## Third Quarter 2020 Issues/Programs List

During this quarter, WAMD found issues of concern to our community and broadcast the following programs in response:

**Program:** COVID-19 Pandemic

**Length:** 15 minutes

**Time:** 11:15 AM

**Date:** July 2, 2020

**Issues:** Health Issues

**Content:** Host Libby Parris interviewed Dr Fermin Barrueto, Chief Medical Officer and COVID-19 Incident Commander, University of Maryland Upper Chesapeake Health. Dr Barrueto discussed the importance of seeking emergency medical attention during the COVID-19 pandemic. He discussed the safety protocols at University of Maryland Upper Chesapeake Health in Bel Air and that the Stay at Home order does not apply to people who have health emergencies.

**Program:** The Harford Edge

**Length:** 60 minutes

**Time:** 9:00 AM

**Date:** July 3, 2020

**Issues:** Health Development

**Content:** Hosts Bob Mumby and Leslie Greenly Smith interviewed Cathy Schmidt, Founder and Executive Director, Chesapeake Therapeutic Riding, a nonprofit organization that's mission is to deliver healing and learning to individuals and groups whose minds, bodies and spirits will benefit from the transformation connection between people and horses. CTR offers their services to individuals as well as veterans, especially those at the VA Perry Point.

**Program:** The Harford Edge

**Length:** 60 minutes

**Time:** 9 AM

**Date:** August 1, 2020

**Issues:** Mental Health Issues

**Content:** Hosts Bob Mumby and Leslie Greenly Smith interviewed Rod Kornrumpf, Regional Executive Director for Behavioral Health, University of Maryland Upper Chesapeake Health and Sarah Klein, Director of Front End Operations, Klein's Shoprite. Their discussion included The Klein Family Harford Crisis Center, a place where people struggling with mental health issues or addiction can get help. The Crisis Center is open 24 hours a day seven days a week and treats people regardless of their insurance coverage or ability to pay. The Crisis Center is designed to meet the needs of people experiencing a mental health issue or crisis whereas the typical hospital emergency room might not be able to.
