

## **TRUEREAL NETWORK**

### **Certification of Closed Captioning Quality**

This is to certify that, as of July 1, 2021, the video programming network known as TrueReal is in compliance with the Federal Communication Commission's Closed Captioning Quality Requirements that took effect March 16, 2015. TrueReal began operations on July 1, 2021, and therefore is exempt pursuant to 47 C.F.R. § 79.1(d)(9) from the FCC's closed captioning requirements until July 1, 2025. Nevertheless, as a service to viewers, in the ordinary course of business TrueReal adopts and follows the Video Programmer Best Practices set forth in 47 C.F.R. § 79.1(k).
