List of Donors

10-01-22 to 12-31-22

Due to the Pandemic and COVID-19, our donations and direct contact and visits with area businesses/donors have been infrequent due to opening schedules of businesses varying with virus spikes and vaccine compliance and availability in the areas WGEN-FM serves within Will County. IL.

We are having a new website created to make online donation easier and it shall include many additional features and improvements.

Two checks totaling \$750.00 were collected from The Firepit (Peotone, IL) and deposited (Quarter 4).

Like many small endeavors, the pandemic and inflationary issues continue to be problematic.
