Can't stress the importance of public transportation....because with out the trains and buses working properly and on schedule.....we'd quickly reach gridlock on our roads..... we got kind of a taste of trouble when power lines crossed the main tracks near Cumberland...and stopped metra commuters on the union pacific northwest line this past Friday.....

GOOD MORNING, I'M STEW COHEN AND THIS IS NORTHWEST SPECTRUM...A PUBLIC AFFAIRS SHOW AIRING EVERY SUNDAY MORNING.

IN THE NORTHWEST SUBURBS....THE CAMPAIGNS FOR MCHENRY COUNTY SHERIFF HAVE GENERATED CONSIDERABLE ATTENTION BECAUSE THE LONG TERM SHERIFF....KEITH NYGREN IS RETIRING.....LEAVING THE POSITION OPEN TO EITHER THE LAWMAN OR THE LAWYER...AS THE NORTHWEST HERALD NEWSPAPER RECENTLY SUCCENTLY DESCRIBED THE TWO IN A HEADLINE....

NORTHWEST SPECTRUM ON WFXF 103.9FM AND WZSR-FM STAR 105.5 ON SUNDAY, NOVEMBER 23, 2014 FOR TEN MINUTES AT 6AM.

The analysis of mental health counselors examining college students today show that more students are unable to handle the pressures...and are clearly showing a high level of anxiety and depression.

This trend is a big concern for the mental health community because for students in college to learn effectively, they need to be all around able to cope...with good intellectual and physical skills. They also should be emotionally and spiritually ready, according to a story in the September 2014 issue of monitor on psychology, by amy novotney. She's quoting louise douce, a phd special assistant to the vice president of student life at ohio state university.

GOOD MORNING, I'M STEW COHEN...AND THIS IS NORTHWEST SPECTRUM, A PUBLIC AFFAIRS SHOW AIRING EVERY SUNDAY MORNING.

Mental health issues can be managed....but this takes young people to seek out help from college and university counseling centers....and for the centers to be prepared for the students. ..and they're getting more students because the numbers keep rising and some of the students are really not prepared for higher education.

MY GUEST THIS MORNING IS ELLEN ZIMMERMAN ....A LICENSED CLINICAL PROFESSIONAL COUNSELOR. ZIMMERMAN ALSO PROVIDES COUNSELING AT MCHENRY COUNTY COLLEGE AND SERVES AS THE COORDINATOR OF THE DEPARTMENT OF THE "FIRST YEAR EXPERIENCE."
