Subject: THANK YOU for our Friday Visit!

Glenn,

Thank you so much for another year of a great visit! One student actually said, "this is like being in a movie," and the level of engagement and question-asking definitely reflected a deep and sincere interest in OPB and your own story and insights. You made another amazing impression, and I know some students are already excited that they sent connection requests to you and you accepted!

I hope to get a group back next year - we'll see what topic I can make fit! In the meantime, you have done so much for me and our students, please remember that I am here as a resource in any way you think I can help!

Best,  
Donna
