Subject: Public Media Village Wrap-up

Good afternoon everyone,

First, thank you for all of your help this year with the Village. We had a wonderful time at the three conferences and our presence as a Village was great!

The database of candidates from all three conferences is finally complete. Here are some links you will want to hold on to for future reference..

2018 Candidate registration info: This spreadsheet lives within the 2018 CANDIDATES folder. Here, you will find the information collected from the form on our website. I've added links where I could to Twitter accounts, LinkedIn pages, personal websites, and resumes. Please note that the tabs at the bottom indicate the separate conferences.

^^^ Feel free to share these photos and/or post them on your social media pages! Please remember to credit me as the photographer (Jenna Sterner). Also, please let me know if you'd like to use them for your website, so that I can keep track of where they are used.

If you have any additional feedback or thoughts from this year's conferences, please send them all my way! I am compiling a list of feedback, most of which at this point is from the phone calls we've had. However, if you have something you'd like to add, just email me and I'll make sure it gets on the list.

Thanks again to everyone for all of your help this year, and remember to keep an eye out! We'll be back to discuss next year's plans before you know it :)

Best,

Jenna Sterner | Administrative Coordinator | Think Public Media
