

## ***Issues & Programs Statement***

### ***Revised 01/01/18***

The licensee, *WSEB - Suncoast Educational Broadcasting*, is a Religious Broadcaster and recognizes that many of the issues people face today, are based upon a person's spiritual needs. It is our goal to address the following areas of Community concern through our issues and public affairs programming:

- *Strengthening the Family, Family related concerns and traditional family values*
- *The Sanctify of Human Life from conception to natural death*
- *Morality & Decency Issues and the threats of Pornography*
- *Troubled Youth, Juvenile Delinquency, and Issues that impact children, while giving our community's youth value and purpose in life*
- *Drug & Alcohol Abuse*
- *Teenage Pregnancy*
- *Religious Freedom issues, Freedom of Speech and other rights granted by the Constitution*
- *Threats against our Nation's heritage, and like subjects*
- *Education Issues*
- *Environmental Issues, as well as being stewards of our land*
- *Government related issues - promoting good citizenship by being informed and involved to make our city, state and country better places to reside*
- *Health & Healthcare in ethical manners*
- *National Security*

It is our goal to strengthen the family unit, which enhances our value within the community. We seek to make our listening audience aware of those issues which are a threat to our society, as well as the breakdown of the home. As a result, we will seek to include programming which responds to these and other issues in serving the interest of our community.
