WITHOUT A TRACE

Why would a woman who seemed to have it all just vanish into thin air? On New Year's Day 2012, Shelby Wilkie disappeared without a trace. Although there are no obvious clues, the lead detective on the case has a strong gut feeling that leads police on a game of cat and mouse. TO CATCH A FAKE

David Muir heads a year-long "20/20" investigation, with rare access on the ground and behind the scenes with Homeland Security, Customs and Border Protection, FBI, ICE, Interpol, LAPD, and the LA Sheriff's department as they battle the tidal wave of counterfeits entering our country and being sold online, in stores, and on the streets. From the back streets of Los Angeles, to the suburbs of Kansas and the ports of Miami, "20/20" travels to 24 cities spanning three continents. David Muir reports.

WHO'S FREELOADING

- **Workers Comp:** "20/20" uncovers scores of people accused of faking injuries to claim disability and workers compensation benefits – costing taxpayers hundreds of millions of dollars. From the 22 year-old beauty pageant contestant seen strutting down the stage in high heels (even while she is collecting disability for a fractured toe) to the New York Port Authority Police Officer who had to turn in his badge after being caught on Youtube fronting a heavy metal band, these accused con artists are all caught in the act on tape, trying to cash in on false claims. Cecilia Vega rides shotgun with two private eyes hired to crack down on the suspects. (OAD: 10/24/15)
- **Bogus Broker:** Shannon Lee is accused of illegally claiming ownership of vacant homes -- selling some, renting others, and letting her alleged partner in crime live in another (Shannon was also living in one). But police say it all came crashing down when she snatched the home of a police department employee. Gio Benitez is there as the law came knocking. (OAD: 10/24/15)
- **Wedding Crashers:** If you are bold enough, you can have all the food and drink you can handle. Paula Faris with the risks some people are willing to take for a thrill and a meal. (OAD: 10/24/15)
- Federal agents rigged up a Social Security office with hidden cameras to catch Lawrence Popp as he came in to be assessed by a local benefits administrator; making bold, categorical claims about his inability to drive or read because of blindness, moments before he hit the freeway as he headed home. Rebecca Jarvis reports on one man caught on camera defrauding social security. (OAD: 1/9/15)

SWEETHEART SWINDLE

"20/20" takes viewers inside an all-time classic con, right out of a Hollywood script – a game of deceit and double dealing starring a mild-mannered millionaire who went looking for love in all the wrong places. Ralph Raines, a quiet and socially awkward heir to a \$15 million fortune built by his father, was a simple man living alone on his family's tree farm in Oregon. Ralph had little use for money; what he really wanted was a family – a loving wife, a child of his own.

Among his hobbies -- an interest in the occult. So he thought it was good fortune when a psychic reader named Rachel Lee came to town. Over time, Ralph will reveal everything about his desperate desire for companionship... and his family's money. That was the beginning of an intricate, decade-long scam hatched by Rachel Lee. Before the feds could bust the scam wide open, there would be millions spent on expensive homes and cars, first-class trips around the world, and the mysterious child who Ralph believed was his son.

BAD BLOOD

Love, lies, and videotape... Ryan Poston, 29, was found murdered with his own gun. At first, a 911 call to police from his girlfriend Shayna Hubers described a violent domestic dispute that resulted in her killing him in self-defense. But after a lengthy and bizarre police interview, a different picture emerged – one of a jilted lover who joked to one detective: "I gave him the nose job he wanted." Gio Benitez's reports.

MYSTERY IN THE MANSION

On May 14, 2015, three members of a wealthy Washington, DC area family and their housekeeper were murdered in their own home. The victims were held hostage for 19 hours. To date, only one suspect is in custody – the result of a 48-hour manhunt that spanned from Washington, DC to New York and back again. "20/20" provides the very first in-depth look at the grisly crime that has captivated the country. Ryan Smith reports.

THE WOLFPACK

Tucked away in Manhattan's Lower East Side, a family with seven children lived together in a small apartment for more than a decade, but almost no one knew they existed. The children, one daughter and six sons, were raised in four small rooms, homeschooled by their mother and trapped by their father, who allowed them to leave the apartment they shared only for rare, closely supervised outings. Until one day in January 2010, when one son, Mukunda, a middle child who was 15 at the time, found the courage to break free. The story of the Angulo family was revealed through a new documentary, "The Wolfpack," focusing on the six brothers. Elizabeth Vargas reports.

20/20 SATURDAY

Saturday, April 18, 2015 (8-10PM ET)

BLACK WIDOW

Two men poisoned, laid to rest in the same cemetery, side by side. Was the grieving wife, Stacey Castor, really a black widow who murdered both of her husbands just a few years apart? And was this woman so twisted that she poisoned her own daughter, Ashley, to stage it as a suicide and frame her for the heinous crimes? Or was the daughter actually responsible for the men's deaths? ABC News Correspondent David Muir reports.

WHAT WOULD YOU DO?

Using hidden cameras, "What Would You Do?" establishes everyday scenarios and then captures people's reactions. Whether people are compelled to act or mind their own business, John Quiñones reports on their split-second and often surprising decision-making process.

