THE OBVIOUS ONES ARE EASY...DON'T GO WITH GPS.. OR

"You don't need the CDW ! Your regular car insurance generally covers
you and very often your credit card will fill in the gaps."

USING YOUR CREDIT CARD ALSO HELPS IF YOU WANT TO

BUT THE NEWEST FEE SOME COMPANIES ARE CHARGING HAS TO DO WITH GASSING-UP BEFORE RETURNING.

(S/ Janet Bodnar - Personal Finance Editor, Kiplinger :58 - 1:07)

"If you fill up on your own on the way back, you have to have a receipt from the gas station that's within 10 miles of the office where you've rented the car. And, if not, you're going to get hit with a fee."

IN MEXICO, BIRTH CONTROL IS CHEAPER AND IT'S SOLD OVER THE COUNTER. THE STUDY ALSO SAYS THAT UNDOCUMENTED IMMIGRANTS ARE ALSO FOLLOWING THE TREND AND BUYING BIRTH CONTROL ON THE BLACK MARKET.

(SOT: DR. JORGE GALDAMEZ, PHYSICIAN)

"I mean they need to be discussed with a primary care doctor or a physician because they come with their own side effects and they come

HEALTH OFFICIALS IN WASHINGTON SAY WHOOPING COUGH.. HAS REACHED "EPIDEMIC LEVELS." HUNDREDS OF CASES HAVE BEEN REPORTED, THIS YEAR.. SIX TIMES MORE COMPARED TO LAST YEAR. NBC'S MIKE TAIBBI HAS MORE...

TAKE PKG

TRT: 2:02

HEALTH FOR HUMBOLDT "Whooping Cough" Reaches "Epidemic Levels"

MARY SELECKY Washington State Secretary of Health (:54 - 1:06)

(-- PKG --)

It was whooping cough that landed two and a half week old Natalie in intensive care...

NAT SOT: Natalie, can you open your eyes?

where she spent 72 days struggling to breathe, to rest without pain, to survive...

She recovered... but her mom Michele Razor says it was in touch and go all those agonizing weeks...and Natalie still needs followup care.

"YOU NEVER EVER WANT TO SEE YOUR CHILD GO THROUGH SOMETHING LIKE THIS. IT'S DEFINITELY A PARENTS WORST NIGHTMARE..."

It was the same nightmare for Heidi Bruch...who passed the disease to her new-born daughter Caroline. Before giving birth, Heidi thought it was just a cold.

"I WAS NURSING HER AND SHE STARTED TO HAVE ONE OF THESE COUGHING EPISODES. SHE STOPPED NURSING AND SHE TURNED BLUE AND WAS COUGHING AND CHOKING AND GAGGING..."

In fact 4 children have died in the current outbreak...and the skyrocketing # of newly reported cases led state officials to declare an epidemic.

"SO FAR THIS YEAR, 640 CASES HAVE BEEN REPORTED AND CONFIRMED, AS OF MARCH 31ST. LAST YEAR WE HAD 94 IN THE SAME PERIOD OF TIME..."

This March of Dimes public service announcement can tell you what it sounds like...

.....

...but in the so-called 'hot pockets' in Washington, Oregon and across the country in Vermont, where the disease is spreading fastest, it's a race to get as many people vaccinated as possible...vaccinated against a foe our Dr. Nancy Snyderman says will sneak up on you.

"IT SORT OF LOOKS LIKE A COLD. A LITTLE COUGH, RUNNY NOSE, FEVER... BUT ALL OF THE SUDDEN THAT COUGH BECOMES A BARKING COUGH AND THEN A REAL STRUGGLE TO GET AIR..."

For health officials it's all about vaccination...and booster shots if needed...especially for those who come in contact with toddlers or infants, the most vulnerable victims.

"YOU KNOW, AND I HAD INADVERTENTLY GIVEN OUR, MY NEWBORN A POTENTIALLY LIFE THREATENING ILLNESS THAT WAS SO EASILY PREVENTABLE BY GETTING MY BOOSTER SHOT, WHICH I WAS UNAWARE I NEEDED.

"NOT ONLY DOES WHOOPING COUGH VACCINE WORK, IT'S SAFE, AND IT CAN SAVE YOUR CHILD'S LIFE..."

IT WOULD BE FOR WHAT HER EMPLOYER WAS

I WAS MORTIFIED, I WAS SO ANGRY AND

BRABB USES THE SITE AS HER SOCIAL

SOMEONE MIGHT BE HAVING A BAD DAY BUT THAT'S NOT WHO THEY ARE BUT SOMEONE MIGHT SEE THAT AND SAY THEY HAVE A TERRIBLE ATTITUDE AND IT'S NOT TRUE.

