THERE'S SOME SURPRISINGLY GOOD NEWS,  
 TODAY ABOUT SAFETY ON THE ROADS...  
 THE DEPARTMENT OF TRANSPORTATION  
 REPORTS THAT TRAFFIC FATALITIES ARE AT

 THERE'S BEEN A HUGE DROP IN JUST THE

 NBC'S TOM COSTELLO HAS THE DETAILS.

IT WAS THE KIND OF CAR ACCIDENT THAT MEDICS WITH DENVER'S  
 FLIGHT FOR LIFE KNOW COULD HAVE A TRAGIC ENDING.

PAT REARDON  
 Accident Survivor  
 :23-:30

ON A MOUNTAIN HIGHWAY, PAT REARDON LOST CONTROL OF  
 HER SUBARU, FLIPPED IT FOUR TIMES AND WENT OFF THE ROAD.  
 ONCE AT THE HOSPITAL, THEY FOUND SHE HAD JUST A  
 CONCUSSION, CUTS AND BRUISES...THANKS TO AIRBAGS AND  
 SEATBELTS.

DR. ERNEST MOORE  
 Denver Health Medical Chief Surgeon  
 :58-1:06

(Pat Reardon/Accident Survivor)

ADRIAN LUND  
 Insurance Institute for Highway Safety  
 1:18-1:21

"The trooper that came to interview me after the accident said I was  
 undoubtedly alive because of being in THAT particular car with that kind  
 of protection."

RAY LAHOOD  
 Secretary of Transportation  
 1:42-1:50

SHE'S NOT ALONE:

THE GOVERNMENT SAYS IN 2010, TRAFFIC FATALITIES DROPPED  
 3% IN JUST ONE YEAR.

-AND AN IMPRESSIVE 25% IN 5 YEARS!

...FROM MORE THAN 43-THOUSAND DEATHS IN 2005 TO UNDER 33-  
 THOUSAND LAST YEAR.

(source: dept of transportation)

AT DENVER HEALTH MEDICAL CENTER, CHIEF SURGEON ERNEST  
 MOORE SAYS HE SEES FAR FEWER HEAD AND CHEST INJURIES  
 NOW THAN AT ANY TIME OVER HIS 35-YEAR CAREER:

(Dr. Ernest Moore/Denver Health Medical Chief Surgeon)

"Torn thoracic aortas, for example, the most common cause of death at the scene, has been dramatically reduced with airbags."

EXPERTS AGREE, CARS HAVE NEVER BEEN SAFER:

...NOW BUILT TO COCOON OCCUPANTS IN AND ABSORB THE ENERGY OF A CRASH, WITH AIR BAGS THAT PROTECT EVERYONE INSIDE.

(Adrian Lund/Insurance Institute for Hwy Safety)

"It's packaging 101. If the box doesn't collapse, then the cargo inside is better protected."

NOW-REQUIRED ELECTRONIC STABILITY CONTROL HELPS KEEP CARS ON THE ROAD WHILE COLLISION AVOIDANCE SYSTEMS KEEPS SPACING BETWEEN CARS.

"Sir, have you been drinking tonight?"

MEANWHILE DUI ENFORCEMENT HAS NEVER BEEN TOUGHER WITH .08 BLOOD ALCOHOL LEVEL THE LAW NATIONWIDE.

(Ray LaHood/Secretary of Transportation)

"Police now do not allow drunk drivers to walk away from their cars, drive away from their cars, they arrest them. People lose their driving privileges."

AND TWO MORE FACTORS:

- 85% OF DRIVERS NOW WEAR THEIR SEAT BELTS.

- WHILE EMS RESPONSE TIMES AND TECHNIQUES HAVE ALSO IMPROVED

LET PEOPLE KNOW, THAT FOR THOSE OF US  
WHO THINK GREEN, THEY NOW HAVE A  
PLACE TO GO TO FOR THEIR FINAL WISHES.

“People just need to know that the services are  
available, and that we're here to serve them”

REPORTING FROM AYRE'S CREMATION, I'M  
CECILIA PHILLIPS, NEWS CHANNEL 3.

FOR THOSE OF US WHO WANT TO MAKE ENVIRONMENTALLY FRIENDLY CHOICES, CREMATION OFFERS A MUCH GREENER OUTLOOK ON THE EFFECTS THAT DEATH HAS ON OUR LANDS.

“You're not using up the land for big cemeteries.... You're not putting the chemicals into the ground, and that's a big thing to some people”

EVEN THE URN'S THAT PEOPLE CAN CHOOSE FROM KEEP THE ENVIRONMENT AND WASTE CONTROL IN MIND.

“This one i think is basically made of cornstarch. it's made to degrade, if you put it in the ground, within a few weeks it'll be gone.

THIS PARTICULAR CREMATORY ALSO USES GREEN TECHNIQUES TO KEEP IT'S CARBON FOOTPRINT TO A MINIMUM.

“The machine we have was designed by engineers to absolutely emit no smoke whatsoever”

THE MACHINES USED HERE ON-SITE ARE BROUGHT FROM SURROUNDING AREAS TO KEEP COST AND FUEL USAGE DOWN.

“Get less transportation across the country for a machine that weighs 26,000 pounds”

FOR THE AYRE'S FAMILY IT IS IMPORTANT TO

“There's not that much literature out there in the media yet about green cremation”

YET IT IS BECOMING FAR MORE WIDELY PRACTICED... WITH ABOUT 75% OF PEOPLE CHOOSING CREMATION INSTEAD OF BURIAL, ACCORDING TO JOHN AYER'S, OWNER OF AYER'S FAMILY CREMATION.

(SOT Loretta Elias, Patient)

"Hot flashes, I was counting them, like 10 to 15 a day. Anxiety, especially at night, the night sweats

PRESCRIPTION HORMONES COULD TREAT THOSE SYMPTOMS, BUT STUDIES HAVE SHOWN THEY MAY ALSO INCREASE THE RISK OF CERTAIN DISEASES FOR CERTAIN WOMEN.

NOW THERE'S EVIDENCE THAT ACUPUNCTURE ALONE CAN DO THE SAME THING...WITHOUT THE SIDE EFFECTS.

(SOT Dr. Lawrence Taw, UCLA Center for East West Medicine)

"Acupuncture has not been demonstrated to increase the risk of breast cancer, heart disease or stroke. It has been found to be very safe and most people tolerate it very well."

DOCTOR TEW PLACES THE NEEDLES BASED ON THE PATIENT'S SYMPTOMS AND WHAT WE KNOW ABOUT HEAT PRODUCING SPOTS.

(STANDUP Dr. Bruce Hensel, Reporting)

"We know acupuncture works by affecting something called the lines of meridian, lines of energy in the body, but when it comes to the treatment of menopause it may have a very specific effect."

(SOT Dr. Lawrence Taw, UCLA Center for East West Medicine)

"Studies have shown that acupuncture may increase the level of estrogen in the human body, and it may also increase endorphin release as well."

ENDORPHINS RAISE MOOD. NATURAL ESTROGENS MAY PREVENT THOSE HOT FLASHES AND MOOD SWINGS. THE ENTIRE PROCEDURE TOOK LESS THAN 30 MINUTES.

(SOT Loretta Elias, Patient)

"Relaxed. I could just lay there all day."

LORETTA SAYS THE TREATMENT IS PAINLESS. SHE HAS BEEN GETTING THE TREATMENTS FOR ALMOST A YEAR NOW AND SHE SAYS THEY'VE MADE A MAJOR DIFFERENCE IN HER LIFE.

 CHILDREN THROW TANTRUMS BECAUSE THEY ARE EITHER  
 FRUSTRATED OR WANT SOMETHING THEY KNOW THEY CAN'T  
 HAVE.

(SOT Dr. Alan Hilfer, Child Psychologist)

"You have to be able to tell them unless you can get yourself under  
 control and tell me what it is that you need, I'm not going to be able to help  
 you and then kind of walk away without reinforcing it."

WHICH IS EASIER SAID THAN DONE, SAYS HELEN KUENSTLER.  
 HER SON JACK IS ALMOST THREE YEARS OLD AND CAN BE QUITE  
 VOCAL WHEN HE'S NOT HAPPY.

nats: "No! I wanna sit with you."

THAT WAS HIS REACTION TO US SETTING UP OUR INTERVIEW,

 TANTRUM.

(SOT Helen Kuenstler, Mother)

"When he gets out of control, I ignore him. Sometimes it works,  
 sometimes it doesn't. Or sometimes I just give into whatever he wants  
 cause it's easier."

WHICH IS EXACTLY WHAT DR. HILFER SAYS NOT TO DO.

(SOT Dr. Alan Hilfer, Child Psychologist)

"Giving into tantrums usually reinforces that if they make enough fuss they get what they want, they do it more often."

(STANDUP Pei-Sze Cheng, Reporting)

"And experts say tantrums are a normal part of the growing process, but if they continue as the child grows older that can lead to behavioral and social problems as adults."

(SOT Dr. Alan Hilfer, Child Psychologist)

"Kids shouldn't be having tantrums in adolescence. They should have the ability to negotiate and express what they want certainly in their tween years."

SINCE JACK IS A LONG WAY FROM HIS TWEEN YEARS, HELEN'S WILLING TO LET HIM BE AND HOPE THAT IN A MORE STRUCTURED ENVIRONMENT LIKE SCHOOL, HE'LL THROW LESS TANTRUMS.

(SOT Helen Kuenstler, Mother)

"I'm not really as concerned because he's a good kid so I know it's a phase. Hopefully he'll grow out of it."

(SOT MOS)

"Ridiculously small portions and homeopathic medicine, which was bunk."

BUT THE EXPERTS SAY, WHEN IT COMES TO LOSING WEIGHT,  
THERE'S NO SECRETS HERE.

REBECCA SCRITCHFIELD IS A REGISTERED DIETICIAN.

(SOT Rebecca Scritchfield, Registered Dietician)

"We have the data that shows that diets don't work and no matter how  
tempting, we should really be looking for a smarter way to lose weight so  
we can keep it off for the rest of our lives."

ONE U-C-L-A STUDY FOUND PEOPLE WHO WENT ON DIETS  
INITIALLY LOST 5 TO TEN PERCENT OF THEIR WEIGHT, BUT AFTER  
SIX MONTHS, UP TO TWO THIRDS OF THEM GAINED BACK THE  
POUNDS, PLUS A FEW EXTRA.

BUT THAT HASN'T STOPPED NEW FAD DIETS FROM GAINING POPULARITY. ONE OF THE LATEST CRAZES IS THE H-G-C DIET, WHERE PEOPLE EAT NO MORE THAN 500 CALORIES A DAY AND TAKE AN APPETITE SUPPRESSANT MADE FROM A HORMONE FOUND IN THE URINE OF PREGNANT WOMEN.

(SOT Rebecca Scritchfield, Registered Dietician)

"There is no real evidence this works. There's a lot of potential side effects."

SIDE EFFECTS INCLUDE IRRITABILITY, DIZZINESS, CONFUSION, EVEN BLACKING OUT.

SCRITCHFIELD SAYS ANOTHER POPULAR DIET IN D-C IS THE MASTER CLEANSE, A TYPE OF DETOX DIET WHERE PEOPLE DRINK A CONCOCTION OF LEMON JUICE, MAPLE SYRUP, CAYENNE PEPPER, AND WATER.

(SOT Rebecca Scritchfield, Registered Dietician)

"My biggest concern with that is you're not allowed to have any food whatsoever, so how could you possibly meet your nutrition needs."

SO WHAT'S THE BEST BET TO GET SUMMER READY?

SCRITCHFIELD SAYS IT'S SIMPLE. FOCUS ON CALORIE MANAGEMENT. THE TOUGH PART IS FIGURING OUT HOW TO GET THE MOST OUT OF FOODS THAT TASTE GOOD, BUT WON'T PACK ON THE POUNDS.

(SOT Rebecca Scritchfield, Registered Dietician)

"We're going to be eating light and eating often, so meals every three hours, a meal or a snack, and they are going to be light, small, balanced meals."

