOKING INTO THE BATHTUB IN ROOM 135.

WHEN POLICE CAME TO INVESTIGATE THEY EVEN FOUND AN IMPROMPTU CHAIR - A BUCKET.

THEY SAY "A PERSON COULD SIT ON THE BUCKET...WHILE SPYING THROUGH THE HOLE "

it was pretty late at night. So my husband and our good friend Ryan went
back the next day. And they found Roxy right by the car waiting.

ROXY AND CORKEY HAD GONE OFF A 200

FRIEND ROXY WAS ALIVE.

ROXY SAT WITH MY DAD AND WAITED FOR 8 DAYS WITHOUT FOOD OR WATER. JUST WAITING FOR MY DAD.

IT WAS CORKEYS SON IN LAW AND HIS FRIEND THAT FOUND THE WRECKAGE AND ROXY.

THEY COULD ONLY GET ROXY SO FAR AWAY FROM THAT CAR JUST A COUPLE FEET EACH TIME AND THEN SHE'D GET SCARED AND TURN BACK AROUND AND THEN GO BACK TO THE CAR AND SIT WAITING BY THE CAR... CAUSE SHE KNEW SHE HAD SOMETHING TO DO THERE. SHE KNEW SHE HAD TO PROTECT.

"They had mentioned that they had located the deceased deer at an additional cemetery on rohnerville road, our officers were able to go there and that cemetery was also vandalized. During an interview with the suspects, they confessed to damaging both of the cemeteries."

WHICH BEGS THE SIMPLE QUESTION OF WHY:

(SOT: SGT. AARON STARCHER Fortuna Police Department)

"According to the report, our officers believed they were under the influence of alcohol, so that may have played a significant role in their decision making...but they really didn't provide a reason why they were

damaging the items...they mentioned they noticed one of the headstones was loose, and manipulated-damaged it...and I think it spiraled out from there."

FOR DECADES, THOMAS DZIKI AND HIS MOTHER HAVE BEEN HEATING THEIR QUEENS HOME WITH OIL. THIS YEAR, THEY GOT FED UP WITH THE MAINTENANCE AND THE COST.

"One bill was \$760 and that only lasted 20 days."

SO THEY CHOSE TO CONVERT TO NATURAL GAS...EVEN THOUGH IT MEANT PAYING SEVERAL THOUSANDS OF DOLLARS UPFRONT.

(SOT Thomas Dziki, Homeowner)

"It was mainly peace of mind. We just wanted a reliable, modern system that we could just walk away from, and you know that it was gonna work when we came back."

(SOT Louis Rizzo, National Grid Energy Efficiency Programs)

"With the customer here today, they're gonna save about thirty percent off their annual fuel usage a year, which is a nice savings for them."

THE U-S ENERGY DEPARTMENT ESTIMATES THAT HEATING OIL PRICES WILL BE UP THIS WINE, AVERAGING 83 CENTS A GALLON MORE. COMPARE THAT TO THE PRICE OF GAS, WHICH IS ALSO A CLEANER FUEL TO BURN.

"They're forecasting to have the cost of gas about six percent lower compared to last year, which is an additional savings on top of that."

BUT REMOVING THE OIL TANK AND REPLACING THE HOT WATER AND HEATING SYSTEM CAN BE EXPENSIVE.

(SOT Vincent Tavella, Owner, Tavella Plumbing and Heating)

"Prices can range anywhere from four thousand to eight thousand depending on the size of the house."

REBATES ARE AVAILABLE FROM UTILITY COMPANIES TO OFFSET SOME OF THAT COST. YOU CAN GET AS MUCH AS 15-HUNDRED DOLLARS BACK.

IT COULD TAKE THREE TO FIVE YEARS OF SAVINGS TO RECOUP THAT INITIAL COST THOUGH. SO IF YOU'RE PLANNING TO MOVE OR SELL THE HOME BEFORE THEN IT MAY NOT BE WORTH YOUR WHILE.

THE DZIKIS FOR ONE, ARE GLAD THEY MADE THE SWITCH.

MORE PEOPLE HAVE HAD TO BE EVACUATED

 THAILAND'S WORST FLOODING IN 50 YEARS

FLOODS KILL 400
 Bangkok, Thailand:02

IAN WILLIAMS
 NBC News1:11-:1:27

This is Bangkok's Don Mueang Airport now inundated with flood waters
 six feet deep in some places.

