for  
**WJCY**  
91.5 FM Cicero, Indiana  
2nd Quarter 2021

### 1. Education

Calvary Radio believes that a good biblical education is the foundation for spiritual success. Education is important because the more knowledgeable we are in the word of God the better equipped we are to stand firm in the confidence of his truth. We also believe that, in addition to studying God's word, it is important that our children are getting a good education in schools and that our undergraduate and graduate students are being taught unbiased truth in their learning institutions. So we encourage people to stand up for truth and fight for good teachers in educational systems.

### 2. The Economy, Employment & Personal Finance

Due to the current economic recession, families in northwest Indiana are experiencing a higher difficulty in being able to acquire a mortgage, find employment and afford health care. We at Calvary Radio try to provide programming that encourages our listeners to make wise financial decisions through good financial stewardship during these uncertain times and to put their trust in God knowing that he provides for our needs.

### 3. Family & Marriage

Calvary Radio provides programming for all types of people from all types of families understanding that no family situation is perfect. We desire to provide programming that addresses all types of issues for struggling families. But our solution to these issues is found in Biblical principles and spiritual wisdom not just in psychologists and self-help books. We strongly promote a family first structure of living with a high value put on Biblical marriage.

### 4. Children & Youth

Seeing as how children are our future, Calvary Radio broadcasts various programs geared specifically to certain age groups in the hopes that kids will be challenged to grow in their spiritual lives and become good citizens as they grow older and mature in their faith and relationships with people. We provide Children's programming on Saturday Mornings and Youth programming on Monday evenings and weekends. Hoping to encourage youth to take their faith seriously and not succumb to peer pressure that may advise them to do otherwise.

### 5. Spiritual Growth & Practical Christian Living

Spiritual growth is one of Calvary Radio's main goals. We try and encourage spiritual growth in our listeners by broadcasting programming with sound Biblical teachers and challenging messages as well as praise and worship music to keep listeners encouraged and edified throughout their week. We strongly urge our listeners to seek to grow in their faith and not be content with a inactive relationship with God.

### 6. Religious Freedom, Oppression and Terrorism

The signal of WHLP and its translators covers the Chicagoland area, where terrorism is a bigger threat than elsewhere in the US so we at Calvary Radio are doing our best to educate people on the safety level of our area while reminding our listeners that God is our only source for true safety. And while religious and constitutional freedoms are often an issue in schools and are part of America's constant struggle with taking God out of the schools. Calvary Radio brings programming that addresses the true heart issues of fear and security.

### 7. Public Health

With health care costs on the rise and insurance prices increasing, families in the area often have to live without insurance and the uncertainty of what will happen to them if health problems occur. So we air programming that deals with ways to acquire health insurance and how to maintain good health if health care is unavailable to you. Centering on the fact

that our bodies are God's temple and we should do our best to take care of them but understanding that they're also temporary and God has a more perfect plan for us waiting in Heaven someday.

#### 8. Public Safety

Whether our listeners have to deal with icy roads, blazing fires or windy weather, we want them to be well equipped for anything that could come their way. So we provide programming to deal with some of the safety issues in hopes that it may just save a life one day. That's why it's important to us that listeners be aware of safety hazards within their homes, cars and workplaces.

Calvary Radio is committed to truth in radio and, in keeping with that commitment, our programming consists mostly of sound biblical teaching programs with a primary focus on the truth of God's word and its instruction to us.

Along with those teachers we also broadcast Jay Sekulow Live, a daily radio outreach program of the American Center for Law and Justice. Hosted by ACLJ Chief Counsel Jay Sekulow, this live call-in program focuses on the legal and legislative battles underway across America.

