

Public File - Donors

List of Donors

10-01-23 to 12-31-23

Due to the economic forces beyond our control and a slow recovery post Pandemic, our donations have been infrequent due to opening schedules of businesses and the conditions in which they are recovering from the pandemic, employment challenges and inflationary influences.

We are still working with on having a new website created to make online donation easier and it shall include many additional features and improvements for our listening community. When it is completely functional it will facilitate donations in several ways. We are in final stages for the site and hope to be fully using it at some time during or prior to the second quarter of 2024 .

We received a donation of \$2375.00 for tower site rental, \$1899.00 for Windstream service, \$300.00 to BMI, \$702.00 for Comcast service, \$231.65 for an APC back up device from Best Buy and \$35.00 for Crete Post Office Box rental.