The taxi ways and runways have been turned into a lake, the terminal
 buildings have been swamped.

Now this is no longer Bangkok's main airport, the main airport is dry. This
 is now home to a handful of low cost carriers, but it is still shocking to see
 it like this.

It had served as a headquarters for the government's flood operations
 center until, of course, they could no longer operate here.

They've now moved to another office down the road.

This district in northern Bangkok, Don Mueang has been inundated. It's
 one of half a dozen across the north and east of this city which have been
 flooded very badly.

Now although the center of town remains dry, although the defenses in
 the center did hold over the weekend when we saw those record high
 tides, water has continued to seep in to the north.

And there is some resentment here, they're being sacrificed as they see it

in order to keep the center of Bangkok dry.

(standup Ian Williams/NBC News:16)

"Now the government is predicting that the flood waters will begin to go, that the levels will start to fall. But talk to people in these communities, they've heard that many times from the government. There really isn't a great deal of optimism in this part of Bangkok."

ONE OF THE BIGGEST CHALLENGES HAS BEEN ATTEMPTING TO REBUILD THE DOCKS THAT WERE LOST IN THE TSUNAMI--TEMPORARY DOCKS ARE BEING INSTALLED TO MAKE ROOM FOR THE LOCAL FLEET.

"It's trying to put the round pegs in the round holes, the square pegs in the square holes. Not all the boats are the same size, not all the docks are the same size; so what we tried to do was maximize the efficient use of the harbor by putting boats where they fit."

"I'm standing on one of the recently installed temporary docks, and while they may lack amenities like electricity, it's not stopping local fisherman."

(SOT: ROBERT JACKSON_Deckhand On "Mary Lou")

"Now we have docks; they've been working really hard around here, so everyone's got a place for their boat."

THERE'S NEW FEDERAL HELP WHEN IT COMES TO PROTECTING CONSUMERS WHEN THEY BORROW MONEY.

"For the first time there is an agency that's charged for looking out for consumers. For making sure consumer finance markets work for american families, and we'd like the american public to hold us accountable."

Consumer Financial Protection Bureau

RAJ DATE SERVES AS THE SPECIAL ADVISOR TO THE SECRETARY OF THE TREASURY FOR THE CONSUMER FINANCIAL PROTECTION BUREAU, ALSO KNOWN AS THE C-F-P-B.

THE C-F-P-B WAS ESTABLISHED LAST YEAR WHEN PRESIDENT OBAMA SIGNED THE DODD-FRANK WALL STREET REFORM AND CONSUMER PROTECTION ACT INTO LAW.

(SOT: RAJ DATE, CONSUMER FINANCIAL PROTECTION BUREAU)

"The idea is you ought to be able to know before you owe."

SINCE THE C-F-P-B OFFICIALLY OPENED FOR BUSINESS IN JULY IT LAUNCHED THIS WEBSITE, CONSUMER FINANCE DOT GOV. ITS MISSION? MAKE FINANCIAL DECISIONS LIKE STUDENT LOANS, MORTGAGES, CREDIT CARDS CLEARER TO CONSUMERS AND WHEN THERE IS A PROBLEM, A SIMPLE PLACE TO COMPLAIN WITH THE GOVERNMENTS HELP.

(SOT: RAJ DATE, CONSUMER FINANCIAL PROTECTION BUREAU)

"In reality they don't really have the time or inclination to understand what's being put before them. That doesn't have to be the case."

TAKE MORTGAGES FOR EXAMPLE: DATE SAYS THE AGENCY IS WORKING TO ENSURE BORROWERS UNDERSTAND WHAT THEY'RE SIGNING UP FOR. AND HE SAYS BETTER DISCLOSURE DOES NOT MEAN MORE PAPERWORK.

(SOT: RAJ DATE, CONSUMER FINANCIAL PROTECTION BUREAU)

"Buying a house, most people want to buy a house and most people need to borrow to make that happen. But you can't make a great decision on your financial life unless you really understand the cost on the one hand, and the risk on the other."

NEXT UP: CREDIT CARDS. MILLIONS OF AMERIANS USE THEM. MILLIONS COMPLAIN ABOUT THE FEES AND FINE PRINT.