BE CAREFUL OF PITFALLS. SCRITCHFIELD SAYS YOU WANT TO LIMIT YOUR CALORIE INTAKE, BUT DON'T SKIP MEALS TO GET THERE. THAT'LL LEAVE YOU STARVING AND MORE LIKELY TO INDULGE IN FATTY FOODS. AND JUST BECAUSE A FOOD SAYS IT'S LOW FAT, DOESN'T MAKE IT HEALTHIER.

(SOT Rebecca Scritchfield, Registered Dietician)

"A lot of the reduced fat foods are actually higher in sugar or they add some sort of fake food ingredient."

AND BY THEN SOME CHILDREN FIND THEIR NAME ILLEGALLY

(SOT Tiffany Navarro, Mother)

"I never would have even thought that, that would happen with a little kid."

(STANDUP Bob Hansen, Reporting)

"Part of the problem is how often children are identified with their social  
security numbers. Whether it's a dance class or a baseball team, they're  
often asked for those critical numbers."

(SOT Jay Foley, ID Theft Resource Center)

"The problem is these numbers are out there, they're not being protected."

(SOT Tara Northcutt, Mother)

"You write it down not really thinking twice about it."

"we came home from being gone, and she was missing."

MICHELLE STEINWACHS HAD SARA LOU, THEIR SCHNAUZER POODLE MIX, FOR 13 YEARS.

"she was a big part of our family. she was like another kid."

BUT SOMETHING UNIMAGINABLE HAPPENED ON SEPTEMBER 27<sup>TH</sup> OF 2008... AND IT ALL SURROUNDS DONOVAN BALTZLEY...

"sara was never afraid of anyone ever, in her entire life and within a month of being around donavan she was scared to death."

22 YEAR OLD DONOVAN BALTZEY WAS DATING THE STEINWACHS DAUGHTER...AND AT THE END OF THEIR RELATIONSHIP HE TORTURED AND KILLED THEIR FAMILY DOG SARA LOU.

"he grabbed her from the home, he punched her in the mouth and knocked her teeth out. took her out to his car, threw her in the backseat. then took her to assembly of god church on myrtle ave and put her in a bag and beat her with a bat. and threw her in the slew"

BALTZLEY WAS CONVICTED OF KILLING SARA LOU IN MARCH OF 2010. IN SEPTEMBER, A JUDGE SUSPENDED HIS 3 YEAR PRISON SENTENCE AND GRANTED HIM 5 YEARS OF PROBATION.

"he should spend time in jail. i think he should spend the full 3 years for this case. i wouldn't criticize the judge but i wouldn't say i was real happy with the way it turned out."

BUT ONLY FOUR MONTHS LATER, HE NOW FACES THE SAME EXACT CHARGES...

THE E-P-D SAYS BALTZLEY MOVED IN WITH A LOCAL FAMILY WHO HAD 2 DOGS... ON JANUARY 7<sup>TH</sup>, THE FAMILY FOUND BENTLY, THIS MALTESE DOG, DEAD UNDERNEATH A BED. AUTHORITIES SAY BENTLY DID NOT DIE OF NATURAL CAUSES AND BALTZLEY WAS THE ONLY PERSON WHO HAD ACCESS TO THE DOG...

AND AGAIN...A MONTH AFTER THAT, ACCORDING TO POLICE, BALTZLEY MOVED IN WITH ANOTHER FAMILY. THEY HAD FOUR DOGS. A SIMILAR SCENARIO PLAYED OUT, THEIR SMALL TERRIOR, RUSTY WENT MISSING. HE WAS NEVER FOUND. SEVERAL DAYS LATER, THEIR CHIHUAHUA, PEPE WAS SEVERELY INJURED AND HIDING UNDER A BED. PEPE HAD TO BE PUT TO SLEEP. INVESTIGATORS SAY BALTZLEY WAS THE ONLY PERSON WHO COULD'VE HARMED HIM. AND REPORTS INDICATE A NEIGHBOR ALSO HEARD ONE OF THE DOGS "SCREAMING" IN PAIN."

"HORRIBLE, HORRIBLE, THE MAIN REASON WE PURSUED THIS WAS TO MAKE SURE HE DIDN'T DO THIS AGAIN."

WHILE STEINWACHS NEVER COULD'VE KNOWN BALTZLEY'S CAPABILITIES, SHE BLAMES HERSELF ANYWAY.

"i feel like we've failed her by allowing this person to come into our home and hurt her."

OIL IS THE LIFE BLOOD OF A CAR. ITS KEEPS THE ENGINE

"That's the most important thing you can do, change your oil consistently  
 on time."

"How often do you get your oil changed? Not as often as I should. (How  
 often should you?) Every 3500 miles"

EVERY 3000 MILES HAS BEEN THE AGE OLD RULE. BUT IT DOESN'T  
 APPLY ANYMORE

(sot: SULLY DAWSON / ECO-FRIENDLY AUTO CENTER :20-:24)

"It truly is a myth. That's fine for our father's and grandfather's age, but  
 nowadays with advanced chemicals in oils and the tighter tolerance from  
 engines we can go 5 to 7 thousand miles."

SULLY DAWSON SAYS MOST OF HIS CUSTOMERS AREN'T AWARE  
 OF THAT. IN FACT, EXPERTS SAY MOST CARS BUILT 7-8 YEARS  
 AGO DON'T NEED THAT KIND OF UPKEEP.

"On a regular car you can go 7,500 miles on a conventional oil change  
 and up to 13, 000 miles with synthetic oil changes."

(sot: SULLY DAWSON / ECO-FRIENDLY AUTO CENTER)

"Someone driving long distance can get more out of the oil. If drive to store short distance the oil breaks down much quicker."

DAWSON RECOMMENDS THAT HIS CUSTOMERS GO WITH SYNTHETIC RATHER THAN CONVENTIONAL OIL. IT LASTS LONGER. THE KEY IS TO READ YOUR OWNER'S MANUAL. YOU CAN CUT YOUR EXPENSES IN HALF AND AVOID GENERATING MILLIONS OF GALLONS OF WASTE OIL THAT CAN POLLUTE OUR NATURAL RESOURCES.

THE GOOD NEWS IS MANY AUTO CENTERS BRING IN...WHAT THEY TAKE OUT.

"A lot go to road building, mine goes to get refined and we pick up and use it over and over again."

"what do you think about your husb charges he's facing? well all that will work out. that's just insignificant. the truth is these people will have a filtration system. that's what this had to be all about, right?"

IT ALL STARTED IN SEPTEMBER OF 2009, ACCORDING TO THE HUMBOLDT COUNTY DISTRICT ATTORNEY'S OFFICE, STERBACK IGNORED REPEATED REQUESTS BY ENVIRONMENTAL HEALTH TO FIX THE RESTAURANT'S WATER PROBLEM. ON MARCH 18<sup>TH</sup> OF THIS YEAR, A TEST CAME BACK SHOWING THE CAFÉ'S WATER WAS CONTAMINATED WITH E-COLI AND COLIFORM. "They were drinking more sugar sweetened drinks, they had higher fat

DR. JERICA BERGE OF THE UNIVERSITY OF MINNESOTA  
ANALYZED THE DIETARY AND EXERCISE HABITS OF YOUNG  
PARENTS WITH KIDS UNDER AGE 5.

MOTHERS IN PARTICULAR HAD HIGHER BODY MASS INDEXES  
THAN WOMEN WITHOUT CHILDREN AND DIDN'T GET AS MUCH  
EXERCISE. THEIR DIETS SUFFERED AS WELL.

QUICK-FIX MEALS COVETED BY SO MANY BUSY MOMS MIGHT BE  
PART OF THE PROBLEM.

(SOUND - Jerica Berge, Ph.D. - University of Minnesota)

"Because of time demands, they might be turning to the chicken nuggets  
or the macaroni and cheese because it's quicker."

PARENTS IN THE STUDY DID EAT A HEALTHY AMOUNT OF FRUITS,  
VEGETABLES AND WHOLE GRAINS... BECAUSE THEY SAID THEY  
WANTED TO MODEL GOOD EATING HABITS FOR THEIR CHILDREN.

"Let's go, ladies!"

RESEARCHERS SAY THOSE GOOD INTENTIONS CAN BE APPLIED  
TO EXERCISE, TOO...

(SOUND - Jerica Berge, Ph.D. - University of Minnesota // first bite covered with video!)

"Parents might be able to incorporate physical activity in their day with their kids rather than thinking they have to do that on their own. Go out and kick the ball together or walk to the park together and play together." THEY'RE HEALTHY HABITS THAT CAN BENEFIT BOTH CHILDREN -- AND THEIR PARENTS.

DAY BREAKS ON THE FOURTH AND FINAL DAY OF SURF LESSONS FOR THESE BEGINNERS.

FOR SOME, THIS WEEK WAS THE FIRST TIME THEY'D TOUCH THE OCEAN..AND FOR ALL...IT WAS THE FIRST TIME THEY'D TRIED TO RIDE IT.

nats "I expect big things out of you guys today (nats of clapping)"

FEW PLACES ARE AS BEAUTIFUL ..AND UNFORGIVING ..AS THE OCEAN..BUT BACKING DOWN FROM A CHALLENGE IS NOT SOMETHING DAVID INBODY AND HIS CLASSMATES ARE INCLINED TO DO.

YOU SEE...THE WAVES MAY BE NEW...BUT THE SURFACE IS NOT. EVERYONE HERE IS AN ACTIVE DUTY SOLDIER WHO SERVED ON THE SANDS OF IRAQ OR AFGHANISTAN. ..LINKED BY THEIR SERVICE AND SACRIFICE.

(SOT DAVID INBODY / U.S. ARMY NATIONAL GUARD :41-52)

"We've got everything from what's referred to as a bilateral which is guys who've lost both legs--several of them above their knees which walking is hard for them but they're out here riding."

EIGHT MONTHS INTO HIS MISSION WORKING HIS AFGHAN FARMERS, INBODY'S TRUCK ROLLED OVER A ROADSIDE BOMB, TAKING HIS RIGHT FOOT.

(SOT DAVID INBODY / U.S. ARMY NATIONAL GUARD 1:01-1:03)

"You gotta learn how to do things differently."

PART OF THAT LEARNING

nats "Keep riding. Keep riding. Bend your knees"

IS HAPPENING HERE AT COWELL'S IN SANTA CRUZ...OPERATION SURF IS A WEEK LONG BREAK FROM THE DAILY GRIND OF REHAB AND PHYSICAL THERAPY. TIME TO LIVE IN THE MOMENT.

(SOT VOICE OF DAVID INBODY / U.S. ARMY NATIONAL GUARD 1:17-1:21)

"You're on the water the rest of the world doesn't matter and right there is all that matters."

AND AFTER JUST A FEW DAYS OF PRACTICE..THE SOLDIER SURFERS COULDN'T HELP SHOWING UP THE LOCALS.

nats "He's gonna come into the shore break! Woo!"

BUT THEY WEREN'T ALL "ONE WITH THE OCEAN." BRITISH LANCE CORPORAL JAMES SIMPSON LEARNED--

nats "I got the wave really good one but I got spanked."

SOMETIMES THE BEST WAVES..DON'T COME FREE.

(SOT JAMES SIMPSON/BRITISH ARMY 1:41-1:47)

(STANDUP VICKY NGUYEN / REPORTING 1:49-2:00)

IT TOOK A NUMBER OF VOLUNTEERS AND LOCAL BUSINESS TO MAKE THIS WEEK LONG SURF SCHOOL POSSIBLE. IT'S ALL EXPENSES PAID FOR THE SOLDIERS..BUT THE ORGANIZERS SAY WHAT THEY RECEIVE IN RETURN IS SOMETHING YOU CAN'T PUT A PRICE TAG ON."

(SOT RICHARD SCHMIDT / SURFING INSTRUCTOR 2:01-2:07)

"It's just really gratifying to give back to these guys who've given so much for this country and our freedoms."

RICHARD SCHMIDT..INSTRUCTOR AND LOCAL SURF LEGEND..SAYS OPERATION SURF..IS AS MUCH ABOUT LEARNING A NEW SKILL AS IT IS LEARNING TO LIVE IN A NEW BODY.

(SOT RICHARD SCHMIDT / SURFING INSTRUCTOR 2:18-2:37)

"The reality of combat and what these guys have been through is really intense and being able to do something on the other end of the spectrum that's fun and joyful and free, hopefully that will help inspire them a little bit this experience that they could pursue other things in their life they might never think they were able to do."