The following programs, however, we receive no financial reimbursement for broadcasting and are strictly for the purpose of inciting community interaction, encouraging education and discussing issues that relate to the city and county

The Following Programs for this Quarter Include

**Side A: 4/4/2021**

**The Cross and the Resurrection**

**1722**

Many people have no idea of the infinitely high price God paid for their salvation! [Pastor Robert Nash](#), author of *Last Words - 7 Sayings From the Heart of Christ on the Cross*, says while Jesus was gasping for every breath, he spoke words filled with hope and compassion. [William Frey](#), author of *The Dance of Hope*, tells how the Resurrection changed life on earth. Death lost its power over us. The disciples became fearless and transformed the world. Professional actor, [Bruce Marchiano](#), dramatically tells how the lifeless body of Jesus, dead for three days, came vibrantly back to life and showed us the new kind of body we will have.

**Side B: 4/11/2021**

**More Than Meets the Eye**

**1723**

[Dr Richard Swenson](#), physician, physicist and best selling author of *More Than Meets The Eye - Fascinating Glimpses of God's Power and Design*, describes the wonders of the human body, eye, ear and brain. God works in between space and time and has an eternity to answer the prayers of billions of people in a millisecond. The physical universe is like a tiny molecule on God's throne. God displays power, precision and beauty in His universe! Cuts of [Pastor Chuck Smith](#) on how seeds propel them to spread away from the tree. God designed coconuts to survive without salt water until the roots can get down to fresh water.

**Side A: 4/18/2021**

**Belief Determines Destiny**

**1724**

Parents pay huge sums of money for a Christian education but will that education undermine their student's faith? Are Christian colleges compromised? [Ken Ham](#), of *Answers in Genesis* and author of *Already Compromised*, surveyed hundreds of Christian colleges to find out if they were truly Biblical. What he discovered may surprise you, such as a majority teach evolution as a viable option or the truth! Compromised colleges produce compromised students who are weak and confused Christians instead of courageous Christian leaders, teachers or pastors who speak with confidence and authority.

**Side B: 4/25/2021**

**Learning Styles -Boys vs Girls**

**1725**

A California public school teacher teaches 'gender equality', that there are many genders, not just two. [Dr Michael Gurian](#), author of *Raising Boys By Design*, says boys learn differently than girls and need to be taught differently. A boy's energetic spirit is seen as disruptive, and he may be put on

Ritalin. Understanding the "hard wired" brain differences between the way boys and girls learn can mean the difference between success and failure. Boys learn by doing. [Chris Plante](#) reports on the Supreme Court 8:1 victory for free speech at college. [Dennis Prager](#) says a secular education can be disastrous to faith.

Side A: 5/2/2021

### Can America Recover?

1726

No generation has witnessed more fulfilled prophecy, since Christ, as this present generation. Yet many more prophecies are on the threshold of fulfillment. Iranian leaders believe the only way to bring the Caliphate into world dominion is to destroy Israel. [Joel Rosenberg](#), author of *Damascus Countdown*, predicted 9/11 nine months before it happened, now suggests Israel will launch a preemptive strike against *Iran*, but if they fail to get all the nuclear warheads, retaliation from the Islamic world would be *overwhelming*. He says, "An atomic Iran could do in 6 minutes what it took Hitler 6 years to do, kill 6 million Jews."

Side B: 5/9/2021

### God's Vision For America

1727

How can America get back to the ideas that made it the greatest Christian nation in history? [Peter Marshall](#), author of *The Light and The Glory*, says, "Colonial New England produced the most incredibly, well-educated generation of Founding Fathers who were not only brilliant, but they were full of Godly Character." Amazing achievements include the revival at Yale led by its president; Jonathan Trumble read the entire Bible at age 4 and passed the entrance exam to Yale at age 7. John Quincy Adams was an ambassador to Russia at age 14. We are seeing that without absolute values, corruption and destruction are certain.

Side A: 5/16/2021

### Escaping From Communist Cuba

1728

Socialism has been pumped into the head of at least 3 generations of Americans. A Marxist revolution is being played out here as it's been done in other countries by silencing opposition, propaganda and shutting down freedom and churches. [Maria Warren](#), who lost everything in Cuba says we are going in the same direction here with radical Marxists! What shocks most people is how fast we're turning into a Marxism country. Maria Warren's family grocery store and trucking company were 'nationalized' at gunpoint! People starved and many disappeared. The final nail in the coffin will be gun control/confiscation.