(SOT: RAJ DATE, CONSUMER FINANCIAL PROTECTION BUREAU)

"We're going to make sure that banks and other firms that are in the credit card business continue to abide by the law that congress and the president put in place."

GOT A PROBLEM WITH YOUR BANK, CHECKING ACCOUNT, DEBIT CARD. THE C-F-P-B WANTS TO HEAR YOUR STORY.

(SOT: RAJ DATE, CONSUMER FINANCIAL PROTECTION BUREAU)

"We'll take that complaint. We'll route it to institutions and we'll make sure that we're keeping track of where problems are actually occurring in the market place."

NEED TO KNOW THE INS AND OUTS OF STUDENT LOANS, ONES YOU ALREADY CARRY OR ONES YOU ARE ABOUT TO TAKE ON. THE C-F-P-B HAS LAID OUT A FINANCIAL AID SHOPPING SHEET AND RE-PAYMENT OPTIONS FOR STUDENTS.

(SOT: RAJ DATE, CONSUMER FINANCIAL PROTECTION BUREAU)

"The challenge for students today is that it's difficult to think about what the aggregate debt load is going to be when they get out of school."

THE CFPB AND DATE SAY THEY KNOW THEIR NEW MISSION AND ITS TO MAKE MONEY MATTERS WORK FOR AMERICANS.

(SOT: RAJ DATE, CONSUMER FINANCIAL PROTECTION BUREAU)

"People want to buy houses. People want to send their kids to school. People want to buy new cars. Consumer finance when used responsibly and provided by responsible lenders can make life better. The first thing that has happen is it has to stop making life worse and that's why we're here."

NOT WHAT YOU WANT TO HEAR IF YOU HAVE TO TRAVEL OVER THE HOLIDAYS.

(SOT Andrea Sachs, Washington Post Travel Writer)

"We're so trained to go to the big names like United, US Airways, Southwest, and Jet Blue, but there's even a second or third tier now. Smaller carriers that offer really good deals such as Spirit, Direct Air, and Allegiant...but you have to go directly to their website because if you do a big search online they won't come up."

THERE ARE ALSO LAST MINUTE DEALS...24 HOUR SALES YOU'LL ONLY FIND ON AN AIRLINE'S WEBSITE.

AND YOU CAN SIGN UP FOR EMAIL SALES OR AIRFARE WATCH ALERTS...YOU'LL BE NOTIFIED IF AN AIRFARE DROPS TO A CERTAIN PRICE.

(SOT Andrea Sachs, Washington Post Travel Writer)

AIRFARE PRICE GUARANTEES.

HOLIDAY TRAVEL
Tips you should Know :02-:12

ANDREA SACHS
Washington Post Travel Writer:19-:21

(SOT Andrea Sachs, Washington Post Travel Writer)

"Jet Blue and Southwest and Alaska have a policy where if you book with them and then the airfare drops, they will give you a voucher of 100 percent of the difference for future travel."

REMEMBER...FLY OFF PEAK.

(SOT Andrea Sachs, Washington Post Travel Writer)

"For example for Thanksgiving. I just did a search for DC to Boston. If you fly Wednesday to Sunday it's \$377. Fly Thursday to Monday, it's \$160."

NEXT...HAGGLE YOUR HOTEL.

(SOT Andrea Sachs, Washington Post Travel Writer)

"What you need to do is not always think, 'I want to stay downtown. I want to stay in the most centrally located place.' If you stay out in the suburbs, you'll sometimes get cheaper rates."

AND CALL THE FRONT DESK AND NEGOTIATE THE RATE.

NEED A RENTAL CAR? LEAVE THE AIRPORT. RENTAL AGENCIES AT THE AIRPORT OFTEN COST MORE BECAUSE THEY PAY ADDITIONAL TAXES AND COSTS FOR THE LOCATION.

HERE'S THINKING OUT OF THE BOX. DON'T GO HOME FOR THE HOLIDAYS...TAKE THE FAMILY AWAY.

(SOT Andrea Sachs, Washington Post Travel Writer)

"If you compare the prices we're paying domestically versus what we would pay to go to Europe, they're sometimes the same. So you might end up flying to Seattle for \$700, but you can spend \$700 and fly to London."

OR EVEN CRUISE AWAY THE HOLIDAY.