IF YOU THINK TAX TIME IS TOUGH, THINK ABOUT THE BELSANTI FAMILY WHEN YOU'RE FILLING OUT YOUR RETURN THIS YEAR. PARENTS LISA AND REBECCA ALREADY HAVE THEIR HANDS FULL WITH FOURTEEN MONTH OLD NORA... BUT UNLIKE MOST MARRIED COUPLES WHO JOINTLY FILL OUT ONE TAX RETURN... THEY'RE FILLING OUT... FOUR OF THEM.

"This system is crazy... for where it is right now."

"We have friends who are calling us saying we're going to a meeting tonight about all the new tax laws, come with us, and we're like oh sounds like a great time."

THE PROBLEM IS THE FEDERAL GOVERNMENT DOESN'T RECOGNIZE THE BALSANTI'S SAME SEX MARRIAGE, EVEN THOUGH THEY ARE ONE OF THE EIGHTEEN THOUSAND LEGALLY MARRIED GAY COUPLES IN CALIFORNIA. C-P-A HARLAN LEVINSON SHOWED US THE MOUNTAIN OF PAPERWORK FOR SOME OF HIS CLIENTS... THEY TYPICALLY INCLUDE TWO INDIVIDUAL FEDERAL RETURNS, A JOINT STATE RETURN BECAUSE CALIFORNIA RECOGNIZES SAME SEX MARRIAGE, AND A SUPPLEMENTAL RETURN... NOT TO MENTION ALL THE SCHEDULES AND ADDENDUMS.

"It makes taxes, which are complicated to begin with, just even more-so, and unfortunately myself and other tax preparers, it's more time consuming for us to do it which means the added expense."

ANOTHER TWIST IS THAT EVEN THOUGH THE I-R-S DOESN'T

ACCEPT THEIR MARRIAGE, IT DOES NOW RECOGNIZE CALIFORNIA'S COMMUNITY PROPERTY LAWS, WHICH MEANS THE BALSANTI'S MUST SPLIT THEIR COMBINED INCOME ON THEIR INDIVIDUAL RETURNS. THAT AND AVOIDING THE SO-CALLED MARRIAGE PENALTY MIGHT ACTUALLY SAVE GAY COUPLES SOME MONEY, BUT THE BALSANTI'S SAY THEY'D RATHER HAVE EQUALITY.

"We're happy to be treated fairly and equally even if it's not to our benefit."

"It's odd to file as married in one paper and then file as single on another... it just doesn't make any sense."

THE BALSANTI'S HOPE BY THE TIME NORA GROWS UP... IT WILL.

FOR LORI DAVIS, IT'S BEEN A LONG MONTH OF WAITING AND HOPING FOR SOME SORT OF CLOSURE ABOUT HER MISSING SON, 25-YEAR-OLD DUSTIN WEBER.

It's just been very heartbreaking. You know, Dustin and I were very close. We were so similar in many different ways.

LEAVING HIS TEENAGE DRUG ABUSE BEHIND, WEBER HAD JUST MOVED FROM BEND AND WAS FIXING UP A HOUSE GIVEN TO HIM BY HIS GRANDMOTHER IN THE CRESCENT CITY AREA.

ON MARCH 11TH...HE WENT TO THE BEACH TO TAKE PICTURES WITH FRIENDS WHEN THE SURGE, GENERATED BY JAPAN'S MASSIVE EARTHQUAKE, SWEEP HIM AWAY.

FAMILY AND FRIENDS SEARCHED MILES OF BEACHES NEAR THE KLAMATH RIVER FOR DAYS AFTER WEBER

WENT MISSING...BUT COULD NOT FIND HIM.

It was an exhausting 48 hours that we were down there and coming back and having to accept that we weren't going to have our best friend around.

THEN, THE MORNING OF APRIL 2ND, A PERSON WALKING ON THE BEACH NEAR THE SOUTH JETTY OF FORT STEVENS STATE PARK NEAR ASTORIA FOUND HUMAN REMAINS.

THE STATE MEDICAL EXAMINER'S OFFICE USED DENTAL RECORDS TO CONFIRM IT WAS WEBER.

I just felt the pain all over again, it was like re-living the moment I found out about the whole accident.

IN MEMORY OF WEBER THE FAMILY RAN A POEM IN MONDAY'S PAPER AND SAID "WE WOULD LIKE TO EXPRESS OUR THANKS TO THE COMMUNITY FOR ALL THEIR LOVE AND SPIRITUAL SUPPORT. IT WAS OVERWHELMING AND WE THANK YOU SO VERY MUCH." WEBER'S FAMILY SAYS IT'S STRANGE BUT ALSO COMFORTING THAT THE SAME FORCES OF NATURE THAT SWEEP HIM OUT TO SEA, ALSO BROUGHT HIM BACK TO OREGON.

We were meant to find him this soon. It'll be nice to have closure. To have the ocean bring him back to us is almost a god sent in a way.

MANY AMERICANS ARE POPPING PILLS TO MAKE SURE THEY GET THEIR DAILY DOSE OF VITAMINS -- BUT IS THIS REALLY THE BEST WAY TO GET NUTRIENTS?

THE ANSWER MAY DEPEND ON THE KIND OF NUTRIENT YOU NEED...

THE USE OF DIETARY SUPPLEMENTS HAS INCREASED IN RECENT DECADES. NEW DATA FROM THE NATIONAL CENTER FOR HEALTH STATISTICS SHOW MORE THAN HALF OF U-S ADULTS NOW SUPPLEMENT THEIR DIETS WITH VITAMINS.

WHILE MANY DOCTORS RECOMMEND A DAILY MULTIVITAMIN TO THEIR PATIENTS... SOME DIETITIANS SAY THERE'S NOT ENOUGH EVIDENCE THEY'LL DO MUCH GOOD.

(SOUND - Elisabetta Politi, R.D. - Duke Diet and Fitness Center, Duke University :42-:48)

"Multivitamin are not going to help you extend your life or fight heart disease or fight cancer."

(SOUND - Elisabetta Politi, R.D. - Duke Diet and Fitness Center, Duke University :58-1:02)

"It's a good idea to supplement your diet with vitamin D because chances are you're not going to get enough."

THE NEW DATA SHOW VITAMIN D USE IS UP AMONG MEN AND WOMEN. AND 61-PERCENT OF WOMEN OVER AGE 60 TAKE CALCIUM SUPPLEMENTS.

FOLIC ACID HAS BEEN PROVEN TO PREVENT BIRTH DEFECTS -- IN FACT -- DOCTORS SAY ALL WOMEN OF CHILDBEARING YEARS SHOULD BE TAKING IT. JUST OVER A THIRD OF WOMEN BETWEEN THE AGES OF 20 AND 39 ARE.

(SOUND - Steve Mister - CEO, Council for Responsible Nutrition 1:24-1:26)

"They should be taking folic acid even before they get pregnant."

MOST DOCTORS AGREE THAT SUPPLEMENTS SHOULD BE JUST THAT -- AN ADDITION TO AN OTHERWISE HEALTHY AND VITAMIN-RICH DIET.

IT WAS NO JOKE. SHAWN'S MOTHER SAYS HER HUSBAND, TIM WOKE UP AND MADE THE DISCOVERY.

THE DENNIS' SAY SOMEONE STOLE IT RIGHT OUT OF THEIR UNLOCKED SHED.. BUT SHORTLY AFTER, THE HUMBOLDT COUNTY SHERIFF'S OFFICE FOUND THE QUAD LESS THAN A QUARTER OF A MILE AWAY NEAR DOWS PRAIRE SCHOOL.

"cops spotted the guy and he took off running thru the bushes."

BUT THAT'S WHEN THE DENNIS' SAY THE PROBLEM REALLY BEGAN.. THE FAMILY HAD JUST PURCHASED THE QUAD SO THE TITLE WAS STILL BEING TRANSFERRED INTO THEIR NAME.

"since the quad wasn't in our name, they had to call the towing

AND TO THEIR SURPRISE...

"my son went there after school and a&m towing said it would cost \$400"

400 DOLLARS THEY DIDN'T HAVE...AND ACCORDING TO THE DENNIS', 50 DOLLARS IS BEING ADDED ON EACH ADDITIONAL DAY THE QUAD IS BEING STORED AT A&M TOW YARD.

"every attempt is zero. they're not ready, they're not willing"

AND AFTER THAT, SHE SOLICITED THE BETTER BUSINESS BUREAU.

"i called bbb the next day and they took information off."

AND IT DIDN'T END THERE.

"we talked to our lawyer and they told us what to do and that's what we're doing today."

EACH DAY THE DENNIS' WAIT IS COSTING THEM MORE MONEY,

"i want my quad back."

ALL THE FAMILY HAS LEFT NOW IS HOPE AND PRAYER.

A GROWING NUMBER OF WEBSITES AND SMART PHONE APPS CAN HELP.

I'm at a gas station in Hollywood where regular gasoline is selling for \$4.39 a gallon and I think that may be too expensive. So I can go on my iPhone and check an application to find if there's anything in the neighborhood that's cheaper.

OUT: AND RITZY RESIDENTIAL NEIGHBORHOODS.

AND THERE IS, LESS THAN HALF A MILE AWAY.

Here we are just down the street and gas is selling for \$4.15 a gallon, 24 cents a gallon less. That could mean a savings of 3,4,5 dollars- depending on how big your gas tank is. The only catch is,

to get the savings here, you've got to pay cash.

OR PAY A 45-CENT ATM FEE. EITHER WAY, IT'S A BIG SAVINGS. ANOTHER TIP, LOOK FOR GAS AT OR NEAR WHOLESALE CLUBS, WHICH USE LOW GAS PRICES TO ATTRACT SHOPPERS.

LOCATION IS KEY SAYS JASON TOEWS, CO-FOUNDER OF CHEAP GAS FINDER GAS BUDDY.

Wholesale clubs tend to compete very very aggressively on price and it forces all the other competition nearby to lower their prices too. So, you want to look for an area either it's a bedroom community, that has a lot of gas stations and you find some cheap prices right there.

STATIONS TO AVOID INCLUDE THOSE NEAR TOURIST DESTINATIONS AND RITZY RESIDENTIAL NEIGHBORHOOD.

AND EVEN IN THE E-R, ASTHMA CAN BE DIFFICULT TO TREAT

(SOT Dr. Jack Kelly, ER Doctor)

"We may give them all of the drugs that we can and they may just not respond, they may not open up their airways may not respond."

DR KELLY SAYS MOST PEOPLE DON'T UNDERSTAND HOW DANGEROUS ASTHMA CAN BE.

(SOT Dr. Jack Kelly, ER Doctor)

"Frankly its a disease we see taking young people's lives every week."

DOCTOR KELLY SAYS PART OF THE PROBLEM IS -THERE HASN'T BEEN A NEW TREATMENT FOR ASTHMA IN YEARS...

BUT THAT MAY CHANGE.

KELLY AND HIS TEAM AT AT ALBERT EINSTEIN MEDICAL CENTER ARE TESTING A NOVEL NEW COMPOUND.

(SOT Dr. Jack Kelly, ER Doctor)

"This new IV medicine, which is a beta agonus that just like the rescue nebulizer, except it's iv, we're hoping that it's going to create a brand new delivery. So if we can get this drug in their veins that will go right to their lungs that it will actually hit the receptors better uh and be able to help to make their asthma better, hopefully to reduce admissions to the hospital, uh reduce intensive care admissions."

TREES.

"we think all the old growth that is left should be saved for our future generations. reporter: but they say they're not going to cut any old growth? ... well coming close and damaging the roots systems which is very shallow any impact on the ground close to the trees is going to damage the trees."

BUT TO:

"we're not going to be removing any old growth redwood trees. the largest redwood tree in the park is 7 inches in diameter. that's about that wide."

MATT MENDES

"we do a very thorough job on our backgrounds when we hire people."

THAT'S WHAT EUREKA POLICE CHIEF GARR NIELSON SAYS ABOUT HOW THE CITY HIRES OFFICERS... BUT WAS THE BACKGROUND CHECK THEY PERFORMED ON DANIEL KALIS ENOUGH WHEN HE WAS HIRED ONTO THE FORCE 7 YEARS AGO?