BRABB LEARNED QUICKLY HER BOSS DIDN'T FEEL THAT WAY ABOUT HER PERSONAL

FACEBOOK POSTS. SHE SAYS THEY TOLD HER SHE WAS SLANDERING THE COMPANY.

I DIDN'T SAY THEIR NAMES, I DIDN'T SAY THE NAME OF THE STORE, I DIDN'T

SAY ANY SPECIFICS ABOUT WHAT WAS HAPPENING OR GOING ON, I WAS JUST

THERE WAS ONE THAT REALLY STUCK OUT IN HER MIND.

THE FIRST THING THAT WENT THROUGH MY HEAD WAS HOW THE HECK DID YOU GET A HOLD OF THAT?

BRABB SAYS HER ACCOUNT PRIVACY SETTINGS WERE HIGH...SET TO FRIENDS ONLY. SHE SAYS SHE SEES STATUS UPDATES ALL THE TIME ABOUT WORK AND PEOPLE AT WORK. SHE SAYS SHE USED FACEBOOK TO VENT, LIKE MANY PEOPLE DO.

IT WAS JUST SOME WAY TO GET IT OFF MY CHEST. I DIDN'T USE ANY BAD LANGUAGE OR ANYTHING LIKE THAT. I WAS JUST HAVING KIND OF A ROUGH TIME.

I INVESTIGATED MARCI'S FACEBOOK POSTS, BUT SHE ADMITS SHE LEFT WORK THAT DAY AND ERASED THE POSTS SHE SAYS GOT HER IN TROUBLE. I ALSO CONTACTED BRABB'S FORMER BOSS, MICHAEL CHASE AT THE OREGON NATURAL MARKET. HE DIDN'T WANT TO GO ON CAMERA... BUT DID CONFIRM HE HAD A FOLDER OF POSTS. HE WAS VERY POLITE, BUT HE ALSO SAID SHE WAS FIRED FOR OTHER REASONS. EMPLOYEES CAN JUMP ON FACEBOOK PAGES AND POST THINGS ABOUT WAGES, AND WORKING CONDITIONS AND THINGS LIKE THAT AND CAN'T BE

DISCIPLINED FOR IT, THEY CAN'T BE FIRED FOR IT. AND MOST EMPLOYEES REALLY DON'T KNOW THAT.

LISA MCGRATH PRACTICES NEW MEDIA LAW IN BOISE. SHE ISN'T INVOLVED WITH BRABB ...BUT TALKED TO ME ABOUT THE NATIONAL LABOR RELATIONS ACT.

THEY WANT THEM TO BE ABLE TO TALK ABOUT IF THERE IS OPPRESSIVE CONDITIONS FROM SUPERVISORS - HOW DO THEY FEEL ABOUT THEIR WAGES, THAT ACT GIVES THEM THE RIGHT TO TALK ABOUT THOSE THINGS TOGETHER. MCGRATH SAYS SOCIAL NETWORKS ARE STILL EVOLVING...AND COMPANIES ARE IN THE PROCESS OF DEFINING THEIR MEDIA POLICIES. BUT IF WORKERS ARE NOT TRAINED ON SOCIAL MEDIA LAW AND THERE IS NO RULE IN PLACE, YOU CAN'T GET FIRED. MCGRATH SAYS IT'S IMPORTANT TO KNOW YOUR RIGHTS WHEN IT COMES TO THINGS LIKE FACEBOOK, AND BRABB SAYS SHE SHARING AN IMPORTANT LESSON. JUST MAKE SURE YOUR PRIVACY SETTINGS ARE ON AND JUST BE CAREFUL.

LONGTIME C-B-S JOURNALIST MIKE WALLACE DIED SATURDAY NIGHT. HE WAS 93.

WALLACE IS BEST KNOWN FOR HIS HARD-HITTING INTERVIEW STYLE AS AN ORIGINAL CORRESPONDENT ON "60 MINUTES."

N-B-C'S RON ALLEN TAKES A LOOK BACK AT THE CAREER OF THE BROADCASTING LEGEND.

