List of Donors

07-01-22 to 09-30-22

Due to the Pandemic and COVID-19, our donations and direct contact and visits with area businesses/donors have been infrequent due to opening schedules of businesses varying with virus spikes and vaccine compliance and availability in the areas WGEN-FM serves within Will County. IL.

We are having a new website created to make online donation easier and it shall include many additional features and improvements.

Mr. Sinon donated \$3,500.00 during this quarter.

There were donations through Network For Good (on Facebook) for \$85.00

Two checks totaling \$750.00 were collected from The Firepit (Peotone, IL) totaling Which are due to be deposited early next quarter (Quarter 4).

Like many small endeavors, the pandemic and inflationary issues continue to be problematic.