"i'm not aware of anything relative to danny's history because he was hired before i became chief here...."

"all i know is that the d.a.'s office picked him up and he was later released."

CHIEF NIELSEN SAYS HE WASN'T AWARE KALIS HAD A

WARRANT OUT FOR HIS ARREST WHILE WORKING AT HIS DEPARTMENT.

"you normally don't do a warrant check on all of your employees every week."

THE WARRANT WAS FOR TWO FISH AND GAME VIOLATIONS, WHICH INCLUDE FISHING IN CLOSED RIVER AND ANGLING FOR WILD TROUT OR STEELHEAD FISH. KALIS WAS RELEASED FROM JAIL THE SAME DAY... NIELSEN SAYS BECAUSE THE ARREST WAS FOR MINOR INFRACTIONS... BUT THE WHOLE SITUATION DOES NOT SIT WELL WITH THE CHIEF...

"someone had to have known this warrant was out there for danny. it's been out there for quite some time. but it's not something we knew anything about."

NIELSEN SAYS KALIS FAILED TO NOTIFY ANYONE AT THE POLICE DEPARTMENT OF HIS FISH AND GAME CHARGES.

"by policy they are required to inform their supervisor who will in turn notify me."

BUT THE MORE SERIOUS CHARGES COME 13 DAYS AFTER KALIS RESIGNED AS AN OFFICER FROM THE E-P-D.

"last week i found out in fact the d.a.'s office had been investigating danny since january."

AND HE'S RIGHT... AN INVESTIGATION CAME UP WITH REPORTS OF ALLEGED CRIMINAL CONDUCT... SOMETHING NIELSEN SAYS HE KNEW NOTHING ABOUT IT.

"typically the head of the organization is notified if another organization is doing an investigation on one of their employees."

THE E-P-D PLACED KALIS ON ADMINISTRATIVE LEAVE ON MARCH 7<sup>TH</sup> AND ON APRIL 1<sup>ST</sup> HE RESIGNED.

LATE LAST WEEK, KALIS WAS INDICTED ON 9 CRIMINAL CHARGES... POSSESSION OF DRUGS INCLUDING HEROIN, UNAUTHORIZED USE OF D-M-V RECORDS, FALSE IMPRISONMENT, UNAUTHORIZED COMMUNICATION WITH A PRISONER, PETTY THEFT AND VANDALISM. NIELSEN SAYS THESE ALLEGATIONS ARE SHOCKING.

"danny was very outgoing, very pleasant, we never had any issues or any bad interaction w/the public. never caused us any concern. never had any personnel complaints about his demeanor."

AND THERES ANOTHER SERIOUS ISSUE LOOMING...HUMBOLDT COUNTY FAMILY COURT TELLS NEWS CHANNEL3 KALIS WAS INVOLVED IN SOME TYPE OF DOMESTIC VIOLENCE.. HIS ESTRANGED WIFE JESSICA KALIS FILED A TEMPORARY RESTRAINING ORDER ON APRIL 6<sup>TH</sup>.

"we had no information at all that there were allegations of domestic violence."

"if i had any reason to believe there was domestic violence, that officer would not be working here."

"We see that frequently. We have a host of patients everyday that come in and request brand names of medications."

BUT THEY DON'T ALWAYS LEAVE WITH WHAT THEY ASK FOR.

"Sometimes the medication they recommend is appropriate for what they're suffering from, but if not, I can guide them to a therapy more appropriate."

THE GOOD THING ABOUT THE PROLIFERANCE OF THE ADS, MANY PEOPLE WITH SYMPTOMS FOR SOMETHING, MAY NOT HAVE KNOWN THERE WAS A MEDICINE AVAILABLE TO RELIEVE IT.

(SOT Dr. Malathi Shanmugam, Primary Care Physician)

"When they see there's a commercial they get to know, 'Ok, these are symptoms I'm having. Maybe I should go see a physician."

AND THEN THERE'S THE DRUGS NO ONE IS DOING COMMERCIALS FOR...GENERICS. THEY'RE CHEAPER...FOR A REASON.

(SOT Dr. Michael Gerdis, Gastroenterologist)

"I think some people are a little bit brainwashed by media images where certain brands are heard over and over but for majority...you explain generics serve the same purpose, the vast majority are happy to take generics."

IN MOST CASES, GENERIC DRUGS CAN COST UP TO EIGHTY PERCENT LESS THAN BRAND NAMES...BUT YOUR DOCTOR KNOWS BEST WHICH YOU SHOULD GO WITH.

(SOT Dr. Malathi Shanmugam, Primary Care Physician)

"The only difference I've seen is like with the brand name they add two or three medications together which is good for patients because they don't have to take two or three medications...otherwise I don't think it makes much difference."

RECENT CONSUMER REPORTS STUDIES FOUND FORTY PERCENT OF CONSUMERS HAVE A FEAR OF GENERIC DRUGS...BELIEVING THEM NOT TO BE AS SAFE OR AS EFFECTIVE.

(SOT Dr. Michael Gerdis, Gastroenterologist)

"There are some cases where patients will respond better to the brand than generics, but you have to take patient condition...overwhelmingly patients find generic drugs provide as good care as brand names."

"I haven't been able to wear my hair in a ponytail, I haven't been able to go out to dinner and order a steak and cut it up myself, I haven't been able to teach my daughter little things like tying her shoes."

BUT SOON, EMILY FENNEL OF YUBA CITY, CALIFORNIA MAY BE ABLE TO DO ALL OF THOSE THINGS WITH HER DAUGHTER.  
nats

DURING THIS OPERATION, EMILY BECAME THE FIRST PERSON ON THE WEST COAST TO RECEIVE A FULL HAND TRANSPLANT.

(S/ Dr. Kodi Azari / UCLA Transplant Director :27-:42)

"Well this was a very difficult operation it took 14 hours with nine surgeons simultaneously. Not only are there two bones to repair, there's at least three nerves, 23 tendons, two arteries and probably four or five veins to repair."

EMILY WAITED A LONG TIME FOR TECHNOLOGY TO REACH THE POINT WHERE THAT WAS POSSIBLE. ALMOST EVERY SINGLE PERSON WHO ATTENDED HER NEWS CONFERENCE - FROM THE DONOR FAMILY THROUGH THE LIFE SHARING ORGANIZATION - TO THE NUMEROUS DOCTORS AND NURSES HELPED REPLACE THE HAND SHE LOST FIVE YEARS AGO.

(S/ Emily Fennell / Hand Transplant Patient1:05-1:20)

"It was June 11, 2006 I was a front seat passenger in a rollover accident. My hand went out the sunroof when the car flipped and my hand was smashed between the pavement and the roof of the car. I waited five

years, but it was a short five years given that I have a hand right now. It's almost surreal that I didn't have a hand."

SOON AFTER THE SURGERY, EMILY WAS ALREADY HOLDING OBJECTS AND MOVING HER FINGERS.

(S/ Dr. Kodi Azari / UCLA Transplant Director 1:28-1:38)

"She can expect to get up to 60% of the function of a non-injured hand. And that's pretty remarkable given the fact that she'll have sensation which is something that prosthetics don't provide."

LOOK AT HER HAND. IF IT WERE NOT FOR THE ACE BANDAGE YOU MIGHT NOT KNOW IT WAS A TRANSPLANT. THE BLOOD FLOW IS SO GOOD THE PINK COLOR IS THE SAME AS THE OTHER HAND. ALTHOUGH EMILY HAS MONTHS OF THERAPY AHEAD OF HER, SHE KNOWS SHE WILL BE ABLE TO DO WHAT SHE COULD NOT DO FOR SO LONG.

(S/ Emily Fennell / Hand Transplant Patient 2:01-2:15)

"I'll be able to teach her how to tie her shoes, I'll be able to swim with her more in the summertime, I'll be able to play catch with her. It's incredible. It's a gift that I've been given and the donor family I can't imagine the gift they've given me and I'm truly blessed."

DRUG SMUGGLERS GETTING CREATIVE  
 Carlsbad, California :02

THIS IS A METHOD THAT STARTED MAINLY IN ARIZONA AND IS  
 NOW BEING SEEN MORE OFTEN HERE IN SAN DIEGO FORCING  
 AGENTS TO EXTEND THEIR PATROLS BEYOND JUST THE GROUND  
 AND THE WATER.  
 IN CARLSBAD THIS MORNING, ANOTHER EXAMPLE OF  
 SMUGGLERS DESPERATELY TRYING TO FIND A WAY AROUND  
 INCREASED BORDER SECURITY.  
 LAST NOVEMBER, THIS ELABORATE TUNNEL WITH RAIL SYSTEM  
 AND VENTILATION LED AGENTS TO NEARLY 30 TONS OF  
 NARCOTICS.  
 EVEN UNDERWATER SCOOTERS HAVE BEEN USED.  
 BUT ONE OF THE NEWEST METHODS IS HAPPENING WITHOUT  
 ANY SWIMMING, DIGGING OR DRIVING, WITHOUT EVER TOUCHING  
 THE GROUND.  
 "It sounds like a lawnmower."  
 OVER THE PHONE, BORDER AGENT RODOLFO ZUNIGA SAYS

AGENTS ARE LISTENING FOR THESE, ULTRALIGHT PLANES WITH CAGES MOUNTED UNDER THE SEAT.

"They kind of look like hang gliders, but with a motor."

SMUGGLERS FLY OVER THE BORDER LATE AT NIGHT, AND WITH THE PULL OF A LEVER, DROP THE DRUGS TO CREWS WAITING BELOW.

"Either with glow sticks or flashing lights, they are able to signal the pilots."

LAST YEAR, THERE WERE 228 CASES ALONG THE U.S. BORDER, ALMOST DOUBLE FROM THE YEAR BEFORE. AS RECENTLY AS THIS WEEK HERE IN SAN DIEGO ICE AGENTS CONFISCATED 300 POUNDS OF NARCOTICS DROPPED NEAR OTAY MESA.

"There's a safety issue here."

ZUNIGA SAYS THE PLANE'S ARE ONLY DESIGNED TO CARRY THE WEIGHT OF A PILOT. THIS SMUGGLING PLANE CRASHED IN TUCSON KILLING THE PILOT.

"They endanger their own safety by flying at night and low to the ground in order to avoid detection, and what this does is this makes them vulnerable to power lines and other hazards."

WITH MORE FENCELINE AND THOUSANDS MORE AGENTS, ZUNIGA SAYS THESE PLANES ARE PROOF SMUGGLERS ARE BEING FORCED TO FIND ANOTHER WAY.

"These criminal organizations are becoming frustrated."

RUNWAYS OPEN FOR BUSINESS.

AND THERE IS A NEED CONSIDERING, A  
SURVEY THAT SHOWED 35-THOUSAND  
TRAVELERS WHO WOULD UTILIZE THOSE  
DIRECT FLIGHTS TO L-A..

“EVERYBODY THINKS AIRPORTS FOR

(SOT Aimee Celio, Pressured by Salesman)

"Thinking of all the things I should have used the money for."

WHAT AIMEE DIDN'T KNOW WAS SHE COULD GET HER MONEY BACK.

(SOT James Kohm, FTC)

"There's a federal cooling off period that allows consumers in door to door sales and that's a defined term to have three days to cancel any contract they enter into. It also requires the seller, if you cancel, to provide a refund

within ten days."

IT'S CALLED THE THREE DAY COOLING OFF RULE. AND MOST PEOPLE WE ASKED HAD NO IDEA WHAT IT MEANS.

"I guess it would be ugh, no taxes."

Liz: "Do you know what the three day cooling off period is?"

"No idea."

"For restaurants? Food? Wednesday, Thursday and Friday?"

THE FEDERAL TRADE COMMISSION'S THREE DAY COOLING OFF RULE APPLIES TO SALES AT A CONSUMER'S HOME...WORKPLACE, OR DORMITORY AND IT INCLUDES FACILITIES RENTED BY A SELLER SUCH AS A HOTEL OR MOTEL ROOMS...AND CONVENTION CENTERS.

THE RULE GIVES CONSUMERS THE RIGHT TO CHANGE THEIR MINDS.

AND IT HAS HELPED BUYERS RESEND A CONTRACT THEY WISH THEY DIDN'T SIGN.

