ANNUAL EEO PUBLIC FILE REPORT  
2/1/15 to 1/31/16**

Non-vacancy Specific Recruitment Activities completed in this reporting period are ...

An on-going announcement for interns is listed on the Oklahoma Association of Broadcasters website. During the reporting period seven college and one high school student served as paid interns learning, to varying degrees, the inside workings of a radio station. To alert students at the college to the possibility of working with a local broadcaster, a poster is in the college library year round advertising for interns.

Station personnel conducted numerous tours for “Kid DJ Day”, as well as for students from Christian schools and other guests with a brief explanation of broadcast careers.

Two on-air personalities spoke in several schools in the listening area, speaking on making positive choices, and interesting young people in the field of broadcasting.

Personnel whose primary job is off-air support have been given opportunities to build a variety of skills marketable in the communications industry.