(SOT Andrea Sachs, Washington Post Travel Writer)

"And a lot of people are bringing family aboard and having a family vacation and the prices are really cheap and they will get cheaper closer to the holidays because typically families will spend their holiday at home so the cruise ships have a lot of open cabins.

WHEREVER THE HOLIDAY SEASON TAKES YOU...TAKE TIME TO SHOP AROUND.

(SOT Andrea Sachs, Washington Post Travel Writer)

"Historically, it's always going to be more crowded, more expensive, but if you know how to do it right, it can be done."

For a week ...

This is where 2 year old Sky Metalwala vanished ...

the little boy's disappearance a mystery ...

But just as baffling ... say police ... is his mothers story ...

and her lack of cooperation ...

Julia "Burr-ya-kova" told detectives when her car ran out of gas November 6th ...

she left Sky behind, asleep inside the unlocked car, as she and her 4 year old daughter went looking for help.

But Investigators seized her car ... and said her story ... doesn't add up ...

we test drove it/the vehicle operated just fine.

Solomon Metalwala ... who is actively involved in Sky's search ...

"Burr-ya-Kova"'s lawyer tells NBC News ... she wont comment on the active investigation ... but the mom could now face criminal charges for leaving her son behind ...

that's certainly something we're considering, but strategically that is not a decision we've made yet.

In yet another bizarre twist in this case ...

nats of theme music of law and order

Bellevue police say they're intrigued by an episode of Law and Order SVU that aired just before Sky vanished ...

nats from law and order: They stole my car and my son was in the back seat too ...

but by Sunday, the University placed two officers identified in the video on paid leave.

"It comes not necessarily from binge drinking, but just from going out and partying a little too much."

DR. TOM TALLMAN OF THE CLEVELAND CLINIC ESTIMATES ABOUT A THIRD OF PATIENTS WHO COME INTO HIS EMERGENCY ROOM BETWEEN THANKSGIVING AND NEW YEAR'S... HAVE SOMETHING CALLED "HOLIDAY HEART SYNDROME."

IT AFFECTS THOSE WHO AREN'T USED TO DRINKING VERY MUCH... WHO THEN OVER-INDULGE IN ALCOHOL DURING HOLIDAY GET-TOGETHERS.

THEIR HEART RATE SPEEDS UP AND BECOMES IRREGULAR...

(SOUND - Dr. Tom Tallman - Cleveland Clinic :37-:42)

"Blood pressure can drop, and you can get lightheaded, as well as having the chest pain or shortness of breath."

FEELING LIKE THEY'RE HAVING A HEART ATTACK -- THEY HEAD TO THE E-R -- ONLY TO DISCOVER, IT WAS THE ALCOHOL THAT CAUSED THE PROBLEM. DRINKING WHILE ON COUGH AND COLD MEDICINE CAN HAVE THE SAME EFFECT.

(SOUND - Dr. Tom Tallman - Cleveland Clinic :53-1:01)

"Especially be aware if you're on other medications, but if you're not used to drinking, this is not a time to drink 5 or 6 in one setting, or you're at

risk."

THE PROBLEM USUALLY GOES AWAY WITHIN 24 HOURS WITHOUT ANY LONG-TERM DAMAGE. BUT DOCTORS SAY IT'S ALWAYS GOOD TO GET HEART SYMPTOMS CHECKED OUT -- JUST IN CASE.

MARKETING MANAGERS ARE THE ONES WHO

CARE BECAUSE THEY WANT TO KNOW WHERE SHOPPERS LIKE TO GO. THAT'S WHY THIS MALL IS ONE OF TWO IN THE NATION THAT'S TESTING OUT THIS TRACKING SYSTEM DEVELOPED BY A BRITISH COMPANY CALLED PATH INTELLIGENCE.

"In years past we'd have to do a shopper intercept and we'd have to stop and ask you would you mind answering a half hours worth of questions."

QUESTIONS LIKE WHAT ARE YOU FAVORITE PLACES TO SHOP OR EAT?

NOW, USING TRANSPONDERS LIKE THIS ONE, THE MOVEMENTS OF ANYONE CARRYING A WORKING CELLPHONE CAN BE RECORDED.

THIS IS HOW IT WORKS. AS SOON AS A SHOPPER ENTERS THE PARKING LOT, THE TRANSPONDERS GET A SIGNAL, CALLED A "PING" FROM THE CELLPHONE.