"Yes it was for a vacation something and I just didn't feel strong enough to say no."

THERE ARE EXEMPTIONS TO THE RULE. THE COOLING OFF PERIOD DOES NOT APPLY TO VEHICLE SALES, BUSINESS PURCHASES, PRODUCTS LESS THAN 25-DOLLARS, AND REAL ESTATE.

SOME STATE LAWS GIVE CONSUMERS EVEN MORE RIGHTS THAN FEDERAL RULE.

(SOT Aimee Celio, Pressured by Salesman)

"This is what I signed."

AIMEE'S RECEIPT INCLUDED FINE PRINT THAT STATED SHE HAD THREE BUSINESS DAYS TO SEND A WRITTEN REQUEST TO TERMINATE HER PURCHASE.

THE F-T-C SAYS CONSUMERS CAN ALSO MAKE A PHONE CALL TO CANCEL THE SALE, BUT A CANCELLATION FORM OR LETTER IS BETTER DOCUMENTATION.

Liz: "When you discovered that you had three days, how did you feel?"

(SOT Aimee Celio, Pressured by Salesman)

"Relieved. I'm glad there is some way to get out of it, that someone is looking out for us you know?"

TAKEN THE BUDGET CRISIS IN THEIR OWN

HANDS, ONE STORY AT A TIME

*"SO WE WANT TANGIBLE EVIDENCE TO GIVE TO THE BOARD TO REMIND THEM WHEN THEY ARE MAKING THEIR DECISION THAT THEY SHELTER PRIORITY TO COMMUNITY."*

THIS IS A BOOK FILLED WITH ADOPTION STORIES FROM PEOPLE AROUND THE COMMUNITY, TELLING HOW RESCUING AN ANIMAL HAS CHANGED THEIR LIVES.

NAT SND

IT COMES AT AN IMPORTANT TIME, CONSIDERING THE BUDGET CRISIS IS GENERATING A POSSIBLE ANIMAL CRISIS.

*"ONE KEEN ATTENDANT, ONE FRONT PERSON, NOT MEET NEEDS OF ANIMALS."*

THE SHERIFF'S DEPARTMENT IS FACING 12.5 MILLION DOLLARS IN CUTS, AND 30 POSITIONS THAT COULD BE LOST.

NAT SND

AND THAT POSSIBILITY WOULD HIT THE ANIMAL SHELTER HARD.

*"IF WE HAVE TO REDUCE OFFICE STAFF, WE REDUCE KENNEL ATTENDANCE, REDUCTIONS THAT SEVERE, WE ARE GOING TO HAVE TO REDUCE HOURS."*

A REDUCTION THAT WOULD REDUCE THE

A WEEK... THIS COULD MEAN HIGHER  
EUTHINIATION RATES THAT CURRENTLY  
STAND AT A LOW 3 PERCENT.

“OUR EUTINNIZATION RATES GO UP..LOGICAL

THAT’S WHY THE ANIMAL RESCUE HAS  
TEAMED UP WITH THE SHERIFFS

THAT WILL WORK.

ITS CURRENTLY BEING REVIEWED RIGHT

AT 8:20, HEATHER CASE'S ALARM WAKES HER WITH THE SOUND OF CHIRPING BIRDS, HER FIRST ATTEMPT TO BREAK THE CYCLE OF HEADACHES SHE GETS SO OFTEN.

(SOT Heather Case, Gets Stress Headaches)

"It's very serene and it kind of wakes me up."

AT 8:45, AS SHE MAKES HER MORNING SHAKE AND BREAKFAST, HEATHER KNOWS THE DAY WILL BE LOUD AND STRESSFUL. AT 9 A-M THE EMAILS, THE PHONE CALLS, THE STRESS START AT HOME.

9:20 A-M SHE LEAVES FOR WORK AS A MAGAZINE EXECUTIVE. 9:45 SHE GETS THERE AND DIVES RIGHT IN...CHECKING EMAIL AGAIN, MEETING WITH CO-WORKERS AND SCHEDULING TALENT. 10:30 A-M, THE HEADACHE STARTS.

(SOT Heather Case, Gets Stress Headaches)

"It will start here and it will feel like my head is sort of compressing in. I know I am in a bad place when it hurts just right here."

BY 3 P-M, A LOT OF FACTORS HAVE COMBINED TO MAKE THINGS WORSE.

(SOT Heather Case, Gets Stress Headaches)

"I won't get to eat, and then I get too hungry, and then it's later, and then my day progresses and then I'm at an event."

AN UNHEALTHY RECIPE THAT EXPERTS SAY AFFECT MORE AND

MORE OF US TODAY...INDEPENDENT MEN AND WOMEN. TENSION HEADACHES CAUSED BY REAL CHANGES IN OUR BODIES.

(SOT Dr. Alan Rothfield, Pulmonologist)

"Stress does cause a lot of chemicals to be produced in order to deal with the stress and some of those chemicals have effects on blood vessels.

These headaches seem to be more common in women."

6 P-M, SHE FINALLY LEAVES WORK FOR A BUSINESS PARTY.

(SOT Heather Case, Gets Stress Headaches)

"It's hard to say no because you want to sort of be present and thriving and communicating and networking and interacting with people but sometimes I just want to go home and get on my couch and do nothing."

7 P-M, HEATHER ENTERS AMY'S AQUA CLUB IN BEVERLY HILLS.

IT'S FILLED WITH POTENTIAL CLIENTS, AGENTS, CELEBRITIES, ALL TRYING TO GET PAPPARAZZI AND HEATHER'S ATTENTION.

AN HOUR AND A HALF, HER HEAD IS FILLED WITH NOISE, CONVERSATION, AND DRINKS. STUDIES SHOW AVOIDING ALCOHOL AND CAFFEINE AND GETTING SOME EXERCISE MIGHT HELP HEATHER BREAK THE CYCLE AND NOT SUFFER LIKE SHE DID ALL DAY.

9:15, IT'S BEEN ALMOST 14 HOURS.

Bruce: "It's late at night, how do you feel?"

(SOT Heather Case, Gets Stress Headaches)

"Throbbing headache, I just want to go home."

Bruce: "When you get home what are you going to do?"

(SOT Heather Case, Gets Stress Headaches)

"Take time for myself, decompress, and I guess get ready to do it all again tomorrow."

New Autism Study

RICHARD GRINKER  
The George Washington University

ROBERT BAZELL  
NBC News

DR. YOUNG SHIN KIM  
Yale School of Medicine

Autism is a disorder that disrupts social interactions ...and covers a broad spectrum from terribly severe to mild

Today's study finds the mild form might afflict far more children than experts had assumed -- that the incidence of autism could be as high as one in 38 children --twice as high as most previous estimates

SOT Professor Roy Richard Grinker, George Washington University "autism is more common than we think and that there are a lot of kids out there who are actually doing somewhat well in mainstream schools but can do even better if they are provided some assistance."

Researchers carried out the study in a suburb of Seoul, South Korea. The study was easier to do there because of Korea's universal health care and education But the scientists say there is no reason to think the results would be different elsewhere

SU Bridge Most previous research examined medical records of children whose parents who sought help But this study sponsored by the charity Autism Speaks focused on 55,000 of the 7 to 12 year olds in the suburb -- those in regular schools as well as special education classes

SOT Dr. Young Shin Kim, Yale Child Study Center "So we knew that we were going to find more kids in this population."

Judith Ursitti of Dover, Massachusetts thought her daughter Amy was doing fine until the third grade, when Amy started having problems with

other children. Eventually she was diagnosed with Asperger's a mild form of autism -- and therapy has gotten her back on track.

SOT Amy "Now that I recognize how I am different from other people it has really helped me a lot."

And, these scientists say, today's study suggests there are a lot more kids like Amy around the world who might benefit from the extra help that can follow a diagnosis of autism

WITH SO LITTLE GAS IN THE TANK, EVEN JUST TURNING A CORNER OR PARKING ON A HILL CAN CAUSE WHAT'S LEFT TO SLOSH SIDE TO SIDE...EXPOSING THE PUMP TO AIR IN THE TANK...AND EVEN SUCKING SEDIMENT AND DEBRIS INTO THE FUEL SYSTEM.

(SOT Bob Mullen, Mechanic)

"It can damage this pump, sometime catastrophically."

AND REPLACING THE PUMP, BURIED DEEP INSIDE THE TANK, ISN'T CHEAP.

(SOT Bob Mullen, Mechanic)

"To replace a pump like that on an average car would run anywhere from 500 to 1500 dollars, sometimes more. You really do not want this thing to fail."

IF IT DOES, OR YOU JUST RUN OUT OF GAS...THERE'S EVEN MORE TO WORRY ABOUT.

(-- PKG --)

BY ALL ACCOUNTS, ALAINA GIORDANO IS A LOVING, GOOD MOTHER...

...SHARING A STRONG BOND WITH HER TWO YOUNG CHILDREN...11-YEAR OLD SOFIA AND FIVE-YEAR OLD BUD.

BUT THAT DIDN'T STOP JUDGE NANCY GORDON FROM RECENTLY RULING THE CHILDREN SHOULD MOVE FROM NORTH CAROLINA TO LIVE WITH THEIR FATHER MORE THAN SIX-HUNDRED MILES AWAY IN CHICAGO. ONE OF HER BIGGEST REASONS? GIORDANO IS FIGHTING CANCER.

SOT - GIORDANO 2156

I was in shock. I just sat there and listened to what she had to say.

ALMOST THREE AND A HALF YEARS AGO GIORDANO WAS DIAGNOSED WITH STAGE FOUR BREAST CANCER AT JUST 33 YEARS OLD. HER HEALTH PROBLEMS TOOK A TOLL ON HER MARRIAGE AND IN JANUARY 2010 GIORDANO AND HER HUSBAND OF TEN YEARS SEPARATED...AMIDST ALLEGATIONS OF INFIDELITY AND ABUSE FROM BOTH PARTNERS.

HER HUSBAND, UNABLE TO FIND A JOB IN NORTH CAROLINA, MOVED TO CHICAGO...FILING FOR PERMANENT CUSTODY OF THE CHILDREN. IN LATE APRIL, JUDGE GORDON RULED THAT THE

PARENTS SHOULD SHARE CUSTODY...BUT THE KIDS SHOULD LIVE WITH THEIR FATHER...IN CHICAGO.

SOT - GIORDANO 2300

The judge knows that I don't have the means to be flying to Chicago to be visiting them and paying for a place to stay, or flying them here on any regular basis.

THE JUDGE CITED GIORDANO'S HEALTH AS A FACTOR, NOTING "THE COURSE OF HER DISEASE IS UNKNOWN" AND "CHILDREN WHO HAVE A PARENT WITH CANCER NEED MORE CONTACT WITH THE NON-ILL PARENT."

SOT - MICHAEL CORNACCHIA/FAMILY LAW EXPERT

I've never heard of a mother losing children because of poor health or being sick. So what the court has done has expanded the traditional understanding of what unfitness is.

NEWS OF THE RULING LED TO AN OUTCRY FROM FRIENDS...FAMILY...AND EVEN STRANGERS. THOUSANDS HAVE SIGNED AN ONLINE PETITION TO THE GOVERNOR AND JOINED A FACEBOOK PAGE SUPPORTING GIORDANO'S PLIGHT TO KEEP HER CHILDREN IN NORTH CAROLINA...

SUPPORT GIORDANO SAYS SHE DESPERATELY NEEDS...AS SHE FIGHTS FOR HER HEALTH...AND HER CHILDREN.

The cancer in no way negatively affects my children. // It's a very slippery slope when you start taking children from a mother because of a diagnosis. Any of us can die at any moment.

"We're taking the text messaging medium and we're adding advertisement to that."

TEXTANGO WANTS TO ADD BANNER ADVERTISING TO EACH ONE OF YOUR TEXT MESSAGES. YOU SIGN UP, TELL SOMETHING ABOUT YOURSELF AND THE PEOPLE YOU TEXT WILL GET AN AD WITH EVERY MESSAGE.

(SOT Russell McHugh, TexTango)

"The more information you give us, the closer it's going to be to your interests and the higher value the ad will have as well."

(SOT George Belch, SDSU Marketing Professor)

"A big issue here will be consumer acceptance of it."