TAKE PKG

(--PKG--)

TRT:

OC: RON ALLEN, NBC NEWS, NEW YORK

Wallace: "I'm Mike Wallace. We'll be back next week..."
No one conducted an interview quite like Mike Wallace.
Wallace: "To get anything done (MW makes money motion with his hands)...money."
He was aggressive...
Wallace: "Why are you so reluctant?"
Other: "You have to get over here Mike."
Hard-hitting...
Wallace: "No, I have no intention of leaving until you tell me what's on your mind."
No holds barred...
Wallace: "They must be ashamed of something."
Even with famous friends.
Wallace: "You're going to be in Japan and I'm told it's a two million dollar two weeks."
Nancy Reagan: "They're getting two of us, they're working us like crazy."
Wallace: "But it's a well-recompensed two weeks."
Reagan: "It is for everybody who goes there. Now you really didn't need that question."
Wallace: "Here I am..."
For 38 seasons he was there every Sunday on 60 Minutes, a program that became the most influential primetime news program in television history.
Wallace: "The man they've set out..."
Wallace: "...Steroid abuse..."
Wallace: "Israel should be wiped off."
Wallace's work covered more than a half a century of American history. Interviews with a lengthy list of notables, just about every significant newsmaker of his time, presidents and prime ministers.
Wallace: "May I ask my question please, sir?"
TRANSLATOR: "Are you the representative of the Zionist regime or a journalist?"

SUPERS - NONE.

Wallace: "If his is the Teflon presidency..."

Jimmy Carter: "Yes."

Wallace: "Nothing sticks."

Carter: "Mine was the opposite."

He said the public figure he most admired was Martin Luther King.

Martin Luther King: "I think for the Negro to turn to violence would be both impractical and immoral."

Wallace once told a reporter the interview he wanted most but never got was with Pope John Paul II.

Myron Wallace was born May 9, 1918 in Brookline, Massachusetts.

He became a broadcaster while at the University of Michigan on the campus radio station.

He was a news-writer in Chicago in the '40s, served as a Navy communications officer during World War II.

He moved to New York in the 1950s and joined CBS, handling a variety of broadcasting duties, everything from entertainment to hard news, on TV and radio.

He even briefly starred onstage, on Broadway. The turning point came in 1956, an interview program called Nightbeat.

Wallace: "Good evening, I'm Mike Wallace. The show is Nightbeat."

With Wallace challenging his guests with tough questions, something new for TV.

Wallace: "What kind of people are your friends?"

He covered most of the great stories of the '60s, including the Vietnam War. Then in 1968...

60 MINUTES ANCHOR: "It's a kind of a magazine for television."

60 Minutes, a program that would create much of the legacy Wallace leaves behind.

The lowest point of his career, Wallace often said, was the 120 million dollar libel suit by retired General William Westmoreland, commander of U.S. forces in Vietnam.

A documentary reported by Wallace claimed the General had misled the public about progress in the war.

Wallace: "Why would it have been a political bombshell, that's really..."

Westmoreland: "Because the people in Washington were not sophisticated enough to understand and evaluate this thing and neither was the media."

After a lengthy trial, the suit was dropped before the case went to the jury. CBS offered an apology. Later, Wallace revealed, that was when he began a battle with depression.

Wallace: "What happened with me is that a marriage broke up, I had to move out of my house where I lived for 22 years, and I was on trial for libel, simultaneously. Now, that kind of stress put together, simply, I don't know, triggered, and I didn't know what was happening."

In 2006, Wallace stepped away from 60 Minutes and fulltime reporting. He was 87 years old.

He is survived by his wife, Mary Yates; his son, broadcaster Chris Wallace; and a daughter, Pauline.

And he leaves behind a body of work that raised the bar and set a standard in a way few, if any of his peers, will ever match.

Ron Allen, NBC News, New York.

"THE BUS DRIVER IS ACTING ALL FUNNY.
HE'S SHAKING. HIS ARMS ARE FLAILING.
HIS EYES ARE BULGING, AND HE'S MAKING
WEIRD RASPING NOISES WITH HIS
MOUTH."

JOHNNY WOOD
Student

JEREMY WUITSCHICK ONE OF THOSE
STUDENTS REACTS AS THE BUS IS NOW
HEADING STRAIGHT FOR A CHURCH.

"SO I TAKE ACTION. I LEAP OFF MY CHAIR. I GRAB THE WHEEL, TURN IT RIGHT. GET IT TO THE RIGHT SIDE OF THE ROAD. I TAKE THE KEYS OUT OF THE IGNITION AND THE ENGINE STARTS SHUTTING OFF, SLOWING DOWN."

WUITSCHICK SAYS THE DRIVER WAS A SUBSTITUTE. WE'VE OBSCURED HIS FACE TO PROTECT HIS PRIVACY. WATCH THE VIDEO AGAIN AS THE BUS APPROACHES SURPRISE MIDDLE LAKE SCHOOL. THE DRIVER BEGAN SHOWING SIGNS THAT SOMETHING WAS WRONG. HE WAS COUGHING AND SHIFTING IN HIS SEAT. SUDDENLY HIS EYES ROLL BACK INTO HIS HEAD AND HE FELL OVER. AT THAT POINT THE BUS HITS A CURB, BUMPING AND FINALLY SLOWING WHEN WUITSCHICK PULLS THE KEYS FROM THE IGNITION. JOHNNY WOOD WHO HAS BEEN TRAINED IN CPR BY THE RED CROSS, ALSO RAN TO HELP.