THE TRANSPONDERS THEN FOLLOW THAT "PING" ALL OVER THE MALL. SOME

SHOPPERS SAY IT COULD BE VIEWED AS AN
INVASION OF PRIVACY.

(-- SOT --)

(SOT Robert Walker / Shopper 1:09 - 1:13)

because it's kind of like you go with the movement
of technology, you go with it."

THE TRANSPONDERS DON'T HAVE THAT
ABILITY.

(-- SOT --)

"We're not able to collect any demographic, I don't
know if your ping is male or female, if you're 12
years old, or 75 years old."

(SOT Tony Shin / Reporting 1:28 - 1:35)

WHETHER IT'S MAKING A DOG UNABLE TO BARK, CROPPING THEIR EARS, OR DOCKING TAILS...THERE IS SOME CONTROVERSY BETWEEN ANIMAL LOVERS AND VETERINARIANS ALIKE OVER UNNECESSARILY PUTTING A PET UNDER THE KNIFE. JEFF STOECKER REPORTS.

TRT: 3:05

(--PKG--)

nats: "Give paw!"

THIS IS PORTER. HIS OWNER, SUE PERRY, CALLS HIM 6 YEARS AND ONE HUNDRED TWENTY SEVEN POUNDS OF LOVE AND AFFECTION.

PORTER LOOKS LIKE ANY OTHER NORMAL, HEALTHY NEWFOUNDLAND, UNTIL YOU HEAR HIM BARK.

WHAT SHOULD SOUND LIKE A DEEP BARK COMES OUT AS MORE OF A WHEEZY GASP.

THAT'S BECAUSE PORTER'S FIRST OWNER HAD HIS VOCAL CORDS CUT WHEN HE WAS FOUR MONTHS OLD...PERRY SAYS OUT OF CONVENIENCE...IN A PROCESS KNOWN AS DEVOCALIZATION.

THE SAME PROCEDURE WAS DONE TO 11-YEAR-OLD COLLIE, CODY.

HIS BARK BARELY COMES OUT IN A WHISPER.

OWNER SUSAN RAWSON, WHO DIDN'T WANT TO GO ON CAMERA, SAYS CODY WAS A SHOW DOG BEFORE HER FAMILY ADOPTED HIM...DEBARKED SO HE WOULD STAY QUIET IN THE RING.

THEIR OWNERS SAY IT'S LED TO SERIOUS HEALTH PROBLEMS FOR BOTH CODY AND PORTER. SCAR TISSUE HAS GROWN WHERE THE DOG'S VOCAL CHORDS WERE CUT, LEADING THEM TO HAVE TROUBLE BREATHING.

AND GAGGING, LIKE THIS, IS THIS DOG'S LIFE.

"I don't think it's the right thing to do. It's like declawing cats or taking the voice box out of a baby. That's how they communicate. That's how they talk. So I just think it's very cruel."

(STANDUP Jeff Stoecker, Reporting)

"Pet modification can include some very invasive procedures like de-barking and others that are more cosmetic like ear cropping or tail docking. Now Abby here, she's never going to have any of those things done to her because her owner finds it objectionable. But these procedures are causing a debate within the veterinary community."

THIS IS LILLY. SHE IS A GREAT DANE AND A SHOW DOG. HER EARS WERE CROPPED, WHICH MEANS PART OF THEM WERE CUT OFF WHEN SHE WAS A PUPPY. HERE'S EUGENE...SAME BREED, BUT HIS EARS WERE NOT CROPPED, AND YOU CAN SEE THE DIFFERENCE. VETERINARIAN DR. DAVID MORDASKY PERFORMS THE PROCEDURE. HE SAYS THE PRACTICE IS DRIVEN LARGELY BY DOG SHOW INDUSTRY STANDARDS. STILL, IT'S NOT SOMETHING HE TAKES LIGHTLY.

(SOT Dr. David Mordasky, Veterinarian)

"They understand that it's bloody, it's painful, it takes a lot of aftercare. And if they're willing to do that and understand those ramifications then that's what we can go ahead and do."

DR. MORDASKY WORRIES IF OWNERS CAN'T FIND A LICENSED VET TO DO IT, THEY'LL DO IT THEMSELVES, SOMETIMES WITH NO ANESTHESIA, IN UNSANITARY CONDITIONS.