NO KIDDING, RIGHT NOW TEXTING IS ADVERTISING FREE. HOW WILL YOUR CIRCLE OF FRIENDS FEEL ABOUT GETTING AN AD WITH YOUR MESSAGE?

"Absolutely not, absolutely not. In no way would I see where that would be appropriate."

"Well personally I would delete them from my phone."

"I think there's already advertisements on everything else possible, it's unnecessary to do it in text messages also."

SO WITH SO MUCH HOSTILITY TOWARDS THE IDEA, WHY WOULD ANYONE WANT TO DO IT? WELL THERE IS A PLUS FOR TEXTERS...

(SOT Russell McHugh, TexTango)

THAT'S RIGHT, TEXTANGO'S RUSSELL MCHUGH SAYS HIGH VOLUME TEXTERS COULD EVENTUALLY EARN ANYWHERE FROM A PENNY TO TEN CENTS PER TEXT.

EARLIER THIS WEEK COUNTY AND CITY OFFICIALS, AS WELL AS BUSINESS OWNERS AND OUTREACH CENTERS GATHERED TO FIGURE OUT WHAT TO DO ABOUT A MAJOR PROBLEM IN OUR COMMUNITY.

THE PROBLEM IS METH LABS, AND WHILE SOME SAY IT DIDN'T GO FAR ENOUGH... THE STATE WITH THE WORST METH PROBLEM ... TENNESSEE... HAS AGREED ON A COMPROMISE THEY'RE WILLING TO TRY, AND THEY HOPE IT HELPS...

Down the road, they also clean-up the toxic remnants of a THIRD lab.

**MARK POTTER--NBC NEWS**

Detectives say some of the people who make meth here have 30 to 40 people working for them called "Smurfers." Their job is to go into local drugstores to buy cold medicine with pseudoephedrine, one box at a time.)

To control the smurfers, McMinn County Sheriff Joe Guy believes a PRESCRIPTION should be required for psuedoephedrine products... already the law in Mississippi and Oregon.

**JOE GUY--MCMINN COUNTY SHERIFF**

"You take away pseudoephedrine, you take away meth. It's the one product that has to be in the mix to make methamphetamine."

But at his Etowah drugstore, pharmacist Jeff Anderson argues a prescription law makes it HARD for REAL patients to get fast relief.

**JEFF ANDERSON/ANDERSON DRUGS**

"You're punishing the law abiding citizens that have a legitimate need. We need to punish the criminals and leave the other guys alone."

The Tennessee legislature agrees and has just APPROVED a computer-MONITORING system to RECORD and track the NAMES of pseudoephedrine BUYERS...

"This is a shake and bake lab"

saying if THAT doesn't SAVE LIVES, it could THEN consider PRESCRIPTIONS.

SENATOR JOHN KERRY WAS IN PAKISTAN TODAY FOR MEETINGS WITH TOP LEVEL OFFICIALS THERE.

HE WAS EXPECTED TO QUESTION HOW PAKISTANI OFFICIALS COULD FAIL TO DISCOVER THAT OSAMA BIN LADEN HAD LIVED IN THEIR COUNTRY FOR YEARS.

NBC'S PETER ALEXANDER REPORTS FROM ISLAMABAD.

Kerry addressed the topic Sunday in Afghanistan.

"There is some evidence of Pakistan government knowledge of some of these activities in ways that is very disturbing."

As investigators comb through materials seized in bin Laden's hideout, U-S military officials tell NBC News American interrogators interviewed bin Laden's three widows shortly after their detention.

The women offered no new information and, according to U-S officials, their answers sounded rehearsed.

But, a senior Pakistani official tells NBC News during a briefing to Parliament, Pakistan's intelligence chief said one of the wives revealed that, in more than five years, bin Laden never once left his Abbottabad compound -- living upstairs in just two rooms.

The same wife told interrogators she only left the compound when she was sick to visit a doctor -- and even then only did so accompanied by one of bin Laden's trusted couriers.

And, another stunning detail from inside bin Laden's compound: U-S

SUGAR AND FAT HAVE A REPUTATION AS SOME OF THE BIGGEST DIETARY DANGERS... BUT WHICH OF THE TWO IS WORSE?

TRT: 1:37

HEALTH FOR HUMBOLDT  
Sugar VS. Fat

HUMANS LOVE THE TASTE OF SUGAR.

BUT OUR BODIES NEED FAT.

AS HEALTH HAZARDS, THEY'VE BOTH GOTTEN A LOT OF ATTENTION, BUT WHICH IS WORSE...AND WHICH OF THE CULPRITS IS MOST RESPONSIBLE FOR MAKING US FAT.

(SOT Amy Goodson, Dietitian)

"Fat actually yields more calories than sugar does per gram, so it's not really an apple to orange comparison."

DIETITIAN AMY GOODSON SAYS IT'S ONE OF THE BIGGEST CONUNDRUMS PEOPLE FACE WHEN TRYING TO ADOPT HEALTHIER EATING HABITS AND WHEN TRYING TO FIGURE OUT WHAT TO LOOK FOR ON FOOD LABELS.

(SOT Amy Goodson, Dietitian)

"Sugar is definitely an added culprit to weight gain in America because sugar adds calories, but people like the taste of sweet things, so the more processed foods you eat, typically the more sugar you're taking in plus you're probably getting in more calories versus if you were just choosing a fruit or a low fat yogurt or something that's a more whole food."

HEALTH EXPERTS RECOMMEND WE EAT NO MORE THAN EIGHT TEASPOONS OF SUGAR A DAY, BUT ON AVERAGE, AMERICANS CONSUME MUCH MORE THAN THAT AND PEOPLE WHO EAT HIGH FAT DIETS HAVE AN INCREASED RISK OF HEART DISEASE, HEART ATTACKS, AND PREMATURE DEATH.

BUT GOODSON SAYS...WHEN COMPARING THE TWO...IT MIGHT BE

BEST TO LOOK AT SUGAR CONTENT FIRST.

(SOT Amy Goodson, Dietitian)

"When comparing sugar and fat while you're grocery shopping I would say look at the sugar first because sugar is usually added to more food products...such as cereals, granola bars, juices, things that people eat on a normal, daily basis."

BUT AS ANY NUTRITIONIST WILL TELL YOU...IT'S THE OVERALL QUALITY AND QUANTITY OF YOUR DIET THAT LIKELY MATTERS MOST.

LONG CONSIDERED BY PARENTS AS ONE OF THE SAFEST DRUGS  
TO GIVE A SICK CHILD -- ACETAMINOPHEN CAN BE TOXIC TO THE  
LIVER -- EVEN DEADLY IF A CHILD GETS TOO MUCH.

"Parents feel like you know what? My kid's fever is really high, I'll just give  
them a little more. And if they give them a little more in 5 doses in a day,  
there's the potential that they'll be in the emergency room."

ADVISORS TO THE FOOD AND DRUG ADMINISTRATION HAVE  
RECOMMENDED OVER-THE-COUNTER ACETAMINOPHEN  
PRODUCTS COME WITH SPECIFIC DOSAGE GUIDELINES FOR  
CHILDREN YOUNGER THAN TWO.

RIGHT NOW -- THE LABEL SIMPLY READS "ASK A DOCTOR" FOR  
YOUNG KIDS -- LEAVING SOME CAREGIVERS TO GUESS THE  
DOSAGE, ESPECIALLY IF THEY DON'T HAVE A PEDIATRICIAN.

(SOUND - Ed Kuffner, M.D. - McNeil Consumer Healthcare)

"Not having specific dosing on the OTC label for those children who are

most likely to be using medicine, that's the root cause of medication errors."

THE RECOMMENDATION WOULD APPLY TO PRODUCTS THAT CONTAIN ACETAMINOPHEN AS THE ONLY INGREDIENT... EVEN THOUGH DRUG STORE SHELVES ARE FILLED WITH A DIZZYING ARRAY OF CHILDREN'S MEDICATIONS THAT ARE COMBINATIONS OF ACETAMINOPHEN AND OTHER DRUGS.

(SOUND - Janet Engle, Pharm.D. - University of Illinois at Chicago)

"Many people overmedicate with combination products because they don't need all those ingredients and many times the ingredients are not appropriate for young children."

TO HELP CLARIFY WHICH PRODUCTS CONTAIN ACETAMINOPHEN - THE TRADE GROUP FOR OVER-THE-COUNTER MEDICINES HAS PROPOSED AN ICON THAT WOULD GO RIGHT ON THE BOX. THAT GROUP -- THE CONSUMER HEALTHCARE PRODUCTS ASSOCIATION -- ALSO SAID ALL MANUFACTURERS OF O-T-C ACETAMINOPHEN WILL SOON PHASE OUT THE HIGHER POTENCY INFANT DROPS.

(SOUND - Emily Skor - Consumer Healthcare Products Association)

"When parents go to the store starting mid-summer of this year, they will see one concentration whether they're buying it for their infants or their children."

THOSE PRODUCTS COULD ALSO INCLUDE CALIBRATED DOSING DEVICES LIKE THE ONE SEEN HERE THAT MEASURES MEDICINE IN MILLILITERS, RATHER THAN TEASPOONS. IT'S A MOVE THE F-D-A COMMITTEE SAID SHOULD BE MANDATED... AS IT WOULD HELP DETER PARENTS FROM USING KITCHEN SPOONS... AND STREAMLINE DOSING.

“We anticipate final results next weeks, but we are aware at this point that we may not be able to pin down the source of the infection.”

SINCE LEARNING OF THE RABIES CASE EARLIER THIS MONTH, THE HEALTH DEPARTMENT HAS BEEN INTERVIEWING HUNDREDS OF WILLOW CREEK RESIDENTS, AND IT BECAME CLEAR THAT OF THOSE HUNDREDS, A FEW MAY HAVE COME IN CONTACT WITH RABID ANIMALS.

(SOT Susan Buckley, Public Health Branch Director)

“As a result of the investigation, we do have a handful of residents undergoing rabies vaccinations, we also uncovered two residents who had exposures not related to the current situation, but were at risk of contracting rabies.”

Developmental Disabilities Increase

DR. MARSHALYN YEARGIN-ALLSOPP  
Epidemiologist, CDC(:33-:39)

IF YOU LIVE ON A STREET WHERE AT LEAST 6 CHILDREN LIVE AND PLAY ... NEW STATISTICS SUGGEST ONE OF THEM MAY HAVE A LEARNING PROBLEM OR OTHER DEVELOPMENTAL DELAY.

"That's a large number of children affected..."

RESEARCHERS FROM THE CENTERS FOR DISEASE CONTROL ASKED A NATIONWIDE SAMPLE OF PARENTS IF A DOCTOR HAD EVER DIAGNOSED THEIR CHILD WITH ANY KIND OF DEVELOPMENTAL DISABILITY, LIKE AUTISM ... A-D-H-D... EVEN STUTTERING.

THEY ESTIMATED 1.8 MILLION KIDS HAD RECEIVED SUCH A DIAGNOSIS. THAT NUMBER HAS BEEN RISING FOR MORE THAN A DECADE.

(SOUND - Dr. Marshalyn Yeargin-Allsopp - Epidemiologist, CDC)

"The prevalence of parent-reported developmental disability increased 17% between 1997 and 2008."

BOYS AND NON-HISPANIC WHITES WERE MOST LIKELY TO HAVE HAD A DELAY. RESEARCHERS DID NOT LOOK AT THE REASONS WHY -- BUT BASED A THEORY ON THE FACT THAT ONE ETHNIC GROUP HAD DISPROPORTIONATELY LOW NUMBERS OF DIAGNOSES.

(SOUND - Dr. Marshalyn Yeargin-Allsopp - Epidemiologist, CDC)

"We speculate that Hispanic children have the lowest prevalence probably due to the lack of awareness of the developmental disabilities."

MORE RESEARCH NEEDS TO BE DONE BEFORE THAT THEORY CAN BE PROVEN. IT REMAINS UNCLEAR WHETHER MORE CHILDREN ARE REALLY AFFECTED BY THESE PROBLEMS... OR CLINICIANS ARE JUST GETTING BETTER AT DETECTING IT.