"I RAN UP AND TRIED DOING CHEST COMPRESSIONS, BUT HIS EYES WERE ROLLING BACK AND I COULD TELL IT WAS GETTING HARDER FOR HIM TO BREATHE."

OTHER STUDENTS ON THE BUS CALLED 911,
 AS A TEACHER FROM THE SCHOOL HOPPED
 ON BOARD TO HELP OUT. BOTH JEREMY
 WUITSCHICK AND JOHNNY WOOD SAY
 THEY'RE GLAD THEY KEPT COOL HEADS IN
 THIS MOMENT OF PANIC.

"I'M JUST THINKING I JUST WANT TO
 STOP THE TRUCK BECAUSE I DON'T WANT
 TO CRASH AND I DON'T WANT TO KNOW
 WHAT IT FEELS LIKE, SO, YEAH...I
 JUST DON'T WANT TO DIE."

"IT WAS SCARY AND EXHILARATING."

(REPORTER: "BECAUSE?")

"BECAUSE, I MEAN, YOU WANT TO KNOW IF
 HE'S OKAY BUT THEN AGAIN IT'S
 HAPPENING SO FAST YOUR HEART'S
 PUMPING. IT'S BREATHTAKING AND
 BREATH-GIVING."

MEDICS RESPONDED AND THE DRIVER WAS
 TAKEN TO A HOSPITAL.

THERE'S A BRAND NEW WAY FOR WOMEN TO FIGHT CELLULITE.

(-- PKG --)

NATS Katz doing procedure

YOU'RE LOOKING AT THE LATEST TOOL IN THE FIGHT AGAINST CELLULITE. IT'S CALLED CELLULAZE...RECENTLY APPROVED BY THE FDA. DOCTORS USE A TINY LASER TO TARGET CELLULITE UNDER THE SURFACE OF THE SKIN.

DR. BRUCE KATZ PARTICIPATED IN CLINICAL TRIALS AT HIS NEW YORK CITY OFFICE.

For the first time with one simple treatment we get long lasting results, safely performed, and quick recovery.

NATS Katz- This is the anesthetic going in...

THE PROCEDURE BEGINS WITH A LOCAL ANESTHETIC, SO THE PATIENT IS AWAKE THE ENTIRE TIME.

ONCE THE AREA IS NUMB, DR. KATZ INSERTS A TINY LASER UNDER THE SKIN.

IT'S A THREE STEP PROCESS. THE LASER HEATS THE SKIN AND ACTUALLY MELTS THE FAT.

THEN, IT CUTS THROUGH THE BANDS THAT PULL THE SKIN DOWN TO CREATE THE DIMPLED AFFECT.

FINALLY, THE LASER HEATS THE SKIN TO ENABLE THE GROWTH OF NEW COLLAGEN, WHICH, THE COMPANY SAYS, INCREASES ELASTICITY.

Usually in several weeks you start seeing those bumps and valleys go away.

AFTER THE PROCEDURE, DR. KATZ SAYS THE PATIENT MAY EXPERIENCE SORENESS AND BRUISING. MOST CAN GO BACK TO WORK THE NEXT DAY.

THE COMPANY SAYS THE RESULTS CAN LAST ONE YEAR OR MORE, BUT IT'S TOO EARLY TO MEASURE THE LONG TERM EFFECTS.

We think it's possible that it may come back if people gain weight or stop exercising.

But we think that if they've stayed clear for two years // we will get lasting results for many years to come.

35 YEAR OLD JOHANNA PETRYCKI (puh-TRICK-ee) IS A PHYSICIANS

ASSISTANT IN QUEENS, NEW YORK. SHE HAD THE PROCEDURE IN THE FALL

OF 2010, AS PART OF THE CLINICAL TRIALS. THE RESULT?

Amazing, really amazing. It was awesome, actually. // 3:06:02 It was nice to actually nice to look in the mirror and not feel self conscious about something that had bothered me for about 20 years.

BUZZ ABOUT CELLULAZE IS ALREADY SPREADING. HARPER'S BAZAAR TAKES A CLOSER LOOK AT THE PROCEDURE IN IT'S MAY ISSUE.

ALEXANDRA PARNASS, HARPER'S BAZAAR BEAUTY DIRECTOR

The data I've seen form cellulaze is the most impressive data i've seen on a cellulute treatment ever...it's what we call a gamechanger in the business.

FOR JOHANNA PETRYCKI, CELLULAZE WAS THE ANSWER TO YEARS OF INSECURITY ABOUT HER THIGHS.