HE'S RARELY DEVOCALIZED A DOG OR CAT, BUT SAYS HE UNDERSTANDS WHY SOME OWNERS CHOOSE TO DO IT.

VET RICHARD ESHERICK WON'T DO ANY OF THE PROCEDURES.

(SOT Dr. Richard Esherick, Veterinarian)

"In my eyes, they are needless events. They are for the owner, not the pet."

SOME COUNTRIES BAN PET MODIFICATION PROCEDURES, AND SEVERAL STATES HAVE LAWS ON THE BOOKS RESTRICTING SUCH PRACTICES TO LICENSED VETS.

MASSACHUSETTS AND NEW JERSEY BAN DEVOCALIZATION ALTOGETHER EXCEPT FOR MEDICAL REASONS.

IN CONNECTICUT, IT'S LEGAL, SOMETHING PORTER AND CODY'S

IN CONNECTICUT, IT'S LEGAL, SOMETHING PORTER AND CODY'S OWNERS WANT TO CHANGE

(SOT Sue Perry, Adopted a Devocalized Dog)

"We don't really know what will happen to him. All because of a convenience surgery that has no benefit for the dog."

PERRY AND RAWSON SAY BECAUSE OF THEIR BREATHING PROBLEMS, NEITHER DOG CAN EXERCISE FOR MORE THAN A COUPLE MINUTES. OVERHEATING AND CHOKING ARE A CONSTANT WORRY. THE CONSEQUENCES, THEY SAY, OF A CONTROVERSIAL PRACTICE.

EVERYWHERE BUILDINGS AND STRUCTURES DATING AS FAR
 BACK AS THE 1800'S FROM THE ISLAND'S PRE-PRISON DAYS.
 BUT HISTORICAL SIGNIFICANCE ISN'T A BARRIER AGAINST TIME
 AND ON AN ISLAND, HISTORY TAKES A LOT OF MAINTENANCE.

(SOT: Alexandra Picavet, National Park Service)

"We've been working to stabilize and maintain the most important historic
 features of Alcatraz."

AMONG THOSE FEATURES IS THE ISLAND'S OLD WATER TOWER.
 BUILT IN 1940 TO STORE WATER FOR THE PRISON, IT'S BEEN
 UNDER CONSTANT ATTACK BY SALT AIR AND WIND.

(SOT: Alexandra Picavet, National Park Service)

"It has since though really fallen out of repair and it's becoming an eye
 sore but also unstable."

THE NATIONAL PARK SERVICE HAS KICKED OFF A PROJECT TO
 RESTORE THE 94 FOOT TOWER. WORKERS ENCASED IT IN
 SCAFFOLDING AND SOON WILL WRAP IT IN WHITE TARPS WHILE
 THEY DO THEIR WORK.

(SOT: Alexandra Picavet, National Park Service)

"People can see Alcatraz from all over -- from San Francisco, from the
 Bay Area, from Marin and they will notice this large, white structure which

will seem to appear overnight."

THE NATIONAL PARK SERVICE ALSO PLANS TO RESTORE GRAFFITI LEFT ON THE TOWER BY NATIVE AMERICANS DURING THEIR 18 MONTH OCCUPATION OF THE ISLAND IN THE LATE 60'S.

(SOT: Alexandra Picavet, National Park Service)

"It says 'free Indian land -- Indians welcome. "It has a lot of political statements that were important to the tribes that were out here."

THE WATER TOWER IS JUST ONE OF THE ISLAND'S STRUCTURES GETTING A MODERN TOUCH.

THE CELL HOUSE ROOF IS ALSO GETTING FITTED WITH SOLAR PANELS WHICH WILL GENERATE 60% OF THE ISLAND'S ELECTRICITY.

AS WITH ALL PROJECTS ON ALCATRAZ, WORK REVOLVES AROUND THE TOURISTS -- BOTH HUMAN AND ANIMAL.

(SOT: Jason Hagin, Project Manager)

"It makes matters even more of a challenge when we have to do work in an off season, during rainy season, we have nesting seabirds here."

COMPARED TO SOME OF THE ISLAND'S BUILDINGS, THE 70 YEAR OLD WATER TOWER IS A RELATIVE NEWCOMER.

