Dear Tina,

I am writing to thank you on behalf of Senior Services Associates Board of Directors, Staff, and volunteers, for your continued partnership of our Organization at the Emerald Level of \$5,000. I am pleased to inform you that we raised \$32,000 at our Spring Fashion Show which was held on Sunday, March 30, 2014. Thanks to your generous sponsorship, we were able to raise funds to support important programs and services that impact the lives of the over 10,000 seniors that we serve throughout McHenry County annually.

This event would not have been a success without the generous support you have provided us. We deeply appreciate the willingness with which you continue to sponsor our efforts to help seniors live independently while promoting healthful mental and physical aging and to advocate for the rights and dignity of vulnerable older adults and the disabled. We encourage you to take advantage of the rights and privileges that come with your level of sponsorship. Senior Services looks forward to a successful continued partnership and we invite you to come for a site visit and see our programs in action.

With Sincere Gratitude,

\*On Saturday, June 21, at 4:30pm, a severe thunderstorm rolled into northern Illinois....bringing strong winds and hail. Also, the storm appeared to have circular winds that may have been tornadic.....and a tornado warning signal went off in Crystal Lake, Lake in The Hills, Wauconda, and other communities.

At the radio stations, several on-air talent converged...including Joe and Tina of the Monday through Friday Joe and Tina STAR 105.5 Morning Show and News Director Stew Cohen. While Stew worked on 103.9 The Fox by providing three updates an hour through 6:45pm, Joe and Tina with help from Clinto (overnight jock) kept listeners informed on the tornado warning and severe thunderstorms. Stew Cohen helped out by providing information from police and National Weather Service updates.

The tornado warning was cancelled by 6pm on STAR....and 103.9...though the severe thunderstorm warning continued to 6:30pm on 103.9.

Jordanne,

The NORTHWEST SPECTRUM aired this past Sunday, 6am on STAR 105.5 and 103.9 The Fox. This morning at 11 o'clock, I put the audio interview on the web sites.

I attached the NORTHWEST SPECTRUM as an MP3 as well.

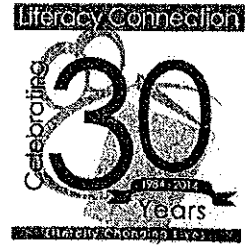

You may go to the web sites [www.star105.com](http://www.star105.com) or [www.rockthefox.com](http://www.rockthefox.com) main page, then look in the upper right corner for a box...then type in Spectrum and click, taking you to my news page where you'll see my picture and three boxes. Click on the box to the far right, Northwest Spectrum, and you'll see the interview. Hit the arrow and the interview should start in less than 30 seconds. You also have permission to put the interview on your web site for AEM or I Make America or both.

Literally Changing Lives

June 16, 2014

Mr. Stew Cohen  
640 Sharon Drive  
Crystal Lake, IL 60014

Dear Stew:

Since 1984, thousands of individuals in Elgin and surrounding communities have been helped by Literacy Connection to reach their goals toward literacy. We have been able to do that through hundreds of volunteer tutors recruited and trained by our staff. The 17<sup>th</sup> Annual Trivia Bee Fundraiser raised needed dollars to help provide these services. Besides that, it was a fun and challenging event!

Thank you for your donation of The WYEN Experience Autographed Book which was a raffle prize for participating team members at our Trivia Bee Fundraiser. This year we raised over \$18,000 and as our major fundraising event, all proceeds raised help provide literacy services to Elgin and 15 surrounding communities.

Last year we served 284 adult learners, using 178 volunteers. There is always a waiting list for tutors and your support helps us provide needed services to the learners.

Again, thank you for your generous support of our 17<sup>th</sup> Annual Trivia Bee Fundraiser.

Sincerely,

Karen L. Oswald  
Executive Director

Dear Tina,

Thank you for partnering with the Library in our Paint the Town READ initiative. The Crystal Lake Public Library values reading as a critical life skill used daily, which contributes to our personal transformations as we learn, enjoy, and explore.

Margaret Fuller said, "Today a reader, tomorrow a leader." Years ago when I was a young parent, I heard the author Jim Trelease speak on reading. He said that one of the most valuable lessons we can give our children is to read in front of them, to demonstrate the pleasure of reading. We're grateful to have our community leaders inspire others by modeling reading.

Your READ poster is a wonderful example of the fact that our community's Leaders are readers. We hope you will display your poster proudly at home and in your workplace.

With appreciation,

## NORTHWEST HERALD

# Tornado warning in McHenry County expires, watch on until 4 a.m.

---

Published: Monday, June 30, 2014 2:57 a.m. CDT

---

A tornado watch is currently issued in McHenry County by the National Weather Service, after a tornado warning expired around 2:30 a.m.

The warning was issued around 1:50 a.m. and the storm was reportedly moving east from the Marengo area. By around 2:30 a.m. the storm had weakened enough to allow the warning to expire.

The watch, which means conditions are ripe for the formation of a tornado, is set to last until 4 a.m. Monday morning.

The storms have been located near Holiday Hills, as of 3 a.m., moving east at 30 miles per hour.

Affected cities include Lakemoor, Holiday Hills, Wauconda, Island Lake, Pistakee Highlands, Lake Zurich, Sunnyside, Tower Lakes, and Long Lake.

As windblown debris is still a threat, the National Weather Service is advising those in affected areas to seek sturdy shelter until the storms have passed.

*The Pioneer Center Board of Directors*

Dear Joe & Tina,

On behalf of the clients, board of directors, staff at Pioneer Center and Auxiliary Committee, we want to thank you for all you did to assist with our 4<sup>th</sup> Annual Moonlight & Music event!

This was our **most successful event ever**. More than 250 people celebrated on the ninth fairway at the Crystal Lake Country Club with Pioneer Center, helping to raise over \$170,000—a record-breaking amount for this event.

This event would not have been possible without you! We appreciate your talents. You were amazing and brought just the right amount of energy we were looking for!

Thank you for your continued support and for helping us “empower individuals to achieve their full potential.” As you heard when Mr. Laskey spoke at our event, his son James’ life is full. James is happy and independent with the assistance provided by Pioneer’s services and staff.

In appreciation,

*President & CEO*

*The Funding Development Team*

Dear Mr. Mike, and the Star  
105 team,

Thank you for attending our 15  
year anniversary mixer. It was  
so great having your familiar  
faces in the crowd.

The flowers that you sent  
were absolutely beautiful and  
really complimented our beverage  
table.

And the microphone gift for Rick  
and Patty was just perfect! I know  
that Patty thinks of Elvis every  
time she looks at it.

Thank you for all of the support  
that you provide for us. We certainly  
wouldn't be celebrating 15 years  
without you!