They're dimpleless, which to me, is perfect.

 HER SOLUTION: A CHIN IMPLANT.
 "This is the kind of operation that whispers it doesn't shout, it just makes people look better."
 BUT PLENTY OF PEOPLE ARE TALKING ABOUT IT. MORE THAN TWENTY THOUSAND AMERICANS HAD THE PROCEDURE DONE JUST LAST YEAR.
 "Chin augmentation has increased approximately 70% in the last year, that's an astonishing number."
 DR. DARRICK ANTELL -- A SPOKESPERSON FOR THE AMERICAN SOCIETY OF PLASTIC SURGEONS -- SAYS A STRONG CHIN NOT ONLY IMPROVES A PATIENT'S SELF ESTEEM -- IT MAY ALSO BOOST THEIR BOTTOM LINE.
 "90% of CEOs had chins that were larger than normal or normal, that's much higher than the general population."
 CHIN AUGMENTATION IS AN OUTPATIENT PROCEDURE -- DONE

UNDER LOCAL ANESTHESIA. MOST PATIENTS RETURN TO WORK AFTER THREE DAYS AND SEE THE FULL RESULTS AFTER THREE MONTHS. BOTH MEN AND WOMEN ARE HAVING IT DONE.

LIZETTE HAD THE PROCEDURE SIX MONTHS AGO -- AND SAYS THERE IS ONE THING SHE WOULD CHANGE.

"I would have gotten it done sooner (laughs). That's the one thing I would have done differently."

BUT SHE'S NOT LETTING HERSELF GET TOO DOWN ABOUT THAT -- TODAY SHE SAYS SHE CAN CONFIDENTLY DO HER WORK WITH HER CHIN HELD HIGH.

"They put it right here and right here."

THE BOY'S FEET AND HANDS WERE ALSO TIED TIGHTLY WITH THICK DUCT TAPE, THEN THE ROBBERS WENT ON A MISSION FOR MONEY.

"They have a mask with a glove." ... "It looked like they messed every room trying to find money or something or jewelry."

Pres., Air Canada Pilots Assn.

THE AIR CANADA FLIGHT WAS ENROUTE FROM TORONTO TO ZURICH, SWITZERLAND. IT WAS ABOUT HALFWAY ACROSS THE ATLANTIC WHEN THIS HAPPENED. THE FIRST OFFICER REQUESTED WHAT IS CALLED A "CONTROLLED REST" IN THE COCKPIT. THAT'S A SHORT NAP DURING THE FLIGHT, WHICH IS ALLOWED. IT'S ONLY SUPPOSED TO LAST A MAXIMUM OF 40 MINUTES. BUT THE OFFICER SLEPT FOR ABOUT 75 MINUTES, CLEARLY IN A DEEP SLUMBER. WHEN HE WOKE UP, THE CAPTAIN MENTIONED THERE WAS A US MILITARY PLANE IN THE VICINITY. THE FIRST OFFICER DISORIENTED, LOOKS OUT AND SEES THE PLANET VENUS. HE THINKS IT'S THE

OTHER PLANE AND IT'S HEADED STRAIGHT TOWARD THEM. SO HE RAMS THE CONTROL STICK FORWARD.

THE PLANE RAPIDLY NOSE-DIVES. THE CAPTAIN, REALIZING WHAT HAS HAPPENED, PULLS THE PLANE BACK UP. PASSENGERS IN THE BACK, WHO ARE SLEEPING AT THE TIME, ARE SUDDENLY WOKEN UP BY THE SHAKING AND BEING TOSSED AROUND.

I WAS LITERALLY, VIOLENTLY THROWN OUT OF MY SEAT AND SLAMMED INTO THE CEILING. I WAS IN A WINDOW SEAT, SO I HIT THE TOP OF THE CEILING AND FELL BACK TO THE GROUND. AFTER THAT IT WAS JUST KIND OF CHAOS. WE HAD FELT LIKE WE MIGHT HAVE HIT SOMETHING. IT WAS THAT VIOLENT OF A PUSH, I GUESS. IT FELT LIKE WE HIT A MOUNTAIN OR ANOTHER OBJECT. IT WASN'T TURBULENCE. IT DIDN'T FEEL LIKE TURBULENCE. IT DIDN'T FEEL LIKE FREE FALLING. IT FELT LIKE WE HAD HIT SOMETHING.

YOUTUBE VIDEO SHOT AFTERWARD.