Friday, May 29, 2015 (Season Premiere)

- **Online Predator:** At a café, a teenage girl thinks she is about to meet a boy she met online. When he arrives she realizes this boy is really a man in his 40s and has been lying to her the entire time. What will fellow diners do when they witness this happening?
- **Race Appropriate Toys:** "What Would You Do?" set up their hidden cameras in a toy store to see what would happen when a white child insists on getting a white doll as her black nanny pleads with her to diversify her doll collection with a black doll. Then, what happens when the same child prefers a black doll while her white nanny protests?
- **Inappropriate Mom:** Will shoppers at a clothing store side with a teenage girl embarrassed by her mother who is trying to dress like her, or with the mother, who won't back down?
- **Invasion of Privacy:** A woman asks a bartender to charge her low battery cell phone behind the bar. When she walks away, the bartender starts reading her texts, emails and even tries to share her personal photos with others at the bar. Will anyone intervene when they see this invasion of privacy?
- **Bowling Shoe Swap:** Players trade their shoes for bowling shoes before playing and when their game is done they return their rentals to get their shoes back. But not today! What will people do when, instead of their shoes, our inept shoe swap clerk returns them a pair of dirty loafers or a pair of Christian Louboutin pumps?

- America's foster care system can be a lifeline for approximately 400,000 kids who need a place to call home. But sometimes the people who volunteer to take these kids in do it for the wrong reasons. What will happen when diners at a restaurant witness a foster mom treating her foster son differently from her biological daughter? Clearly the mom is in it just for the money.

- What happens when a young white woman with an urban style is told by a sales person at a clothing store that she should not try to dress the part of a black woman? How will other customers react?
- Recently a video went viral, showing a father pushing his six year old son down a 12 foot skateboard ramp. In this "What Would You Do?" scenario, a father is pushing his young son to go down a ramp, even though the boy is uncomfortable. The boy pleads with his dad, and tells him that he is just not ready - but the father will not take no for an answer. How will bystanders react?
- A mother and son are having a conversation at a toy store – she had promised him one toy, but now she can't afford it. The mom apologizes and tells her son that times are hard, and says she will try to get it for him another time. What will other customers do?
- An unhygienic ice cream store employee touches and (and even tastes!) your ice cream, right in front of you. The worker is coughing and sneezing, using dirty utensils and even dropping items on the ground, and still tries to serve them. How will customers react?

Friday, June 12, 2015

- At a nail salon, our actor faces rude behavior from a worker because she has vitiligo, a non-contagious condition that causes the skin to lose pigment. The nail tech refuses to touch the woman for fear that she could "catch" the disease. How will witnesses react? Chantelle Winnie, a model with vitiligo, joins us on set to witness and participate in this scenario.
- A group of three teenage boys are at a restaurant when two of them pull out bottles of an over-the-counter cough syrup, pushing the third boy to chug a large amount to get high (often called "Robotripping.") The third boy is hesitant to try. How will fellow diners react?
- While at a restaurant, a mom and dad announce to their son that they are getting divorced. The parents begin to blame each other, and then blame their child – exactly what experts say not to do. How will witnesses react?
- A guy breaks up with his girlfriend while sitting on a park bench, near some strangers. He departs, leaving the girlfriend with her head in her hands, distraught. As she sits there crying, how will strangers react? Will reactions change when the girl breaks up with her boyfriend?
- When customers arrive to pick up their cakes at a local bakery, they discover that our baker ignored their orders in favor of her own outlandish ideas. How will customers react?

Friday, June 19, 2015

- A Latino day laborer who was working in a wine vineyard's fields decides he would like to sit on an outdoor patio to enjoy his lunch. That patio is used by the vineyard's customers and some of them are vocal about not liking that he is there. How will other paying customers react?
- A Chicago chef tweeted he was considering a "baby ban" after a baby would not stop crying in his upscale restaurant. So how will customers react when a couple brings their crying baby to a nice restaurant?
- What would you do if you see a man fake a fall while at a grocery store? Our actor fakes his fall right in front of other customers, making sure it looks realistic before complaining to management. How will onlookers react?
- A woman at a coffee shop is using a table as her personal office. She shreds, prints and answers all her phone calls on speaker. Will customers say anything?
- While at a clothing boutique, a mother lets her kids behave out of control, running wild, and destroying merchandise while she shops. How will fellow shoppers react?

Friday, June 26, 2015

- Thanks in part to Caitlyn Jenner and Laverne Cox, we are hearing more about those who are transgender than we ever have before. From reports and interviews, we have learned that many who are transgender identify being in the "wrong body" at a young age. "What Would You Do?" is at a hair salon where a young girl tells her mother that she wants her hair cut short because she feels like a boy on the inside. How will bystanders react?
- A mom coaches her clearly musically gifted son through playing the guitar, yet nothing the child does is good enough. How will bystanders react?
- A couple plans a romantic dinner at a nice restaurant but they instead encounter an overly flirtatious server. The server is an actor as is the target of the server's affection. What response will this flirting illicit from the target's significant other? "What Would You Do?" hidden cameras will be rolling while we test one of the most basic human instincts – jealousy.
- Three teenage girls come into an ice cream shop together and one is a little bigger than the other two. The thinner two criticize their "friend" and tell her she really should order low-fat frozen yogurt because if she wants to continue hanging out with them she better not get any fatter. How will other customers react?
