

## Peninsula Radio Group Programs and Issues – 1st Quarter 2022

The following is a list of news items covered by the Peninsula Radio Group Stations (KPEN -FM, KWVFM, KGTL AM/FM, KXBA-FM) in news reports and radio programs during the 1st Quarter of 2022. This list is by no means a complete list of all the items covered during that reporting period but is a general summary of key reports. It is a good faith effort to comply with FCC Regulator Public File Compliance for the American Radio/Television Broadcasting Industry.