HIS LAPTOP WENT FLYING THAT WAY. I HIT THE ROOF. EVERYONE IS SAFE, BUT THIS IS PART OF THE DAMAGE

CEILING PANELS KNOCKED DOWN. IN ALL, 14 PASSENGERS AND TWO FLIGHT ATTENDANTS HAD

MINOR INJURIES. THE AIRLINE INITIALLY
BLAMED TURBULENCE FOR THE JANUARY 2011
FLIGHT, WHICH ENDED UP LANDING SAFELY IN
ZURICH. IT WAS ONLY AFTER THE RELEASE OF
THE REPORT BY THE TRANSPORTATION SAFETY
BOARD OF CANADA THIS WEEK THAT WE FOUND
OUT WHAT REALLY HAPPENED. AVIATION EXPERT
AND PILOT JIM TILMON SAYS IT'S CLEAR
CERTAIN POLICIES WEREN'T FOLLOWED.
BUT HE SYMPATHIZES WITH THE PILOT.
IF YOU'VE NEVER SEEN VENUS LIGHT UP LIKE
THAT IN A DARK SKY, YOU DON'T KNOW.
THERE'S NO FRAME OF REFERENCE FOR YOU TO
REALIZE THAT IT LOOKS JUST LIKE THE
LIGHTS, THE LIGHT ON THE FRONT END OF
ANOTHER AIRPLANE.
THE AIR CANADA PILOTS ASSOCIATION SAYS
TRANSATLANTIC FLIGHTS ARE AMONG THE MOST
DIFFICULT FOR PILOTS BECAUSE FLIGHTS ARE
OVERNIGHT AND THEY GO AGAINST A PERSON'S
NATURAL BODY CLOCK. ON AIR CANADA, THERE
ARE ONLY TWO PILOTS ON BOARD, UNLIKE
AMERICAN CARRIERS, WHERE THERE ARE TWO
PILOTS, PLUS A RELIEF PILOT ON BOARD.
IT'S NOT SO MUCH THE LENGTH OF THE
FLIGHT. WE DO MUCH LONGER FLIGHTS THAN
THESE ONES. IF THEY'RE MUCH LONGER, THAN

YOU WOULD HAVE THREE, SOMETIMES FOUR,
PILOTS. BUT THESE ONES IN PARTICULAR WHEN
YOU HAVE TWO PILOTS AND THAT TIME OF DAY
CONSIDERATION COMES IN TO PLAY AND THAT
REALLY MAKES THEM A RISK FOR FATIGUE.

“NO SMOKERS ALLOWED?”

MAYOR BETSY PRICE

A CITY EMPLOYEE PROPOSED THE IDEA - BUT SOME FELLOW COLLEAGUES ARE FUMING.

ANGELA GATEWOOD

"I kinda of see it as a form of discrimination, because as long as you're not smoking at the job and it doesn't affect your job. I kinda of think it as an unfair to choose."

SAL ESPINO

FOR EMPLOYERS ACROSS THE NATION, PUFFING AWAY ADDS UP OVER TIME...THE CENTER FOR DISEASE CONTROL SAYS THAT EVERY YEAR SMOKING AND

JERRY STEMMONS
City Employee : 1:15-1:18

SECONDHAND SMOKE COST NEARLY 200 BILLION IN HEALTH BILLS AND LOST PRODUCTIVITY.

FUTURE CITY JOB SEEKERS LIKE ANGELA GATEWOOD, A SMOKER IS WORRIED IF THE IDEA BECOMES POLICY...

"The simple fact that they smoke is not at a reason for them to keep someone from working for them."

HOWEVER, THERE ARE SEVERAL HURDLES BEFORE THAT HAPPENS.

"The legal department is looking at it, on the legal side... Human resources i also think that there we want to look at how many of our existing employees are smokers versus non-smokers."

BUT SOME SMOKERS LIKE JERRY STEMMONS SAY THE NEW RULE WON'T

CHANGE THEIR WAYS.

"I am so late in my career, I don't care..."

THIS IS A CONTROVERSIAL ONE... WE WANT

AND THERE ARE KEY QUESTIONS TO ASK ON THAT VISIT.

(SOT: RICK BLUM, CAMP OWNER)

"What is the amount of returning campers in other words the percentage as well as the percentage of staff that return each year to the camp. the parents should also want to know who in fact supervises the camp. is it the owners. are they actively on site, every day."

ALSO ASK:

HOW IS THE STAFF EVALUATED EACH YEAR?

ARE BACKGROUND CHECKS REQUIRED?

ARE THERE ANY REGISTERED NURSES ON STAFF? (SOT: RICK BLUM, CAMP OWNER)

"Also, is it a safe environment in terms of a gated property. is there somebody that is a gatekeeper that makes sure the people that are supposed to be there are only there."

