Dear Affiliate:

On behalf of ESPN, Inc., ESPN Classic, Inc. and ESPN Enterprises, Inc. the following is notification regarding the Children's TV Act and closed-captioned programming for the second quarter of 2016.

Children's TV Act

The Children's Television Act of 1990 (the "Act") and the FCC's regulations pursuant thereto require that cable and certain other television systems maintain records sufficient to determine whether they are in compliance with the commercial content restrictions of the Act with respect to "children's programming."

Neither ESPN, Inc. (i.e., ESPN, ESPN2, ESPNEWS, ESPN Deportes, ESPNU, ESPN Buzzer Beater, ESPN Goal Line, ESPN Bases Loaded, ESPN SEC, ESPN College Extra, or Longhorn), ESPN Classic, Inc. (i.e., ESPN Classic), nor ESPN Enterprises, Inc. (i.e., ESPN VOD) aired any programming deemed children's programming under the Act. Therefore, no further disclosure is currently needed with respect to those networks.

Closed-Captioned Programming

For the second quarter of 2016, please refer to the table below for the hours of new programming telecast on our networks and the portion thereof that was closed-captioned. In addition to the information on the table below, 100% of the required programming on ESPN3 was closed captioned, and SEC+ is not yet subject to minimum closed captioning rules. Please note, neither ESPN, ESPNEWS, ESPNU, ESPN Deportes, ESPN VOD, Longhorn Network, nor ESPN Buzzer Beater/Goal Line/Bases Loaded telecast any pre-rule programming in the quarter.

CHILDREN'S PROGRAMMING CERTIFICATION

2nd Quarter (April 1, 2016 through June 30, 2016)

This is to certify that the list set forth below identifies all programs and series aired by SonLife Broadcasting Network during the above-referenced calendar quarter that were originally produced and broadcast primarily for an audience of children 12 years old and under. As a standard practice, we formatted and aired each of the children's programs and series identified below so that the total commercial time (including local ad avails, promos for non-educational programs and adjacent ads running before or after the program within the same clock hour) did not exceed 10.5 minutes per hour on weekends, and 12 minutes per hour on weekdays, in compliance with the Children's Television Act of 1990 and the rules and regulations of the Federal Communications Commission (the "FCC"), (the "Regulations").

None of the following programs or series included any commercial spots (including local ad avails, promos for non-educational programs and adjacent ads running before or after the program within the same clock hour) that contained references to, characters or actors from, or that offered products related to, the underlying program or series. Any instances in which the children's programming commercial limits were exceeded during the referenced calendar quarter are explained in detail below. I further certify that I have been designated by SonLife Broadcasting Network as the official responsible for oversight of compliance with the FCC children's programming commercial limits, and I am familiar with the Regulations.

* As specified in *Children's Television Obligations Of Digital Television Broadcasters*, FCC 04-221 (¶24), "digital broadcasters [are permitted] to air all of their additional [3 hours of] digital [children's] core programming, beyond the 3 hour baseline on the main digital program stream, on one free digital video channel or distribute it across multiple free digital video channels, at their discretion, as long as the stream/s on which the core programming is aired has comparable carriage on multichannel video programming distributors ("MVPDs")." Accordingly, the combined JUCE and SOAC program service has a Saturday core block of children's programming of twelve (12) hours (7 a.m. to 7 p.m.). * As specified in *Children's Television Obligations Of Digital Television Broadcasters*, FCC 04-221 (¶24), "digital broadcasters [are permitted] to air all of their additional [3 hours of] digital [children's] core programming, beyond the 3 hour baseline on the main digital program stream, on one free digital video channel or distribute it across multiple free digital video channels, at their discretion, as long as the stream/s on which the core programming is aired has comparable carriage on multichannel video programming distributors ("MVPDs")." Accordingly, the combined JUCE and SOAC program service has a Saturday core block of children's programming of twelve (12) hours (7 a.m. to 7 p.m.). Three (3) hours of that block provide compliance with FCC Rule 73.671 for the TBN Enlace service, and three (3) additional hours of that programming block also provide compliance for TBN Salsa. Similarly, the TBN service has a Saturday core block of children's programming of four (4) hours (7 a.m. to 11 a.m.). Three (3) hours of that block provide compliance with FCC Rule 73.671 for the Hillsong Channel service (formerly known as The Church Channel service).

Re: Certificates of Compliance for the Children's Television Act of 1990

Dear Affiliate:

As of January 1, 1992, the Federal Communications Commission's rules ("FCC Rules") implementing the Children's Television Act of 1990 ("Act") require cable operators to maintain certain records regarding their compliance with advertising limits imposed on children's television programming. Accordingly, Turner Network Sales, Inc. provides the attached Turner Entertainment Networks' certificates of compliance for 2nd Quarter 2016. Please note that the Act's advertising limits are inapplicable to CNN, Headline News, TBS, Turner Classic Movies, TNT, TruTV, CNNI, and CNNE as these networks do not carry children's programming. If there are any changes in the programming policies of these networks, we will provide you with updated certifications reflecting such changes.

To comply with the FCC Rules, please place the attached certificates of compliance in your system's public file(s) no later than the tenth day of the current quarter following the quarter in which the programming aired.

For your convenience, the certificates of compliance are also available online for your review. Please follow these steps in order to download the certificates:

- 1. Go to the Turner Resources web site at www.TurnerResources.com. [Note – if you do not have a user ID and password, you will need to register online with the web site.]**
- 2. From the homepage for TurnerResources.com, you will find the Children's Television Programming certificates of compliance by clicking on a "link" called "FCC Compliance."**

If you have any questions, please contact me at (404) 827-3395 or e-mail sherry.kangalee-carter@turner.com. Thank you for your continued carriage of the Turner networks.

Kindest Regards,

Sherry Kangalee-Carter

Re: Children's Television Act 1990

Dear Ms. Smith:

This letter is intended to assist you in satisfying your obligations under the Children's Television Act of 1990 and the FCC regulations relating thereto in connection with your carriage of Comcast SportsNet (which service is owned and operated by HTSLP).

The Comcast SportsNet service does not currently contain any "children's programming" (as defined by the FCC), and we have no current intention of adding such programming. In the event, however, that the service does contain any "children's programming" after the date hereof, such programming will not contain "commercial matter" (as defined by the FCC) that, when added to the "commercial matter" you may insert under our affiliation agreement, exceeds applicable limits. In addition, in the event of any such programming, we will provide, by the tenth day following the end of the calendar quarter in which the programming appeared, a description of such programming specifying the dates and times of transmission and the duration of the "commercial matter" included therein.

Best regards,

Dear Mr. Singer:

In response to your recent request, this is to certify that QVC, Inc., a cable network, had no programs originally produced or broadcast primarily for an audience of children 12 years old and under during the calendar quarter ended June 30, 2012. Accordingly, none of QVC's programming during such quarter constituted "children's programming" as defined by Section 73.660 of the FCC's rules, and, therefore, none were subject to the commercialization limits imposed on children's programming. (See 47 C.F.R., Section 73.660).

To the extent we should decide, in the future, to include any children's programming on our schedule, we would, of course, comply with all pertinent FCC requirements and would, at that time, notify you of the programming change.

If you have any questions about this matter, please feel free to contact me.

Sincerely yours,