Side B: 5/23/2021

### Freedom From Nicotine

1729

A whole generation of young Americans getting hooked on nicotine, e-cigarettes or vaping, that has increased 900% among high schoolers has created a national health crisis. [Dr Robin Deterding](#), a lung specialist, says vaping can lead to chronic lung diseases. Vaping a cartridge a day is the same nicotine in a *pack of cigarettes*. [Mary Young](#), the author of *Get a Life! And Make it Smoke Free*, says cigarettes contain 6000 chemicals. Surgeon General [C. Everette Koop](#) got the warning label on cigarettes, and warned of second hand smoke, said tobacco manufactures target kids to smoke and know they are poisoning people for money.

Side A: 5/30/2021

### Memorial Day

1730

Freedom is not free but purchased at great cost. Memorial Day is a day to remember the sacrifices that paid for our freedoms. [Gary Horton](#), a motivational school assembly speaker, was an Army Ranger who fought for our freedoms, yet he's not given the freedom to speak about his Christian faith in public schools. Schools have re-written our history, banned the flag, and banned the motto and the pledge. Christians have accepted the lie that we must deny our faith in public and deny the basis of

where our freedoms came from- Biblical Christianity. Without this understanding, our freedoms are in grave jeopardy.

Side B: 6/6/2021

Is An EMP Attack Imminent?

1731

What happens *when* the electrical grid is shut down? Former CIA Director James Woolsey, says we are very vulnerable to an enemy EMP attack. **Mike Maloof**, author of *A Nation Forsaken-EMP: The Escalating Threat of An American Catastrophe*, spent 30 years with the Defense Department protecting us from terrorism, and now warns that it's not "if" but "when" an EMP will be exploded over this country. The results will be catastrophic. It's preventable, but our government is ignoring it, so we need to prepare ourselves. A huge solar flare, an EMP, or Radio Frequency weapons are a real threat. What can we do to be prepared?

6/13/21 Before the Rapture pt 1 1732

The Covid Epidemic shows how quickly and easily Americans will give up their rights and freedoms. Colleges are requiring 'vaccination certificates' this fall. The godless left is using the *covid crisis* for population control that will be like the coming *end-time* when governments will require a mark on your hand or head to buy food. Jeff Kinley, the author of *Aftershocks – Christians Entering a New Era of Global Crisis*, says a coming world-wide super crisis will be the rapture of millions of Christians causing colossal catastrophes. People will embrace the great delusion of the antichrist possessed by Satan coming back from the dead.

6/20/21 Rapture or Great Tribulation? pt 2 1733

Jeff Kinley, the author of *Aftershocks – Christians Entering a New Era of Global Crisis*, says prophetic end-times events, such as the first time in history we have the technology where the whole world can simultaneously see God's two witnesses written about in Revelation. Pastor John MacArthur says when God was taken out of our culture we've degenerated to having a depraved mind not knowing male from female. Ben Shapiro answers a confused student that he won't go along with the insanity of multiple genders. The antichrist, fully possessed by Satan, will perform miracles to convince the world that he's divine.

6/27/21 After The Rapture pt 3 1734 Some people say the rapture is just an escape. It's no more an escape than getting on Noah's Ark before the Great Flood. Pastor Jack Hibbs says he's excited to be "raptured" up to meet the Lord. Jeff Kinley, the author of *Aftershocks – Christians Entering a New Era of Global Crisis*, says the time is coming when all believers will be 'caught up' i.e. *raptured* up to be with Jesus as the world goes through the *Great Tribulation*. Kinley reveals God's magnificent plan from rapture to return to earth with Jesus to be in His Millennium Kingdom and reign with Him for a 1000 years. Then, the New Jerusalem will come down from heaven.