JUST LIKE YOU WOULD RESEARCH A COMPANY WITH THE BETTER BUSINESS BUREAU, CHECK WITH THE AMERICAN CAMP ASSOCIATION TO MAKE SURE THE CAMP IS ACCREDITED.

(SOT: MICHEAL CHAUVEAU, AMERICAN CAMP ASSOCIATION)

"You can be assured that that camp has voluntarily subject itself to a whole bunch of safety features, transportation, kitchen, even when it prepares food for camp, activities, background checks, staffing and general fun stuff."

THE PLAN SHOWS HOW CDCR WILL REDUCE 8

___ THINGS...

THE FIRST- CONTINUING TO RELEASE
ABOUT 18,000 MORE INMATES.

-NATS INMATES-

THAT WILL ELIMINATE THE NEED FOR MORE

THE SECOND- RECLASSIFYING 17,000 TO

THE INSTITUTION LOSES ABOUT 9 PEOPLE.

-SOT CATE-

"BY ESTABLISHING A NEW BASELINE FOR
PRISON STAFFING IT ALLOWS US TO ADD
INMATES OR REDUCE INMATES WITHOUT
ADDITIONAL SIGNIFICANT COSTS."

-NATS INMATES-

"CAUSE NOW YOU HAVE A STANDARDIZED STAFFING PACKAGE AS OPPOSED TO ONE THATS BASED ON OVERCROWDING."

-NATS INMATES-

((TAKE KELLY))

CDCR WAS MANDATED BY THE SUPREME COURT TO HAVE PRISON POPULATIONS REDUCED TO 137.5 PERCENT OF THE CAPACITY BY JUNE OF 2013. THEY SAID TODAY THEY THINK EVEN IF THIS PLAN GOES OFF WITHOUT A HITCH THEY WILL STILL BE A FEW PERCENTAGE POINTS SHY OF THAT FIGURE. THEY'RE RELEASING SO MANY AND DECLASSIFYING MORE BECAUSE THEY ALSO PLAN TO BRING BACK 95- HUNDRED OF CALIFORNIA'S INMATES FROM OUT OF STATE PRISONS... THEY SAY THAT WILL SAVE THEM ANOTHER 300 MILLION DOLLARS.

MARYANN HAYES-MARIANI IS WEARING JEANS TODAY...

"it isn't in our dress code to wear jeans."

IT MAY NOT BE A PART OF THE NORTH COAST RAPE CRISIS TEAMS DRESS CODE BUT IT'S A PART OF THEIR MISSION...

"this is the one day of the year that we do get to wear jeans to stand up for the right of survivors."

BACK IN 1999 AN ITALIAN HIGH COURT OVERTURNED A RAPE CONVICTION OF A 45-YEAR OLD MALE ASSAILANT ON AN 18-YEAR OLD FEMALE VICTIM...

"He overturned that ruling and this brought out an outcry from the whole international community."

AND HIS RULING WAS BASED ON THE FACT THAT SHE WAS WEARING JEANS... CLAIMING JEANS CAN'T BE REMOVED WITHOUT THE HELP OF THE PERSON WEARING THEM.

"It really fulfills the misconception that depending on what a woman wears she's inviting rape in some way."

EVER SINCE THAT RULING... GROUPS LIKE THE NORTH COAST RAPE CRISIS TEAM HAVE WORN DENIM TO TAKE A STAND AGAINST

VICTIM BLAMING MYTHS...

AND THIS STATEMENT IS MORE THAN JUST
ONE ON FASHION...

"that's what's part of what's
important to us is try to address
that issue so that people realize
that it isn't the survivors fault.
Someone has chosen to commit a
violent act against them. It's the
fault of the perpetrator."

JEANS FOR JUSTICE HAPPENS EVERY APRIL

the things about that is to really

CHECK OUT THE CLASSIFIEDS OR CONTACT

TO USE THE RIGHT RESOURCES.**

PKG/T

NOW TO CONCERN OVER THE FIRST
CONFIRMED CASE OF MAD COW DISEASE IN
THE U.S. IN SIX YEARS.

OFFICIALS ARE STILL INVESTIGATING HOW
THE DAIRY COW CONTRACTED THE DISEASE,
THE GOVERNMENT IS STRESSING THERE IS
NO THREAT TO HUMAN HEALTH.

NBC'S ROBERT BAZELL REPORTS.

TAKE PKG

(-- PKG --)

TRT: 1:44

OC: ABOUT THIS CASE

The dead dairy cow had been picked up
by this facility near Fresno,
California that recycles dead
livestock. The facility sent a sample
to be tested at at the University of
California, Davis where it turned out
positive .

DR. JOHN CLIFFORD

USDA Chief Veterinary Officer (:21 -
:24)

There was never an intention to send
it to a slaughter house and officials
say that is crucial

John Clifford, USDA the animal did
not enter the food supply at all.