(SOT James Grant, Professional Boxer in Study)

"Especially in boxing bc its a contact sport so we can get a concussion in any second so with this study going on and more boxers getting involved with it its going to help us out."

JAMES GRANT IS ONE OF 5 PROFESSIONAL BOXERS IN DALLAS PARTICIPATING IN THE NEW STUDY, (nats) RESEARCHERS HOPE USING THE COMPOUND, RESVERATROL, WHICH IS FOUND IN RED WINE ..CAN HELP TREAT ATHLETES WHO SUFFER CONCUSSIONS.

(SOT Dr. Joshua Gatson, Researcher)

"its actually a very potent anti inflammatory in the brain and following injury, concussions most of ht athletes there not really treated with anything besides probably aspirin light exercise and rest, so we decided

to use a compound that can help improve or repair the brain at a faster rate

(STANDUP Amanda Fitzpatrick, Reporting)

"Even though resveratrol is found in a bottle of red wine, researchers say it would take 50 glasses, that's right 50 wine glasses in order to get the protection an athlete needs."

SO THEY HAD TO EXTRACT THE COMPOUND AND CREATE AN ORAL SUPPLEMENT FOR THE STUDY. HOPING THE BENEFITS OF THE PILL WILL PLAY A MAJOR ROLE IN THE FUTURE OF CONTACT SPORTS. (NATS)

"This will definitely change how we manage sports concussions and hopefully get players to the field a lot sooner and probably decrease amount of brain trauma

Robi Ludwig SOT: "Let's not forget, surgery is surgery. There is no risk free surgery. So we really want to make sure that if something like this is being done on a child, it makes sense and really there are more positives than negatives."

AND HAPPY FOR GOOD REASON... IT WAS A TOUGH ROAD... THE TWO HAD TO DIAGNOSE AND FIX THE BROKEN CAR GIVEN TO THEM AT THE COMPETITION, BUT FIRST HAD TO QUALIFY FOR THE EVENT THROUGH A WRITTEN TEST GIVEN TO ALL AUTO STUDENTS IN THE NORTH STATE...

IT WAS PHENOMENAL, AND NOT ONLY THAT, WE GOT THE SECOND HIGHEST SCORE IN THE WRITTEN EXAM IN NORTHERN CALIFORNIA. AND WHEN I FOUND OUT WE QUALIFIED FOR THE COMPETITION, I COULDN'T SLEEP THAT NIGHT, IT WAS AMAZING.

THE TWO SAY BEST OUTCOME OF THEIR EXPERIENCE THOUGH WAS THE KNOWLEDGE THEY PICKED UP IN THE PROCESS... BEFORE THE COMPETITION, HARPER FORD LET THEM PRACTICE ON A MUSTANG THEY DONATED FOR A FEW DAYS WHILE FORTUNA FORD LOANED A TECHNICIAN WHO HAD TAKEN THE COURSE A YEAR PREVIOUS...

I'D HAVE TO SAY MY FAVORITE PART WAS ACTUALLY AFTER WE FOUND OUT WHO GOT TO GO BECAUSE WE LEARNED SO MUCH BETWEEN THEN AND THE COMPETITION ABOUT ACTUALLY HOW TO DIAGNOSE AND USE THE HARD SPECIFIC TOOLS TO GET THE RIGHT READINGS AND EVERYTHING... OH YA, I ENJOY IT, IT'S MORE THAN FUN, I DO THIS STUFF AT HOME.

LOTS OF WOMEN DREAM OF DIAMONDS, AND ONE GIRL IN MICHIGAN HAS HER EYE ON A REALLY BIG ONE.

IT'S A BASEBALL DIAMOND.

MATT WAYMIRE INTRODUCES US TO AN EIGHTH GRADER WHO DECIDED SHE WANTED TO PLAY ON THE BOYS' TEAM -- AND DID IT.

((PKG))

YOU MAY HAVE TO LOOK CLOSELY, BUT IF YOU DO, YOU'LL FIND IT.

YOU'LL FIND THE REASON WHY BASEBALL GAMES AT GRAND BLANC EAST MIDDLE SCHOOL ARE ANYTHING BUT ORDINARY.

AND IT'S BECAUSE OF SOMETHING EXTRAORDINARY ONE PLAYER HAS ALREADY DONE.

NICKNAMED "BRAIDS" ON THE LINEUP CARD, SHE IS BETTER KNOWN AS ANNIE WALKER... THE FIRST GIRL TO EVER MAKE THE BASEBALL TEAM IN THE HISTORY OF THE SCHOOL.

"When I was younger, my dad, we would always go outside and play baseball. It was every day, even when I was, like, three years old, we were playing wiffleball in the backyard."

WAS ONE THING, BUT ANNIE'S MOST VALUABLE EXPERIENCE WAS PERHAPS HER ADAPTATION INTO A SPORT DOMINATED BY BOYS.

"She's played Little League with them, she's played travel baseball with them. She's been on All-Star teams with them. So, as far as how the boys feel about her, they just feel like she's another player."

CURTIS GRANDERSON, THOUGH, IS NOT JUST ANOTHER PLAYER, AND THE CHANCE TO MEET THE FORMER TIGER GAVE ANNIE'S AMBITIONS A HUGE BOOST.

"I got to talk to him and I asked him what he thought about girls' baseball, and he said to always go for what you want. Always shoot for stars."

(stand up)

AND THUS, ANNIE TRIED OUT FOR THE BASEBALL TEAM HERE AT GRAND BLANC EAST MIDDLE SCHOOL, BUT HEAD COACH MIKE SCHUNOT WAS WELL AWARE THAT ANNIE'S QUEST COULD POTENTIALLY LEAVE HIM SUBJECT TO CRITICISM, NO MATTER WHAT THE OUTCOME WAS.

"My biggest issue was that I was afraid that people would say I would either cut her or keep her because of her gender. Lucky for me, that didn't play a factor. Her skill level was so high, that gender never became an issue at all. We are a very good team. We have 13

players on the team, and she is closer to the top than she is the bottom in skill level."

AUGMENTING ANNIE'S SKILLS ARE A CALM DEMEANOR AND TOUGHNESS WHICH WERE BOTH ON DISPLAY AFTER SHE WAS DRILLED BY A FASTBALL IN A RECENT GAME.

SHE MADE THAT LOOK EASY, BUT IT WAS A DIFFERENT STORY WHEN SHE LEARNED SHE MADE THE TEAM.

"I was trying to keep it, like, 'Oh I'm not surprised and everything.' But inside, I was freaking out. I went into the car and me and my dad, we like had high-fives all around with everybody."

ANNIE'S STORY IS OBVIOUSLY REMARKABLE, AND ALSO A LITTLE IRONIC.

FOR ALL THE ATTENTION SHE'S GARNERED, IT HAS NEVER BEEN HER AMBITION TO STAND OUT.

ALL SHE WANTS IS TO JUST BE ONE OF THE BOYS.

Betsy pet owners here at the freshwater stables are without two of their horses after their deaths last week...and the big question: was a mountain lion responsible for those deaths?

EMILY SHERNOCK (:22-:28)

SOMETHING MAY BE LURKING IN THE WOODS AT PICTURESQUE FRESHWATER STABLES, AND IT COULD BE TARGETING THE HORSES ON THE PROPERTY. EMILY SHERNOCK, A 21-YEAR HORSE OWNER, MADE A SHOCKING DISCOVERY ON FRIDAY.

DAVE LANCASTER (:38-:46)

CAMERON CRAMER (2:00-2:09)

Newschannel 3

(SOT: Emily Sherlock, Horse Owner)

We discovered my little horse's dead body at the bottom of a four foot ditch

SHE THINKS A MOUNTAIN LION IS RESPONSIBLE...

(SOT: Emily Sherlock, Horse Owner)

She was chased by something with claws into that ditch

BUT HUMBOLDT COUNTY'S DEPARTMENT  
FISH AND GAME DOESN'T THINK THAT'S THE  
CASE...

(SOT: Dave Lancaster, Humboldt Co. Wildlife  
Biologist)

If you can imagine a horse is a large animal, a  
mountain lion is 15-200 lbs, they take on a lot of risk  
going after a horse. Here's what we do know, he horse  
broke out of it's pasture; we don't know if a mountain  
lion spooked it...

THAT'S LED TO A DEBATE, BECAUSE EMILY'S  
HORSE ISN'T THE FIRST TO DIE...

(SOT: Emily Sherlock, Horse Owner)

Another horse was killed the night before mine, they  
found it with big chunks missing

WHEN THAT HORSE DIED, THE OWNER OF THE  
STABLES CONTACTED FISH AND GAME TO  
REQUEST A PERMIT TO SHOOT A MOUNTAIN  
LION---AND IN ORDER TO ISSUE THAT  
PERMIT...

(SOT: Dave Lancaster, Humboldt Co. Wildlife  
Biologist)

We have to answer 2 questions: 1, did damage occur,  
and 2: was it caused by a mountain lion.

IN THAT CASE, A DEPREDATION PERMIT WAS

ISSUED FOR THE MOUNTAIN LION

(SOT: Dave Lancaster, Humboldt Co. Wildlife Biologist)

Based on our information, it was the right thing to do, based on the other stock in the area

MOUNTAIN LIONS ARE PREVALENT IN THE AREA, THE QUESTIONS IS IF THEY ARE ATTACKING HORSES IN ADDITION TO THEIR USUAL TARGETS.

(SOT: Dave Lancaster, Humboldt Co. Wildlife Biologist)

Undoubtedly deer occur on the property regularly, and that's it's main food. Where the deer are, the lion is at FOR EMILY, SHE WANTS TO SPREAD AWARENESS ABOUT THE PREDATORY ANIMAL.

(SOT: Emily Sherlock, Horse Owner)

People forget that we are living so close to wildlife, that some of them are dangerous

(SOT: Cameron Cramer, Newschannel 3)

Now the permit is still active which means a property owner can shoot the mountain lion, but for fish and game and pet owners here, the problem ahs been catching that elusive animal. At the freshwater stables in eureka, Cameron Cramer, newschannel 3.

HUMBOLDT COUNTY, AND THE UNITED

THREE MENDOCINO COUNTY RESIDENTS WERE STRICKEN WITH THE DISEASE, WHICH MAKES THIRTEEN REPORTS OF MEASLES IN CALIFORNIA THIS YEAR...AND THE DISEASE DOES HAVE THE POTENTIAL TO CAUSE SERIOUS HARM.

TWO LOCAL HORSES AT THE FRESH WATER STABLES DIED RECENTLY? ONE OWNER SEEMS TO THINK A MOUNTAIN LION IS RESPONSIBLE... BUT THE DEPARTMENT OF FISH AND GAME DISAGREES... NEWS CHANNEL 3'S CAMERON CRAMER BRINGS US HIS REPORT.

((-- PKG --))

SOMETHING MAY BE LURKING IN THE WOODS AT PICTURESQUE FRESHWATER STABLES, AND IT COULD BE TARGETING THE HORSES ON THE PROPERTY. EMILY SHERNOCK, A 21-YEAR HORSE OWNER, MADE A SHOCKING DISCOVERY ON FRIDAY.

(SOT: Emily Sherlock, Horse Owner)

We discovered my little horse's dead body at the bottom of a four foot ditch SHE THINKS A MOUNTAIN LION IS RESPONSIBLE...

(SOT: Emily Sherlock, Horse Owner)

She was chased by something with claws into that ditch BUT HUMBOLDT COUNTY'S DEPARTMENT FISH AND GAME DOESN'T THINK THAT'S THE CASE...

(SOT: Dave Lancaster, Humboldt Co. Wildlife

Biologist)

If you can imagine a horse is a large animal, a mountain lion is 15-200 lbs, they take on a lot of risk going after a horse. Here's what we do know, the horse broke out of its pasture; we don't know if a mountain lion spooked it...

THAT'S LED TO A DEBATE, BECAUSE EMILY'S HORSE ISN'T THE FIRST TO DIE...

(SOT: Emily Sherlock, Horse Owner)

Another horse was killed the night before mine, they found it with big chunks missing

WHEN THAT HORSE DIED, THE OWNER OF THE STABLES CONTACTED FISH AND GAME TO REQUEST A PERMIT TO SHOOT A MOUNTAIN LION---AND IN ORDER TO ISSUE THAT PERMIT...

