Could a school yard crush – one boy's same-sex attraction – be a motive for murder? And, when one student is allowed to dress in women's attire and openly professes his attraction to another boy, does the line between exactly who bullied whom suddenly become blurred? Will a jury convict a boy who was barely 14 of first degree murder and a hate crime, and if not, are they blaming the victim for causing his own death? "20/20" goes inside one of the most controversial bullying cases of our time. Juju Chang reports.