BSE -- commonly called mad cow
disease-- is a fatal disintegration
of the brain and nervous system. It

first gained public attention in Britain in the 1980s and 90s where than 180,000 cattle were infected and more than 4.4 million were slaughtered to control the outbreak. The disease is usually transmitted by a rare infectious agent called a prion -- through cases can appear spontaneously.

Usually the disease is acquired by eating the tissue of an infected animal --and animals had been a common source of food for cows in Britain

In the UK 175 people including Jonathan Simms got a human form of the disease from eating meat from the infected animals. It left him blind deaf and immobile from 2001 until his death last year

Health officials say milk does not transmit the disease so the infected dairy cow does not pose a hazard.

There was no mad cow disease detected in the U.S. until 2003 when a cow

born in Canada was detected in Washington State. Since then including this case, officials have found three more.

through our surveillance system, we found this detection. we have a very robust system. / 19 35 44 our food and our cattle population is very safe and our consumers should not be concerned about this case.

TAKE ANCHOR

(-- ANCHOR TAG --)

BUT THIS IS CONCERNING SOUTH KOREA WHO ANNOUNCED LATE TUESDAY NIGHT THAT THEY MAY STOP BEEF IMPORTS FROM THE U-S.

THE GOVERNMENT HAS NOT RELEASED THE NAME OF THE CALIFORNIA DAIRY FARM WHERE THE COW DIED BUT OFFICIALS ARE CALLING THIS CASE ATYPICAL, MEANING THE COW DID NOT GET THE DISEASE FROM INFECTED CATTLE FEED, WHICH IS USUALLY HOW MAD COW IS CONTRACTED.

CORKY WAS 7-MONTHS-OLD WHEN HE WAS FOUND DRAGGING HIMSELF DOWN A SIDEWALK. HE ENDED UP AT THE POUND WHERE HE WOULD HAVE BEEN PUT TO SLEEP IF THE WOMEN FROM THE CAT'S CRADLE SHELTER IN FARGO, NORTH DAKOTA HADN'T TAKEN HIM IN.

I COULD JUST CONSTANTLY HEAR HIS BONES CRACKING AGAINST THE TILE FLOOR. IT WAS HORRIBLE.

CORKY WAS BORN WITH A DEFECT THAT CAUSED HIS LEGS TO BE BACKWARDS AS WELL AS CRISS-CROSSED.

NOW FOR THE FIRST TIME IN HIS LIFE HE'S

(nats: vacuum)

IF THE CHANGE OF THE SEASON HAS YOU SPRINGING ONTO
 SOME SPRING CLEANING ..

ANOTHER AREA THAT YOU MAY WANT TO CONSIDER SPRUCING
 UP IS THE WAY YOU USE AND SAFE GUARD
 THOSE DIGITAL PASSWORDS

"Passwords are the keys to get into the front door of your life now. "

AND FOR MANY OF US .. WE USE THE SAME - KEY -- FOR EVERY
 WEB SITE WE VISIT .. WHETHER IT'S OUR MONEY LIFE OR OUR
 SOCIAL LIFE.

"This is a really bad idea. If a hacker figures out THE password, they have
 access to all the sites."

BRIAN COOLEY FROM C-NET SUGGESTS YOU HAVE A DIFFERENT
 .. STRONG .. PASSWORD FOR EACH SITE YOU VISIT REGULARLY.

"Here's the problem with good passwords: if you can think of it, it's not a
 good password. That means it has some relevance in your life, it's part of
 your social security number, it's your favorite number, it's a favorite color."

MAKING IT NOT THAT HARD FOR A HACKER WHO HAS A LITTLE BIT
 OF INFORMATION ON YOU .. TO DO A LOT OF DAMAGE.

SO.. EXPERTS RECOMMEND USING THE INTERNET TO PROTECT
 YOU FROM INTERNET PREDATORS.

"There's a bunch of websites that you can use that are free that will
 generate a totally random difficult to hack password, which will typically

have upper and lower case letters and some numbers, and it should be complete gibberish."

AND TO REMEMBER THAT GIBBERISH .. COOLEY SAYS WRITING IT DOWN ON PAPER IS NOT SMART..BUT YOUR PHONE MAY BE.

"Your smart phone is a great place to get a password manager app. It's a little app where you record all of your passwords. That's protected by a password, and your phone should be protected by a password as well, so if someone finds it, they can't get your phone open, let alone, the password app on it."

A FEW MINUTES OF DIGITALLY CLEANING .. THAT CAN KEEP YOUR ON-LINE LIFE SAFE .. ALL YEAR LONG.
