Howdy,

Are you going to broadcast CCHS Football and Basketball games in the 2015-2016 school year.

We tuned in Friday night and couldn't get the Whitko – CCHS Football game?

Hi Dennis,

Yes, we are broadcasting this year's football and basketball games. Were you listening on your radio or your computer? We've been having some trouble with the online streaming but our regular FM broadcast was not experiencing any issues. We are currently working as fast as we can to get this issue resolved. Thanks for writing!

Hi Dirk, I was trying to tune in to 91.5 FM radio Friday night. I couldn't seem to find the broadcast and I am just off W Lincolnway at US30 west. Will try again this week. Thanks for update.

That's very strange! I will look into it and make sure our transmission is at full power.

Hi Jill,

Sessions greetings!

I know it has been a while since we have communicated. There was a report of Northeast Indiana Public Radio's Classical/WBNI (94.1fm, Roanoke) receives a \$10,000 FCC fine for public file violations.

Report below

[http://r20.rs6.net/tn.jsp?e=001InYW\\_QA0ewAadb8z0MuSBQQeTm3vhQCunpgiGLDFOVzGXj\\_U\\_FKJCT67o9SAg1fDJ4r0LIQ9AkuxzmOTKvAg7NdTFoxN5CkUTOy3n9eA\\_ikfTKGTSIXFHPfcI1y7WI-cGT\\_IcTlgvb1OeUEcMytaWfdk2\\_UpJV2U1PGI\\_W8ebS1cooDt4hxfz37OSTXry2OLo6w7bQ0aRs=](http://r20.rs6.net/tn.jsp?e=001InYW_QA0ewAadb8z0MuSBQQeTm3vhQCunpgiGLDFOVzGXj_U_FKJCT67o9SAg1fDJ4r0LIQ9AkuxzmOTKvAg7NdTFoxN5CkUTOy3n9eA_ikfTKGTSIXFHPfcI1y7WI-cGT_IcTlgvb1OeUEcMytaWfdk2_UpJV2U1PGI_W8ebS1cooDt4hxfz37OSTXry2OLo6w7bQ0aRs=)

It had put chills down my back for how much I enjoy WJHS past, present, and future.

The other thing I would keep a look out for is that since WOWO is on 92.3fm and WOWO is Fed Med ratings maker that some Management, in South Bend may complain because of bleed over in the Columbia City area. My response is 92.3fm drown out far more Square Mile in Fort Wayne of WJHS 91.5 frequency.

That aside, if I would like it look at the Public inspection file, what time and day would be best? Also, do you plan on air when the file can be look at as the FCC rules ask, and note it in the log.

I work with public using community Access, and I don't want to be a pain as I see with other people.

One last thing, I had some interest in doing a video documentary of WJHS. I like your input and also would like to include any students that would like to get involved.

Thank you.

Hey Jill

I love your station, I sit here (in Australia) and listen whilst at work, normally from 8.30am (about 6.30pm your time) to 5.00pm (3am), I love the mix, music I know that's worldwide and plenty that's more UScentric.

**Subject:** What a find

To whom:

While on my way to Fort Wayne VA hospital I got out of range of my local radio station about Warsaw. So of course I started searching. I came across this song playing that sounded interesting. I listened. WOW...this station is awesome.  No commercials and the music was new to me and pretty darn great stuff in my opinion.    So while driving I wrote down the frequency and locale. Just now looked it up and turned it on. Still great music. Okay, what kind

of music is this? What do you call it? Adult alternative?  Indie?  While listening I did not recognize a single song or artist. Yeah, me that would amaze people to spurt out the song title and artist after hearing 3-4 notes. (Classic Rock) Anyway, I am glad to know I can listen on my computer. On the way back home (Mishawaka) I listened again but lost it just west of Goshen. I will be listening every time I go to Fort Wayne. And that's a lot. Will also listen

when surfing too.  . Oh, did I mention I was 66? Doesn't matter. As I always said: "If it sounds good...listen."

GO YOU EAGLE, GO!
