That's great John. If they can complete page 3 is very important, "list all chief executive officers, member of the executive committee, and the board of directors". If you can please have them complete the attached PB-19 form for us that would be great.

And sign, date.

When will they send the spot, I have to include that too?

Thanks.
Kathy

John, The form they sent us is 2 years old. They should have been using the 2019 PB-19 form. Slide 3 is very important, "list all chief executive officers, member of the executive committee, and the board of directors". If you can please have them complete the attached PB-19 form for us that would be great. Thanks.

KK,
Please upload a notation in the political file that the wrong form was submitted and we're awaiting the correct one.

John, please ask them to expedite the new form (PB-19), as it's required by law.

Thanks,
Joe