(SOT: Dave Lancaster, Humboldt Co. Wildlife

Biologist)

We have to answer 2 questions: 1, did damage occur, and 2: was it caused by a mountain lion.

IN THAT CASE, A DEPREDATION PERMIT WAS ISSUED FOR THE MOUNTAIN LION

(SOT: Dave Lancaster, Humboldt Co. Wildlife

Biologist)

Based on our information, it was the right thing to do,

based on the other stock in the area

MOUNTAIN LIONS ARE PREVALENT IN THE AREA, THE QUESTIONS IS IF THEY ARE ATTACKING HORSES IN ADDITION TO THEIR USUAL TARGETS.

(SOT: Dave Lancaster, Humboldt Co. Wildlife Biologist)

Undoubtedly deer occur on the property regularly, and that's it's main food. Where the deer are, the lion is at FOR EMILY, SHE WANTS TO SPREAD AWARENESS ABOUT THE PREDATORY ANIMAL.

(SOT: Emily Sherlock, Horse Owner)

People forget that we are living so close to wildlife, that some of them are dangerous

(SOT: Cameron Cramer, Newschannel 3)

Now the permit is still active which means a property owner can shoot the mountain lion, but for fish and game and pet owners here, the problem ahs been catching that elusive animal. At the freshwater stables in eureka, Cameron Cramer, newschannel 3.

CAMERON CRAMER

(SOT: Steven Quenell, Humboldt Deputy Sheriff's

If these cuts go through, it's definitely going to have an impact on the public safety as well as the deputies...

THE HUMBOLDT COUNTY SHERIFF'S ORGANIZATION ISN'T HAPPY ABOUT PROPOSED CUTS TO ITS DEPARTMENT, AND HAS TAKEN TO THE AIRWAVES TO LET IT BE KNOWN IN A RADIO AD.

IT APPEARS THE COUNTY ISN'T HAPPY ABOUT THE CUTS EITHER, BUT SAYS BUDGET WOES HAVE FORCED THEIR HAND...

(SOT: Jimmy Smith, Humboldt County Board Of Supervisors)

The impacts are significant and the range of options is so small and so painful that every last budget unit is scrutinized...

THE PROPOSED CUTS WOULD MEAN A REDUCTION IN NINETEEN DEPUTIES, WHICH MIGHT ALSO LEAD TO THE CLOSURE OF TWO SHERIFF'S SUBSTATIONS, ONE OF THOSE IN GARVBERVILLE, AND THAT DOESN'T SIT RIGHT WITH SMITH...

(SOT: Jimmy Smith, Humboldt County Board Of Supervisors)

The situation that we face, that we could lose some substations, that would be beyond regrettable, it would be unacceptable.

SMITH SAYS THE STATE'S BUDGET DEFICIT IS WHAT'S PUSHING THE CUTS, BUT THE SHERIFF'S ORGANIZATION SAYS THE POSSIBLE CLOSURE OF THE SUBSTATIONS WOULD HAVE A BIG EFFECT ON RESPONSE TIMES.

(SOT: Steven Quenell, Humboldt Deputy Sheriff's Organization President)

If you have deputies able to respond from those

substations and handle calls, those emergency calls, their response time is going to be a lot faster...

THE SHERIFF'S ORGANIZATION CONTENDS THAT PREVIOUS BUDGET CUTS HAVE ALREADY TRIMMED THE DEPARTMENT TO THE BARE BONES, AND FURTHER CUTS MAY COMPROMISE SAFETY.

(SOT: Steven Quenell, Humboldt Deputy Sheriff's Organization President)

Unfortunately those deputies that have to go out there and work these shifts, depending on what type of call it is, they may or may not have adequate backup.

AWARE OF THE CUTS, THE COUNTY IS LOOKING AT DIFFERENT OPTIONS TO SAVE MONEY.

(SOT: Jimmy Smith, Humboldt County Board Of Supervisors)

How can we increase fuel efficiency in our fleet, how can we, right down to the lightbulbs, save dollars, so we can have those emergency services.

(SOT Cameron Cramer, Newschannel 3)

If the proposed cuts are passed it would leave seventy-three deputies, sergeants and investigators to cover all of Humboldt county.

HOW PRIVATE IS THE INFORMATION YOU PUT  
OUT ON YOU FACEBOOK?

AUTHORITIES ARE NOW USING THE SITE, AND  
OTHERS, TO CRACK CASES-- AND THAT'S  
RAISING PRIVACY CONCERNS.

HERE'S DAN SIMON TO EXPLAIN.

((PKG))

FACEBOOK ALLOWS USERS AT ANYTIME TO  
ADJUST PRIVACY SETTINGS...

YOU CAN MAKE YOUR PHOTOS AND  
PERSONAL INFORMATION AVAILABLE ONLY  
TO FRIENDS INSTEAD OF EVERYONE.

BUT THAT DOESN'T GUARANTEE IT WILL  
ALWAYS BE PRIVATE.

LAW ENFORCEMENT ARE NOW TURNING TO  
FACEBOOK AND OTHER INTERNET SERVICES  
TO HELP SOLVE CRIMES.

THIS MAN, 25-YEAR-OLD ANTHONY WILSON  
OF DETROIT, WAS RECENTLY INDICTED ON  
BANK ROBBERY CHARGES - PARTLY BECAUSE  
THE FBI COMPARED HIS FACEBOOK PHOTOS  
WITH BANK SURVEILLANCE VIDEO. HE'S BEEN

FUTURE. WE FORGET THE INTERNET IS REALLY ONLY 10 YEARS OLD."

E.J. HILBERT IS A FORMER CYBER CRIME SPECIALIST FOR THE FBI. HE SAYS WHILE SOCIAL MEDIA IS JUST ONE TOOL FOR LAW ENFORCEMENT, IT'S IMPORTANCE IS GROWING.

"THE USE OF SOCIAL MEDIA OR ONLINE SEARCHES IS ABSOLUTELY CRUCIAL. IT IS FREE INFORMATION. IT'S THERE. ABSOLUTELY PEOPLE SHOULD BE UTILIZING THIS."

BUT WITH THAT COMES CONCERNS ABOUT LAW ENFORCEMENT OVERSTEPPING BOUNDARIES.

FACEBOOK SAYS IT IS CAUTIOUS ABOUT TURNING OVER USERS' INFORMATION.

IN A STATEMENT PROVIDED TO CNN, A SPOKESPERSON TELLS US,

"WE NEVER TURN OVER "CONTENT" RECORDS IN RESPONSE TO U.S. LEGAL PROCESS UNLESS THAT PROCESS IS A SEARCH WARRANT REVIEWED BY A JUDGE. WE ARE REQUIRED TO REGULARLY PUSH BACK AGAINST OVERBROAD REQUESTS..."

CIVIL LIBERTIES GROUPS SAY FACEBOOK HAS ADOPTED THE CORRECT POSITION, BY INSISTING ON A SEARCH WARRANT...

BUT WORRY THAT OTHER LESS SCRUPULOUS INTERNET SERVICES WON'T HAVE THE SAME REQUIREMENTS.

"I THINK WHAT WE NEED TO HAVE WRITTEN CLEARLY INTO THE LAW IS A REQUIREMENT THAT WHEN THE THE GOVERNMENT WANTS SENSITIVE INFORMATION, E-MAILS, CELL PHONE TRACKING INFORMATION, PHOTOS THAT YOU'VE ONLY SHARED WITH FRIENDS, THEY NEED TO GO TO A JUDGE, MAKE THEIR CASE AND GET A WARRANT."

"SO CIVIL LIBERTIES GROUPS CONCERNED ABOUT THE POTENTIAL FOR ABUSE HERE, BUT THE BOTTOM LINE IS IF USERS ARE CONCERNED ABOUT LAW ENFORCEMENT SOMEHOW GETTING AHOLD OF THEIR INFORMATION ON FACEBOOK, THEN THEY PROBABLY SHOULDN'T PUT ANY INFORMATION ONLINE TO BEGIN WITH. DAN SIMON, CNN SAN FRANCISCO."#####

THE RETAILER SAYS IT'S OFFERED PLUS SIZES FOR KIDS FOR SOME TIME.

BUT NOW, IT'S CONSIDERED ONE OF THE MOST PROMISING MARKETS IN THE FASHION WORLD.

(SOT Pam Hensley, JCPenney)

"The consumer is the one who drive this business. They came in they asked for it."

MAKES SENSE, WHEN YOU CONSIDER THAT THE CENTERS FOR DISEASE CONTROL AND PREVENTION SAYS CHILDHOOD OBESITY HAS MORE THAN TRIPLED IN THE PAST 30 YEARS.

FOR EXAMPLE...FOR KIDS AGES 6 TO 11...

OBESITY INCREASED FROM 6.5% TO 19.6% BETWEEN 1980 AND 2008.

"I think unfortunately it's our society, our society is all fast food all quick quick instead of eating nutritious, which I'm teaching my kids."

AND ACCORDING TO FORBES AND MARKET RESEARCH.COM:

SALES OF WOMEN'S AND GIRLS' PLUS SIZE APPAREL HAS BECOME A \$47 BILLION DOLLAR INDUSTRY.

"I think these poor little kids they have to have something to wear but today's society, it like a lot more sedentary kids don't play outside like they once did."

AND FOR THOSE WHO MIGHT THINK PLUS-SIZES FOR KIDS ARE JUST HIDING THAT BIGGER PROBLEM?

"I don't think so, I don't think so."

PEEPLS SAYS, PROVIDING OVERWEIGHT KIDS WITH CLOTHES THAT FIT...AT LEAST, HELPS THEM FIT IN.

"A lot of kids don't realize what the parents are buying, if they try it on, it fits and looks nice, that's what they see. And nobody can see the inside of your tag once your clothes is on."

WITH NEW RULES RECENTLY, BANKING FEES ARE CHANGING ALL THE TIME, SO STEP NUMBER ONE IN FINANCIAL SPRING CLEANING IS TO LOOK AT ALL YOUR ACCOUNTS AND SEE IF YOU CAN CONSOLIDATE AND IF THAT WOULD SAVE YOU ON FEES.  
(SOT Ted Massaro, Financial Expert)

"The bottom line is a lot of fees are going up and you're being encouraged if your balance is below certain minimums, if your activity level is below a certain minimum, that will have an impact on your account."

TED MASSARO WITH M FINANCIAL PLANNING SERVICES ALSO SAY MAKE SURE YOU'RE GETTING THE BEST RATE POSSIBLE ON SAVINGS. THERE IS A LOT OF COMPETITION SO SHOP AROUND. STEP NUMBER TWO, SHOP AROUND FOR CAR AND HOME INSURANCE AS WELL. SEE IF THERE IS A BETTER RATE OUT THERE AND CONSIDER AN UMBRELLA POLICY.

(SOT Ted Massaro, Financial Expert)

"Which is a form of liability coverage which wraps over top like an umbrella. Over the top of your homeowners and your car insurance. It's relatively inexpensive, but it could be worth its weight in gold if in fact unfortunately you ever have litigation where you or one of your family members are in an auto accident, someone gets hurt, there's a lawsuit involved."

STEP 3: CHECK YOUR OTHER INSURANCE POLICIES.

(STANDUP Tracy Davidson, Reporting)

"Make sure your life insurance is adequate. Make sure the beneficiary is updated. Do you need more disability insurance than is offered by your employer, and long term insurance could be as valuable as your life savings."

(SOT Ted Massaro, Financial Expert)

"So I'd look at long term care insurance like homeowners on your net worth. If you have real net worth you may want to protect that."

STEPS FOUR AND FIVE HAVE YOU FOCUSED ON RETIREMENT.

FOUR: MAKE SURE YOU ARE MAXING OUT YOUR MATCHED 401K.

(SOT Ted Massaro, Financial Expert)

"If your employer has a 401k, and the employer says we'll match the first 3, 4, 5, 6 percent of your pay, you have to be doing that 3, 4, 5, 6 percent. I mean it's like saying uh you know what I don't want that free money. I mean you're literally giving up free money."

(STANDUP Tracy Davidson, Reporting)

"And step 5, if you aren't actively managing your portfolio, get with a professional to make sure your investments are diversified. Develop long term retirement plans. What will you need and what is it going to take to get there?"
