1. Education

Calvary Radio believes that a good biblical education is the foundation for spiritual success. Education is important because the more knowledgeable we are in the word of God the better equipped we are to stand firm in the confidence of his truth. We also believe that, in addition to studying God's word, it is important that our children are getting a good education in schools and that our undergraduate and graduate students are being taught unbiased truth in their learning institutions. So we encourage people to stand up for truth and fight for good teachers in educational systems.

2. The Economy, Employment & Personal Finance

Due to the current economic recession, families in northwest Indiana are experiencing a higher difficulty in being able to acquire a mortgage, find employment and afford health care. We at Calvary Radio try to provide programming that encourages our listeners to make wise financial decisions through good financial stewardship during these uncertain times and to put their trust in God knowing that he provides for our needs.

3. Family & Marriage

Calvary Radio provides programming for all types of people from all types of families understanding that no family situation is perfect. We desire to provide programming that addresses all types of issues for struggling families. But our solution to these issues is found in Biblical principles and spiritual wisdom not just in psychologists and self-help books. We strongly promote a family first structure of living with a high value put on Biblical marriage.

4. Children & Youth

Seeing as how children are our future, Calvary Radio broadcasts various programs geared specifically to certain age groups in the hopes that kids will be challenged to grow in their spiritual lives and become good citizens as they grow older and mature in their faith and relationships with people. We provide Children's programming on Saturday Mornings and Youth programming on Monday evenings and weekends. Hoping to encourage youth to take their faith seriously and not succumb to peer pressure that may advise them to do otherwise.

5. Spiritual Growth & Practical Christian Living

Spiritual growth is one of Calvary Radio's main goals. We try and encourage spiritual growth in our listeners by broadcasting programming with sound Biblical teachers and challenging messages as well as praise and worship music to keep listeners encouraged and edified throughout their week. We strongly urge our listeners to seek to grow in their faith and not be content with a inactive relationship with God.

6. Religious Freedom, Oppression and Terrorism

The signal of WHLP and its translators covers the Chicagoland area, where terrorism is a bigger threat than elsewhere in the US so we at Calvary Radio are doing our best to educate people on the safety level of our area while reminding our listeners that God is our only source for true safety. And while religious and constitutional freedoms are often an issue in schools and are part of America's constant struggle with taking God out of the schools. Calvary Radio brings programming that addresses the true heart issues of fear and security.

7. Public Health

With health care costs on the rise and insurance prices increasing, families in the area often have to live without insurance and the uncertainty of what will happen to them if health problems occur. So we air programming that deals with ways to acquire health insurance and how to maintain good health if health care is unavailable to you. Centering on the fact

that our bodies are God's temple and we should do our best to take care of them but understanding that they're also temporary and God has a more perfect plan for us waiting in Heaven someday.

8. Public Safety

Whether our listeners have to deal with icy roads, blazing fires or windy weather, we want them to be well equipped for anything that could come their way. So we provide programming to deal with some of the safety issues in hopes that it may just save a life one day. That's why it's important to us that listeners be aware of safety hazards within their homes, cars and workplaces.

Calvary Radio is committed to truth in radio and, in keeping with that commitment, our programming consists mostly of sound biblical teaching programs with a primary focus on the truth of God's word and its instruction to us.

Along with those teachers we also broadcast Jay Sekulow Live, a daily radio outreach program of the American Center for Law and Justice. Hosted by ACLJ Chief Counsel Jay Sekulow, this live call-in program focuses on the legal and legislative battles underway across America.

The following programs, however, we receive no financial reimbursement for broadcasting and are strictly for the purpose of inciting community interaction, encouraging education and discussing issues that relate to the city and county

1/2/22 Great Health Naturally 1761 Public health officials warn that this generation is at greater risk for heart disease and diabetes. Children who eat just three hot dogs a week have 9 times the risk of getting leukemia. Americans are dieting more but are more overweight than ever which increases their risk of getting cancer, heart disease and diabetes. Dr Ted Broer, a nutrition expert and author of *Maximum Fat Loss and Maximum Energy*, gives a comprehensive overview of a good diet and foods to avoid. He warns of Ritalin use for ADHD. Lifelong habits are established in youth, yet 27% of young people are too fat to fight in the military.

1/9/22 Signs We Are Living in the End Times 1762 How do we know we are living in the end times? Bible teacher Don Stewart, author of *25 Signs We Are Near the End*, says, Never before has there been the technology to show the whole world at the same time the two witnesses of God lying dead in the street miraculously coming back to life. Don Stewart tells of the ubiquitous *Starlink* satellites that will enable everyone around the world to see this at the same time. Pastor Billy Crone, author of *The Final Countdown – The AI Invasion*, says artificial intelligence will help the Antichrist to monitor the whole world to see who worships his image and takes his mark.

1/16/22 Killing Roe: The Supreme Court decision in *Roe v Wade* has had a disastrous affect on our nation by killing a whole generation of over 62 million babies. Legalizing abortion declared children in their mother are not people and can be killed legally. Recently the Supreme Court heard oral arguments in a case that could overturn Roe. Attorney Laura Ingram, host of Fox's *Ingram Angle*, says the arguments presented to the court for keeping Roe legal are bogus. Senator Josh Hawley says it's time the American people had the choice. Ted Cruz said he hopes the Supremes will turn this issue back to the states to decide on abortion.