EVEN SO, IT'S A KEY FEATURE ON THE ISLAND'S HISTORIC FACE. A FACE THAT'S LONG OVERDUE FOR A LITTLE LIFT.

"It was actually one of the first times that we were actually doing something we practiced so seeing how everything works and saving a life was it was really cool."

THE LATEST STUDY FROM CONSUMER REPORTS **MAY SCARE SOME PARENTS** ABOUT THE SAFETY OF APPLE JUICE
 THE MAGAZINE IS RAISING CONCERN ABOUT ARSENIC IN BOTH APPLE AND GRAPE JUICE
 OF THE EIGHTY-EIGHT SAMPLES TESTED by consumer reports...TEN PERCENT HAD TOTAL ARSENIC LEVELS THAT EXCEEDED FEDERAL DRINKING WATER STANDARDS.
 UNLIKE WATER, THERE ARE NO FEDERAL LIMITS SET FOR JUICE.
 parent mos 1 I don't understand how there could possibly be such a thing in something so natural.
 parent mos 2 If it's to the point where it's causing harm to her development, definitely I would stop.
 THIS ISN'T THE FIRST TIME APPLE JUICE HAS BEEN IN THE HEADLINES
 dr. oz: i'm worried about it as a father of four
 IN SEPTEMBER, DR. OZ ANNOUNCED FINDINGS FROM HIS OWN STUDY OF ARSENIC LEVELS IN APPLE JUICE.
 doctor oz: "some of the best known brands in america have arsenic in their apple juice."
 AN INDEPENDENT LAB, HIRED BY "THE DOCTOR OZ SHOW", FOUND ONE THIRD OF THE TESTED SAMPLES TO HAVE ARSENIC LEVELS HIGHER THAN WHAT THE EPA ALLOWS IN DRINKING WATER.
 THE F-D-A TOOK ISSUE WITH DR.OZ'S FINDINGS SAYING THE STUDY DIDN'T DIFFERENTIATE BETWEEN THE TWO TYPES OF ARSENIC - ORGANIC AND INORGANIC
 in its tests NOW, CONSUMER REPORTS says it DOES MAKE THE distinction,

adding,

"most of that arsenic [if found] was inorganic arsenic, a known carcinogen."

IN SEPTEMBER, THE F-D-A INSISTED APPLE JUICE IS SAFE

don zick "our testing found that that lot of juice has such a small amount of arsenic in it that it would be no concern what so ever."

THE F-D-A still STANDS BY THAT BUT IN A STATEMENT TO NBC NEWS IT NOW SAYS IT IS CONDUCTING MORE TESTS...

"...to help determine if a guidance level can be established that will reduce consumer's exposure to arsenic in apple juice."

MEANWHILE, THE JUICE PRODUCTS ASSOCIATION, SAYS IT'S COMMITTED TO FOLLOWING FEDERAL GUIDELINES AS IT HAS FOR DECADES

ADDING, COMPARING ARSENIC IN APPLE JUICE TO WATER IS "NOT APPROPRIATE"

"regulatory agencies have set lower thresholds for drinking water than for food and other beverages because people consume larger amounts of water."

THE FDA HAS SAID THAT THE LEVEL OF CONCERN FOR ARSENIC IN APPLE JUICE IS 23 PARTS PER BILLION... **ONLY ONE OF THE GRAPE JUICES TESTED BY CONSUMER REPORTS EXCEEDED THAT LEVEL, NONE OF THE APPLE JUICES REACHED THAT LEVEL..** MEANWHILE, CONSUMER REPORTS DOES NOT SUGGEST ERASING JUICE FROM YOUR CHILD'S DIET ... THE AMERICAN ACADEMY OF PEDIATRICS SUGGESTS DILUTING JUICE WITH WATER AND LIMITING CONSUMPTION .. 4 TO 6 OUNCES PER DAY FOR CHILDREN UNDER SIX AND NO MORE THAN EIGHT TO TWELVE OUNCES FOR OLDER CHILDREN.

"Miles and miles of land with nothing but sand. "

COLLETT IS PART OF A COALITION CALLED "PROTECT THE FLOWS", HUNDREDS OF LARGE AND SMALL BUSINESSES IN THE COLORADO BASIN. SOME MEMBERS FOLLOWED THE RIVER TO MEXICO TO SEE WHAT THEY HOPE IS NOT THEIR FUTURE.