1/23/22 Was Jesus A Socialist? 1764

Has our nation become a socialist nation? Rand Paul and his wife Kelly, authors of *The Case Against Socialism*, say socialists use Scandinavia as an idyllic socialist nation. But the Scandinavian economy is funded by capitalism. Young Americans don't know how the socialist USSR, Nazi Germany and China slaughtered about 100 million people! Jay Richards, author of *Money, Greed, & God*, says Jesus parable of the talents is a classic case for capitalism. Private property ownership is capitalism. The Ten Commandments to not steal or covet, include individual ownership of property, otherwise there would be nothing to steal.

1/30/22 Why Does God Allow Suffering? 1765 What do many Christians with weak faith do when disaster strikes? Radio and TV host, Joni Eareckson Tada, author of more than 50 books including, *An Unforgettable Story*, has suffered for over 50 years with quadriplegia and extreme pain. Then she got breast cancer! What helps is focusing on Jesus and his suffering to pay for our salvation. Tim Hansel, author of *You Gotta Keep Dancin'- In The Midst of Life's Hurts You Can Choose Joy*, suffered a tragic fall that broke his back, causing him to be in extreme pain, says, " This light and momentary affliction is preparing for us an eternal weight of glory beyond comparison!"

2/6/22 Evolution's False Evidence 1766 Scientists have censored and fabricated evidence that disproves evolution. Jack Cuozzo, author of *Buried Alive - The Startling Truth About Neanderthal Man*, was the only creationist who saw the original bones used to support evolution and he says they are fraudulent. Evolutionists claimed Neanderthal man was a transitional species. Dr Cuozzo says Neanderthal man was one of the ancient people who had a different DNA from ours because they lived hundreds of years. Dr Cuozzo describes the huge bones of these ancient patriarchs. The teeth of ancient lions and crocodiles consisted of molars for grinding vegetation.

2/13/22 God's Creative Genius 1767

God brilliantly knit our bodies together to show His creative genius. God's creative genius in the physical realms leads us to want to know Him. Best selling author, Philip Yancy, author of *Fearfully and Wonderfully*, who survived a near fatal car accident, surprisingly talks about the benefits of pain. Until God became flesh as Jesus, he had not truly experienced pain and suffering as we do. If you want to know how God feels about our pain and suffering, look at how Jesus responded when He was on earth. Without Jesus, we would not know the love of God. The inspiration behind "Fearfully" is surgeon Paul Brand.

2/20/22 War on American History 1768 Why are statues of Presidents like Lincoln, Roosevelt and Washington torn down? Are we ashamed of our heritage? Feb 21 is President's Day but few people know or celebrate it. Peter Lillback, author of *George Washington's Sacred Fire*, says Washington was a strong Christian. Lincoln freed the slaves. It's an attack on our nation in an attempt to destroy it by

destroying our history. Washington said, "The two indispensable pillars for government are religion and morality." Peter Marshall, author of *The Light and the Glory*, describes how God supernaturally protected Washington and saved our rag-tag Continental army.

2/27/22 Anticipating the Rapture 1769 Does the rapture of believers, who are transformed into a spirit body, to meet the Lord in the air, occur before the Tribulation? How is Jesus's appearance in the rapture different from His second coming to earth? Prophecy expert Dr David Reagan, founder of Lamb & Lion Ministries and author of *Living on Borrowed Time - The Imminent Return of Jesus*, said, "There's no mention of the Church after Rev 3, because the Church has been raptured out." Evangelist Tiff Shuttlesworth says Biblical patterns show us God's character. Since Christ took our punishment for us, God won't bring his wrath on his Church.

3/6/22 A Neurosurgeon's View of Life & Death 1770

We will each face the fear and pain of our death or of a loved one. How we respond will show a deep faith or shallow religiosity. Dr Lee Warren, a neurosurgeon and Iraq war veteran, is the author of *I've Seen the End of You- a Neurosurgeon's Look at Faith, Doubt and the Things We Think We Know*. In this gripping, inspirational memoir, you will get an honest look between his faith and his medical experience. His testimony will stir your faith as you hear his insightful and profound thoughts. These inspirational accounts reveal a profound faith in some patients who pray that God would take them home to heaven.

3/13/22 The Fairytale of Evolution 1771: Is the age of the earth important? Some stars are so far from earth that it would take millions of years for their light to reach us. Is that proof for an "old earth"? Many people, including Christian leaders, try to fit billions of years into the Genesis account. Russ Miller, author of *It's About Time - How to Believe God's Word in a Secular World*, substantiates the Biblical account through logical and scientific answers to man's origin, sin and death. The amazing universe shows God's awesome creativity. The omnipotent Creator simply spoke and galaxies whirled into space and the universe was created.

3/20/22 Communist Infiltration 1772 The Communist Manifesto is the most assigned economics book on US college campuses! In 1984, a Russian KGB officer, Yuri Bezmenov, author of *Love Letter to America*, in a one-hour presentation, reveals the KGB strategy to use our education system to replace the ideas of free enterprise and capitalism to teach ideas of social justice, equality and redistribution of wealth! Without knowing their true American history, students are easily brainwashed to hate our nation and bring it down! Trump's 1776 Commission to teach our true history and patriotism has been abolished by Biden. Are we becoming a communist nation?

3/27/22 Living in Communist Russia 1773 We take our precious God given freedoms for granted. Powerful forces want to make our nation socialist even communist. Immigrant Jamie Glazov describes the terror and oppression in the USSR before coming here but how America was like heaven. As a graduate student, Jamie tells how university professors believe and teach that communism is wonderful and capitalism is oppressive! Russian military scientist, Dr Igor Shafhid, former communist and author of *Inside the Red Zone*, says, "We could lose a city to terrorists and recover, but if we adopt a communist ideology, the whole country is lost."
